COMMON PROPERTY

2.01 Conveyance of Common Property.

(a) Declarant may from time to time convey to the Association or grant easements to the Association, at no expense to the Association and in accordance with this Section, real and personal property for the common use and enjoyment of the Owners (collectively, "**Common Property**") and, to the extent set forth in this Declaration, the general public. The Association agrees to accept from Declarant all conveyances of Common Property.

(b) Declarant may convey Common Property to the Association for access, ingress and egress of both vehicular traffic and pedestrians, as well as for landscaping, recreational and security purposes. Declarant may, at Declarant's sole discretion, modify, alter, increase, reduce and otherwise change the Common Property (or the use to be made thereof) at any time prior to conveyance of the Common Property to the Association. Additionally, Declarant may convey to the Association other real and personal property as Declarant may determine to be necessary or proper for the completion of the Development.

(c) Notwithstanding any legal presumption to the contrary, the fee title to, and all rights in any portion of the Property owned by Declarant and designated as Common Property on the Plat or designated for public use shall be reserved to Declarant until such time as the same shall be conveyed to the Association or to any municipality or other governmental body, agency or authority. Further, notwithstanding any legal presumption to the contrary, any conveyance made herein or subsequently by Declarant shall exclude and save and except therefrom any and all minerals located in, on or under the Common Property.

2.02 Right of Enjoyment. Subject to the terms of this Declaration, every Owner shall have a right and easement in common with Declarant and the other Owners to use the Common Property, which right shall be appurtenant to and shall pass with the title to every Lot upon transfer. No Owner shall do any act which interferes with the free use and enjoyment of the Common Property by Declarant or the other Owners. The Association may permit persons who are not Owners to use part or all of the Common Property subject to such limitations, and upon such terms and conditions, as it may from time to time establish. The right and easement of enjoyment granted or permitted by this Section is subject to suspension by the Association as provided in Sections 2.03(e) and 3.05.

2.03 Rights of The Association. The rights and privileges relating to the Common Property conferred to Owners in this Declaration shall be subject to the right and (where applicable) the obligation of the Association, acting through the Board, to:

(a) Promulgate rules and regulations relating to the use, operation and maintenance of the Common Property;

(b) Borrow money for the purpose of carrying out the activities of the Association, including the acquisition, construction, improvement, equipping and maintenance of Common Property, and in aid thereof to encumber by deed of trust, mortgage or other security interest

any or all of the Association's property including Common Property and revenues from assessments, user fees and other sources; provided, however, that, [i] the Association shall not grant or convey to anyone any mortgage, deed of trust or other security interest on or in Common Property constituting real estate without approval by two-thirds (2/3) of the Owners other than Declarant and [ii] during the period when Declarant has the right to appoint members of the Board, such grant or conveyance shall also require the approval of Declarant.

(c) Grant easements or rights of way over Common Property to any municipality or other governmental body, agency or authority, to any quasi-public agency or to any utility company or cable television system;

(d) Dedicate or transfer all or any part of the Common Property or interests therein to any municipality or other governmental body, agency or authority for such purposes and subject to such provisions and conditions as may be agreed upon by the Association and such grantee, including a provision that such property or interest shall, if such dedication or transfer is approved by a two-thirds (2/3) vote of the Owners other than Declarant, cease to be subject to this Declaration or all or any part of the Restrictions while held by any such municipality or other governmental body, agency or authority;

(e) Suspend, pursuant to Section 3.05, the voting rights of any Member and the right of enjoyment granted or permitted by Section 2.02,

(f) Sell, lease or otherwise convey all or any part of its properties and interests therein; provided, however, that any sale, lease, or other conveyance of any of the Common Property that is not covered by (d) above shall require the approval of 2/3 of the Owners other than Declarant.

(g) Enforce all applicable provisions of valid agreements of the Association relating to the Common Property or any part thereof; and

(h) Maintain any and all landscaping treatments installed in the Common Areas, to the extent that such landscaping is not otherwise maintained by the appropriate county and/or municipal entity having jurisdiction over the Property.

(i) Notwithstanding the rights and privileges relating to the Common Property conferred to the Owners in this Declaration, the Association, acting through the Board, may not restrict or otherwise limit access to the Common Property by any third party which owns, or possesses the right by lease to develop, minerals located in and under the Common Property.

2.04 Conveyance of Common Property by Declarant to Association. Declarant may transfer or convey to the Association any personal property and any improved or unimproved property, leasehold, easement or other property interest which is or may be subjected to the terms of this Declaration. The Association shall accept that conveyance, and the property shall thereafter be Common Property to be maintained by the Association for the benefit of all of its Members.

2.05 Types of Common Property. At the time of the conveyance of any property or grant of easement by Declarant to the Association to be used as Common Property, Declarant shall designate in the deed of conveyance or easement that the property or easement is to be

Common Property, and further may designate in the deed of conveyance or easement the specific or general purpose or purposes for which the property or easement or any portion thereof may be used, and in that event, the property or easement or portion thereof shall not, without a two-thirds (2/3) vote of the Members, be used for any different purpose or purposes without the prior written consent of Declarant.

2.06 Delegation of Use. Any Owner may delegate to any Occupant of the Residence owned by the Owner, in accordance with the Bylaws, the Owner's right to use and enjoy the Common Property.

2.07 Maintenance and Other Common Expenses. The Association shall maintain and keep in good repair the Common Property. In addition to the maintenance of the Common Areas, the Association shall have the obligation to maintain, repair, and replace, subject to any insurance then in effect, all other private drives (as identified by the Plat or otherwise) which are not reserved for the exclusive use of each individual Owner, including, without limitation, all grass, trees, shrubbery or other plantings, sidewalks, fences, walls, street lights, benches, trash receptacles, sprinkler systems, informational and directional street signage installed by Declarant, security gates, and any other landscaping or improvements located along or within the private drives, and any other property Declarant designates as a maintenance obligation of the Association by an amendment to this Declaration. In addition, the Association shall maintain, repair, and replace, to the extent permitted by the applicable governmental authority, subject to any insurance then in effect, all grass, trees, shrubbery or other plantings, sidewalks, fences, walls, street lights, benches, trash receptacles, sprinkler systems, information and directional signage, security gates, traffic signals and any other landscaping or improvements located along or in dedicated rights of way and which were installed by Declarant. The foregoing maintenance shall be performed in a manner consistent with the Design Standards. The Association shall bear the responsibility for all utility charges incurred because of streetlights, security gates, sprinkler systems or other equipment which are installed on or about the Common Property/Common Areas, and shall pay all insurance premiums attributable to or connected with any portion of the Common Property/Common Areas. The Association shall also have the right, but not the obligation, to maintain and provide services for other property not owned by the Association, whether located within or without the boundaries of the Development, and to enter into easements and covenants to share cost agreements regarding that property where the Board has determined that this would benefit the Owners.

ARTICLE III
HOMEOWNERS ASSOCIATION

3.01 Purposes, Powers and Duties of the Association. The Association has been formed as a non-profit corporation for the sole purpose of performing certain functions for the common good and general welfare of the Occupants of the Development. The Association shall have no power or duty to do or perform any act or thing other than those acts and things which will promote in some way the common good and general welfare of the Members. To the extent, and only to the extent, necessary to carry out those purposes, the Association (a) shall have all of the powers of a Texas non-profit corporation organized under the Texas Non-Profit Corporation Act, and (b) shall have the power and duty to exercise all of the rights, powers and privileges and to perform all of the duties and obligations of the Association as set forth in this Declaration.

3.02 Membership in the Association. Every Owner shall automatically be a Member of the Association, and that membership shall terminate only as provided in this Declaration. Membership is appurtenant to and may not be separated from ownership of any Lot. For purposes of voting, there shall be two (2) classes of Members as set forth in Section 3.03.

3.03 Voting Rights.

(a) Each Owner of a Lot, with the exception of Declarant, shall be a Class A Member and shall be entitled to one (1) vote per Lot. Where an Owner is a group or entity other than one individual person, the vote on behalf of the Owner shall be exercised only by the individual person as shall be designated in a proxy instrument duly executed by or on behalf of that group or entity and delivered to the secretary of the Association.

(b) Declarant shall be the sole Class B Member and shall be entitled to three (3) votes for each Lot owned; provided, however, in no event shall the Class B Member have less than the total number of Class A votes plus one (1). The Class B Membership shall cease and be converted to Class A Membership when Declarant no longer retains the right to appoint and remove members of the Board and officers of the Association pursuant to Section 3.08 below.

3.04 Board of Directors. A Board of Directors shall manage the affairs of the Association. The number of Directors and the method of election of Directors shall be as set forth in the Bylaws of the Association.

3.05 Suspension of Membership Rights. The Board may suspend the voting rights of any Member and the right of enjoyment of the Common Property of any Member or Occupant who:

(a) Shall be subject to the Right of Abatement, as defined in Section 8.02, by reason of having failed to take the reasonable steps to remedy a violation or breach of either the Restrictions or the Design Standards (defined below) of the ACC (defined below) within thirty (30) days after having received notice of the same pursuant to the provisions of Section 5.11, 6.14 or 8.02 of this Declaration;

(b) Shall be delinquent in the payment of any assessment levied by the Association pursuant to the provisions of Article IV of this Declaration; or

(c) Shall be in violation of the rules and regulations of the Association relating to the use, operation and maintenance of Common Property.

The suspension shall be for the balance of the period in which the Member or person shall remain in violation, breach or default, as aforesaid, except that in the case of a violation described in Section 3.05(c), the suspension may be for a period not to exceed 60 days after the cure or termination of that violation. No suspension shall prevent an Owner's ingress to or egress from the Owner's Lot.

3.06 Termination of Membership. Membership shall cease only when a person ceases to be an Owner.

3.07 Voting Procedures. The procedures for the election of Directors of the Association and the resolution of other issues as may be brought before the membership of the Association shall be governed by this Declaration, the Texas Non-Profit Corporation Act, the Articles of Incorporation of the Association, and the Bylaws, as each shall from time to time be in force and effect.

3.08 Control by Declarant.

(a) Notwithstanding anything to the contrary in this Declaration, the Articles of Incorporation or the Bylaws, Declarant hereby retains the right to appoint and remove any member of the Board of the Association and any officers or officers of the Association until 15 days after the first of the following events shall occur: [i] the expiration of twenty (20) years after the date of the recording of this Declaration; [ii] the date upon which all of the Lots intended by Declarant to be a part of the Development have been conveyed by Declarant to Owners other than a person or persons constituting Declarant, or [iii] the surrender by Declarant of the authority to appoint and remove directors and officers by an express amendment to this Declaration executed and recorded by Declarant; provided, however, that the Owners may be entitled to elect certain members of the Board of the Association in accordance with the terms of the Bylaws which shall not be removable by Declarant acting alone.

