Written notice of each Annual Assessment thereafter shall be sent to every Owner subject thereto. C. The Board of Directors may increase the amount of the Annual Assessment to \$400 per Lot notwithstanding the provisions of subparagraphs A and B above, and thereafter the limitations set forth in said subparagraphs shall apply to any annual increase.

SECTION 4. Special Assessments for Capital Improvements. In addition to the Annual Assessments authorized above, the Association may levy, in any assessment year, a Special Assessment applicable to the year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Areas and any Limited Common Areas, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the Members who are voting in person or by proxy at a meeting duly called for this purpose.

SECTION 5. Insurance Assessments. All premiums on insurance policies purchased by the Board of Directors or its designee pursuant to Article III and any deductibles payable by the Association upon loss shall be a common expense, and the Association may in any assessment year levy against the Owners equally an "Insurance Assessment", in addition to the Annual Assessments provided for under Section 3 above, which shall be in an amount sufficient to pay the annual cost of all such deductibles and insurance premiums not included as a component of the Annual Assessment. Such assessment shall not be subject to the 5% limitation set out in Section 3. A. and B. of this Article IV.

SECTION 6. Ad Valorem Tax Assessments. All ad valorem taxes levied against the Common Areas, if any, shall be a common expense, and the Association may in any assessment year levy against the Owners equally an "Ad Valorem Tax Assessment", in addition to the Annual Assessments provided for under Section 3 above, which shall be in an amount sufficient to pay such ad valorem taxes in such year not included as a component of the Annual Assessment. Such assessment shall not be subject to the 5% limitation set out in Section 3. A. and B. of this Article IV.

SECTION 7. Working Capital Assessments. At the time title to a Lot is conveyed to an Owner by Declarant, the Owner shall pay the sum of \$-0- to the Association as working capital. Such funds shall be used solely for initial operating and capital expenses of the Association such as pre-paid insurance, supplies, and furnishings, fixtures and equipment for the Common Areas, etc. Amounts paid into the working capital fund are not to be considered as advance payment of the Annual or any other assessments. Any working capital funds remaining after the last Lot has been sold by Declarant shall be transferred to and become part of the general funds of the Association, in the discretion of the Board of Directors.

SECTION 8. Notice and Quorum For Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 and 4 shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. The required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

SECTION 9. Uniform Rate of Assessment. The Assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

SECTION 10. Commencement of Assessments. Assessments for each Lot shall commence upon the date of acceptance by an Owner of a deed from Declarant.

SECTION 11. Effect Of Nonpayment of Assessments And Remedies Of The Association. Any Assessment or installment thereof not paid within thirty (30) days after the due date shall bear interest from the due date at the highest rate allowable by law. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Owner's Lot. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Common Area or abandonment of his Lot. All unpaid installment payments of Assessments shall

become immediately due and payable if an Owner fails to pay any installment within the time permitted.

SECTION 12. Subordination Of The Lien To Mortgage. The lien of the Assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the Assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such Assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof.

ARTICLE V

The Declarant shall have, and there is hereby reserved to the Declarant, the following rights, powers and privileges which shall be in addition to any other rights, powers and privileges reserved to the Declarant herein:

SECTION 1. The Association/Period of Developer Control. SECTION 4. Amendment of Declaration by the Declarant. This Declaration may be amended by the Declarant, or the Board of the Association, as the case may be, as follows:

Notwithstanding anything else herein to the contrary, only the Declarant, during the Developer Control Period, shall be entitled to amend this Declaration pursuant to this Section 4.F.

USE RESTRICTIONS AND ARCHITECTURAL CONTROL

SECTION 1. Building and Site Improvements. No dwelling, wall or other structure shall be commenced, erected, or maintained upon any Lot, nor shall any exterior addition to or change in or alteration therein (including painting or repainting of exterior surfaces) be made until the plans and specifications showing the nature, kind, shape, heights, materials, colors and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Declarant, or its designee, or, after the sale of all Lots by Declarant, by the Board of Directors of the Association, or by an Architectural Control Committee composed of three (3) or more representatives appointed by the Board. In the event the Declarant, or its designee, or, if applicable, the Board, or the Architectural Control Committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with. Refusal or approval of any such plans, location or specification may be based upon any ground, including purely aesthetic and environmental considerations, that in the sole and uncontrolled discretion of the Declarant, the Board, or Architectural Control Committee shall be deemed sufficient. One copy of all plans and related data shall be furnished to the Declarant, the Board, or Architectural Control Committee, as the case may be, for its records. Neither the Declarant, the Board, nor the Architectural Control Committee shall be responsible for any structural or other defects in plans and specifications submitted to it or any structure erected according to such plans and specifications.

