USE OF THE PROPERTY - PROTECTIVE COVENANTS

2.01 General. No use shall be permitted on the Property which is not allowed under applicable public codes, ordinances and other laws either already adopted or as may be adopted by the City or other controlling public authorities. Each Owner, occupant or other user of any portion of the Property, shall at all times comply with this Declaration and with any and all laws, ordinances, policies, rules, regulations and orders of all federal, state, county and municipal governments or their agencies having jurisdictional control over the Property, specifically including, but not limited to, applicable zoning restrictions placed upon the Property as they exist from time to time. **IN SOME INSTANCES GOVERNMENTAL REQUIREMENTS MAY BE MORE OR LESS RESTRICTIVE THAN THE PROVISIONS OF THIS DECLARATION. IN THE EVENT A CONFLICT EXISTS BETWEEN ANY SUCH GOVERNMENTAL REQUIREMENT AND ANY REQUIREMENT OF THIS DECLARATION, THE MOST RESTRICTIVE REQUIREMENT SHALL PREVAIL, EXCEPT IN CIRCUMSTANCES WHERE COMPLIANCE WITH A MORE RESTRICTIVE PROVISION OF THE DECLARATION WOULD RESULT IN A VIOLATION OF MANDATORY APPLICABLE GOVERNMENTAL REQUIREMENTS, IN WHICH EVENT THOSE GOVERNMENTAL REQUIREMENTS SHALL APPLY. COMPLIANCE WITH MANDATORY GOVERNMENTAL REQUIREMENTS WILL NOT RESULT IN THE**

BREACH OF THIS DECLARATION EVEN THOUGH SUCH COMPLIANCE MAY RESULT IN NON-COMPLIANCE WITH PROVISIONS OF THIS DECLARATION. WHERE A GOVERNMENTAL REQUIREMENT DOES NOT CLEARLY CONFLICT WITH THE PROVISIONS OF THIS DECLARATION BUT PERMITS ACTION THAT IS DIFFERENT FROM THAT REQUIRED BY THIS DECLARATION, THE PROVISIONS OF THIS DECLARATION SHALL PREVAIL AND CONTROL. All Lots shall be developed in accordance with this Declaration as this Declaration may be amended or modified from time to time as herein provided. The provisions of this Article set forth certain requirements which, in addition to the other provisions of this Declaration, shall apply with respect to the development and use of the Property.

2.02 Residential Use. All Lots shall be used and occupied for single family residential purposes only, as defined in and limited by the applicable ordinances of the City. No building or structure shall be erected, altered, placed or permitted to remain on any Lot other than a private single-family detached residence unless approved in writing by the Architectural Control Committee. Declarant is not obligated to construct an Amenity Center and shall have no liability to any Owner or Member in the event that an Amenity Center is not constructed. The Common Properties shall be used only for the purposes set forth herein. Except for those provisions to the contrary contained herein with respect to said Common Properties, each Owner shall be solely responsible for any and all improvements of any kind located on such Owner's Lot.

No Lot shall be resubdivided; provided, however, that Declarant shall have, and reserves the right, at any time, and from time to time, upon the consent of the City, and with the joinder and consent of the directly affected Lot Owners, to change zoning and replat the Property or amend the Plat to effect a resubdivision or reconfiguration of any Lots in the Property then owned by Declarant and the consenting Lot Owners, so long as such replat results in each resubdivided Lot containing not less than the minimum Lot size within the Subdivision prior to such replat. Owners of Lots not being replatted shall not unreasonably withhold or delay their joinder in or consent to such replat or amendments to the Plat as may be required by the City. The right to replat set forth in this Section shall be exercisable only by Declarant. Any landscaping including but not limited to sod, flowers, shrubbery, and amenity rocks must not hinder the drainage from one lot to the next. Any landscaping or other work to be done inside the drainage swales must receive Architectural Control Committee's approval prior to installation. Should any landscaping or other features installed within the drainage swales, that have been approved by the Architectural Control Committee, hinder the flow of surface drainage, it shall be the responsibility of the individual homeowner to replace and reinstall in accordance with the City approved drainage plan. The Declarant hereby assumes no responsibility for culverts that have been installed on any individual lot.

3.02 Responsibilities of the Association for Maintenance of the Common Properties and Easements. The Association has and shall have the sole responsibility to maintain the Common Properties and Easement Areas, and for future improvements and Common Properties for the benefit of the Subdivision which are or may become necessary or desirable in the future on any Common Properties or Easement Areas, including any of the off-site Easement Areas outside the limits of the Subdivision. The Association's costs of maintaining the Common Properties and such Easement Areas will be collected from the Owners through Assessments as provided in Article V hereof. The Association shall not seek, by either act or omission, to abandon the Association's obligations as established by this Declaration to maintain the Common Properties and/or Easement Areas.

3.03 Utility Easements. Declarant and providers of utility services to the Subdivision shall have, and are hereby granted easements for installation, maintenance, repair, removal and operation of utilities and drainage facilities on, under and across the Easement Areas and for the removal of any obstruction that may be placed in such Easement Areas that would constitute interference with the use of any such easement, or with the use, maintenance, operation or installation of any such utility. The City or the utility company exercising such easement rights shall promptly repair any damage to landscaping, sprinkler systems or other

improvements resulting therefrom; provided, however, neither the City nor any utility company shall have any obligation to repair any improvements installed in any Easement Areas.

3.04 Association's Easement for Maintenance. The Association shall have a maintenance easement on all Lots to the extent reasonably necessary for the purpose of maintaining the Common Properties and for the removal of any obstruction that may be placed on such Easement Areas that would constitute interference with the Association's use of any such easement.

3.05 Maintenance Reserve Fund. In order to provide for extraordinary and unanticipated items regarding the maintenance obligations contained herein, the Association may establish a maintenance reserve fund for the maintenance of the Common Properties and Easement Areas in an amount the Board shall, in its sole and absolute discretion, determine to be sufficient.

3.06 Other Easements. Declarant and the Association shall have an easement and full right of ingress and egress at all times over and upon the Property for the exercise of any and all rights and functions set out in this Declaration and over any easements set forth on any Plat. Any such entry by Declarant and the Association upon a Lot shall be made with as minimum inconvenience to the affected Owner as practical.

3.07 Detention Facilities. Any Detention Facilities constructed by Declarant have been constructed solely for the purpose of accommodating storm water runoff as required by the City. The Detention Facilities have not been designed and are not intended to maintain a constant water level. In order to maintain a desired water level in the Detention Facilities, the water level will need to be augmented through other sources, such as well water or water provided through a public water supply. Even with such augmentation, the water levels in such Detention Facilities may vary substantially due to weather conditions, soil conditions and other factors. **DECLARANT IS NOT RESPONSIBLE FOR, SHALL HAVE NO LIABILITY IN CONNECTION WITH AND IS HEREBY RELEASED FROM ALL CLAIMS, LIABILITIES, DAMAGES, COSTS AND EXPENSES ARISING IN CONNECTION WITH THE DETENTION FACILITIES, ANY DEFECTS IN THE DETENTION FACILITIES OR ANY IMPROVEMENTS CONSTRUCTED IN CONNECTION WITH THE DETENTION FACILITIES, INCLUDING BUT NOT LIMITED TO WELLS AND/OR PIPING, AND/OR THE WATER LEVEL OF THE DETENTION FACILITIES, OR ANY FLUCTUATIONS IN SUCH WATER LEVEL, EVEN IF DUE IN WHOLE OR IN PART TO THE NEGLIGENCE OF DECLARANT.** If the Association or the Owner desires to maintain any particular amount, quantity or level of water in the Detention Facilities, the Association shall be solely responsible for payment of all costs and expenses in connection therewith. The Association shall be solely responsible for maintaining the Detention Facilities and Declarant shall have no liability or responsibility in connection therewith.