(b) Upon the expiration of the period of Declarant's right to appoint and remove directors and officers of the Association pursuant to the provisions of this Section, that right shall automatically pass to the Owners, including Declarant if Declarant then owns one or more Lots, and a special meeting of the Association shall be called at that time. At the special meeting the Owners shall elect a new Board of Directors which shall undertake the responsibilities of the Board, and Declarant shall deliver the books, accounts, and records, if any, which Declarant has kept on behalf of the Association and any agreements or contracts executed by or on behalf of the Association during that period which Declarant has in its possession. Each Owner, by acceptance of a deed or other conveyance of a Lot, vests in Declarant the authority to appoint and remove directors and officers of the Association as provided in this Section. The Association may exercise any other right or privilege given to it expressly by this Declaration or by law and any other right or privilege reasonably to be implied from the existence of any right or privilege given to it in this Declaration or reasonably necessary to effectuate any of those rights or privileges.

ARTICLE IV ASSESSMENTS

4.01 Covenant for Assessments and Creation of Lien and Personal Obligation. Each Owner of a Lot, jointly and severally, for the Owner and the Owner's heirs, distributees, legal representatives, successors and assigns, by acceptance of a deed for a Lot, whether or not the covenants contained in this Declaration shall be expressed in any such deed, hereby covenants and agrees as follows:

(a) To timely pay to the Association the annual assessments which may or shall be levied by the Association pursuant to this Declaration against all Lots owned by Owner;

(b) To timely pay to the Association any special assessments for capital improvements and other charges which may or shall be levied by the Association pursuant to this Declaration against all Lots owned by Owner;

(c) That there is hereby created a continuing charge and lien upon all Lots owned by Owner against which all assessments are made to secure payment of those assessments and interest thereon as provided in Section 4.09 of this Declaration and costs of collection including reasonable attorneys' fees;

(d) That the continuing charge and lien on the Lot binds the Lot in the hands of the then Owner, and the Owner's heirs, devisees, legal representatives, successors and assigns. That charge and lien is superior to any and all charges, liens or encumbrances which may hereafter in any manner arise or be imposed upon those Lots whether arising from or imposed by judgment or decree or by any agreement, contract, mortgage, deed of trust or other instrument, except [i] liens for taxes or other public charges as are by applicable law made superior, and [ii] all deeds of trust or mortgages to secure debt given to secure a loan the proceeds of which are used (1) to purchase a Lot or Lots (together with any and all Structures which may from time to time be placed or located thereon), and (2) to finance the construction, repair or alteration of Structures. A person or entity acquiring a lien or encumbrance on a Lot after this Declaration is recorded shall acknowledge, by the act of filing an instrument creating that lien, that the lien or encumbrance is inferior to the continuing lien for the charge and lien provided for in this Declaration, whether or not that acknowledgment is specifically stated in the instrument creating the lien or encumbrance, except as provided by subsections [i] and [ii] above;

(e) That no sale or transfer at foreclosure or in lieu of foreclosure shall relieve any Lot from liability for any assessment thereafter assessed;

(f) That all annual, special and specific assessments (together with interest thereon as provided in Section 4.09 of this Declaration and costs of collection including reasonable attorneys' fees) levied against any Lot owned by the Owner during the period that the person or entity is an Owner shall be (in addition to being a continuing charge and lien against that Lot as provided in Section 4.01(c) of this Declaration) a personal obligation which will survive any sale or transfer of the Lot owned by that person or entity; provided, however, that the personal obligation for delinquent assessments shall not pass to an Owner's successor in title unless expressly assumed by the successor; and

(g) Failure to pay any assessment when due shall constitute a default of the Owner's obligations under this Declaration, and shall entitle the Association to exercise the remedies provided under the terms of this Declaration.

4.02 Purpose of Assessment. The assessments levied by the Association shall be used exclusively for the purpose of providing for the common good and general welfare of the Occupants of the Development, including, but not limited to, security, the acquisition, construction, improvement, maintenance, insuring, and equipping of Common Property, maintenance of private driveways or other improvements or landscaping which are designated by Declarant or the Association to be maintenance obligations of the Association, the enforcement of the Restrictions contained in this Declaration, the enforcement of the Design

Standards of the ACC, the payment of operating costs and expenses of the Association including, without limitation, any ad valorem real and personal property taxes on any real and personal property owned by the Association, and the payment of all principal and interest when due on all debts owed by the Association.

4.03 Accumulation of Funds Permitted. The Association shall not be obligated to spend in any calendar year all the sums collected in that year by way of annual assessments or otherwise, and may carry forward, as surplus, any balances remaining. The Association shall not be obligated to apply any surplus to the reduction of the amount of the Annual Assessments in any succeeding year, but may carry forward from year to year any surplus as the Board may deem to be desirable for the greater financial security of the Association and the effectuation of its purposes.

4.04 Annual Assessment.

(a) Each Lot shall be subject to an Annual Assessment in the amount of **\$120.00**, which shall cover fees and costs incurred by the Association in meeting all of its obligations outlined in the Bylaws, including without limitation Common Area maintenance and waste management service contracts. The initial Annual Assessment shall be payable by the purchaser/new Owner at the closing of each Residence; provided, however, in the event that the closing falls on a day other than January 1, the Annual Assessment for that year shall be prorated so that the new Owner pays an Annual Assessment proportional to the number of days remaining in the calendar year. The words "Assessment Year" as used in this Declaration shall mean the calendar year, with the first Assessment Year commencing on January 1 of the year immediately following the Commencement Date.

(b) Commencing with the first Assessment Year and continuing thereafter, the annual assessment may be increased at any time and from time to time during each Assessment Year by Declarant; provided, however, the increase shall not be more than ten percent (10%) above the Annual Assessment for the previous Assessment Year without a vote of the Membership.

(c) Commencing with the first Assessment Year and continuing thereafter, the Annual Assessment for each Assessment Year may at any time and from time to time be increased more than ten percent (10%) above the maximum annual Assessment for the previous Assessment Year if that increase is approved by a two-thirds (2/3) vote of the Members of the Association who are present in person or by proxy and voting at a meeting of Members duly held in accordance with the provisions of the Bylaws and this Declaration.

4.05 Special Assessments.

(a) In addition to the Annual Assessments authorized by this Article, the Association may levy, in any Assessment Year and with any frequency as the Association shall deem necessary, Special Assessments for the purpose of paying, in whole or in part, any unanticipated operating expenses, as well as the cost of any construction, reconstruction, repair or replacement of a capital improvement on the Common Property or other areas designated by Declarant to be a maintenance obligation of the Association. The Board may levy the Special Assessments in any

Assessment Year without the approval of the Members, so long as the Special Assessments in an Assessment Year do not in the aggregate exceed an amount equal to the Annual Assessment then in effect. Special Assessments exceeding that amount shall require the approval of two-thirds (2/3) of the Members who are present in person or by proxy at a meeting of Members duly held in accordance with the provisions of the Bylaws and this Declaration.

(b) A Working Capital Assessment payable to the Association in the amount of \$100.00 is due at closing from the new Owner/purchaser upon each sale of a Lot. The Working Capital Assessment shall be in addition to, not in lieu of the Annual Assessment. This assessment shall be non-interest bearing and will be used by the Association in the execution of its duties and operations. The assessment shall be due at closing upon subsequent sales of the Lot from one Owner to the next. The Association may increase, decrease or return this Assessment as determined by the Board from time to time and in accordance with the applicable terms within Article IV.

4.06 Assessment Procedure.

(a) The Board shall establish the annual assessment for each Assessment Year at an amount not in excess of the maximum annual assessment as determined by the provisions of this Article, and shall also establish the date during the Assessment Year on which the annual assessment shall be due and payable (the "Due Date"). The Board shall also establish an annual budget which shall list the estimated operating expenses and shall contain an amount to be set aside each year into a reserve allowance to be used for future repair and replacement of the Common Property; provided, however, in no event shall the Board be required to provide for a reserve sufficient to cover all future repair and replacement of the Common Property, it being intended that a portion of those costs will be covered by Special Assessment. The Board shall cause the Association to send to each Owner at least thirty (30) days in advance of the Due Date written notice setting forth the amount of the annual assessment and the Due Date. The annual assessment shall become due on the thirtieth (30th) day following the date the written notice is sent or the Due Date, whichever is later. The Board may establish reasonable payment procedures to allow or require payment of the annual assessment in installments during the Assessment Year. The Board shall also establish payment procedures for payment of any special assessments for capital improvements which may be levied in accordance with the provisions of this Article.

(b) All Members of the Association shall be given written notice by the Board not less than thirty (30) nor more than sixty days (60) in advance of any meeting of the Members of the Association at which the Board shall propose taking action pursuant to Section 4.04(c) and Section 4.05. The written notice shall specify under which Section or Sections the Board will propose action. At that meeting, the presence of Members or of proxies entitled to cast fifty percent (50%) of the total votes outstanding shall constitute a quorum. If the required quorum is not present at that meeting, the Board subject to the same notice requirement may call a second meeting, and the required quorum at the second meeting shall be thirty percent (30%) of the total votes outstanding. No second meeting shall be held more than sixty days (60) following the first meeting. If the required quorum is not present at the second meeting, the Board may take such action without approval of the Members.

4.07 Uniform Rate of Assessment. Both Annual and Special Assessments must be fixed at a uniform rate for all Lots.

4.08 Contribution by Declarant. For so long as Declarant has the authority to appoint and remove directors and officers of the Association, Declarant shall not be liable for the payment of any assessments; provided, however, during that period Declarant shall advance funds to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association (but specifically not including an allocation for the reserve allowance), and the sum of Annual, Special and Specific Assessments collected by the Association in any Assessment Year, and those advances shall be evidenced by promissory notes from the Association to Declarant.