SECTION 2. Approval of Plans.

A. No house plans will be approved unless the proposed house shall have a minimum of 1,800 square feet of enclosed, heated dwelling area. The term "enclosed, heated dwelling area" as used in the minimum requirements shall be the total enclosed area within a dwelling which is heated by a common heating system; provided, however, that such term does not include garages, terraces, decks, open porches, and like areas.

B. Since the establishment of inflexible building setback lines for location of houses on lots tends to force construction of houses directly to the side of other homes with detrimental effects on privacy, view, preservation of important trees and other vegetation, ecological and related considerations, no specific setback lines shall be established by this Declaration. In order to assure, however, that the foregoing considerations are given maximum effect, the site and location of any house or

dwelling or other structure upon any lot shall be controlled by and must be approved absolutely by the Declarant, the Board, or the Architectural Control Committee, as the case may be; provided, however, that no dwelling shall be constructed closer to an adjoining property line than is permitted by applicable governmental regulations.

C. The exterior of all houses and other structures must be completed within twelve (12) months after the construction of same shall have commenced, except where such completion is impossible or would result in great hardship to the Owner or builder, due to strikes, fires, national emergency or natural calamities.

D. No structure shall be erected, altered, placed or permitted to remain on any Lot, except one single family dwelling.

E. All service utilities, fuel tanks, and wood piles are to be enclosed within a wall or plant screen of a type and size approved by the Declarant, the Board or the Architectural Control Committee, so as to preclude the same from causing an unsightly view from any highway, street or way within the subdivision, or from any other residence within the subdivision. All mail and newspaper boxes shall be uniform in design. Design for mail and newspaper boxes shall be furnished by Declarant. Fences shall be permitted on any Lot; provided, however, that the design and materials of any fence are approved by the Declarant, the Board, or the Architectural Control Committee, as the case may be, and provided further, that no fence shall be over five feet in height or forward of a point located three feet to the rear of the front elevation of the dwelling on the Lot. Clothes lines are not permitted on any Lot.

F. Off street parking for not less than two (2) passenger automobiles must be provided on each Lot prior to the occupancy of any dwelling constructed on said Lot which parking areas and the driveways thereto shall be constructed of concrete, brick, asphalt, or turf stone, or any other material approved by Declarant, the Board or Architectural Control Committee.

SECTION 3. Land Use And Building Type. No Lot shall be used for any purpose except for residential purposes. All numbered Lots are restricted for construction of single family dwellings only. Different and amended land use restrictions and architectural control guidelines may be established for Additional Property added to the Development by Declarant; provided, however, that no Lot may be used for other than single family dwellings except pursuant to approval of the Members in accordance with this Declaration.

SECTION 4. Nuisances. No noxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the

neighborhood. There shall not be maintained any plants or animals, nor device or thing of any sort whose normal activities or existence are in any way noxious, dangerous, unsightly, unpleasant or other nature as may diminish or destroy the enjoyment of other Lots by the Owners thereof. It shall be the responsibility of each Owner to prevent the development of any unclean, unsightly or unkept condition of buildings or grounds on the Owner's Lot which would tend to substantially decrease the beauty of the neighborhood as a whole or the specific area.

SECTION 5. Lot Maintenance. Each Lot Owner shall keep his Lot free from weeds, underbrush or refuse piles, or unsightly growth or objects. In the event the Owner fails to do so, then, after thirty days notice from the Architectural Control Committee, the Association or its designee may enter upon the Lot and remove the same at the expense of the Owner, and such entry shall not be deemed a trespass, and in such event a lien shall arise and be created in favor of the Association for the full amount of the cost thereof chargeable to such Lot, including collection costs and such amounts shall be due and payable within thirty (30) days after the Owner is billed therefor. Such lien shall be enforceable by Court proceedings as provided by law for enforcement of liens.

SECTION 6. Temporary Structures. No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any Lot any time as a residence either temporarily or permanently without the written consent of the Association or its designee; provided, however, that this shall not prevent the Declarant, its designees or assigns from maintaining a construction trailer or office on any part of the Development until the construction of dwellings on all Lots is completed.