3.08 Obligation of Declarant. Declarant has installed and constructed, or caused to be installed and constructed, or will install and construct, various improvements and

infrastructure as determined by Declarant in such condition as required by the City in order to obtain approval of the Plat. DECLARANT SHALL HAVE NO FURTHER OBLIGATION WHATSOEVER TO CONSTRUCT ANY IMPROVEMENTS ON THE PROPERTY OR MAINTAIN ANY OF SAME, OR OTHERWISE FUND OR BE LIABLE FOR ANY MATTERS CONCERNING SUCH IMPROVEMENTS OR OTHERWISE RELATED TO THE SUBDIVISION. DECLARANT SHALL HAVE NO LIABILITY FOR AND IS HEREBY RELEASED FROM ALL CLAIMS, CAUSES OF ACTION, COSTS AND EXPENSES ARISING IN CONNECTION WITH SUCH IMPROVEMENTS AND INFRASTRUCTURE OR ANY DEFECTS THEREIN, EVEN IF DUE IN WHOLE OR IN PART TO THE NEGLIGENCE OF DECLARANT.

ARTICLE IV

PURPOSE, MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

4.01 Purpose of the Association. The Association shall have and exercise the rights, and shall perform the functions of, the Association for the benefit of, and as agent for, the Owners as set forth in this Declaration.

4.02 Membership. Every Owner (including Declarant) shall automatically be and must remain a Member of the Association so long as such Person is an Owner. The membership of a Person in the Association shall terminate automatically whenever such Person ceases to be an Owner, except that such termination shall not release or relieve such Person from any liability or obligation arising under this Declaration during such Person's period of ownership. Any transfer of title to a Lot shall operate automatically to transfer membership in the Association appurtenant to such Lot to the new Owner of such Lot.

4.03 Member in Good Standing. A Member shall be considered to be a "Member in Good Standing" (herein so called) and eligible to vote on Association related matters if such Member:

- (a) Has, at least ten (10) days prior to the taking of any vote by the Association, fully paid all Assessments or other charges levied by the Association, as such Assessments or charges are provided for hereunder;
- (b) Does not have a Notice of Unpaid Assessments filed by the Association against the Lot owned by such Owner; and
- (c) Has discharged all other obligations to the Association as may be required of Members hereunder or under the Association Documents.

The Board shall have the right and authority, in the Board's sole and absolute discretion, to waive the ten (10) day prior payment requirement in Section 4.03 (a) hereof and

require only that such payment be made at any time before such vote is taken if the Board shall determine, in the Board's sole and exclusive judgment, that extenuating circumstances exist which have prevented prior payment. Any Member not conforming with the provisions of this Section shall be declared by the Board not to be a Member in Good Standing and any such Member shall not be entitled to vote on matters before the Association until such time as Member in Good Standing status is attained and so declared by the Board.

4.04 Voting Rights. The Association shall have the following two (2) classes of voting membership:

(a) **CLASS A:** "Class A Members" (herein so called) shall be all Members other than Declarant. Class A Members shall be entitled to one (1) vote for each Lot in which they hold the interest required for membership. If any Lot is owned by more than one (1) Owner, the number of votes attributable to such Lot still shall be one (1), and such one (1) vote may be cast only if all of the Owners owning such Lot, prior to the time of the vote in question, have delivered to the Association a written agreement as to how such vote is to be cast or a written designation of one (1) of such Owners to cast the vote attributable to such Lot. Any Owner who is not an individual must designate, upon request of the Board, a representative to act for such Owner in Association matters and to cast the vote of such Owner, such designation to be made in writing to the Board.

(b) **CLASS B:** The sole "Class B Member" (herein so called) shall be Declarant. The Class B Member shall be entitled to six hundred (600) votes for each Lot which it owns. The Class B membership shall cease at such time as Declarant and Declarant's affiliates no longer own a Lot within the Subdivision.

4.05 Quorum, Notice and Voting Requirements.

(a) Except as otherwise specifically provided in this Declaration, any action requiring the vote or approval of the Members or the Owners shall require the majority vote of the Members in Good Standing (both classes voting together), represented at a duly called meeting of the Members in person or by a legitimate proxy in form provided in the Association Documents or otherwise approved by the Board, at which a "Regular Quorum" or a "Special Quorum" is present. Written notice of a meeting must be given to all Members not less than ten (10) days nor more than thirty (30) days in advance of any such meeting and shall set forth the purpose(s) of such meeting. No action may be taken at a meeting on any matter that is not described in the applicable meeting notice as being on the agenda for such meeting. Notwithstanding anything herein to the contrary, to the extent permitted by applicable law and in the Association Documents from time to time, any action may be taken by written consent of the Members in lieu of formal meetings.

(b) The quorum (a "Special Quorum") required for any action referred to in Section 5.05 (b) (maximum increase in Regular Assessments) hereof or Section 5.05(d) (Special Purpose Assessments) hereof or for the approval of any Common Services shall be as follows:

Members in Good Standing, represented at a duly called meeting of the Members in person or by a legitimate proxy in form provided in the Association Documents or otherwise approved by the Board, entitled to cast sixty percent (60%) of all of the votes of Members in Good Standing (both classes of Members taken together) shall constitute a Special Quorum. If the required Special Quorum is not present at such meeting, that meeting may be adjourned, and an additional meeting may be called, subject to the notice requirement set forth herein, with the required Special Quorum at such second (2nd) meeting being reduced to one-half (1/2) of the required Special Quorum at the preceding meeting; provided, however, that such second (2nd) meeting must be held not later than thirty (30) days after the first (1st) meeting. Further, if the reduced required Special Quorum is not present at such second (2nd) called meeting, the adjournment of the meeting shall be continued, and one (1) additional meeting may be called, subject to the notice requirement set forth herein, with Declarant alone constituting the required Special Quorum at such third (3rd) meeting; provided that such third (3rd) meeting must be held not later than forty-five (45) days after the first (1st) meeting.

(c) The quorum (a "Regular Quorum") required for any action other than the action referred to in Section 4.05(b) hereof shall be as follows:

Members in Good Standing, represented at a duly called meeting of the Members in person or by a legitimate proxy in form provided in the Association Documents or otherwise approved by the Board, entitled to cast thirty percent (30%) of all of the votes of Members in Good Standing (both classes of Members taken together) shall constitute a Regular Quorum. If the required Regular Quorum is not present at such meeting, that meeting may be adjourned, and an additional meeting may be called, subject to the notice requirement set forth herein, with the required Regular Quorum at such second (2nd) meeting being reduced to one-half (1/2) of the required Regular Quorum at the preceding meeting; provided, however, that such second (2nd) meeting must be held not later than thirty (30) days after the first (1st) meeting. Further, if the reduced required Regular Quorum is not present at such second (2nd) called meeting, the adjournment of the meeting may be called, subject to the notice requirement set forth herein, with Declarant alone constituting the required Regular Quorum at such third (3rd) meeting; provided that such third (3rd) meeting must be held not later than forty-five (45) days after the first (1st) meeting.

(d) As an alternative to the procedure set forth in this Section, any action may be taken without a meeting upon obtaining the consent given in writing and signed by Members in Good Standing who hold more than (i) sixty percent (60%) of the outstanding votes eligible to be cast by Members in Good Standing (both classes of Members taken together) for actions referred to and requiring a Special Quorum as provided in Section 4.05(b) hereof, or (ii) thirty percent (30%) of the outstanding votes eligible to be cast by Members in Good Standing (both classes of Members taken together) for actions referred to and requiring a Regular Quorum as provided in Section 4.05(c) hereof.

(e) Except as set forth in this Section, the notice, voting and quorum requirements for all action to be taken by the Association shall be as set forth in the Association Documents.