4.09 Effect of Non-payment of Assessments. Any Assessment which is not paid on or before the Due Date shall bear interest after the Due Date at the lower of [i] the highest legal rate of interest which can be charged, or [ii] the rate of eighteen percent (18%) per annum, or [iii] at such rate as the Board may from time to time establish; provided, however, that in no event shall the Board have the power to establish a rate of interest in violation of the laws of the State of Texas. In the event of default in the payment of any one or more installments of an Assessment, the Board may declare any remaining balance of the Assessment at once due and payable. If an Owner shall fail to pay fully any portion of any Assessment prior to the date on which payment is due, the unpaid portion (including any remaining balance declared immediately due and payable in accordance with the preceding sentence), together with interest and costs of collection including reasonable attorneys' fees, shall be a binding personal obligation of that Owner, as well as a lien on that Owner's Lot, enforceable in accordance with the provisions of this Declaration.

4.10 Certificate of Payment. Upon written demand by an Owner, the Association shall within a reasonable period of time issue and furnish to the Owner a written certificate stating that all Assessments (including penalties, interest and costs, if any) have been paid with respect to any Lot owned by that Owner as of the date of the certificate, or that all Assessments, interest and costs have not been paid, setting forth the amount then due and payable. The Association may make a reasonable charge for the issuance of the certificate. Any certificate, when duly issued as provided in this Declaration, shall be conclusive and binding with regard to any matter therein stated as between the Association and any bona fide purchaser of, or lender on, the Lot in question.

4.11 Approval by Declarant. Notwithstanding anything to the contrary contained in this Declaration, no Special Assessment shall be made without the approval of Declarant for so long as Declarant has the right to appoint officers and directors of the Association.

4.12 Specific Assessments. The Board shall have the power to specifically assess any Owner pursuant to this Section as, in its discretion, it shall deem appropriate. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association or the Board and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. The Board may specifically assess Owners for the following expenses, except for expenses incurred for

maintenance and repair to items which are the maintenance responsibility of the Association as provided in this Declaration:

(a) Expenses of the Association which benefit less than all of the Lots, which may be specifically assessed equitably among all of the Lots, which are benefited according to the benefit, received;

(b) Expenses incurred by the Association pursuant to Section 6.14 of this Declaration; and

(c) Reasonable fines as may be imposed in accordance with the terms of this Declaration and the Bylaws.

ARTICLE V
ARCHITECTURAL CONTROL

5.01 Architectural Control Committee – Creation and Composition.

(a) An Architectural Control Committee (the "ACC") shall be established consisting of not less than three (3) or more than five (5) individuals; provided, however, that the ACC shall always have an uneven number of members. Notwithstanding anything to the contrary contained in this Declaration, Declarant shall have the right, but not the obligation, to appoint all members of the ACC until the plans for all of the Residences for all of the Lots in the Development have been approved by the ACC. Thereafter, the Board shall appoint the members of the ACC. All costs of operating the ACC may, at the discretion of Declarant, be borne by the Association.

(b) Each initial member of the ACC shall be appointed for a term expiring on the next-succeeding December 31. Thereafter each member of the ACC shall be appointed for a calendar-year term. If any vacancy shall occur in the membership of the ACC by reason of death, incapacity, resignation, removal or otherwise, then the remaining members of the ACC shall continue to act and the vacancy shall, subject to the provisions of Section 5.01(a), be filled by Declarant (or the Board if at the time the Board has the right to appoint members of the ACC) at the earliest possible time. Any ACC member may resign at any time by giving written notice of resignation to the Chairman of the ACC and that resignation shall take effect on receipt thereof by the Chairman. Any member of the ACC may be removed at any time with or without cause by Declarant (or the Board if at the time the Board has the right to appoint members of the ACC).

5.02 Purpose, Powers and Duties of the ACC. The purpose of the ACC is to assure that any installation, construction or alteration of any Structure on any Lot shall be submitted to the ACC for approval [i] as to whether the proposed installation, construction or alteration is in conformity and harmony of external design and general quality with the existing standards of the Development and the Design Standards, and [ii] as to the location of Structures with respect to topography, finished ground elevation and surrounding Structures. To the extent necessary to carry out that purpose, the ACC shall have all of the powers and duties to do each

and every thing necessary, suitable, convenient or proper for, or in connection with, or incidental to, the accomplishment of that purpose, including, without limitation, the power and duty to approve or disapprove plans and specifications for any installation, construction or alteration of any Structure on any Lot.

5.03 Officers, Subcommittees and Compensation. The members of the ACC shall appoint a Chairman from among their number and may appoint from among their number any other officers and subcommittees of members of the ACC as they shall from time to time determine necessary. The members of the ACC shall be reimbursed by the Association for travel expenses and other reasonable out-of-pocket costs incurred in the performance of their duties as members of the ACC.

5.04 Operations of the ACC.

(a) Meetings. The ACC shall hold regular meetings at least once every three (3) months or more often as may be established by the ACC. Special meetings may be called by the Chairman and shall be called by the Chairman upon the written request of a majority of the members of the ACC then in office. Regular and special meetings of the ACC shall be held at such time and at such place as the ACC shall specify. Notice of each regular or special meeting of the ACC shall be mailed to each member thereof at his or her residence or at his or her usual place of business at least ten (10) days before the day the meeting is to be held. Notice of regular and special meetings need not specify the purpose or purposes for which the meeting is called. Notice of a meeting need not be given to any member of the ACC who signs a waiver of notice either before or after the meeting. Attendance of a member of the ACC at a meeting shall constitute a waiver of notice of the meeting and shall constitute a waiver of any and all objections to the place of the meeting, the time of the meeting, or the manner in which it has been called or convened, except when the member states, at the beginning of the meeting, any objection or objections to the transaction of business. At each meeting of the ACC, the presence of a majority of the members then in office shall constitute a quorum for the transaction of business. Except as otherwise provided in this Declaration, the act of a majority of the members of the ACC present at any regular or special meeting thereof at which a quorum is present shall constitute the act of the ACC. In the absence of a quorum, any member of the ACC present at the time and place of the meeting may adjourn the meeting from time to time until a quorum shall be present. At any adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted at the meeting as originally called. The ACC shall maintain both a record of votes and minutes for each of its meetings. The ACC shall make those records and minutes available at reasonable places and times for inspection by Members of the Association and by the Association's Secretary. Any action required to be taken at a meeting of the ACC, or any action which may be taken at a meeting of the ACC, may be taken without a meeting if written consent, setting for the action so taken, shall be signed by all the members of the ACC and be filed with the minutes of the proceedings of the ACC. That consent shall have the same force and effect as a unanimous vote, and may be stated as such in any document filed by the ACC.

(b) Activities.

[i] The ACC shall adopt and promulgate the Design Standards described in Section 5.05 of this Declaration and shall, as required, make findings, determinations,

rulings and orders with respect to the conformity with those Design Standards of plans and specifications submitted for approval to the ACC pursuant to the provisions of this Declaration. The ACC shall, as required, issue permits, authorizations or approvals, which may include specific requirements or conditions, pursuant to the provisions of this Declaration.

[ii] Any two (2) or more members of the ACC may be authorized by the ACC to exercise the full authority of the ACC with respect to all matters over which the ACC has authority as may be specified by resolution of the ACC, except with respect to the adoption or promulgation of the Design Standards. The unanimous action of the two (2) or more members with respect to the matters specified shall be final and binding upon the ACC and upon any applicant for an approval, permit or authorization, subject, however, to review and modification by the ACC on its own motion or appeal by the applicant to the ACC as provided in this paragraph [ii]. Written notice of the decision of two (2) or more members shall, within five (5) working days thereof, be given to any applicant for an approval, permit or authorization. The applicant may, within ten (10) days after receipt of notice of any decision which he deems to be unsatisfactory, file a written request to have the matter in question reviewed by the ACC. Upon the filing of any request, the matter with respect to which the request was filed shall be submitted to, and reviewed promptly by, the ACC, but in no event later than thirty days (30) after the filing of the request. The decision of a majority of the members of the ACC with respect to that matter shall be final and binding.

5.05 Design Standards.

(a) The ACC shall from time to time adopt, promulgate, amend, revoke and enforce guidelines (the "**Design Standards**") for the purposes of:

[i] Governing the form and content of plans and specifications to be submitted to the ACC for approval pursuant to the provisions of this Declaration;

[ii] Governing the procedure for submission of plans and specifications;

[iii] Establishing guidelines with respect to the approval and disapproval of design features, architectural styles, exterior colors and materials, details of construction, location and size of Structures and all other matters that require approval by the ACC pursuant to this Declaration; and

[iv] Assuring the conformity and harmony of external design and general quality of the Development.

(b) The ACC shall make a published copy of its current Design Standards readily available to Members and prospective Members of the Association and to all applicants seeking the ACC's approval.

5.06 Submission of Plans and Specifications. No Structure shall be commenced, erected, placed, moved onto or permitted to remain on any Lot, nor shall any existing Structure upon any Lot be altered in any way which materially changes the exterior appearance of the

Structure or Lot, unless plans and specifications therefore shall have been submitted to and approved in writing by the ACC. All plans and specifications shall be in the form and shall contain the information as may be reasonably required by the ACC in the Design Standards, including but not limited to:

- (a) A site plan showing the location of all proposed and existing Structures on the Lot including building setbacks, open space, driveways, walkways and all siltation and erosion control measures;
- (b) A foundation plan;
- (c) A floor plan;
- (d) Exterior elevations of all proposed Structures and alterations to existing Structures, as the Structures will appear after all back-filling and landscaping are completed;
- (e) Specifications of materials, color scheme, lighting scheme and other details affecting the exterior appearance of all proposed Structures and alterations to existing Structures; and
- (f) Plans for landscaping and grading.

A master set of plans and specifications with a typical landscaping plan, erosion control and exterior color schemes may be submitted for approval in lieu of individual plans for each Lot. So long as all Structures are in substantial conformity with the master set of plans, no further submission is required.

5.07 Approval of Plans and Specifications. Upon approval by the ACC of any plans and specifications submitted pursuant to this Declaration, two (2) copies of those plans and specifications, as approved, shall be deposited for permanent record with the ACC and a copy of those plans and specifications bearing approval, in writing, shall be returned to the applicant submitting the same. Approval of any plans and specifications relating to any Lot or Structure shall be final as to that Lot or Structure and that approval may not be revoked or rescinded thereafter, provided that there has been adherence to, and compliance with, those plans and specifications, as approved, and any conditions attached to approval of those plans and specifications.

5.08 Plans Duplication. Once the ACC has approved a set of final plans and specifications (including but not limited to, exterior colors) submitted by a Homebuilder for a Structure to be constructed on a Lot, that Homebuilder may use such plans and specifications for other homes it will construct on the Property provided that (a) there shall be at least two Lots on the same side of the street between Lots with houses using the same or substantially the same exterior elevations; and (b) no Structure with the same or substantially the same exterior elevations shall be constructed on Lots directly across the street from each other.