SECTION 7. Vehicles/Boats. No boat, motor boat, camper, trailer, motor or mobile homes, tractor/trailer, or similar type vehicle, shall be permitted to remain on any Lot or on any street at any time, without the written consent of the Association or its designee. No inoperable vehicle or vehicle without current registration and insurance, will be permitted on any Lot, street or Common Area. The Association shall have the right to have all such vehicles towed away at the owner's expense. No repairs to any vehicle may be made on streets or in driveways but only in garages or other areas and not visible from the street.

SECTION 8. Animals. No animals, livestock or poultry of any kind shall be kept or maintained on any Lot or in any dwelling except that dogs, cats or other household pets may be kept or maintained provided that they are not kept or maintained for commercial purposes and provided further that they are not allowed to run free, are at all times kept properly leashed or under the control of their owner and do not become a nuisance to the neighborhood.

SECTION 9. Statuary, TV Satellite Dishes and Outside Antennas. No yard statuary or TV satellite signal receiving dishes are permitted on any Lot and no outside radio or television antennas shall be erected on any Lot or dwelling unit unless and until permission for the same has been granted by the Board of Directors of the Association or its Architectural Control Committee.

SECTION 10. Exterior Lights. All light bulbs or other lights installed in any fixture located on the exterior of any building or any Lot for the purpose of illumination shall be clear, white or non-frost lights or bulbs.

SECTION 11. Water and Sewer Service. Each Lot Owner will be required to pay for any water connections, sewer connections, impact fees or any other charges imposed by any entity furnishing water or sewer service to the Lots. Potable water shall be provided by Cape Fear Utilities. Sewer service shall be provided by New Hanover County Sewer District. So long as Cape Fear Utilities, its successors or assigns, is franchised to provide potable water to a Lot(s), the Owner of the Lot(s) shall not connect to any other source of water supply nor shall the Owner construct water wells upon the Lot(s), except for the sole purpose of yard irrigation.

SECTION 12. Signs. No signs shall be permitted on any Lot or in the Common Areas without permission of the Board of Directors, except that a sign conforming to any applicable governmental sign ordinance may be displayed by the owner of any Lot for the purpose of advertising that said Lot is for sale.

SECTION 13. Alterations. No person shall undertake, cause, or allow any alteration or construction in or upon any portion of the Common Areas except at the direction or with the express written consent of the Association.

SECTION 14. Subdividing. Subject to the provisions of Article V hereof, no Lot shall be subdivided, or its boundary lines changed except with the prior written consent of the Declarant during the period of Declarant control of the Association and thereafter by the Board of Directors of the Association.

SECTION 15. Landscaping. Prior to initial occupancy of the residence constructed on each Lot, the yard area of such Lot must be sodded; provided, however, that any areas to be used as planting beds for trees and shrubs need not be sodded so long as such beds are planted prior to initial occupancy of the Lot. The Declarant, the Board or the Architectural Control Committee, as the case may be, may on account of adverse weather conditions or for other good cause shown permit such landscaping to be done within a period of six months after initial occupancy of the residence. All front

yards must have underground sprinkler systems for irrigating such sodded areas and planted beds. 2014 0342

Except as provided in subparagraph B. below, annexation of Additional Property to the Development shall require the assent of two-thirds of the Members who are voting in person or by proxy at a meeting called for this purpose, written notice of which shall be sent to all Members not less than 30 days nor more than 60 days in advance of the meeting.

B. Additional Property may be annexed to the Development without the assent of the Members so long as the Additional Property can be used only for single family dwellings and related facilities usually appurtenant to single family developments, recreational facilities and Common Areas.

SECTION 2. Annexation of Additional Property shall occur upon the recording, in the Office of the Register of Deeds for the county where the Additional Property is located, of (i) a subdivision plat for the Additional Property and (ii) a supplemental declaration stating that the Additional Property is made a part of the Development and is subject to this Declaration. Upon recording of such plat and supplemental declaration, the Additional Property shall become fully subject to the terms of this Declaration, except to the extent that pursuant to Article V, Section 4 hereof, the Declarant amends the applicability of this Declaration to the Additional Property.

SECTION 3. Nothing herein shall prevent Declarant from using the name "Halcyon Forest" in conjunction with the development of other real property which is not made part of the Development and subject to this Declaration.