(f) Notwithstanding any provision contained herein or in any of the Association Documents to the contrary, as long as the Declarant owns one (1) Lot in the Subdivision, no vote of the Members shall be effective without the approval and joinder of the Declarant.

ARTICLE V

ASSESSMENTS

5.01 Covenants for Assessments. Each Owner, by acceptance of a deed or other conveyance or transfer of legal title to a Lot, whether or not it shall be so expressed in any such deed or other conveyance or transfer, shall be deemed to have covenanted and agreed to pay to the Association, or to an independent entity or agency which may be designated by the Association to receive such monies, the following assessments (collectively, the "Assessments"):

- (a) Regular Assessments as provided in Section 5.02 hereof;
- (b) Special Purpose Assessments as provided in Section 5.03 hereof; and
- (c) Special Member Assessments as provided in Section 5.04 hereof.

All Assessments shall remain the property of the Owner making payment of such Assessments but shall be controlled and expended by the Association on behalf of the Owners only for the specified purposes provided or approved pursuant to this Declaration. No profit, gain or other benefit is to be derived by the Association from the Assessments, but, instead, such funds shall be expended only as agent for the Owners. All services contemplated to be paid from Assessments shall be obtained by the Association on behalf of the Owners. Upon termination of the Association (and not before), all Assessments held at that time by the Association shall be allocated and returned to the Owners that paid such Assessments. No Assessments shall be levied against the Common Properties or the Lots owned by Declarant; provided, however that Declarant shall pay the amounts, if any, pursuant to Section 5.02 hereof agreed to be expressly paid by Declarant.

5.02 Regular Assessments. "Regular Assessments" (herein so called) shall be determined, assessed and expended on a calendar year basis, which shall be the fiscal year of the Association. Regular Assessments shall be used exclusively for the following purposes (collectively, the "Common Expenses"): (a) maintaining, improving and/or operating the Common Properties, subject to the limitations set forth in Section 6.01 hereof; (b) the payment of taxes and insurance (if any) in connection with the Common Properties and the Common Services; (c) developing and maintaining replacement and working capital reserves for the Association (including, without limitation, the maintenance reserve fund as provided for in Section 3.05 hereof); (d) providing the Common Services; (e) the payment of insurance premiums and costs as provided in Section 6.02 hereof, including, without limitation, the premiums for officers', directors' and Architectural Control Committee Members' liability insurance, and the payment of any indemnity costs or costs of other functions of the Board or the Association pursuant to this Declaration; (f) meeting and carrying out all contractual

obligations of the Association, including, without limitation, the Common Services obligation; and (g) carrying out the duties of the Board and the Association as set forth in this Declaration.

Each year while this Declaration is in force, the Board shall set the amount of the Regular Assessments to be levied for the next calendar year, taking into consideration (i) the Common Expenses for the then current year, and anticipated increases in such expenses during such next calendar year, (ii) a contingency amount [not exceeding ten percent (10%) of the anticipated expenditures for such next year], (iii) amounts needed for any reserve fund as determined by the Board, and (iv) the number of Lots subject to Assessments, and (v) should any excess surplus (exclusive of amounts in any reserve fund) exist at the end of any calendar year, the Board may, but shall not be obligated to, reduce the amount required for the next year's Regular Assessments by an amount equal to such surplus. The Regular Assessments for each calendar year shall be set by the Board on or about the 1st day of November of the preceding year or as soon thereafter as such determination reasonably can be made by the Board. The "Per-Lot Regular Assessment Amount" (herein so called) shall then be determined by the Board such that the sum of the Per-Lot Regular Assessment Amounts payable for each Lot subject to Assessments equals the aggregate Regular Assessments required as set by the Board.

The Per-Lot Regular Assessment Amount shall be payable for each Lot which has been conveyed by Declarant to any third party, including, but not limited to, any Owner, builder or contractor. Regular Assessments shall commence, and the Per-Lot Regular Assessment (pro-rated for the remaining portion of the fiscal year of the Association) shall become payable immediately upon the conveyance (or reconveyance in the case of any Lot which is reacquired by Declarant) of any Lot by Declarant. Notwithstanding anything herein to the contrary, no Assessments shall be payable for Lots owned by Declarant (whether now owned or hereafter acquired or reacquired).

To the extent that the amount of Regular Assessments required to be paid to the Association are insufficient to cover actual expenses incurred by the Association for the purposes thereof, Declarant may, at its sole discretion, loan to the Association an amount equal to any excess actual expenses, which amount, together with interest at a floating rate per annum equal to the highest prime rate published by *The Wall Street Journal* plus two percent (2%), shall be repaid by the Association to Declarant upon demand.

5.03 Special Purpose Assessments. Subject to the provisions of Section 5.05(d) hereof, the Board may, from time to time, levy "Special Purpose Assessments" (herein so called) for the purpose of paying any capital improvements and other unanticipated expenses that normally would have been paid out of Regular Assessments but which were not included in that year's budget for Regular Assessments. Such Special Purpose Assessments shall be assessed on a per Lot basis in the same manner as the Regular Assessments are assessed as set forth in Section 5.02 hereof.

5.04 Special Member Assessments. The Board may levy a "Special Member Assessment" (herein so called) on any Member, to the extent any directly related insurance

proceeds (if any) paid to the Association are not sufficient to pay all such costs, for the purpose of:

(a) Paying the cost of any damage or loss requiring maintenance, repairs or replacement of Common Properties, which damage or loss has been determined by the Board to have been caused, either directly or indirectly, by the act(s) of such Member, or such Member's agent, employee, occupant or visitor; and/or

(b) Paying the maintenance costs, construction delay damages and Violation Fines or other amounts chargeable to any Owner as otherwise set forth herein.

5.05 Special Provisions Regarding Assessments.

(a) Until and unless otherwise determined by the Board, the annual Per-Lot Regular Assessment Amount shall be Three Hundred Ninety and No/100 Dollars (\$390.00) per Lot per year.

(b) The Board may establish the maximum annual Regular Assessment and the maximum Per-Lot Regular Assessment Amount for each Lot, provided that the maximum annual Regular Assessment and the maximum Per-Lot Regular Assessment Amount may not be increased more than twenty-five percent (25.0%) above the maximum annual Regular Assessment and the maximum Per-Lot Regular Assessment Amount for the previous year unless approved by a Special Quorum of the Members of the Association as provided in Section 4.05(b) hereof. Notwithstanding the foregoing, in the event that the Board determines that due to unusual circumstances the maximum annual Regular Assessment and the maximum Per-Lot Regular Assessment Amount even as increased by twenty-five percent (25.0%) will be insufficient to enable the Association to pay the Common Expenses, then in such event, the Board shall have the right to increase the maximum annual Regular Assessment and the maximum Per-Lot Regular Assessment Amount by the amount necessary to provide sufficient funds to cover the Common Expenses without the approval of the Members as provided herein; provided, however, the Board shall only be allowed to make one (1) such increase per calendar year without obtaining approval of a Special Quorum of the Members as provided in Section 4.05(b) hereof.

(c) If any Assessment remains unpaid at the expiration of fifteen (15) calendar days from and after the due date established by the Board, a late charge, in an amount determined by the Board to offset administrative costs of the Association resulting from such delinquency, shall be assessed against the non-paying Owner for each month, or portion thereof, that any portion of an Assessment remains unpaid. A service charge of Twenty-five and No/100 Dollars (\$25.00) or such other amount established by the Board (but in no event exceeding the maximum lawful amount) shall be charged for each check that is returned because of insufficient funds. The amounts of late charges and service charges may be adjusted, from time to time, by the Board, and shall in no event exceed the amounts permitted by applicable law.

(d) Any Special Purpose Assessments for the purpose of paying the cost of the construction of a capital improvement or for the provision of Common Services shall require the affirmative approval of a Special Quorum of the Members as provided in Section 4.05(b) hereof.