5.09 Disapproval of Plans and Specifications. The ACC shall have the right to disapprove any plans and specifications submitted pursuant to this Declaration because of any of the following:

(a) The failure to include information in the plans and specifications as may have been reasonably requested;

(b) The failure of the plans or specifications to comply with this Declaration or the Design Standards; or

(c) Any other matter which, in the judgment of the ACC, would be likely to cause the proposed installation, construction or alteration of a Structure [i] to fail to be in conformity and harmony of external design and general quality with the standards for the Development as set forth in the Design Standards, or [ii] as to location to be incompatible with topography, finished ground elevation and surrounding Structures. In any case in which the ACC shall disapprove any plans and specifications submitted hereunder, or shall approve the same only as modified or upon specified conditions, such disapproval or qualified approval shall be accompanied by a statement of the grounds upon which such action was based. In any such case the ACC shall, if requested, make reasonable efforts to assist and advise the applicant in order that an acceptable proposal may be prepared and submitted for approval.

5.10 Obligation to Act. The ACC shall take action on any plans and specifications submitted as provided in this Declaration within fifteen (15) days after receipt thereof. Approval by the ACC, if granted, together with any conditions imposed by the ACC, shall be placed in writing on the plans and specifications and shall be returned to the applicant. Failure by the ACC to take action within fifteen (15) days of receipt of plans and specifications submitted for approval shall be deemed approval of those plans and specifications.

5.11 Inspection Rights. Any employee or agent of the Association or the ACC may, after reasonable notice, at any reasonable time or times, enter upon any Lot and Structure thereon for the purpose of ascertaining whether the installation, construction, alteration or maintenance of any Structure or the use of any Lot or Structure is in compliance with the provisions of this Declaration; and neither the Association, nor the ACC, nor any such agent shall be deemed to have committed a trespass or other wrongful act solely by reason of that entry or inspection, provided the inspection is carried out in accordance with the terms of this Section.

5.12 Violations. If any Structure shall be erected, placed maintained or altered upon any Lot, otherwise than in accordance with the plans and specifications approved by the ACC pursuant to the provisions of this Article, then that erection, placement, maintenance or alteration shall be deemed to have been undertaken in violation of this Article and without the approval required in this Declaration. If in the opinion of the ACC a violation shall have occurred, then the ACC shall notify the Association and the Board shall take appropriate measures to correct the violation. The Board shall provide written notice to the Owner by certified mail, setting forth in reasonable detail the nature of the violation and the specific action or actions required to remedy the violation. If the Owner shall not have taken reasonable steps toward the required remedial action within thirty (30) days after the mailing of the notice of violation, then the Association shall have the Right of Abatement as provided in Section 8.02 of this Declaration.

5.13 Fees. The ACC may impose and collect a reasonable and appropriate fee to cover the cost of review of plans and of inspections performed pursuant to Section 5.10. The fee shall be established from time to time by the ACC and published in the Design Standards.

5.1 Nondiscrimination by ACC. The ACC shall not discriminate against any applicant requesting its approval of plans and specifications because of the applicant's race, color, sex, religion, age or national origin. The ACC in the exercise of its powers granted pursuant to this Declaration shall not take any action the intent or effect of which is to discriminate against persons of a particular race, color, sex, religion, age or national origin.

5.15 Disclaimer as to ACC Approval. Plans and specifications are not reviewed for all systems, mechanical, plumbing, electrical, engineering, or structural design or quality of materials, and by approving the plans and specifications neither the ACC, the member thereof, nor the Association assumes liability or responsibility therefor, nor for any defect in any Structure constructed from those plans and specifications. Neither Declarant, the Association, the ACC, the Board, nor the officers, directors, members, employees, and agents of any of them shall be liable in damages to anyone submitting plans and specifications to any of them for approval, or to any Owner of property affected by these Restrictions, by reason of mistake in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any plans or specifications. Every person who submits plans or specifications and every Owner agrees that they will not bring any action or suit against Declarant, the Association, the ACC, the Board, or the officers, directors, members, employees, and agents of any of them to recover any damages and hereby releases, quitclaims, and covenants not to sue for any claims, demands, and causes of action arising out of or in connection with any judgment, negligence, or nonfeasance, and hereby waives the provisions of any law which provides that a general release does not extend to claims, demands, and causes of action not known at the time the release is given.

5.16 Modifications Committee.

(a) The ACC shall establish a modifications committee (the "**Modifications Committee**") to exercise exclusive jurisdiction over the modifications, additions, or alterations made on, or to, existing Structures as provided in Section 5.06 of this Declaration, and shall have any other responsibilities as may be delegated to it by the ACC.

(b) The Modifications Committee will set standards, review and act upon all proposed modifications or improvements to those Lots where Residences have been constructed and sold and are owned by someone other than Declarant, its successors or assigns or a Homebuilder. This Committee will be comprised of not less than three (3) members with at least two (2) members required to be members of the Association. The Modifications Committee will be governed by the Board and shall generally adhere to all the provisions set forth in this Declaration for the ACC pertaining to approval of plans and specifications.

(c) The Modifications Committee shall promulgate detailed standards and procedures governing its area of responsibility and practice. In addition thereto, the following shall apply: plans and specifications showing the nature, kind, shape, color, size, materials and location of the modifications, additions, or alterations, shall be submitted to the Modifications Committee for approval as to quality of workmanship and design and harmony of external design with existing Structures and as to location in relation to surrounding Structures, topography, and finish grade elevation. Nothing contained in this Declaration shall be construed to limit the right

of the Owner to remodel the interior of a Structure or to paint the interior of a Structure any color desired.

ARTICLE VI
GENERAL COVENANTS AND RESTRICTIONS

6.01 Application. The covenants and restrictions contained in this Article shall pertain and apply to all Lots and to all Structures erected or placed thereon.

6.02 Restriction of Use. All Residences, Structures and other improvements erected, altered, or placed on a Lot shall be of new construction. No structure of a temporary character, trailer, mobile home, tent, shack, garage, barn, or outbuilding shall be used on a Lot at any time as a Residence, either temporarily or permanently. No part of the Property shall ever be used or caused to be used or allowed or authorized in any way, directly or indirectly, for any business, commercial, manufacturing, mercantile, storing, vending, or other non-residential purposes, unless prior written approval is obtained from Declarant.

Temporary structures and model homes may be used as building offices and other related purposes by Declarant or a Homebuilder who is currently constructing homes for resale within the Property. No Homebuilder shall be allowed to maintain an office or model home for the purpose of the sale of homes unless the Homebuilder is conducting an active sales program within the Property and not for the purpose of sales in other subdivisions outside of the Property.

6.03 Resubdivision of Property. No Lot may be split, divided, subdivided or combined for sale, resale, gift, transfer, or otherwise without the prior written approval of the ACC of plans and specifications for the split, division, subdivision or combination. Once any Lots are combined they may not be subdivided thereafter; without the prior written approval of the ACC. The Owner of a Lot resulting from the combination of more than one Lot shall be responsible for annual and special assessments based upon the number of Lots (or portions thereof) combined into one Lot.

6.04 Erosion Control. No activity which may create erosion or siltation problems shall be undertaken on any Lot without the prior written approval of the ACC of plans and specifications for the prevention and control of erosion or siltation. The ACC may, as a condition of approval of the plans and specifications, require the use of certain means of preventing and controlling erosion or siltation. These means may include (by way of example and not of limitation) physical devices for controlling the run-off and drainage of water, special precautions in grading and otherwise changing the natural landscape and required landscaping as provided for in Section 6.05. Guidelines for the prevention and control of erosion and siltation may be included in the Design Standards of the ACC. The ACC may approve a general plan of Erosion Control for all homebuilding activity within the Property by a Homebuilder

6.05 Landscaping. No construction or alteration of any Structure shall take place without the prior written approval by the ACC of plans and specifications for the landscaping to accompany the construction or alteration. A written plan of landscaping must be submitted to the ACC prior to installation of any materials; this plan shall include a drawing to show location and description of all "hardscape" items such as fences, walls, rocks and so forth. A typical

landscape plan may be submitted to the ACC in lieu of an individual plan for each Lot. Owner shall be required to sod the front yard and all side yards which are visible from a street with a permanent, heat tolerant grass (i.e. Bermuda, St. Augustine, or other grass approved by the ACC). Ground cover composed of living material such as ivy or Asiatic jasmine may be allowed if approved by the ACC. The landscape plan must include the addition of at least one (1) tree in the front yard having a minimum diameter of three (3) inches (measured from a point two (2) feet above ground level), one significant shrub of three (3) feet in minimum height and a minimum of eight (8) two gallon shrubs, appropriate to the soil conditions of each lot. Tree variety shall be limited to any of the following species: Live Oak, Schumard Red Oak, Burr Oak, Cedar Elm, Bradford Pear or Chinese Pistachio.

No "desert style" landscaping, rock covered yards, or other stone yard cover will be allowed.

Landscaping shall be completed in accordance with approved plans not later than sixty (60) days after: (1) final inspection by the City of Fort Worth, Texas building inspector and/or the Tarrant County building inspector as may be applicable, or (2) occupancy of a Residence, whichever is earlier. In the case of existing homes, proposed changes and additions in landscaping must be submitted for approval by the ACC in the same detail as new construction. Once the plans have been approved by the ACC, a time frame for completion of the approved changes shall be agreed upon between the ACC and the Owner.

The Homebuilder shall be responsible for providing and installing landscaping as required in this covenant as a part of its contract with the homebuyer. Notwithstanding the preceding sentence, should the Homebuilder not complete the proper landscaping before the closing of the sale of the Residence to the homebuyer, the Owner shall be responsible for completing landscaping according to this provision.

6.06 Existing Trees. No tree having a diameter of three (3) inches or more (measured from a point two (2) feet above ground level) shall be removed from any Lot unless either the removal is in conformity with approved landscaping plans and specifications submitted pursuant to the provisions of Section 6.05 above or the tree obstructs the placement of a house or poses a threat to the integrity of the slab.

6.07 Temporary Buildings. No temporary building, trailer, garage or building under construction shall be used, temporarily or permanently, as a residence on any Lot except as temporary sleeping or living quarters required or desirable for security purposes in accordance with plans and specifications therefor approved by the ACC. Temporary structures and model homes may be used as building offices pursuant to the provisions of Section 6.02.

