Such assessments will be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorneys’ fees, shall be a charge on the land and a continuing lien on each Lot against which such an assessment is made. Each such assessment, together with interest, cost and reasonable attorneys’ fees shall also be the personal obligation of the person or persons who own the Lot at the time the assessment fell due, but such personal obligation shall not pass to the successors in title of such person or persons unless expressly assumed by them. However, all future transferees of Lots shall have the obligation, prior to purchase, to verify with the Association and/or Declarant that such assessments have been paid to date and that the property to be acquired is free and clear of all assessed indebtedness.

Section 2. **“Purpose of Annual Assessments”** The annual assessments levied by the Association shall be used exclusively to promote the health, safety, welfare, and recreation of the residents in the Subdivision, and for the improvements, security, preservation, operation and Maintenance of the Common Areas and/or of improvements situated within same or within the control of the Association. Section 3. “Fixing of and Maximum Annual Assessments”

(a) Until January 1, 2018, the maximum annual assessment shall be Four Hundred Fifty Dollars (\$450.00) per Lot, per year.

(b) Commencing with January 1, 2018, and continuing thereafter, all assessments shall be fixed by the Association in advance and shall be due and payable on demand, after giving due consideration to the anticipated cost of all Common Areas Maintenance obligations, and other costs of operations for the Association. The Association shall have the right to collect such assessments in advance on either a monthly, annual or quarterly basis. If at any time the Association determines that the assessments for that fiscal year are insufficient to discharge all assessments to be incurred or payable during that assessment year by the Association, the Association may increase the assessments to cover such costs (incurred or to be incurred), and such increase shall become effective at the beginning of the next monthly, annual or quarterly assessment period. If required, assessments shall be prorated for the period from the commencement thereof to the end of the then current calendar year of the Association.

(c) From and after January 1, 2018, to December 31, 2018, the maximum annual assessment may be increased each year not more than fifty percent (50%) above the maximum annual assessment for the previous year unless approved by a Majority Vote of the Members in Good Standing as defined in the Bylaws.

(d) The Association may fix the annual assessment at an amount not in excess of the maximum prescribed herein.

Section 4. “Special Assessments for Capital Improvements” In addition to the assessments authorized above, the Association may levy in any assessment year, a special assessment applicable to that year only for the purpose of defraying in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement (including, but not limited to lighting and/or utilities) on the Common Areas, including fixtures and personal property related thereto. Any such assessment must be approved by a majority of each class of Member.

Section 5. “Notice and quorum for action authorized under Sections 3 and 4” The number of votes present at a meeting that will constitute a quorum shall be as set forth in the Bylaws of the Association, as amended from time to time. Notice requirements for any and all actions to be taken by the members of the Association shall be as set forth herein or in the Bylaws, as the same may be amended from time to time. The Majority Vote of the Members

entitled to vote on a matter, as defined in the Bylaws, shall be the act of the Members, except as otherwise expressly provided in this Declaration. Any Member who is not a Member in Good Standing shall not be entitled to cast a vote on any matter coming before the Association.

Section 6. **“Uniform rate of assessment”** Both annual and special assessments must be fixed at a uniform rate for all Lots.

Section 7. **“Commencement and collection of annual assessment”** The annual assessments provided for therein shall commence as to all Lots on recording of the Subdivision plat. The first assessment shall be adjusted according to the number of months remaining in the calendar year. The Association shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of the due date thereof and shall fix the dates such amounts become due. Assessments may be made payable monthly. Notice of the annual assessments shall be sent to every Owner subject thereto. The Association shall, on demand and for a reasonable charge, furnish a certificate signed by an officer of the Association, setting forth whether the assessment against a specific Lot has been paid, and may, on or before February 15 of each year, cause to be recorded in the office of the County Clerk of Hidalgo County, a list of delinquent assessments as of that date.

