BILLING POLICY AND PAYMENT PLAN GUIDELINES**

I. BILLING POLICY

1. ASSESSMENT PERIOD

The Board of Directors ("Board") has the duty of establishing and adopting an annual budget, in advance, for each fiscal year of the Association covering the estimated costs of operation of the Association during each calendar year.

2. NOTICE

The Board shall fix the amount of the assessment against each lot for the following year pursuant to the Declaration and the annual budget each fiscal year. A written notice, or electronic notice allowable pursuant to Chapter 209 of the Texas Property Code, of the assessment may be sent to every owner subject to the assessment. Failure to receive notice will not negate an owner's responsibility or provide an entitlement to reduction or removal of assessments, interest, fines, or costs of collecting past due balances, if such notice was sent via regular mail to the most recent address of the owner according to Association records or sent by electronic means to the device or email address in the Association records when an owner has opted to receive notices by electronic means in accordance with Chapter 209 of the Texas Property Code.

Each owner shall have the obligation to notify the Association in writing of any change in address or change of electronic delivery which shall become effective five days after written notice has been received by the Association. Notices will be deemed delivered to the owner upon depositing the notice with the U.S. Postal Service, or by delivery through a delivery service to the owner or owner's address, or by sending the notice by electronic means as designated by the owner in the Association's records.

3. DUE DATE

All assessments are due and payable the first calendar day of the billing period, or in such a manner determined by the Board in its sole and absolute discretion. If any amount due the Association is not paid on the date when due, then such amounts shall be considered past due. When the account becomes past due, it remains as such until such time as it is paid in full, including assessments, fines, interest, late fees, and costs associated with collecting past due amounts.

4. INTEREST

If the assessment is not paid by the due date, the assessment may bear interest from the due date at the rate set forth in the Declaration until the assessment is paid in full.

5. LATE FEES

If the assessment is not paid by the due date, the Association may levy a late charge pursuant to the amount, if any, provided for in the Declaration until paid in full.

6. COSTS FOR COLLECTING PAST DUE AMOUNTS

Per the Declaration, the owner is responsible for paying the Association any costs of collecting past due amounts. Costs the Association may incur or be responsible for and then add to the owner's account may include, but are not limited to: administrative oversight, hand delivery notification, certified mail, title searches, amounts related to staff servicing past due accounts, ownership mailing address verification, document preparation, amounts related to making staff available for communication with past due owners, file review costs, filing fees, and other costs.

In addition, pursuant to Texas Property Code, the Association may incur or be responsible for third party costs that an owner is then responsible for paying which may include, but are not limited to: attorney's fees and costs, court costs, filing fees, and other costs.

7. PAST DUE NOTIFICATION

In the event an amount remains unpaid after the due date, past due notices may be sent from the Association to the owner(s) each month the amount remains past due. The Association may send written notice on or about every thirty (30) days until such time the account is paid in full.

The Association may choose to cause work to be done in an effort to properly bill the owners and to fulfill the Board's duty to bill and collect all assessments. The Association may state in past due correspondence to the owner the nature of any additional work to be done on the owner's account and the corresponding cost to the Association that will be billed by the Association to the owner's account if the owner fails to pay in full by the due date.

Past due notices will contain a statement that the entire remaining unpaid balance is due and that the owner is entitled to a payment plan. In the event the owner chooses to enter a payment plan, in addition to interest, a monthly charge may be added to the owner's balance for administrative costs related to the payment plan and such additional administrative costs may continue until the entire balance is paid in full.

8. FINAL NOTICE PRIOR TO REFERRAL TO A THIRD PARTY

In the event an amount due remains unpaid for a period of more than one hundred and twenty (120) days beyond the due date set forth on the initial notice of amounts due to the Association, or in the event an owner does not fulfill the terms of a payment plan agreement, the Board may vote in a meeting to send a Final Notice to the owner.