6.08 Outbuildings. No metal storage outbuildings shall be erected, placed or maintained upon any Lot in the Property. No treehouse or children's playhouse shall be permitted on any Lot in the Development without prior written approval of the ACC. Outbuildings or other structures, temporary or permanent, other than the Residence or garage shall be limited to eight feet (8') in height and shall be subject to approval by the ACC. Any other type of permitted outbuilding must be in keeping with the overall character and aesthetics of the Residence located on the Lot. The ACC shall require prior approval of, but not limited to, all outbuildings, play structures, shade structures or pool buildings. Any outbuilding will be

required to be constructed with material and of a design that is determined by the ACC to be compatible with the design of the Residence. All playground and recreational equipment shall be placed at the rear of a Lot. No outbuilding or play structure will be permitted to be placed on easements or forward of the front building line. All Structures must be located more than ten feet (10') from the side and rear Lot lines. The ACC is hereby authorized to determine what constitutes a violation of this restriction.

6.09 Prefabricated Structures. Prefabricated or factory built structures shall not be permitted within the Property, and such manufactured units shall not be employed as elements in the construction of Structures affixed to Lots except by written consent of the ACC.

6.10 Signs.

(a) No signs whatsoever (including but not limited to commercial and similar signs) shall, without the ACC's prior written approval of plans and specifications therefor, be installed, altered or maintained on any Lot, or on any portion of a Structure visible from the exterior thereof, except:

[i] Signs as may be required by applicable laws, regulations or ordinances;

[ii] Not more than one "For Sale" sign, such sign having a maximum face area of four square feet; provided that such sign may only be displayed in the front yard of a Lot; and, provided, further, that if, at the time of any desired use of such sign, the Association is making "For Sale" signs available for the use of Owners, the signs made available by the Association must be used;

[iii] Directional signs for vehicular or pedestrian safety in accordance with plans and specifications approved by the ACC;

[iv] Any sign required by any governmental authority having appropriate jurisdiction; and

[v] Temporary signs (i.e., garage, lawn sales, etc.)

(b) In no event during approved construction of any Structure shall more than one job identification sign be approved by the ACC.

(c) All "for rent" or "for lease" signs are prohibited.

(d) The number of temporary signs must be kept to a minimum and may be put up no sooner than 24 hours in advance of a sale. Signs must be removed promptly after a sale has ended.

(e) No sign may be placed on the Common Property or the entrance areas to the Development without written approval of the ACC.

6.11 Setbacks. Building area set backs shall be within the building lines (if any) indicated on the Plat and as specified in the applicable portions of the City of Fort Worth Subdivision

Ordinance (the "**Subdivision Ordinance**"). In no event shall the setbacks be less than those required by the Subdivision Ordinance unless the appropriate governmental authority grants a variance and approved by the ACC. In approving plans and specifications for any proposed Structure, the ACC may require more restrictive setbacks than the minimum specified in the Subdivision Ordinance for the location of such Structure. All setbacks shall be established so that they do not violate the provisions of the Subdivision Ordinance and other applicable ordinances, laws, rules, regulations or the provisions of the Plat. No Structure shall be erected or placed on any Lot unless its location is consistent with those setbacks.

6.12 Retaining Walls and Fences. All improved Lots must have rear and side yard fencing installed and maintained. No fence or wall of any kind shall be erected, maintained, or altered on any Lot without the prior written approval of the ACC of plans and specifications for such fences and walls. No fence shall be constructed in violation of any applicable ordinances, laws, rules, regulations, or the provisions of the Plat.

Fences and screening may also be used within the Property to define private spaces or to attract or to divert attention to or from particular views. Certain objects which may be fenced or screened include: (1) free standing utility apparatus, e.g. transformers, switching equipment, etc.; (2) exterior, ground level machinery, e.g. heating and air conditioning equipment; (3) outside storage and service areas for equipment and supplies; and (4) refuse containers and related storage areas.

Acceptable methods of screening are as follows: (1) Earth banks and berms which shall have a maximum slope of 2:1 and be covered with plant material as approved by the ACC; (2) landscaping planting screens, hedges, etc.; (3) masonry walls or other materials which would be compatible with the approved retaining walls; (4) decorative iron as approved by the ACC; or (5) fencing as approved by the ACC. All fence plans must be submitted to and approved by the ACC prior to construction.

General guidelines for fences shall include: (1) no woven metal or chain link fences will be allowed except as approved by the ACC as small area pet enclosure (i.e. dog run), such pet enclosures to be screened by privacy fencing from direct view from the street as well as other fencing and/or plant materials as may be required and approved by the ACC; (2) no fence which completely blocks vision shall be constructed except where the need for privacy is evident and approved by the ACC; (3) have wooden or steel poles or posts; (4) minimum six (6) feet and a maximum 8' above grade in height; (5) have slats measuring between three and one-half (3½) inches and six (6) inches wide which are installed vertically only (not horizontally or diagonally); (6) have an even flat top; (7) be installed with the smooth surface side facing the street ("good-side-out") on side Lot lines of all corner Lots, such that no vertical fence posts or horizontal supports are visible from the street on the side of such corner Lots; and (8) not be painted or stained on any surface which is visible from the ground level of any street or adjoining Lot; provided, however, a clear finish that does not add a color to the wood may be used with the exception of Academy Boulevard and Alameda Street which may be stained a uniform color for their entire length subject to ACC approval.

6.13 Roads and Driveway. No road or driveway shall be constructed or portion altered on any Lot without the prior written approval of the ACC of plans and specifications for such roads and driveways. Guidelines relating to the design and location of roads and driveways may be

included in the Design Standards of the ACC. No road or driveway shall be constructed in violation of the Plat or any applicable ordinances, laws, rules, regulations.

6.14 Antennae. No antennae shall be installed or used for the purpose of receiving of electronic signals unless installed in the attic of a Residence or otherwise not in view from any public or private street Any antennae installed "otherwise not in view from any public or private street" shall not be more than 24" in diameter.

6.15 Clotheslines, Garbage Cans, Etc. All clotheslines, equipment, garbage cans and woodpiles shall be kept screened by adequate planting or fencing so as to conceal them from view by neighboring residences and streets, and may be maintained in the rear yard on a Lot only.

6.16 Maintenance. The Owner of each Lot shall maintain the same and adjacent street right-of-way, and the improvements, sod, trees, hedges, and plantings thereon, in a neat and attractive condition. Such maintenance shall include regular mowing, edging of turf areas, weeding of plant beds, fertilizing, weed control and watering of the turf and landscape areas on each Lot. Diseased or dead plants or trees must be removed and replaced within a reasonable time frame. On front lawns and wherever visible from any street, there shall be no decorative appurtenances placed, such as sculptures, birdbaths, birdhouse, fountains or other decorative embellishments unless such specific item(s) has been approved in writing by the ACC. The Association or Declarant shall have the right, after ten (10) days notice to the Owner of any Lot setting forth the action intended to be taken by the Association or Declarant, provided at the end of such time such action has not already been taken by such Owner, [i] to mow or edge the grass thereon, [ii] to remove any debris therefrom, [iii] to trim or prune any tree, hedge or planting that, in the opinion of the Association or Declarant, by reason of its location or height or the planting that, in the opinion of the Association or Declarant, by reason of its location or height or the manner in which it has been permitted to grow, is detrimental to the enjoyment of adjoining property or is unattractive in appearance, [iv] to repair or stain/paint any fence thereon that is out of repair not in harmony, with respect to color, with fencing on adjacent property, and [v] to do any and all things necessary or desirable in the opinion of the Association or Declarant to place such property in a neat and attractive condition consistent with the intention of this Declaration. The person who is the Owner of such property at the time such work is performed by the Association shall be personally obligated to reimburse the Association for the cost of such work within ten (10) days after it is performed by the Association, and if such amount is not paid within said period of time, such Owner shall be obligated thereafter to pay interest thereon at the maximum rate allowable by law, and to pay attorneys' fees and court costs incurred by the Association in collecting said obligation, and all of the same shall be secured by a lien on such Owner's property, subject to liens then existing thereon. Such lien shall be enforceable as any other assessment lien as provided in this Declaration.

6.17 Commercial and Recreational Vehicles and Trailers. No commercial vehicle, commercial use truck, bus, trailer, mobile home, recreational vehicle, camper, truck with camper top, boat, boat trailer, self-propelled or towable equipment or machinery of any sort any item deemed offensive by Declarant, ACC, or Association or like equipment shall be permitted on any Lot on a permanent basis. Nor shall any such equipment be allowed on any street right-of-way without movement for a period of twenty-four (24) hours or more during a period of seven (7)

consecutive days. No junk vehicles or vehicles in disrepair or neglect shall be stored, repaired or displayed on any Lot, street or otherwise in the Development. Notwithstanding the foregoing, any such vehicles or equipment may be stored on a Lot, provided such vehicle or equipment is kept in an enclosed space and is concealed from view by neighboring residences and streets. During the construction of improvements on a Lot, necessary construction vehicles may be parked thereon for and during the time of construction of the Residence.

This restriction shall not apply to automobiles or small passenger trucks in good repair and attractive condition, provided that those vehicles are parked on an improved driveway which has been approved by the ACC. No vehicle shall ever be permitted to be parked on the front or side lawn within view of the public.

6.18 Recreational Equipment. Recreational and playground equipment shall be placed or installed only upon the rear of a Lot as approved by the ACC. Basketball goals may be placed adjacent to the driveway if the backboards are installed behind the front building line and are constructed of a clear plexiglass as approved by the ACC. No above ground pools shall be allowed.

6.19 Non-Discrimination. No Owner or person authorized to act for an Owner shall refuse to sell or rent, after receiving a bona fide offer, or refuse to negotiate for the sale or rental of, or otherwise make unavailable or deny the purchase or rental of any Lot to any persons because of race, color, religion, sex, age or national origin. Anything in this Declaration to the contrary notwithstanding, this covenant shall run with the land and shall remain in effect without any limitation in time.

6.20 Animals. No agricultural animals may be kept on any Lot and no animals, including birds, insects, reptiles, sheep, goats, horses, cattle, poultry, dangerous animals (the determination as to what is a dangerous animal shall be in the sole discretion of the Association's Board), livestock of any kind shall ever be kept in the Development except that dogs, cats or other common household pets (not to exceed a total of three animals) may be kept by the Owner or tenant of any Residence, provided they are not kept for any commercial purpose. Any allowable pet that is kept in a household must be confined to its Owner's Lot either by constraints of a backyard fence, a leash or within the residence. No animal shall be permitted to run freely away from its Owner's Lot and must be controlled by a leash or trained to walk with the Owner unleashed. All applicable leash and licensing laws in effect in the City of Fort Worth and Tarrant County shall also apply to this animal husbandry provision. No animal shall be allowed to become a nuisance. No Structure for the care, housing or confinement of any animal shall be constructed, placed or altered on any Lot unless plans and specifications for said Structure have been approved by the ACC.