(e) Notwithstanding any provision contained herein to the contrary, as long as the Declarant owns any Lot, no increase in Regular Assessments or other Assessment shall be effective without Declarant's approval.

(f) In addition to Regular Assessments, Special Purpose Assessments and Special Member Assessments, each Owner of Lot within the Property (other than a builder who purchases a Lot upon which the builder will construct improvements for sale to a bona fide third party consumer) who purchases a Lot shall be obligated, at the time of the purchase of the Lot by such Owner and simultaneously therewith, to pay the Association the sum of Two Hundred Ninety and No/100 Dollars (\$290.00) as an initiation fee, which fee shall be used for the same purposes for which Regular Assessments may be used.

5.06 Due Date of Assessments. The Regular Assessments provided for herein shall be payable annually within thirty (30) days after an invoice is delivered by the Association to an Owner; provided, however, the Board shall have the right to require payment of Regular Assessments at other intervals if the Board deems appropriate in the Board's sole and exclusive discretion [but with payment thereof not required any earlier than thirty (30) days after delivery of any such invoice therefor]. The due date of any Special Purpose Assessment or Special Member Assessment shall be fixed in the notice to the Owner or Owners providing for any such Assessment, but will not be sooner than thirty (30) days after such notice is delivered to the Owner or the Owners thereof. The initial Per-Lot Regular Assessment Amount as established by the Board shall be payable, in whole or in part (as applicable), simultaneously with the sale and conveyance of each Lot by Declarant, and such applicable amount shall be prorated over the remainder of the calendar year from the date of such conveyance.

5.07 Personal Obligation for Payment of Assessments. The Assessments provided for herein shall be the personal obligation of the Owner or Owners of the Lot with respect to which such Assessment is made. The covenants for the payment of Assessments as provided in this Declaration touch and concern each Lot, are covenants running with the land and specifically bind the Owners and their heirs, successors, devisees, personal representatives and assigns. Except for Declarant as expressly provided herein, no Owner, for any reason, may exempt itself from liability for Assessments. In the event that any Assessment (or any part thereof) is not paid when due, the Owner or Owners of such Lot shall be obligated to pay interest on any such unpaid Assessment from such date at the Default Rate of Interest together with the charges made as authorized in Section 5.05(c) hereof and all costs and expenses of collection thereof, including, but not limited to, reasonable attorneys' fees. The Board shall have the right to reject any partial payment of any Assessment and demand full payment thereof, or the Board may, in the Board's sole and exclusive discretion, elect to accept any such partial payment on account only, without in so doing waiving any rights established hereunder

with respect to any remaining balance due. The obligation of any Owner to pay an Assessment with respect to a Lot made for any period of time that an Owner owns the Lot shall remain such Owner's personal obligation (notwithstanding any future sale or conveyance of such Owner's Lot) and shall also pass to the purchaser(s) of such Lot. However, any lien against a Lot for any unpaid Assessments shall be unaffected by any sale of such Lot and shall continue in full force and effect. In the event of a sale of a Lot, it shall be the obligation of the then Owner of such Lot to disclose to any buyer, assignee, title company designated to handle such transaction, financing entity or any other party to such sale any unpaid Assessments, such notice to be given in writing to all parties to the intended transaction at least fifteen (15) days before the date at which such transaction is to be consummated. A copy of any such notice shall be sent to the Association at the same time. A former Owner shall not be liable for Assessments due with respect to a Lot for periods after such Person no longer is the Owner of such Lot and the notice required herein has been given.

5.08 Assessment Lien and Foreclosure. THE OBLIGATION TO PAY ASSESSMENTS IN THE MANNER PROVIDED FOR IN THIS ARTICLE, TOGETHER WITH INTEREST FROM SUCH DUE DATE AT THE DEFAULT RATE OF INTEREST, THE CHARGES MADE AS AUTHORIZED IN SECTION 5.05(c) HEREOF, ALL VIOLATION FINES AND THE COSTS OF COLLECTION, INCLUDING, BUT NOT LIMITED TO, REASONABLE ATTORNEYS' FEES, IS SECURED BY A CONTINUING CONTRACTUAL LIEN (THE "ASSESSMENT LIEN") AND CHARGE ON THE LOT COVERED BY SUCH ASSESSMENT, WHICH SHALL BIND SUCH LOT AND THE OWNERS THEREOF AND THEIR HEIRS, SUCCESSORS, DEVISEES, PERSONAL REPRESENTATIVES AND ASSIGNEES. The aforesaid continuing contractual Assessment Lien shall attach to the Lots as of the date of the recording of this Declaration in the Real Property Records of Collin County, Texas, and such Assessment Lien shall be superior to all other liens except as provided in Section 5.10 hereof. Such Assessment Lien shall not encumber or attach to the Common Properties. The Association shall have the right to subordinate the aforesaid Assessment Lien to any other lien. The exercise of such right shall be entirely discretionary with the Board. Except for a conveyance to a purchaser at a foreclosure sale pursuant to a lien to which the Assessment Lien is subordinate as provided herein or in Section 5.10 hereof, all Lots are conveyed to, and accepted and held by, the Owner thereof subject to the Assessment Lien provided for in this Section. To evidence any unpaid Assessments, the Association may prepare a written notice of unpaid Assessments (the "Notice of Unpaid Assessments") setting forth the amount of the unpaid indebtedness, the name of the Owner of and describing the affected Lot. Such notice shall be signed by one (1) of the officers of the Association and may, at the Board's sole and exclusive discretion, be recorded in the Real Property Records of Collin County, Texas. The Association shall record an appropriate release of any recorded Notice of Unpaid Assessments when the amounts referenced therein have been paid. THE ASSESSMENT LIEN MAY BE ENFORCED BY FORECLOSURE OF THE ASSESSMENT LIEN UPON THE DEFAULTING OWNER'S LOT BY THE ASSOCIATION SUBSEQUENT TO THE RECORDING OF THE NOTICE OF UNPAID ASSESSMENTS EITHER BY JUDICIAL FORECLOSURE OR BY NONJUDICIAL FORECLOSURE THROUGH A PUBLIC SALE IN LIKE MANNER AS A MORTGAGE ON REAL PROPERTY IN ACCORDANCE WITH OF THE TEXAS PROPERTY CODE, AS

SUCH MAY BE REVISED, AMENDED, SUPPLEMENTED OR REPLACED FROM TIME TO TIME. In addition, the Association any institute suit against the Owner personally to obtain a judgment for unpaid Assessments. Furthermore, the Association shall have such other rights and remedies as permitted or allowed by applicable law. In any foreclosure proceeding, whether judicial or nonjudicial, or in any suit or other action against, or pertaining to, the Owner, the Owner shall be required to pay all costs, expenses and reasonable attorneys' fees incurred by the Association. The Association shall have the right and power to buy the Lot at foreclosure or other legal sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same, subject to any statutory right of redemption.

5.09 Certificate. Upon request by an Owner, the Association shall furnish a certificate setting forth the unpaid Assessments owed by an Owner. Upon the written request of any Mortgagee holding a lien on a Lot, the Association shall report to any said Mortgagee any Assessments which are delinquent and unpaid at the time of the report

5.10 Subordination of the Assessment Lien. The Assessment Lien provided for herein on a Lot shall be subordinate and inferior to the lien or liens granted by the Owner of such Lot to secure the repayment of a loan made for the purpose of providing purchase money funds for such Lot, funds used at any time to install or construct improvements on such Lot or funds used to pay ad valorem taxes on such Lot; provided, however, that such subordination shall apply only to Assessment Liens which have become due and payable prior to the foreclosure sale, whether public or private, of such Lot pursuant to the terms and conditions of any such mortgage or deed of trust lien. Such foreclosure sale shall not relieve such Lots from any Assessment Lien for Assessments thereafter becoming due.