Section 8. **“Effect of nonpayment of assessments, remedies of the Association”** Any assessment not paid within thirty (30) days after the due date shall be deemed in default and shall bear interest at the maximum rate permitted by law from the due date until paid. The Association may bring an action at law against the Owner personally obligated to pay the same, or may foreclose the lien against the property. The lien may be foreclosed through judicial or, to the extent allowed by law, non-judicial foreclosure proceedings in accordance with Tex. Prop. Code Ann. Section 51.002, as it may be amended from time to time (the “Foreclosure Statute”), in like manner of any deed of trust on real property. In connection with the lien created herein, each Owner grants the Association, whether expressed in the deed or other conveyance to the Owner, a power of sale to be exercised in accordance with the Foreclosure Statute. At any foreclosure proceeding, any person, including but not limited to the Association and any Owner, shall have the right to bid for the Lot at the foreclosure sale and to acquire and hold, lease, mortgage and convey the same. During the period in which attract is owned by the Association following foreclosure, no assessment shall be levied on it. Suit to recover a money judgment for unpaid assessments and attorney’s fees shall be maintainable without foreclosing or waiving the lien securing the same.

No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Areas or abandonment of his Lot.

Section 9. **“Subordination of assessment lien to mortgages”** The assessment lien provided for herein shall be subordinate to the lien of any first mortgage. A sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to a mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the assessment lien as to payment which becomes due prior to such sale or transfer. No sale or transfer shall relieve

such Lot form liability for any assessments thereafter becoming due or from the lien thereof. Where the beneficiary of a first lien deed of trust obtains title pursuant to judicial or non-judicial foreclosure, neither it nor its successors and assigns shall be liable for the Assessments chargeable to such Lot which became due prior to the acquisition of title to such Lot by such acquirer. Such unpaid share of Assessments shall be deemed to be common expenses collectible as a common expense from the remaining Members of the Association (including such acquirer, its successors and assigns).

ARTICLE VIII.
ARCHITECTURAL CONTROL

Section 1. **“Architectural Control Committee”** Declarant shall designate and appoint the initial Architectural Control Committee (“Committee”) consisting of three (3) adult persons (at the sole discretion of Declarant), which Committee shall serve until December 31, 2022, unless the Committee is unwilling to continue to serve. If any Member becomes unable or unwilling to continue to serve during such term, Declarant, its successor or assigns, shall appoint a successor to finish the respective term. A majority of the Committee may designate a representative to act for it. Neither the members of the Committee, nor its designated representative shall be entitled to any compensation for service performed pursuant to this covenant. After December 31, 2022, the duties, rights, powers and authority of the Committee shall automatically transfer, without any further formality, to the Association. Further, any or all of the duties, rights, powers and authority of the Committee may be assigned at any time, upon the unanimous decision of the Committee, to the Association. From and after the date of such assignment, the Association shall have full right, authority and power, and shall be obligated to perform the functions of the Committee as provided herein.

Section 2. **“Function”** No fence, dwelling, garage or building shall be erected, placed or altered on any Lot until the construction plans and specifications and a plat showing the exact location of the structure on the Lots has been approved in writing by the Committee as to quality of workmanship and material, harmony of external design with existing structures, and as to location with respect to topography and finish grade elevation. Colors and types of brick, roof trim, roofing materials, front doors, etc. will be reviewed by and must be approved by Committee.

Section 3. **“Powers”** The Committee shall have and exercise such powers and rights provided for in and consistent with the provisions of this Declaration. Each Committee member shall have one (1) vote. Except in those instances in this Declaration where the unanimous action shall be taken or any decisions made by the Committee except with the concurrence of not less than two (2) Committee members, however, a designated representative approved unanimously by all three (3) Committee members shall have the sole power to act on behalf of the Committee. The designated representative’s power may be revoked by a written communication to all Lot Owners. Each Committee member shall be entitled to receive (but may waive) not less than five (5) days written notice of each meeting of the Committee and of each action proposed to be taken and decision proposed to be made by the Committee (whether or not at a meeting).