6.21 Trash and Rubbish Removal. The Board shall make or cause to be made appropriate arrangements with a waste management company for collection and removal of each Resident's garbage and trash on a regular basis. As part of the regular Annual Assessment, each Owner shall be assessed his pro rata share of the costs for such removal of garbage and trash according to Section 4.04 of this Declaration. ARTICLE VII
EASEMENTS, ZONING AND OTHER RESTRICTIONS

7.01 Easements.

(a) Declarant hereby expressly reserves to Declarant, its successors and assigns forever, the right to create perpetual easements in, on, over and under any part of the Property for any purpose which Declarant deems necessary, including, by way of example, and not limitation, the following:

[i] The erection, installation, construction and maintenance of wires, lines, conduits and poles and the necessary or proper attachments in connection with the transmission of electricity, telephone, cable television cables and other utilities and similar facilities;

[ii] The erection, installation, construction and maintenance of storm-water drains, land drains, public and private sewers, irrigation systems, pipelines for supplying gas, water and heat, and for any other public or quasi-public facility, service or function;

[iii] Slope control purposes, including the right to grade and plant slopes and prevent the doing of any activity which might interfere with slopes or which might create erosion or sliding problems of which might change, obstruct or retard drainage flow; and

[iv] The planting or re-planting of hedges, shrubbery, bushes, trees, flowers and plants of any nature.

(b) An easement is hereby granted to all police, fire protection, ambulance and other emergency vehicles and other service vehicles to enter upon the Common Property in the performance of their duties. An easement is hereby granted to the Association, its officers, agents, employees, and management personnel, to enter the Common Property at any time to render any service or perform its obligations under this Declaration.

(c) Declarant hereby reserves an Easement and Right-of-Way over and across that portion of the Lots fronting the Development upon which the Wall is currently situated for the purposes stated in the definition of Common Property set forth hereinabove, subject to the provisions of this Declaration. Further, Declarant hereby grants such Easement and Right-of-Way to the Association, to be held and maintained as Common Property in accordance herewith.

(d) Each Lot and its Owner is hereby declared to have an easement, and the same is hereby granted to Declarant, over all adjoining Lots and Common Property for the purpose of accommodating any encroachment due to engineering errors, errors in original construction, settlement or shifting of any Structure, or any other cause. There shall be easements for the maintenance of said encroachment, settling or shifting; provided, however, that in no event shall an easement for encroachment be created in favor of an Owner or Owners if the encroachment occurred due to the willful misconduct of said Owner or Owners. If a Structure on any Lot is partially or totally destroyed and then repaired or rebuilt, then the Owners of each Lot agree that minor encroachments over adjoining Lots shall be permitted and there shall be easements for the maintenance of said encroachments so long as they shall exist.

(e) If audio and video communication services and utilities are made available to any Lots by means of an underground coaxial cable system, then the company furnishing those services and facilities shall have a two foot (2') wide easement along and centered on the underground wire or cable when and as installed by said company from the utility easement nearest to the point of connection on the permanent improvement or Structure constructed, or to be constructed upon said Lot, and in a direct line from said nearest utility easement to said point of connection.

(f) Each of the easements hereinabove referred to shall be deemed to be established upon the recordation of this Declaration and shall be appurtenant to the Lot being serviced and shall pass with each conveyance of said Lot.

(g) No Owner shall have any right to use any easement retained by Declarant or conveyed by Declarant to the Association in a manner which is inconsistent or which interferes with the intended use for such easement.

(h) Each Owner grants to the Association, the Board, and the Declarant, the right to access, repair and maintain all facilities and improvements within any wall, entry fence, landscape, or other similar easement as recorded on any Plat. By acquisition of a Lot, each Owner hereby grants, creates and conveys unto the Association, the other adjacent Owners and

the Declarant a perpetual Drainage Easement (herein so called) over, through, under and across the Owner's Lot for the purpose of permitting runoff and/or storm water to drain from other adjacent Lots over, through, under and across the Owner's Lot(s). Without limiting the foregoing, in order to facilitate drainage from the Property subject to the Declaration over, through, under and across the Owner's Lot, each Owner hereby agrees that the Declarant or the Association, as the case may be, shall have the right enter onto the Owner's Lot at any time to (i) prevent possible interference with the Drainage Easement and to remove possible hazards from the Drainage Easement area, (ii) prevent the construction or placement of any building, structure or other obstruction within the Drainage Easement area which may endanger or interfere with the efficient and convenient use of the Drainage Easement, (iii) grade, improve, construct, reconstruct, repair and perpetually maintain swales within the Drainage Easement area, and (iv) or regrade portions of the Drainage Easement area necessary or appropriate to permit drainage as generally described herein or as approved or required by appropriate governmental authorities. Notwithstanding any of the foregoing rights of the Association or the Developer, each Owner hereby agrees to maintain the Drainage Easement area at such Owner's sole cost and expense. If any structures or other obstructions are constructed, created or placed by any Owner within the Drainage Easement area without the prior written consent of the Board or the Declarant, the Declarant or the Association shall have the right to remove such structure or obstruction at the sole cost of such Owner. The cost to remove the structure or the obstruction shall be charged to the Owner's assessment account, be payable on demand, and shall be secured by lien.

7.03 Entry. Declarant and its employees, agents, successors and assigns, shall have the right at all reasonable times to enter upon all parts of each Easement Area for any of the purposes for which such Easement Area is reserved, without being deemed to have committed a trespass or wrongful act solely by reason of such entry and the carrying out of such purposes, provided the same are done in accordance with the provisions of this Section. Declarant and its employees, agents, successors and assigns shall be responsible for leaving each Lot in good condition and repair following any work or activity undertaken in an Easement Area pursuant to the provisions of Section 7.01.

7.04 Zoning and Private Restrictions. None of the covenants, restrictions or easements created or imposed by this Declaration shall be construed as permitting any action prohibited by the Plat, applicable zoning laws, or by the laws, rules or regulations of any governmental body. In the event of any conflict between those laws, rules or regulations and the covenants, restrictions and easements created or imposed by this Declaration, the most restrictive provision shall govern and control.

ARTICLE VIII ENFORCEMENT

8.01 Right of Enforcement. This Declaration and the Restrictions contained in this Declaration shall inure to the benefit of and shall be enforceable by [i] Declarant, [ii] the Association, and [iii] each Owner and the Owner's heirs, legal representatives, successors and assigns.

8.02 Right of Abatement.

(a) Except where different notice provisions are provided in Sections 5.11 and 6.14, in the event of a violation or breach of any Restriction contained in this Declaration, the Association shall give written notice by certified mail to the Owner setting forth in reasonable detail the nature of such violation or breach and the specific action or actions needed to be taken to remedy such violation or breach. If the Owner shall fail to take reasonable steps to remedy such violation or breach within thirty days (30) after the mailing of said written notice, then the Association shall have the right of abatement ("**Right of Abatement**").

(b) The Right of Abatement, as used in this Section and Section 5.11 and 6.14 of this Declaration, means the right of the Association, through its agents and employees, to enter at all reasonable times upon any Lot or Structure as to which a violation, breach or other condition to be remedied exists, and to take the actions specified in the notice to the Owner to abate, extinguish, remove, or repair such violation, breach or other condition which may exist thereon contrary to the provisions of this Declaration, without being deemed to have committed a trespass or wrongful act solely by reason of such entry and such actions, provided such entry and such actions are carried out in accordance with the provisions of this Section, and with the costs thereof including the costs of collection and reasonable attorneys' fees, together with interest thereon at the lower of the highest rate permitted by Law or 18% per annum to be a binding personal obligation of such Owner enforceable in law, as well as a lien on such Owner's Lot enforceable pursuant to the provisions of Section 8.04 of this Declaration. Such lien shall be superior to any and all charges, liens or encumbrances which may in any manner arise or be imposed upon the Lot after such entry whether arising from or imposed by judgment or decree or by any agreement, contract, mortgage, deed to secure debt, or other instrument excepting only [i] such liens for taxes or other public charges as are by applicable law made superior, [ii] the liens created by Article IV of this Declaration, and [iii] all deeds of trust or mortgages given to secure a loan the proceeds of which are used (1) to purchase a Lot or Lots (together with any and all Structures which may from time to time be placed or located thereon), or (2) to finance the construction, repair or alteration of Structures.. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to the foreclosures of any deed of trust or mortgage contemplated under [iii] above, or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

8.03 Specific Performance. Nothing contained in this Declaration shall be deemed to affect or limit the rights of Declarant, the Association or any Owner to enforce the Restrictions by appropriate judicial proceedings or to recover damages. However, it is hereby declared that it may be impossible to measure accurately in money the damages which will accrue to a beneficiary of this Declaration, its transferees, successors or assigns, by reason of a violation of, or failure to perform any of the obligations provided by, this Declaration; and therefore, any beneficiary of this Declaration shall be entitled to relief by way of injunction or specific performance, as well as any other relief available at law or in equity, to enforce the provisions of this Declaration.

8.04 Collection of Assessments, and Enforcement of Lien.

(a) If any Assessment, interest, cost or other charge is not paid as required by this Declaration, the Association may [i] bring an action at law against the Owner personally obligated to pay the same, [ii] bring an action to foreclose any lien created by this Declaration against the Lot or Lots subject to the lien, (which shall include the right, but not the obligation, to file a notice of lien against said Lot in the deed records of Tarrant County, Texas), or both, for the purpose of collection such Assessment, cost or charge, plus any interest thereon and costs of collection, including reasonable attorneys' fees.

