So long as the Declarant or its designee shall retain ownership of any Lot, it may utilize any such Lot for offices, models or other purposes relating to the sale or rental of Lots and dwellings including the right to place "For Sale" or "For Rent" signs on any Lots. ARTICLE IV.

HOMEOWNERS' ASSOCIATION

SECTION 1. Formation of Association. When more than one person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they determined, but in no event shall more than one vote be cast with respect to any Lot. Fractional voting with respect to any Lot is hereby prohibited.

Class B. The Declarant shall be a Class B Member and shall be entitled to three (3) votes for each Lot owned. The Class B Membership shall cease and be converted to Class A Membership on the happening of any of the following events, whichever occurs earlier:

(a) when the total vote outstanding in the Class A Membership equals the total vote outstanding in the Class B Membership; or

(c) upon the voluntary surrender of all Class B Membership by the holder thereof.

The period during which there is Class B Membership is sometimes referred to herein as the "Declarant Control Period".

All duties, obligations, rights and privileges of the Declarant under any water, sewer, stormwater and utility agreements, easements and permits for the Development with municipal or governmental agencies or public or private utility companies are at all times the responsibility of the Association.

ARTICLE V.

INSURANCE AND BONDS

SECTION 1. Insurance. It shall be the duty of the Association to maintain in effect casualty and liability insurance as follows:

(a) Amount and Scope of Insurance. All insurance policies upon the Development (except personal property within a Townhome) shall be secured by the Board of Directors, or its designee on behalf of the Association which shall obtain such insurance against (1) loss or damage by fire or other hazards normally insured against, and (2) such other risks, including public liability insurance, as from time to time shall be customarily required by private institutional mortgage investors for projects similar in

construction, location and use as the Development and the improvements thereon for at least \$1,000,000.00 for bodily injury, including deaths of persons and property damage arising out of a single occurrence. Coverage under this policy shall include, without limitation, legal liability of the insureds for property damage, bodily injuries, and deaths of persons in connection with the operation, or maintenance or use of the Common Areas and Designated Common Areas and legal liability arising out of lawsuits relating to employment contracts of the Association. In obtaining such coverage, the Board of Directors shall consider the reasonable requirements of holders of first liens on individual Lots;

(b) Insurance Provisions. The Board of Directors shall make diligent efforts to insure that said insurance policies provide for the following:

(1) a waiver of subrogation by the insurer as to any claims against the Association, any officer, director, agent or employee of the Association, the Lot Owners and their employees, agents, tenants and invitees;

(2) a waiver by the insurer of its right to repair and reconstruct instead of paying cash;

(3) coverage may not be cancelled or substantially modified (including cancellation for nonpayment of premium) without at least thirty days prior written notice to the named insured and all mortgagees;

(4) coverage will not be prejudiced by act or neglect of the Lot Owners when said act or neglect is not within the control of the Association or by any failure of the Association to comply with any warranty or condition regarding any portion of the Development over which the Association has no control.

(5) the master policy on the Development cannot be cancelled, invalidated or suspended on account of the conduct of any one or more individual Lot Owners;

(6) the master policy on the Development cannot be cancelled, invalidated or suspended on account of the conduct of any officer or employee of the Board of Directors without prior demand in writing that the Board of Directors cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured.

(c) Premiums. All premiums on such insurance policies and any deductibles payable by the Association upon loss shall be a common expense;

(d) Proceeds. All insurance policies purchased pursuant to these provisions shall provide that all proceeds thereof shall be payable to the Board as insurance trustee or to such attorney-at-law or institution with trust powers as may be approved by the Board of Directors;

(e) Policies. All insurance policies purchased by the Board of Directors shall be with a company or companies permitted to do business in the State of North Carolina and holding a rating of "A" or better by the current issue of Best's Insurance Reports. All insurance policies shall be written for the benefit of the Board of Directors and the Lot Owners and their mortgagees as their respective interests may appear, and shall provide that all proceeds thereof shall be payable to the Board of Directors and duplicates of said policies and endorsements and all renewals thereof, or certificates thereof, together with proof of payment of premiums, shall be delivered to the Owners at least ten (10) days prior to the expiration date with respect to the then current policies. Duplicates shall also be obtained and issued by the Association to each mortgagee, if any upon request of such mortgagee;

(f) Individual Policies. If the Association shall determine that it would be more economically feasible in lieu of the Association maintaining a master policy for the entire Development, for the Lot Owners to purchase insurance policies covering each Lot and Lot Owner individually, then upon the assent of two-thirds of the Members (which votes may be cast in person or by proxy) who are eligible to vote at a meeting duly called for such purpose, the insurance coverage for the entire Development, may be turned over to the Members to purchase individual policies under such terms and conditions as the Association may prescribe. If the responsibility for maintaining the insurance coverage on the Development is turned over to the individual Lot Owners under the provisions of this paragraph, then the Association shall be named as additional insured on each policy, each Lot shall be insured for its full replacement value and the provisions of this Section shall be modified accordingly;