Section 4. **“Approval of Plans and Specification”** No building, fence, wall, road, driveway or other structure shall be commenced, erected, altered or maintained upon the Lots, nor shall any exterior addition to, or change or alteration therein, be made, except as set forth

Section 5. **“Failure of Committee to Act”** In the event that any plans and specification are submitted to the Committee as provided herein, and a written receipt of delivery is obtained, and such Committee shall fail either to approve or reject such plans and specifications for a period of thirty (30) days following such submission, approval by the Committee shall not be required, and full compliance with this Article shall be deemed to have been had.

Section 6. **“Failure to Comply”** Failure to comply with Section 4 herein shall submit the respective Lot Owner to injunctive relief and/or damages, pursuant to Article II, Section 3. The defendant Lot Owner shall pay all costs of court and attorney’s fees borne by the Association or other entity bringing such action should the Association or other entity, as the case may be, prevail.

ARTICLE IX GENERAL PROVISIONS

Section 1. **“Enforcement”** Declarant, the Association, or any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, easements, reservations, liens and charges now or hereafter imposed by the provisions of this declaration. Failure by Declarant, the Association, or by any owner to enforce any covenant or restriction herein contained shall in no event deemed a waiver of the right to do so thereafter.

Section 2. **“Severability”** Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and affect.

Section 3. **“Amendments”**

(a) **Declarant.** So long as the Class B membership exists, the Declarant may unilaterally amend this Declaration for any purpose. Thereafter, the Declarant may unilaterally amend this Declaration at any time and from time to time as otherwise specifically authorized by this Declaration, or if such amendment is (i) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation or judicial determination which is in conflict therewith, (ii) necessary to enable any reputable title insurance company to issue title insurance coverage with respect to any portion of the Property, or (iii) required by an institutional or governmental lender, purchaser, insure or guarantor of mortgage loans to enable it to make, purchase, insure or guarantee mortgage loans on any portion of the Property. Further, so long as it still owns any portion of the Property for development, the Declarant may unilaterally amend for other purposes, provided the amendment has no material adverse effect upon any right of any Owner.

(b) **Owners.** Except as otherwise specifically provided above, or elsewhere in this Declaration, this Declaration may be amended only by a majority vote of Class A Members,

together with the Class B Member's vote, for so long as the Class B Membership shall exist. However, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed of affirmative votes required for action to be taken under the clause. No amendment may remove, revoke, or modify any right or privilege of Declarant without the consent of Declarant (or its assignee of such right or privilege).

(c) Validity and Effective Date of Amendments. Amendments to this Declaration shall become effective upon recordation in the real property records of Hidalgo County, Texas, unless a later effective date is specified therein. Any procedural challenge to an amendment must be made within six (6) months of its recordation or such amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate as a wavier or amendment of any provision of this Declaration.

Section 4. **"Subordination"** No breach of any of the conditions herein contained or re-entry by reason of such breach shall defeat or render invalid the lien of any mortgage made in good faith and for value as to the Subdivision or any Lot therein; provided, however, that such conditions shall be binding on any owner whose title acquired by foreclosure, trustee's sale or otherwise.

Section 5. **"Duration"** The covenants and restrictions of this declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Declarant, Association, or any member thereof for a period of thirty (30) years from the date hereof, and thereafter shall continue automatically in effect for additional periods of ten (10) years, unless otherwise agreed to in writing by the then owner of at least fifty percent (50%) of the Subdivision Lots.

Section 6. **"Compliance with Laws"** At all times, each Owner shall comply with applicable federal, state, county, and municipal laws, ordinances, rules and regulations with respect to the use, occupancy, and condition of their Lot and any improvements thereon. If any provision contained in this Declaration or amendment is found to violate any law, then the provision shall be interpreted to be as restrictive as possible to preserve as much of the original provision as allowed by law.