ARTICLE VI

Such insurance may include, but need not be limited to, the following:

(a) Insurance against loss or damage by fire and hazards covered by a standard extended coverage endorsement in an amount which shall be equal to the maximum insurable replacement value, excluding foundation and excavation costs as determined annually by the insurance carrier;

(d) Officers', directors' and Architectural Control Committee members' liability insurance.

The Association and the Members shall use the net insurance proceeds to repair and replace any damage or destruction of property, real or personal, covered by such insurance. Any balance from the proceeds of insurance paid to the Association remaining (after satisfactory completion of repair and replacement) shall be retained by the Association as part of a general reserve fund for repair and replacement of the Common Properties. If the insurance proceeds are insufficient to repair or replace any such loss or damage, the Association may levy Special Purpose Assessment(s) or Special Member Assessment(s) (if applicable) to cover any such deficiency.

6.03 Affiliated Contracts. The Board, acting on behalf of the Association, shall have the full power and authority to contract with any Owner, including, without limitation, Declarant, for the performance of services which the Association is obligated or authorized to obtain, such contracts to be at competitive rates then prevailing for such services and upon such other terms and conditions, and for such consideration as the Board may deem advisable in the Board's sole and exclusive discretion and in the best interest of the Association provided that the level of service received is consistent with that available from third parties.

6.04 Liability Limitations. Neither Declarant, the Board, the Architectural Control Committee or any member, director, officer or representative of Declarant, the Board or the Architectural Control Committee (a) shall be personally liable for the debts, obligations or liabilities of the Association, nor for any mistake of judgment, whether negligent or otherwise; or (b) shall have any personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association, and the Association, as a Common Expense of the Association, shall indemnify and hold Declarant, the Board, the Architectural Control Committee and such members, directors, officers and representatives harmless from any and all expenses, loss or liability to others on account of any such contract or commitment (to the extent not covered by insurance proceeds). In addition, each director and each officer of the Association and each member of the Architectural Control Committee shall be indemnified and held harmless by the Association, as a Common Expense of the Association, from any expense, loss or liability to others (to the extent not covered by insurance proceeds) by reasons of having served as such director, officer or Architectural Control Committee member and against all expenses, losses and liabilities, including, but not limited to, court costs and reasonable attorneys' fees, incurred by or imposed upon such director, officer or Architectural Control Committee member in connection with any proceeding to which such Person may be a party or have become involved by reason of being such director, officer or Architectural Control Committee member at the time any such expenses, losses or liabilities are incurred subject to any provisions regarding indemnity contained in the Association Documents, INCLUDING WITHOUT LIMITATION, ANY OF SUCH MATTERS CAUSED

IN WHOLE OR IN PART BY THE NEGLIGENCE OF SUCH PARTIES; provided, however, this indemnity does cover liabilities resulting from such director's, officer's or Architectural Control Committee member's gross negligence or willful misconduct. Any right to indemnification provided herein shall not be exclusive of any other rights to which a director, officer or Architectural Control Committee member, or former director, officer or Architectural Control Committee member, may be entitled. The Association shall have the right to purchase and maintain, as a Common Expense, directors', officers', and Architectural Control Committee members', insurance on behalf of any Person who is or was a director or officer of the Association or an Architectural Control Committee member against any liability asserted against any such Person and incurred by any such Person in such capacity, or arising out of such Person's status as such.

ARTICLE VII

ARCHITECTURAL CONTROL COMMITTEE

7.01 Architectural Control Committee.

(a) Declarant shall appoint an initial Architectural Control Committee (herein so called) to consist of not fewer than three (3) persons. Declarant shall have the sole and exclusive right to appoint, remove and replace members of the Architectural Control Committee for so long as Declarant or Declarant's affiliates own at least one (1) Lot. Thereafter, the Architectural Control Committee members shall be appointed, removed and replaced by the Board as provided herein. Members of the Architectural Control Committee shall hold their positions until death or resignation, or until removed or their successors are appointed by Declarant so long as Declarant or Declarant's affiliates own at least one (1) Lot, and thereafter, by the Board at a duly called meeting for such purpose.

(b) For administrative convenience, Declarant shall have the right, but not the obligation, at any time and from time to time, to assign to one (1) or more builders within the Subdivision the right to perform the functions of the Architectural Control Committee set forth in this Declaration in connection with, and for the limited scope of, the review of Plans for construction of new residences on Lots purchased by such builder or builders. In connection with their exercise of the duties and functioning as a review committee, such parties shall be bound by and shall have the same rights and restrictions as are applicable to the Architectural Control Committee as set forth in this Declaration.

7.02 Purpose of the Architectural Control Committee. A function of the Architectural Control Committee is to review and approve or disapprove Plans for improvements proposed to be constructed or modified on Lots and otherwise perform the duties set forth in this Declaration. **NO IMPROVEMENTS SHALL BE ERECTED, CONSTRUCTED, PLACED, ALTERED, REMODELED, DEMOLISHED OR PERMITTED TO REMAIN ON A LOT UNTIL PLANS, IN SUCH FORM AND DETAIL AS THE ARCHITECTURAL CONTROL COMMITTEE MAY DEEM NECESSARY, SHALL HAVE BEEN SUBMITTED TO THE ARCHITECTURAL CONTROL COMMITTEE AND**

APPROVED BY IT IN WRITING. The vote of a majority of the members of the Architectural Control Committee shall be considered as the act of the Architectural Control Committee. The process of reviewing and approving Plans and specifications is one which of necessity requires that the Architectural Control Committee is called upon from time to time to make subjective judgments on items for which specific standards or guidelines are not expressly set forth in this Declaration. The Architectural Control Committee is given full power and authority to make any such subjective judgments and to interpret the intent and provisions of this Declaration in such manner and with such results as the Architectural Control Committee, in its sole and exclusive discretion, may deem appropriate, and in the absence of final adjudication by a court of competent jurisdiction that the Architectural Control Committee has abused its discretion, such action by the Architectural Control Committee shall be final and conclusive. Unless expressly stated otherwise herein, the Architectural Control Committee shall have the right to grant variances from the requirements of this Declaration as it, in its sole and exclusive judgment, deems appropriate. The Architectural Control Committee shall have the sole and exclusive discretion to determine whether Plans submitted to it for approval are acceptable, and the Architectural Control Committee or Declarant shall be entitled and empowered to enjoin or remove any construction undertaken pursuant to plans that have not been approved in writing by the Architectural Control Committee.

7.03 Plans.

(a) The Architectural Control Committee shall have the right to disapprove any submitted Plans that are not in compliance with this Declaration, if they are incomplete or if the Architectural Control Committee determines that such Plans are not consistent with this Declaration. The Architectural Control Committee may base its approval or disapproval on, among other things:

- (i) harmony of external design with improvements on other Lots;**
- (ii) relation of topography, grade and finish ground elevations to that of adjoining Lots and drainage functions;**
- (iii) screening of mechanical and other installations;**
- (iv) extent and quality of landscaped areas; and**
- (v) compliance with the purpose and general plan, intent and provisions of this Declaration.**

(b) The Architectural Control Committee shall be available on a reasonable basis to meet with an Owner or such Owner's representatives to discuss and answer questions concerning proposed improvements and their compliance with this Declaration.

(c) An Owner desiring to construct or install any improvements on such Owner's Lot must submit Plans (herein so called) to the Architectural Control Committee, in duplicate, for such improvements that contain sufficient detail and information to show the following:

- (i) the general plan for the residence showing exterior shape, elevations, height, exterior materials, window locations and roofing of all exterior surfaces.**
- (ii) cover matters specifically requiring Architectural Control Committee approval as provided in this Declaration; and**
- (iii) such other information as may be required by the Architectural Control Committee.**

Provided, however, that notwithstanding anything contained herein to the apparent contrary, once a specific floor plan or elevation has been submitted and approved by the Architectural Control Committee, an Owner may use the identical floor plan or elevation again without again submitting same for approval by the Architectural Control Committee.