The Final Notice will be sent via certified mail pursuant to Section 209.0064 of the Texas Property Code and will set forth the following information: amounts due, including all past due assessments, interest, late fees, costs and any other amounts outstanding; a period of at least thirty (30) days for the owner to pay the amounts due; the availability of a payment plan if the owner is entitled to a payment plan as described in Section II of this document; notice of the owner's past due amounts being referred from the Association's handling to a third party collection agent or attorney if the amount remains unpaid after the referenced thirty (30) day period; and notice that any attorney's fees and costs will be charged to the owner's account.

9. REFERRAL OF ACCOUNT TO A THIRD PARTY - ESCALATED BILLING STATUS

Past due accounts referred to the Association's attorney for legal action may, per the Declaration of the Association, be charged interest, late fees, costs to the Association related to the administrative monitoring of an owner's account, and costs of the third party attorney's office. The costs for maintaining and monitoring accounts in an escalated billing status may include, but are not limited to: correspondence to and from the attorney, regular updates from the attorney to the Board, coordination with the Board related to the owner's file, processing invoices and partial payments, notary services, periodic review of the file, providing updated monthly statements to the attorney's office; producing documents, and when requested, information requests such as, confirmation of occupancy of property, identification of vehicles, etc.

Upon referral of an owner's account to a third party attorney's office, the attorney is authorized to take whatever action is necessary, in consultation with the Board, including but not limited to: sending demand letters, filing a lawsuit against the past due owner for a money judgment, instituting a foreclosure or expedited foreclosure action; and, filing necessary claims, objections and motions in the bankruptcy court and monitoring the bankruptcy case in order to protect the Association's interests.

10. PAYMENTS RETURNED FOR NON-SUFFICIENT FUNDS

An owner may be charged for costs related to a check that is returned for non-sufficient funds.

11. COMMON AREA

If a hearing is not requested within 30 days from the date the past due notice is mailed to the owner, the owner's use of recreational facilities and common properties may be suspended.

II. PAYMENT PLAN GUIDELINES

The Association hereby establishes an alternative payment schedule by which an owner may make partial payments to the Association for past due regular or special assessments or any other amounts owed to the Association without accruing monetary penalties. Monetary penalties do not include interest or reasonable costs associated with administering the payment plan. Any late fees imposed prior to a request for a payment plan may be made part of such payment plan at the discretion of the Board. The payment plan schedule and policy is as follows:

1. A payment plan term shall be determined at the discretion of the Board, but shall have a minimum term of not less than 3 months;
2. The Association may use its discretion to determine the maximum term of a payment plan;
3. The Association may set up, without the need for a case by case vote by the Board, a payment plan allowing up to 12 consecutive monthly installments;
4. An owner may submit a request for a payment plan that does not meet the foregoing guidelines and may provide any information they wish the Board to consider. The Board may approve or disapprove such payment plan, in its sole discretion, as long as the minimum term of the payment plan offered by the Association is not less than 3 months;
5. All payments shall be due by the date specified in the payment plan;
6. Failure by an owner to make a payment by the due date specified in the payment plan shall be considered a default of the payment plan;
7. The Association is not required to enter into a payment plan with an owner who failed to honor the terms of a previous payment plan during the two (2) years following the owner's default under a previous payment plan;
8. If an owner requests a payment plan that will extend into the next assessment cycle, the owner may be required to pay future assessments by the due date of those assessments in addition to the payments specified in the payment plan;
9. Pursuant to Section 209.0064(b)(3) of the Texas Property Code the Association is not required to offer a payment plan to an owner after the thirty (30) day period to pay the past due balance in the final notice has expired;
10. The Association is not required to allow an owner to enter into a payment plan more than once in any twelve (12) month period;
11. The Association is not required to allow a payment plan for any amount that extends more than 18 months from the date of the owner's request for a payment plan.