(b) As an additional remedy, but in no way as a limitation on the remedies, if any Assessment, interest, cost or other charge is not paid as required by this Declaration, each Owner hereby grants to the Association and its assigns the following irrevocable power of attorney. To sell the said Lot or Lots subject to the lien at auction, at the usual place for conducting sales at the Courthouse in Tarrant County, Texas, to the highest bidder for cash, after providing to the Owner all notices and performing all acts required by Section 51.002 of the Texas Property Code, all other notice being hereby waived by each Owner, and the Association or any person on behalf of the Association, or assigns, may bid and purchase at such sale and thereupon execute and deliver to the purchaser or purchasers at such sale a conveyance of said property in fee simple, which conveyance shall contain recitals as to the happenings of the default upon which the execution of the power of sale granted in this Declaration depends, and each Owner hereby constitutes and appoints the Association and its assigns, the agent and attorney in fact of each Owner to make such recitals, and hereby covenants and agrees that the recitals so to be made by the Association, or its assigns, shall be binding and conclusive upon the Owner whose property is the subject matter of such sale, and the heirs, executors, administrators and assigns of such Owner, and the Association or assigns shall collect the proceeds of such sale, and after reserving therefrom the entire amount of Assessment, interest, cost or other charge due together with all costs and expenses of sale and fifteen percent of the aggregate amount due for attorneys' fees, shall pay any excess to such Owner, or to the heirs or assigns of such Owner as provided by law. The power and agency hereby granted are coupled with an interest and are irrevocable by death, incapacity, or otherwise and are granted as cumulative to the remedies for collection of said indebtedness provided by law.

(c) ~~WAIVER~~ EACH OWNER, BY ACCEPTANCE OF A DEED CONVEYING A LOT SUBJECT TO THIS DECLARATION, TO THE FULLEST EXTENT PERMITTED BY LAW WAIVES ANY RIGHT WHICH OWNER MAY HAVE UNDER THE CONSTITUTION OR THE LAWS OF THE STATE OF TEXAS, (**EXCEPTING SECTION 51.002 OF THE TEXAS PROPERTY CODE**) OR THE CONSTITUTION OR THE LAWS OF THE UNITED STATES OF AMERICA TO NOTICE OR TO A JUDICIAL HEARING PRIOR TO THE EXERCISE OF ANY RIGHT OR REMEDY PROVIDED BY THIS DECLARATION, AND EACH OWNER WAIVES OWNER'S RIGHTS, IF ANY, TO SET ASIDE OR INVALIDATE ANY SALE DULY CONSUMMATED IN ACCORDANCE WITH THE PROVISIONS OF THIS DECLARATION ON THE GROUND (IF SUCH BE THE CASE) THAT THE SALE WAS CONSUMMATED WITHOUT A PRIOR JUDICIAL HEARING. ALL WAIVERS BY OWNER IN THIS PARAGRAPH HAVE BEEN MADE VOLUNTARILY, INTELLIGENTLY AND KNOWINGLY, AFTER OWNER HAS FIRST BEEN ALLOWED THE OPPORTUNITY TO CONSULT LEGAL COUNSEL WITH RESPECT TO OWNER'S POSSIBLE RIGHTS.

8.05 No Waiver. The failure of Declarant, the Association, or any Owner or their respective heirs, legal representatives, successors and assigns, to enforce any Restrictions contained in this Declaration shall not be considered a waiver of the right to do so thereafter, as to the same violation or breach or as to any violation or breach occurring prior or subsequent thereto.

ARTICLE IX
DURATION AND AMENDMENT

9.01 Duration. This Declaration and the Restrictions contained in this Declaration shall run with and bind the Property for a period of twenty (20) years from and after the date when this Declaration is filed for record in the county records of Tarrant County, Texas, after which time this Declaration and the Restrictions shall be automatically renewed for successive periods of ten (10) years; provided, however, that after the end of the said twenty (20) year period and during any ten (10) year renewal period (but only during such renewal period), this Declaration and the Restrictions contained in this Declaration may be terminated by an instrument executed by the proper Association officers and recorded in the deed records of Tarrant County, Texas, or in such other place of recording as may be appropriate at the time of the execution of such instrument, pursuant to a resolution approving such termination which is approved by a two-thirds (2/3) vote of those Class A Members of the Association who are present in person or by proxy and voting at a meeting of Members duly held in accordance with the provisions of the Bylaws of the Association.

9.02 Amendments by Declarant. During any period in which Declarant retains the right to appoint and remove any directors and officers of the Association, Declarant may amend this Declaration by an instrument in writing filed and recorded in the deed records of Tarrant County, Texas, without the approval of any Member or mortgagee; provided, however, that [i] if a proposed amendment materially alters or changes any Owner's right to the use and enjoyment of the Owner's Lot or of the Common Property as set forth in this Declaration or if the proposed amendment adversely affects the title to any Lot, then the proposed amendment shall be valid only upon the written consent thereto by a majority in number of the then existing Members affected thereby, or [ii] if the proposed amendment would materially and adversely affect the lien status, security and interest of any mortgagee, then the proposed amendment shall be valid only upon the written consent thereto of all mortgagees so affected. Declarant shall certify any amendment made pursuant to this Section as having been duly approved by Declarant, and the Members and mortgagees if required, and shall be effective only upon recordation or at such later date as shall be specified in the amendment itself. Each Owner, by acceptance of a deed or other conveyance to a Lot, agrees to be bound by such amendments as are permitted by this Section and further agrees that, if requested to do so by Declarant, the Owner will consent to the amendment of this Declaration or any other instruments relating to the Development [i] if such amendment is necessary to bring any provision of this Declaration or thereof into compliance or conformity with the provisions of any applicable governmental statute, rule or regulation or any judicial determination which shall be in conflict therewith, [ii] if such amendment is necessary to enable any reputable title insurance company to issue title insurance coverage with respect to any Lots subject to this Declaration, [iii] if such amendment is required by an institutional or governmental lender, purchaser or guarantor of mortgage loans, including, for example, the Federal National Mortgage Association, or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase mortgage loans on any Lot subject to this Declaration, [iv] if any such

amendment is necessary to enable any governmental agency or reputable private insurance company to insure mortgage loans on the Lots subject to this Declaration, or [v] if such amendment is necessary to correct a scrivener's error in the drafting of this Declaration.

9.03 Amendments by Association. Amendments to this Declaration, other than those authorized by Section 9.02 of this Declaration, shall be proposed and adopted in the following manner:

(a) Notice of the subject matter of the proposed amendment shall be included in the notice of the meeting of the Association at which such proposed amendment is to be considered and shall be delivered to each member of the Association.

(b) At such meeting, a resolution adopting a proposed amendment may be proposed by either the Board or by Members of the Association. Such amendment must be approved by Members holding at least two-thirds (2/3) of the total votes in the Association provided, however, [i] that any amendment which materially and adversely affects the lien status, security and interest of any mortgagee must be approved by such mortgagee, and [ii] during any period in which Declarant has the right to appoint and remove officers and directors of the Association, such amendment must be approved by Declarant.

(c) The agreement of the required percentage of the Owners and, where required, Declarant and any mortgagee, to any amendment of this Declaration shall be evidenced by their execution of such amendment, or, in the alternative, and provided that Declarant does not then have the right to approve such amendment, the sworn statement of the President and any Vice President or the Secretary of the Association attached to or incorporated in the amendment executed by the Association, which sworn statement shall state unequivocally that the agreement of the required parties was lawfully obtained. Any such amendment of this Declaration shall become effective only when recorded or at such later date as may be specified in the amendment itself.

ARTICLE X

ANNEXATION AND FUTURE DEVELOPMENT

10.01 Annexation. For so long as Declarant has authority to appoint and remove Directors and Officers of the Association, additional real property may be annexed to the Property by the Declarant without the consent of the Class A Members. Such annexation may be accomplished by [i] filing in the deed records of Tarrant County, Texas, an approved subdivision plat describing the real property to be annexed to the Property and by including on such subdivision plat a statement that expressly sets forth the Declarant's intention to make such annexed real property subject to the provisions of this Declaration; or [ii] filing an amendment to the Declaration which has been consented to by the owners of the real property to be annexed if such real property is owned by someone other than Declarant; or [iii] amending the existing subdivision plat to include the real property to be annexed. Each Owner, by acceptance of a deed to his or her Lot, shall be deemed to have consented to and approved of all such amendments to the Declaration, amendments to any existing subdivision plats and new subdivision plats placed of record which are to be subject to the provisions of this Declaration. At the expiration of Declarant's right to appoint and remove Directors and Officers

of the Association, no real property may be annexed to the Property unless such annexation is approved by a two-thirds (2/3) vote of the Members of the Association who are present in person or by proxy and voting at a meeting of Members duly held in accordance with the provisions of the Bylaws of the Association.

10.02 Future Development. Notwithstanding any other provision contained herein to the contrary, and subject to applicable zoning regulations, Declarant shall have the right, for so long as Declarant has the authority to appoint and remove Directors and Officers of the Association, to annex real property according to the procedure set forth in Section 10.01, which real property may be developed as office, retail, commercial property, apartment complexes, condominiums, attached townhomes, or single family residences. At the time of such annexation, Declarant shall determine, on an equitable basis, the proportional share of the Assessments payable by and the number of votes allocated to such property, which determination will be based upon the degree to which the Occupants of said property have the right to use and are benefited by the Common Areas. Such determination shall be made by amendment to this Declaration, which shall not require the approval of any Member or third party. Notwithstanding the foregoing, in no event shall the Owner(s) of such property annexed pursuant to this Section 10.02 be entitled to more than one (1) vote per 4 apartment units, with respect to an apartment complex.

ARTICLE XI
MISCELLANEOUS

11.01 No Reverter. No restriction in this Declaration is intended to be, or shall be construed as, a condition subsequent or as creating a possibility of reverter.

11.02 Severability. A determination by a court that any provision of this Declaration is invalid for any reason shall not affect the validity of any other provision of this Declaration.

11.03 Headings. The headings of the Articles and Section of this Declaration are for convenience only and shall not affect the meaning or interpretation of the contents of this Declaration.

11.04 Gender. Throughout this Declaration, the masculine gender shall be deemed to include the feminine and neuter, and the singular, the plural, and vice versa.

11.05 Notices. All amendments, notices, requests, objections, waivers, rejections, agreements, approvals, disclosures or consent of any kind made pursuant to this Declaration, whether made by Declarant, the Association, the ACC, the Owner, or any other person, shall be in writing. All such writings shall be sufficient only if deposited in the United States Mail, certified or registered, return receipt requested, with sufficient postage, and sent to the following addresses:

Declarant: Ray White Road, L.P.
Ray White Road GP, L.L.C., its General Partner
1450 Jim Wright Freeway
White Settlement, Texas 76108

Owners: Each Owner's address as registered with the Association in accordance with the Bylaws.

Any written communication transmitted in accordance with this Section shall be deemed received on the third (3rd) day following the day such written notice is deposited in the United States Mail.

