(a) Notwithstanding anything contained herein or in the Association Documents or the Act, neither the Association, the Board, the management company of the Association, Declarant nor any successor Declarant shall be liable or responsible for, or in any manner a guarantor or insurer of, the health, safety or welfare of any Owner or occupant of any Lot or any tenant, guest or invitee of any Owner or occupant or for any property of any such Persons. Each Owner and occupant of a Lot and each tenant, guest and invitee of any Owner or occupant shall assume all risks associated with the use and enjoyment of the Property.

(b) Neither the Association, the Board, the management company of the Association, Declarant, nor any successor Declarant shall be liable or responsible for any personal injury, illness or any other loss or damage caused by the presence or malfunction of utility lines or utility sub-stations adjacent to, near, over, or on the Property. (c) No provision of the Association Documents shall be interpreted as creating a duty of the Association, the Board, the management company of the Association, Declarant nor any successor Declarant to protect or further the health, safety or welfare of any Person(s), even if the funds of the Association are used for any such purpose.

Each Owner (by virtue of his or her acceptance of title to his or her Lot) and each other Person having an interest in or lien upon, or making any use of, any portion of the Property (by virtue of accepting such interest or lien or making such use) shall be bound by this Section and shall be deemed to have waived any and all rights, claims, demands and causes of action against the Association, the management company of the Association, if any, Declarant and any successor Declarant, their directors, officers, committee and Board members, employees, agents, contractors, subcontractors, successors and assigns arising from or connected with any matter for which the liability has been disclaimed.

4.5 Safety. The Association may maintain or support certain activities within the Property designed to provide a greater level of safety than exists within the Property.

(a) Neither the Association, any management company of the Association, Declarant, nor any successor declarant shall in any way be considered insurers or guarantors of safety within the Property. Neither the Association, any management company of the Association, Declarant, nor any successor declarant shall be held liable for any loss or damage for failure to provide adequate safety or ineffectiveness of safety measures undertaken.

(b) All Owners and occupants of any Lot, and all family members, tenants, guests, and invitees of any Owner, acknowledge that the Association, its Board of Directors, and Association committees, the management company of the Association, Declarant, any successor declarant, and the Architectural Committee do not represent or warrant that any entry gate, patrolling of the Property, neighborhood watch group or volunteer safety patrol, or any safety system that may be designated by or installed according to guidelines established by Declarant or the Architectural Committee may not be compromised or circumvented; nor that any entry gate, patrolling of the Property, neighborhood watch group or volunteer safety patrol, or any security systems will prevent loss by burglary, theft, hold-up, or otherwise; nor that any entry gate, patrolling of the Property, neighborhood watch group or volunteer safety patrol, or any security systems will in all cases provide the detection or protection for which the system is designed or intended.

(c) All Owners and occupants of any Lot, and all family members, tenants, guests, and invitees of any Owner, acknowledge and understand that the Association, its Board and committees, the management company of the Association, Declarant, or any successor declarant are not insurers of safety within the Property. Each Owner acknowledges, understands and shall be responsible for informing its tenants and all occupants of its Lot that the Association, its Board and committees, and Declarant are not guarantors of security or safety and that each person using Property within the Project assumes all risks of personal injury and loss or damage to property including Lots, improvements thereon and the contents thereof, resulting from acts of third parties.

(d) All Owners and occupants of any Lot and all family members, tenants, guests, and invitees of any Owner assume all risks for loss or damage to Persons, to Lots, and to the contents of Lots and further acknowledge that the Association, its Board and committees, the management company of the Association, Declarant, or any successor declarant have made no representations or warranties, nor has any Owner, occupant, or any tenant, guest, or invitee of any Owner relied upon any representations or warranties, expressed or implied, relative to any entry gate, patrolling of the Property, neighborhood watch group or volunteer

safety patrol, or any security systems recommended or installed or any safety measures undertaken within the Property.

4.6 Provision of Services. The Association may provide services and facilities for the Members of the Association and their guests, lessees and invitees. The Association shall be authorized to enter into contracts or other similar agreements with other entities, including Declarant, to provide such services and facilities. The costs of services and facilities provided by the Association may be funded by the Association as a Common Expense. In addition, the Board shall be authorized to charge additional use and consumption fees for services and facilities. By way of example, some services and facilities which may be provided include landscape maintenance, pest control service, cable television service, security, caretaker, fire protection, utilities, and similar services and facilities. The Board, without the consent of the Members of the Association, shall be permitted to modify or cancel existing services or facilities provided, if any, or to provide additional services and facilities. Nothing contained herein can be relied upon as a representation as to what services and facilities, if any, will be provided by the Association. This paragraph shall be specifically construed to allow the Association to enter into a contract for the overall management of the Association with any individual or corporation. The Association or its managing agent shall also be permitted to provide services to any Owners where it deems it to be in the interest of the Association to do so.

4.7 Change of Use of Common Elements. Upon (a) adoption of a resolution by the Board stating that, in the Board's opinion, a service provided by the Association pursuant to Section 4.6 or the then present use of a designated part of the Common Elements is no longer in the best interest of the Owners or is no longer necessary or appropriate for the purposes intended, and (b) the consent of Declarant during the Development Period, the Board shall have the power and right to terminate such service or change the use of any Common Elements (and, in connection therewith, construct, reconstruct, alter or change the buildings, structures and improvements thereon in any manner deemed necessary by the Board to accommodate the new use), provided that any such new use (i) shall be for the benefit of the Owners, and (ii) shall be consistent with any deed restrictions and zoning regulations restricting or limiting the use of the Common Elements.

4.8 View Impairment. Neither Declarant nor the Association guarantees or represents that any view over and across any property, including any Lot, from adjacent Lots will be preserved without impairment. Neither Declarant nor the Association shall have the obligation to prune or thin Landscaping except as set forth in Article 5. Any express or implied easements for view purposes or for the passage of light and air are hereby expressly disclaimed.

4.9 Relationship with Tax-Exempt Organizations. The Association may create, enter into agreements or contracts with, grant exclusive and/or non-exclusive easements over the Common Elements to, or transfer portions of the Common Elements to non-profit, tax-exempt organizations, including but not limited to organizations that provide facilities or services designed to meet the physical or social needs of a particular group or class of persons, for the benefit of the Property, the Association, its Members and residents. The Association may contribute money, real or personal property or services to any such entity. Any such contribution shall be a Common Expense of the Association and included as a line item in the Association's annual budget. For the purposes of this Section, a "tax-exempt organization" shall mean an entity which is exempt from federal income taxes under the Internal Revenue Code ("Code"),

such as but not limited to entities which are exempt from federal income taxes under Sections 501(c)(3) or 501(c)(4), as the Code may be amended from time to time.