III. General Provisions

1. Independent Judgment
Notwithstanding the contents of this detailed policy, the officers, directors, and manager of the Association may exercise their independent, collective, and respective judgment in applying this policy.
2. Other Rights
This policy is in addition to and is not intended to detract from or limit the rights of the Association to bill assessments under the Association's Declaration and the laws of the State of Texas.
3. Application of Payments
A payment received by the Association shall be applied in accordance with Section 209.0063 of the Texas Property Code. The acceptance of a partial payment on an owner's account does not constitute a waiver of the Association's right to collect the full outstanding balance due on an owner's account.

4. Replacement and Amendment of Policy

This policy replaces any previously recorded or implemented policy that addresses the subjects contained herein. The Board of Directors may amend this policy from time to time.

2. Xeriscaping - Xeriscaping means using native and adapted plants that grow and sustain themselves with low water requirements, and that can tolerate heat and drought conditions.

3. Ground Cover - If a request is granted, non-turf areas can contain decomposed granite, ground hardwood mulch, crushed limestone, flagstone, or other loose stone material for a ground cover. The ground cover must be maintained to prevent weed growth, preferably without using toxic or environmentally harmful chemicals. Paver stones may be used to create walkways. Concrete surfaces are limited to driveways and sidewalks only.
4. Plants - Use plants adapted to the pH soil conditions created by the non-turf materials used. For example, don't use acid-loving plants along with alkaline crushed limestone. Acid-loving plants would do well with ground hardwood mulch. Native plants would do well with limestone or crushed granite. For public safety, no plants with thorns, spines, or sharp edges can be used within six feet (6') of the sidewalks. Also, no plants higher than twelve inches (12") may be planted in the sidewalk strip, as this constitutes a visual safety hazard to pedestrians and drivers.
5. Borders - Xeriscaped areas must be surrounded by a border to clearly define the xeriscaped areas from turfed areas. Borders can consist of metal edging or mortared masonry units. Masonry products include stone, clay brick pavers, or concrete masonry units manufactured as edging shapes. Any proposed masonry edging must receive approval of the Architectural Control Committee. All masonry products must be properly mortared in place to avoid displacement and weed encroachment or growth between masonry units. Brick masonry must be approved for color and type; if brick units are to be used they must be solid units, not those with holes. No "common" concrete blocks are permitted. If iron edging is used, it must be properly staked and set with top edge not more than two inches (2") above grade. Borders must be maintained as part of the landscaping, must be kept in attractive condition, and must be edged.
6. Turf Grasses - Homeowners should consider replacing "thirsty" turf grasses such as St. Augustine with turf that has lower water requirements. Good turf grasses for our area include Buffalo grass, Zoysia, and Bermuda. However, no one turf grass is ideal for all situations, so carefully consider the amount of sunlight your lawn receives before choosing a new turf grass.
7. Hardscapes - Hardscapes can include large boulders or other natural materials that are used as part of xeriscape landscaping design. Urns, pots, and other man-made ornamentation can add variety, but are not to exceed four (4) items in public view. Any proposed landscape "decorative items" such as birdbaths, statuary, or other similar non-vegetative items must be approved in advance. No boulders or large rocks exceeding six inches (6") may be used on the easement strips between the sidewalks and the street curb.
8. Landscape Maintenance - Xeriscaped areas are subject to the same maintenance requirements as other landscaping and must be maintained at all times to ensure an attractive appearance. Plants must be trimmed, beds must be kept weed-free, and borders must be edged. No plants may encroach on sidewalks. Sickly and dying plants must be removed and replaced. Perennials that die back during winter must be cut back to remove dead material. This includes most ornamental grasses and other flowering perennials that go dormant to the ground in winter. any and all other covenants, conditions, restrictions, rules, and guidelines in effect for the Association.

4. The interest can be either direct or indirect.
5. The benefit is not limited to strictly monetary rewards (e.g. access to information for private gain).
6. If a conflict of interest is discovered after a decision has been made, the pertinent Director must notify the rest of the Board as soon as he or she is aware of a conflict.

7. The other board members must reexamine the issues with the new information in accordance with this policy.
8. Contracts entered into in violation of this policy are void and unenforceable.