(d) Approval of the Plans shall be based upon a determination by the Architectural Control Committee as to whether or not in its judgment, such Plans adequately meet the requirements created by this Declaration. Approval of any Plans with regard to certain improvements shall not be deemed a waiver of the Architectural Control Committee's right, in its sole and exclusive discretion, to disapprove similar Plans, or any of the features or elements included therein, for any other improvements or to refrain from granting similar variances.

(e) If any submission of Plans is not complete or does not include all data required by this Declaration, the Architectural Control Committee, within fourteen (14) days after such submission, shall notify the Owner of such deficiencies, and such Plans shall not be considered to have been submitted until such deficiencies have been corrected. At such time as the Plans meet the approval of the Architectural Control Committee, one (1) set of Plans will be retained by the Architectural Control Committee and the other set of Plans will be marked "Approved" and returned to the Owner or such Owner's designated representative, accompanied by a statement of complete approval or approval based on certain conditions. If the Plans are found not to be in compliance with this Declaration, one (1) set of such Plans shall be returned marked "Disapproved", accompanied by a statement of the items found not to comply with this Declaration or not to be acceptable to the Architectural Control Committee. Any modification or change to the approved Plans must again be submitted to the Architectural Control Committee for its inspection, review and approval. Should the Architectural Control Committee fail to approve or disapprove any Plans within fourteen (14) days after submittal thereof to the Architectural Control Committee in a form and fully complete as required by the Architectural Control Committee, it shall be presumed that the Architectural Control Committee has disapproved such Plans as submitted.

(f) An Owner may prepare detailed plans and specifications that do not vary from or modify the Plans that have been approved by the Architectural Control Committee.

Improvements may be constructed or installed on a Lot only in conformance with such approved Plans. If work is not commenced within six (6) months from the date of Architectural Control Committee approval of the Plans, then the approval given by the Architectural Control Committee pursuant to this Article shall be deemed revoked by the Architectural Control Committee, unless the Architectural Control Committee extends in writing the time for commencing such work.

(g) Upon submission of a written narrative request for same, the Architectural Control Committee may, from time to time, in its sole and exclusive discretion, permit Owners to construct, erect or install improvements which are in variance from this Declaration. Each request for a variance submitted hereunder shall be reviewed separately and apart from other such requests. The grant of a variance to any Owner shall not constitute a waiver of the Architectural Control Committee's right to strictly enforce this Declaration against any other Owner or against the same Owner for any other matter. Each such written request must identify and set forth in narrative detail the specific restriction or standard from which a variance is sought and describe in complete detail the exact nature of the variance sought. Any grant of a variance by the Architectural Control Committee must be in writing and must identify in narrative detail both the standard from which a variance is being sought and the specific variance being granted. The failure of the Architectural Control Committee to act on a variance request within any particular period of time shall not constitute the granting or approval of any such variance request.

(h) The Architectural Control Committee may from time to time publish, promulgate and amend architectural standards' bulletins.

7.04 Inspections. The Architectural Control Committee, or its designees, shall have the right during reasonable business hours to enter upon and inspect any Lot or improvements then under construction to determine whether or not the Plans therefor have been approved by the Architectural Control Committee. If the Architectural Control Committee shall determine that such Plans have not been approved or that the Plans which have been so approved are not being substantially complied with, the Architectural Control Committee may, in its sole and exclusive discretion, give the Owner of such Lot written notice to such effect, and, thereafter, the Declarant or the Architectural Control Committee, on behalf of the Association, shall be entitled to enjoin further construction and to require the removal or correction of any work in place that does not comply with the approved Plans. If any improvements shall be altered or replaced on any Lot otherwise than in substantial conformity with the approved Plans therefor, such action shall be deemed to have been undertaken without requisite approval of the Architectural Control Committee and to be in violation of this Declaration; and the Declarant or the Architectural Control Committee, on behalf of the Association, shall be entitled to take action as permitted under this Declaration with respect thereto.

7.05 Interior Alterations. An Owner may make improvements and alterations within the interior of such Owner's residence without first obtaining Architectural Control Committee approval, provided such interior improvements and interior alterations do not

change the exterior appearance of any improvements, including, without limitation, changes in window locations, window design or window materials.

7.06 Changes. No construction or installation of improvements on a lot that is inconsistent with, in addition to, or materially different from, any previously approved Plans shall be commenced or permitted until the Plans reflecting any and all such changes or additions have been submitted to, and approved by, the Architectural Control Committee in accordance with this Article; provided, however, no such approval is required for changes within the interior of any building that do not in any way change the exterior appearance.

7.07 Limitation on Liability. DECLARANT, THE ASSOCIATION, THE BOARD (OR ANY OF ITS MEMBERS) AND THE ARCHITECTURAL CONTROL COMMITTEE (OR ANY OF ITS MEMBERS), SHALL NOT, INDIVIDUALLY OR IN COMBINATION, BE LIABLE IN DAMAGES (OR OTHERWISE) TO ANY OWNER FOR ANY ACT OR OCCURRENCE, OR ANY FAILURE TO ACT, RELATING TO THIS DECLARATION, INCLUDING ANY CLAIMS BY ANY OWNER REGARDING OR ARISING OUT OF ANY SUBJECTIVE DECISIONS, MISTAKES IN JUDGMENT, NEGLIGENCE OR NONFEASANCE ARISING OUT OF, OR IN CONNECTION WITH, THE APPROVAL OR DISAPPROVAL OR FAILURE TO APPROVE OR TO DISAPPROVE ANY PLANS SUBMITTED, OR FOR OTHERWISE ACTING IN GOOD FAITH IN SUCH CAPACITIES. DECLARANT AND THE ARCHITECTURAL CONTROL COMMITTEE (OR ANY OF ITS MEMBERS) SHALL NOT, INDIVIDUALLY OR IN COMBINATION, BE LIABLE IN DAMAGES (OR OTHERWISE) IN CONNECTION WITH ANY CONSTRUCTION, DESIGN, ENGINEERING OR DEFECT ASSOCIATED WITH ANY IMPROVEMENT (OR OTHERWISE) CONSTRUCTED ON THE PROPERTY. APPROVAL OF PLANS BY THE ARCHITECTURAL CONTROL COMMITTEE DOES NOT CONSTITUTE ANY WARRANTY OR REPRESENTATION OF ANY KIND OR CHARACTER THAT SUCH PLANS COMPLY WITH GOVERNMENTAL REQUIREMENTS OR GOOD AND PRUDENT DESIGN, ENGINEERING AND CONSTRUCTION PRACTICES. IT IS THE SOLE AND EXCLUSIVE RESPONSIBILITY OF THE OWNER TO DETERMINE AND SEE THAT SUCH OWNER'S PLANS AND SPECIFICATIONS COMPLY WITH ALL SUCH REQUIREMENTS AND PRACTICES. THE ARCHITECTURAL CONTROL COMMITTEE SHALL HAVE THE RIGHT, BUT NEVER THE OBLIGATION, TO PERFORM THE FUNCTIONS SET FORTH IN THIS DECLARATION.