(g) Distribution of Insurance Proceeds. Proceeds of insurance policies shall be distributed to or for the benefit of the beneficial owners in the following manner:

(1) all reasonable expenses of the insurance trustee shall be first paid or provision may therefor;

(2) the remaining proceeds shall be used to defray the cost of repairs for the damage or reconstruction for which the proceeds are paid. Any proceeds remaining after defraying such cost shall be distributed to the beneficial owners, including lienholders of record, or retained by the

Association for such common expenses or purposes as the Board shall determine.

SECTION 2. Fidelity Bond. The Association may maintain blanket fidelity bonds for all officers, directors, employees and all other persons handling or responsible for funds of the Association, as follows (provided, however, that if the Association shall delegate some or all of the responsibility for the handling of its funds to a management agent, such fidelity bonds shall be maintained by such management agent for its officers, employees and agents handling or responsible for funds of or administered on behalf of the Association).

ARTICLE VI.

SECTION 3. Annual Assessments. Annual Assessments shall be in an amount to be fixed from year to year by the Board of Directors which may establish different rates from year to year as it may deem necessary. The amount of the Annual Assessment against each Lot for any given year shall be fixed at least 30 days in advance of the Annual Assessment period; provided, however, that the first Annual Assessment shall be set prior to the conveyance of the first Lot to an Owner and written notice to the Owners to be subjected thereto shall be delivered to the Owners at or prior to the closing of their Lots. Written notice of each Annual Assessment thereafter shall be sent to every Owner subject thereto. The due date shall be established by the Board of Directors and the Board of Directors shall have the authority to require the assessments to be paid in periodic installments. The Association shall, upon demand, and for a reasonable charge furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

SECTION 4. Special Assessments for Capital Improvements. In addition to the Annual Assessments authorized above, the Association may levy, in any assessment year, a Special Assessment applicable to the year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Areas, Designated Common Areas and Limited Common Areas, including fixtures and personal property related thereto.

SECTION 5. Insurance Assessments. All premiums on insurance policies purchased by the Board of Directors or its designee and any deductibles payable by the Association upon loss shall be a common expense, and the Association may in any assessment year levy against the Owners equally an "Insurance Assessment", in addition to the Annual Assessments, which shall be in an amount sufficient to pay the annual cost of all such deductibles and insurance premiums not included as a component of the Annual Assessment.

SECTION 6. Ad Valorem Tax Assessments. All ad valorem taxes levied against the Common Areas, if any, shall be a common expense, and the Association may in any assessment year levy against the Owners equally an "Ad Valorem Tax Assessment", in addition to the Annual Assessments, which shall be in an amount sufficient to pay such ad valorem taxes in such year not included as a component of the Annual Assessment.

SECTION 7. Working Capital Assessments. At the time title to a Lot is conveyed to an Owner by Declarant, the Owner shall pay the sum of \$200.00 to the Association as working capital to be used for operating and capital expenses of the

Association. Amounts paid into the working capital fund are not to be considered as advance payment of the Annual or any other assessments. Notwithstanding the foregoing, no Working Capital Assessment shall be due at the time of the conveyance of any Lot to D.J.F. Enterprises, Inc. A Working Capital Assessment shall be due at the time DJF Enterprises, Inc. conveys a Lot to a retail purchaser.

SECTION 8. Notice and Quorum For Meetings Regarding Annual and Special Assessments. Written notice of any meeting of Owners called for the purpose of approving Special Assessments shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all votes of each class of Membership shall constitute a quorum. The required quorum at the subsequent meeting shall be one-half (½) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

SECTION 9. Uniform Rate of Assessment. The Assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Owner's Lot. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Common Area or abandonment of his Lot. All unpaid installment payments of Assessments shall become immediately due and payable if an Owner fails to pay any installment within the time permitted.

SECTION 12. Subordination Of The Lien To Mortgage. The lien of the Assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the Assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such Assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof.

ARTICLE VII.

SECTION 1. Approval of Plans for Building and Site Improvements. No dwelling, wall or other structure shall be commenced, erected, or maintained upon any Lot or the associated Designated Common Area, nor shall any exterior addition to or change in or alteration therein (including painting or repainting of exterior surfaces) be made until the plans and specifications (including site plan) showing the nature, kind, shape, heights, materials, colors and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Declarant, or its designee, or, after the sale of all Lots by Declarant, by the Board of Directors of the Association, or by an Architectural Control Committee composed of three (3) or more representatives appointed by the Board.