11.06 No Liability. Declarant has, using best efforts and all due diligence, prepared and recorded this Declaration so that each and every Owner shall have the right and the power to enforce the terms and provisions of this Declaration against every other Owner. However, in the event that this Declaration is, for any reason whatsoever, unenforceable by an Owner (or any other person) in a court of law or otherwise, Declarant shall have no liability of any kind as a result of such unenforceability, and each and every Owner, by acceptance of a deed conveying a Lot, acknowledges that Declarant shall have no such liability.

11.07 Insurance.

(a) At all times during the term of this Declaration, the Association, its successors and assigns, shall be required to keep all improvements located on the Common Property fully insured by a reputable insurance company authorized to transact business in the State of Texas with [i] fire, vandalism, malicious mischief and extended coverage insurance in an amount adequate to cover the cost or replacement of such improvements in the event of loss of any and/or all of such improvements, fixtures and contents thereof; and [ii] public liability insurance in such amounts as shall be determined by the Board of Directors as appropriate for the Common Property.

(b) Immediately after the damage or destruction by fire or other casualty to all or any portion of any improvement covered by insurance written in the name of the Association, the Board of its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this paragraph, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty.

Any damage or destruction shall be repaired or reconstructed unless, within sixty (60) days after the casualty, at least seventy-five percent (75%) of the total Association entitled to vote thereon, and, so long as Declarant has the right to appoint and remove directors, Declarant, otherwise agree. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed one hundred and twenty (120) days. No Mortgagee shall have the right to participate in the determination of whether damage or destruction shall be repaired or reconstructed.

If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board shall, without the necessity of a vote of the Association's Members, levy a Special Assessment.

Additional Assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited for the benefit of the Association.

In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then in that event the property shall be restored to its natural state and maintained as an undeveloped portion of the Development in a neat and attractive condition.

(c) The deductible for any casualty insurance policy carried by the Association shall, in the event of damage or destruction, be allocated among the persons who are responsible hereunder for maintenance of the damaged or destroyed property.

(d) In addition to the coverage described hereinabove, the Association shall obtain such additional amounts and types of insurance as may be required from time to time, by either the Veterans Administration or Federal Housing Administration, their successors and assigns, for similar type residential subdivision communities.

11.08 Indemnification and Hold Harmless.

(a) The Association shall indemnify every officer and director against any and all expenses, including counsel fees reasonably incurred by or imposed upon any officer or director in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being, or having been, an officer or director. The officers and directors shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, and misconduct or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or directors may also be members of the Association), and the Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for in this Declaration shall not be exclusive of any other rights to which any officer or director, or former officer or director, may be entitled. The Association shall, as a common expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation.

(b) Each Owner shall be liable to the Association for any damage to the Common Property of any type or to any equipment thereon which may be sustained by reason of the negligence of that Owner or the Owner's tenants, employees, agents, customers, guests or invitees, to the extent that any such damage shall not be covered by insurance. Each Owner does further, by the acceptance of a deed, agree to indemnify each and every other Owner, and to hold harmless each and every other Owner, from any claim of any person for personal injuries or property damage occurring within or upon that Owner's Lot.

(c) The Association shall indemnify and hold each Owner harmless from any claim of any person for personal injuries or property damage occurring within or upon the Owner's Lot or the Wall and Fence Easement.

ARTICLE XII MORTGAGEE PROVISIONS

The following provisions are for the benefit of holders of first mortgages on Residences in the Development. The provisions of this Article apply to both this Declaration and to the Bylaws notwithstanding any other provisions contained therein.

12.01 Notices of Action. An institutional holder, insurer or guarantor of a first mortgage, who provides written request to the Association (such request to state the name and address of such holder, insurer, guarantor and the Residence number, therefore becoming an "eligible holder"), will be entitled to timely written notice of:

(a) Any condemnation loss or any casualty loss which affects a material portion of the Development or which affects any Residence on which there is a first mortgage held, insured, or guaranteed by such eligible holder;

(b) Any delinquency in the payment of Assessments or charges owed by an Owner of a Residence subject to the mortgage of such eligible holder, where such delinquency has continued for a period of sixty (60) days; provided, however, notwithstanding this provision, any holder of a first mortgage, upon request, is entitled to written notice from the Association of any default in the performance by an Owner of a Residence of any obligation under the Declaration or Bylaws of the Association which is not cured within sixty (60) days; or

(c) Any proposed action which would require the consent of a specified percentage of eligible mortgagees.

12.02 Special FHLMC Provision. So long as required by the Federal Home Loan Mortgage Corporation, the following provisions apply in addition to and not in lieu of the foregoing. Unless at least two-thirds (2/3) of the first mortgagees or at least two-thirds (2/3) of the total Members of the Association entitled to vote thereon consent, the Association shall not:

(a) By act or omission seek to abandon, partition, subdivide, encumber, sell, or transfer the Common Property which the Association owns, directly or indirectly (the granting of easements for public utilities or other similar purposes consistent with the intended use of the Common Property shall not be deemed a transfer within the meaning of this subsection);

(b) Change the method of determining the obligations, assessments, dues, or other charges which may be levied against an Owner of a Residence;

(c) By act or omission change, waive, or abandon any scheme of regulations or enforcement thereof pertaining to the architectural design or the exterior appearance and maintenance of Residences and of the Common Property (the issuance and amendment of architectural standards, procedures, rules and regulations, or use restrictions shall not constitute a change, waiver, or abandonment within the meaning of this provision);

(d) Fail to maintain insurance, as required by this Declaration; or

(e) Use hazard insurance proceeds for any Common Property losses for other than the repair, replacement, or reconstruction of such property.

First mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against the Common Property and may pay overdue premiums on casualty insurance policies or secure new casualty insurance coverage upon the lapse of an Association policy, and first mortgagees making such payments shall be entitled to immediate reimbursement from the Association.

12.03 No Priority. No provision of this Declaration or the Bylaws gives or shall be construed as giving any Owner or other party priority over any rights of the first mortgagee of any Residence in the cases of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Property.

12.04 Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any mortgage encumbering such Owner's Residence.

12.05 Amendment by Board. Should the Federal Housing Administration, the Veterans Administration, the Federal National Mortgage Association, or the Federal Home Loan Mortgage Corporation subsequently delete any of their respective requirements which necessitate the provisions of this Article or make any such requirements less stringent, the Board, without approval of the Owners, may cause an amendment to this Article to be recorded to reflect such changes.

12.06 FHA/VA Approval. As long as there is a Class B membership, the following actions shall require the prior approval of the Federal Housing Administration or Veterans Administration so long as such entity is guaranteeing any mortgage in the Development: annexation of additional property to the Development, except for annexation by Declarant pursuant to a plan of annexation previously approved by the Federal Housing Administration or the Veterans Administration; dedication of Common Property to any public entity; and material amendment of the Declaration, Bylaws or Articles of Incorporation.

12.07 Applicability. Nothing contained in this Article shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration, Bylaws, or Texas law for any of the acts set out in this Article.

12.08 Failure of Mortgagee to Respond. Any mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty days (30) of the date of the Association's request.

ARTICLE XIII
CONDEMNATION

13.01 Condemnation or Other Governmental Taking. If all or any part of the Common Property are taken by any authority having the power of condemnation or eminent domain, or are conveyed in lieu thereof by the Association with the approval of at least seventy-five percent (75%) of the Class A Members and of Declarant, as long as Declarant owns at least one (1) Lot or has the right to annex property to the Development, the award or proceeds made or collected for such taking or sale in lieu thereof are payable to the Association. The Association shall disburse or hold such award or proceeds as follows:

(a) If the taking or sale in lieu thereof involves a portion of the Common Property on which improvements have been constructed, then, unless within sixty (60) days after such taking, Declarant, as long as Declarant owns at least one (1) Lot or has the right to annex property to the Development, together with at least seventy-five (75%) of the Class A Members, decide otherwise, the Association shall restore or replace the improvements to the extent practicable, on other existing Common Property, in accordance with the plans approved by the Association, the ACC, and by Declarant. If the awards or proceeds are not sufficient to defray the cost of repair and replacement of the improvements and such deficiency cannot be appropriated from a reserve fund established for such purpose, the Association may levy one or more Special Assessments, in an amount sufficient to provide funds to pay such excess cost of repair or reconstruction. If such improvements are not repaired or restored, the Association shall retain the award or proceeds for the benefit of the Association.

(b) If the taking or sale in lieu thereof does not involve any improvements to the Common Property, or if there are excess funds remaining after any restoration or replacement of the improvements, then the Association shall retain the award, proceeds, or excess funds for the benefit of the Association.

(c) If the taking or sale in lieu thereof includes all or any part of the Common Property, then a court of competent jurisdiction shall apportion such award or proceeds between the Association and the Owners of the other property taken so as to give just compensation to each. In lieu of seeking judicial apportionment, [i] the Association, [ii] the Owners and their lenders of all Lots and Residences wholly or partially taken, and [iii] Declarant, as long as Declarant owns at least one (1) Lot or has the right to annex property to the Development, may mutually agree on the method of apportionment.

13.02 Condemnation of Lots.

(a) If all or any part of a Lot is taken by any authority having the power of condemnation or eminent domain, or is conveyed in lieu thereof, and the Owner elects not to restore the remainder of the Lot, then the Owner shall promptly remove any remaining improvements damaged or destroyed by such taking or conveyance and shall leave the Lot in a clean, orderly, safe, and sightly condition. In addition, if the size or configuration of the Lot remaining after such taking or conveyance is insufficient to permit the restoration of the remaining improvements thereon or therein to their condition prior to such taking or conveyance in compliance with all applicable standards, restrictions, and provisions of this Declaration and all applicable zoning, subdivision, building, and other governmental regulations,

then the Owner, after removing all remaining improvements and placing the Lot in a clean, orderly, safe, and sightly condition, may deed the remaining portion of the Lot to the Association as a part of the Common Property. Upon the conveyance by an Owner of all remaining portions of a Lot, the Owner shall not be a Member.

(b) If any part of a Lot is taken by any authority having the power of condemnation or eminent domain, or is conveyed in lieu thereof, and the Owner elects to restore the remainder of the Lot, then the Owner shall restore the remainder of the Lot in nearly as practicable to the same condition it was in prior to such taking or conveyance and in accordance with all applicable standards, restrictions, and provisions of this Declaration and all applicable zoning, subdivision, building, and other governmental regulations. The Owner shall commence the restoration within sixty days (60) after the taking or conveyance and shall proceed diligently in a good and workmanlike manner to completion.