ARTICLE VIII

ANNEXATION OF ADDITIONAL PROPERTY

8.01 Declarant's Right to Annex Adjacent Property. Declarant hereby reserves for itself and its affiliates and/or any of their respective successors and assigns the right to annex any or all such real property into the scheme of this declaration as provided in this Article VIII. Notwithstanding anything herein or otherwise to the contrary, Declarant an/or such affiliates, successors and/or assigns shall have the exclusive unilateral right, privilege and option (but never an obligation), from time to time and at any time during the period expiring twenty (20) years from the date this Declaration is recorded in the Real Property Records of Collin County, Texas, to annex, and subject to the provisions of this Declaration and the jurisdiction of the Association, any additional property located adjacent to or in the immediate vicinity of the Subdivision (collectively, the "Annexed Land"), by filing in the Real Property Records of Collin County, Texas, a Supplemental Declaration expressly annexing any such Annexed Land. Such Supplemental Declaration shall not require the vote of the Owners, the Members of the Association, or approval by the Board or other action of the Association or any other Person. Any such annexation shall be effective upon the filing of such Supplemental Declaration in the Real Property Records of Collin County, Texas. Declarant shall also have the unilateral right to transfer to any other Person Declarant's right, privilege and option to annex Annexed Land, provided that such transferee or assignee shall be the developer of at least a portion of the Annexed Land and shall be expressly designated by Declarant in writing to be the successor or assignee to all or any part of Declarant's rights hereunder.

8.02 Procedure for Annexation. Any such annexation shall be accomplished by the execution and filing for record by Declarant (or the other owner of the property being added or annexed, to the extent such other owner has received a written assignment from Declarant of the right to annex hereunder) of a Supplemental Declaration which must set out and provide for the following:

(i) The name of the owner of the Annexed Land being added or annexed who shall be called the "Declarant" for purposes of that Supplemental Declaration and shall be entitled to exercise the rights of Declarant hereunder;

(ii) The legally sufficient perimeter (or recorded subdivision) description of the Annexed Land being added or annexed, separately describing (by reference to a plat or otherwise) all portions of the Annexed Land that are dedicated and/or conveyed to the public or any governmental or quasi-governmental authority for street right-of-way and/or utility facility purposes, those portions that are to comprise Lots for construction of single-family residences and related improvements, and those portions that comprise Common Properties (if any);

(iii) A mutual grant and reservation of rights and easements of the Owners in and to the existing and annexed Common Properties (if any);

(iv) That the Annexed Land is being annexed in accordance with and subject to the provisions of this Declaration, and that the Annexed Land being annexed shall be developed, held, used, sold and conveyed in accordance with, and subject to, the provisions of this Declaration as theretofore and thereafter amended; *provided however*, that if any Lots or portions thereof being so annexed are to be treated differently than any of the other Lots (whether such difference is applicable to other Lots included therein or to the Lots now subject to this Declaration), the Supplemental Declaration should specify the details of such differential treatment and a general statement of the rationale and reasons for the difference in treatment, and if applicable, any other special or unique covenants, conditions, restrictions, easements or other requirements as may be applicable to all or any of the Lots or other portions of Annexed Land being annexed;

(v) That all of the provisions of this Declaration, as amended, shall apply to the Annexed Land being added or annexed with the same force and effect as if said Annexed Land were originally included in this Declaration as part of the Initial Property, with the total number of Lots increased accordingly; and

(vi) That an Assessment Lien is therein created and reserved in favor of the Association to secure collection of the Assessments as provided in this Declaration, and as provided for, authorized or contemplated in the Supplemental Declaration, and setting forth the first year Per-Lot Regular Assessment and the amount of any other then applicable Assessments (if any) for the Lots within the Annexed Land being made subject to this Declaration.

Each such "Supplemental Declaration" may contain all other provisions as the Declarant therein shall deem appropriate.

ARTICLE IX

SPECIAL PROVISIONS REGARDING THE RIGHTS OF THE CITY

9.01 Obligation of the Association. The Association has and shall have the sole responsibility to maintain the Common Properties as provided herein in a condition not less than the minimum standards required by the City. The Association's costs of maintaining the Common Properties will be collected from the Owners through Assessments as provided in Article V hereof.

9.01 Rights of the City. The Association shall not seek, by either act or omission, to abandon the Association's obligations as established by this Declaration to maintain the Common Properties. However, in the event that:

(a) The Association dissolves and the Common Properties shall not be either (i) dedicated to and accepted by an appropriate municipal corporation, public agency, authority or utility to be devoted to purposes as nearly as practicable to the same as those to which such

Common Properties were required to be devoted by the Association, or (ii) conveyed to another organization or entity which assumes all obligations imposed hereunder upon the Association to maintain said Common Properties; or

(b) The Association, its successors or assigns, shall fail or refuse to adequately maintain the appearance and condition of the Common Properties which the Association is obligated to maintain hereunder; then, in either such event, the City shall have the right, but not the obligation, thereafter to assume the duty of performing the Association's maintenance obligations of all such Common Properties at any time after such dissolution, upon giving written notice to the Owners, or at any time after the expiration of sixty (60) days after receipt by the Association, or the Association's successor or assign, of written notice specifying in detail the nature and extent of the failure to maintain without such failure being remedied. Upon assuming such maintenance obligations, the City may collect, when the same become due, the Assessments levied by the Association pursuant to the provisions hereof for the purposes of repairing, replacing, maintaining or caring for the Common Properties; and, if necessary, the City may enforce the payment of delinquent Assessments in the manner set forth herein. In the alternative, upon assuming such maintenance obligations, the City may levy an Assessment upon each Lot on a prorata basis for the cost of such maintenance to be provided by the Association as set forth in this Declaration, which Assessment shall constitute an Assessment Lien upon the Lot against which each Assessment is made. In the event the City assumes the maintenance and operation of the Amenity Center and the costs of operation exceed the revenues therefrom or the Assessments collected from the Owners, the City shall have the right to (i) cause the Association to sale, transfer and convey the Amenity Center to a financially responsible third party who assumes the Associations responsibility to maintain and operate the Amenity Center as provided in the Declaration and in a condition not less than the minimum standards required by the City, (ii) cause the Association to sale, transfer and convey the Amenity Center to an Owner to be redeveloped in accordance with the architectural control standards set forth in the Declaration, and used and occupied for single family residential purposes in accordance with the terms and provisions of the Declaration, or (iii) demolish the Amenity Center so long as the Lot or Lots utilized therefor are developed as an attractive park or greenbelt area for the use and enjoyment of the Owners as a common area. During any period that the City assumes the obligation to maintain and care for the Common Properties, the Association shall have no obligation or authority with respect to such maintenance and care. The right and authority of the City to maintain the Common Properties shall cease and terminate when the Association, its successors or assigns, shall present to the City reasonable evidence of the Association's willingness and ability to resume maintenance of the Common Properties. Under no circumstances shall the City be liable to the Association or any Owner or their respective heirs, devisees, personal representatives, successors and assigns for negligent acts or omissions relating in any manner to maintaining, improving and preserving the Common Properties.

9.03 Easement. In the event the City assumes the duty of performing the maintenance obligations of the Association as provided herein, then the City, its agents, representatives and employees, shall have the right of access, ingress and egress to and over the Common Properties for the purposes of maintaining, improving and preserving the same.

9.04 Amendment. Notwithstanding anything herein to the contrary, the provisions of this Article shall not be amended or deleted from this Declaration without the written consent of the City. Other provisions of this Declaration can be amended or deleted without the necessity of the consent of the City.

9.05 Approval by the City. By execution hereof, the City confirms the City's approval of this Article hereof, the establishment of the Association and the requirement that all Owners be Members of the Association. This Declaration satisfies all requirements for declarations of all applicable City ordinances pertaining to the Property and the Subdivision, including, without limitation, those pertaining to the maintenance of the Common Properties.

ARTICLE X

GENERAL PROVISIONS

10.01 Binding Effect and Duration. The covenants and restrictions of this Declaration shall run with and bind the Property, shall be binding on all Owners and shall inure to the benefit of and be enforceable by Declarant, the Association, the legal representatives thereof, and their successors and assigns, and shall be and remain in effect for a period of fifty (50) years from and after the date of the recording of this Declaration, after which time this Declaration shall automatically be extended for three (3) successive periods of ten (10) years each, unless after such fifty (50) years an instrument executed and duly acknowledged by Owners owning, in the aggregate, at least seventy-five percent (75.0%) of the Lots has been recorded in the Real Property Records of Collin County, Texas, abolishing this Declaration.

10.02 Interpretation. In all cases, the provisions set forth or provided for in this Declaration shall be construed together and given that interpretation or construction which, in the sole and exclusive opinion of the Board, will best effect the general plan of development as reflected in this Declaration. The Board shall have the right, power and authority to determine all questions arising under or in connection with this Declaration and to construe and interpret the provisions thereof, and any determination, construction or interpretation made by the Board, in the absence of an adjudication by a court of competent jurisdiction that any such action was an abuse of discretion, shall be binding on the Owners. The provisions of this Declaration shall be given full force and effect notwithstanding the existence of any zoning ordinance or building codes which are less restrictive. The effective date of this Declaration shall be the date of its filing for record in the office of the County Clerk of Collin County, Texas. The captions of each Article and Section hereof as to the contents of each Article and Section are inserted only for convenience and are in no way to be construed as defining, limiting, extending or otherwise modifying or adding to the particular Article or Section to which they refer. The singular wherever used herein shall be construed to mean the plural when applicable and vice versa, and the use herein of any gender shall mean any other gender when applicable. Any and all exhibits referred to herein and attached hereto are made a part hereof by reference. This Declaration shall be construed under, and in accordance with, the laws of the State of Texas.

10.03 No Warranty of Enforceability. While the Declarant has no reason to believe that any of the restrictive covenants or other terms or provisions contained in this Declaration are or may be invalid or unenforceable for any reason or to any extent, Declarant makes no warranty or representation as to the present or future validity or enforceability of any such restrictive covenants. Any Owner acquiring a Lot in the Development in reliance on one or more of such restrictive covenants, terms or provisions shall assume all risks of the validity or enforceability thereof and, by acquiring the Lot, agrees to hold Declarant, the Association and their legal counsel and other professional advisors harmless therefrom. The Declarant shall not be responsible for the acts or omissions of any individual, entity or other Owners.

10.04 Amendments. Except as otherwise provided in this Section, this Declaration, or any provisions hereof, may be terminated or amended as to any portion of the Property only by a document duly executed and acknowledged by Owners holding, in the aggregate, seventy-five percent (75%) of the votes of all Members in Good Standing (both classes of Members) present at a duly called meeting at which a Regular Quorum is present. No such termination or amendment shall be effective until a written instrument setting forth the terms thereof has been executed by the Secretary (herein so called) of the Association confirming the vote of the Members adopting such termination or amendment as required above and recorded in the Real Property Records of Collin County, Texas. Notwithstanding the above, Declarant, without the joinder of any other party, shall have the sole and absolute right to make amendments to this Declaration, as determined by Declarant from time to time for so long as Declarant owns at least one (1) Lot, whether to change the provisions hereof, to provide for additional provisions, or to correct or clarify errors, omissions, mistakes or ambiguities contained herein. Further, notwithstanding the above, no amendment to this Declaration shall be effective without the joinder and approval of Declaration for so long as Declarant owns at least one (1) Lot.

10.05 Enforcement. Declarant, the Association and the Owners shall have the right, but not the obligation, to enforce the covenants and restrictions set out in this Declaration. Enforcement may be made by any proceedings at law or in equity against any Person violating or attempting to violate any part of this Declaration, as such may be amended or modified, to restrain or enjoin violations thereof, to recover damages or to seek such other relief available pursuant to applicable law. Damages shall not be deemed adequate compensation for any breach or violation of any provision of this Declaration, and Declarant, the Association and each Owner shall be entitled to relief by way of injunction, as well as any other remedy either at law or in equity. With respect to any litigation hereunder, the prevailing party shall be entitled to recover reasonable attorneys' fees and court costs from the non-prevailing party. The rights, powers and remedies provided in this Declaration shall be cumulative and not restrictive of any other remedies at law or in equity, and the exercise by a Person of any particular right, power or remedy shall not be deemed an election of remedies or to preclude such Person's resort to other rights, powers or remedies available to any such Person.

10.06 No Waiver or Obligation to Enforce. No delay or failure on the part of Declarant, the Association or any Owner to invoke any available right, power or remedy with

respect to a breach of this Declaration shall be held to be a waiver by that party (or estop that party from asserting) any right, power or remedy available to such party upon the recurrence or continuance of said breach or the occurrence of a different breach. Neither Declarant, the Association or the Owners, shall be under any obligation to take any action to enforce the terms of this Declaration. The failure by Declarant, the Association or any Owner to enforce any provision of this Declaration shall in no event subject Declarant, the Association or any Owner to any claims, liability, cost or expense; it being the express intent of this Declaration to provide Declarant, the Association or any Owner with the right (such right to be exercised at its sole and absolute discretion), but not the obligation to enforce the terms of this Declaration for the benefit of any Owner(s) of any Lot(s) in the Development.

10.07 Liens/Validity and Severability. Violation of or failure to comply with this Declaration shall not affect the validity of any mortgage, lien or other similar security instrument which may then be existing on any Lot. Invalidation of any one (1) or more of the provisions of this Declaration, or any portions thereof, by a judgment or court order shall not affect any of the other provisions or covenants herein contained, which such other provisions and covenants shall remain in full force and effect.

10.08 Notices. Any notice required to be given to Declarant, the Association or any Owner under the provisions of this Declaration shall be deemed to have been properly delivered when actually delivered by hand-delivery or three (3) days after any such notice has been deposited in the United States Mail, postage prepaid, certified or registered mail, return receipt requested, addressed (a) for notice to an Owner to the address of the Owner as shown on the records of the Association at the time of such mailing, and (b) for notice to Declarant or the Association to Two Turtle Creek Village, 3838 Oak Lawn Avenue, Suite 1212, Dallas, Texas 75219; Attn: Mr. Richard M. Skorburg, or at such other address specified by Declarant or the Association from time to time.

10.09 Mortgagees. No default by an Owner of a Lot under any provision of this Declaration shall affect any existing lien or mortgage on that Lot. A Mortgagee shall not be liable for Assessments made with respect to a Lot during any period in which its only interest in the Lot is that of a Mortgagee.

10.10 Approvals. No approval by Declarant, the Association or the Architectural Control Committee pursuant to the provisions hereof shall be effective unless in writing, except as otherwise expressly provided herein.

10.11 Imposition of Violation Fines. In the event that any Person fails to cure (or fails to commence and proceed with diligence to complete the work necessary to cure) any violation of this Declaration within ten (10) days after receipt of written notice from the Board designating the particular violation, the Board shall have the power and authority to impose upon that Person a fine for any such violation (herein referred to as a "Violation Fine") not to exceed Five Hundred and No/100 Dollars (\$500.00). There shall be no limit to the number or the aggregate amount of Violation Fines which may be levied against a Person for the same violation. The Violation Fines, together with interest at the Default Rate of Interest and any

costs of collection, including, but not limited to, reasonable attorneys' fees, shall be part of any such Violation Fine. Violation Fines shall be Special Member Assessments.

10.12 Residential Construction Liability Act. Without waiving any rights under law or equity, all Owners acknowledge, covenant and agree that residential construction defect claims regarding any residence against the Declarant or any homebuilder in Texas are controlled by the Texas Residential Construction Liability Act (Tex. Prop. Code Section 27.001 *et seq.*, as amended) which preempts the Texas Deceptive Trade Practices Act (Tex. Bus. & Com. Code Section 17.41 *et seq.*, as amended) and any other law.
