In furtherance of the foregoing, certain Improvements within a Unit may serve a residence located within another Unit, which Improvements may include fencing, wiring, lines, utilities, conduits and devices (a "**Permitted Residential Encroachment**"). Each Owner is hereby granted an easement over and across the Unit on which the Permitted Residential Encroachment has been constructed for: (i) the Permitted Residential Encroachment; and (ii) the reasonable maintenance and repair of any Permitted Residential Encroachment. If an Owner damages another Unit or any Improvements constructed thereon in exercising the easement granted hereunder, the damaging Owner will be required to restore the damaged Unit to the condition which existed prior to any such damage, at the damaging Owner's expense, within a reasonable period of time not to exceed thirty (30) days after the damaging Owner is notified in writing of the damage by the Owner of the damaged Unit.

3.6. **Easement Of Cooperative Support.** Each Owner is granted an easement of cooperative support over adjoining Units and Common Elements as needed for the common benefit of the Property, or for the benefit of Units, or Units that share any aspect of the Property that requires cooperation. By accepting an interest in or title to a Unit, each Owner: (i) acknowledges the necessity for cooperation in a condominium; (ii) agrees to try to be responsive and civil in communications pertaining to the Property and to the Association; (iii) agrees to

provide access to his Unit and Limited Common Elements when needed by the Association to fulfill its duties; and (iv) agrees to try refraining from actions that interfere with the Association's maintenance and operation of the Property.

3.7. **Association's Access Easement.** Each Owner, by accepting an interest in or title to a Unit, whether or not it is so expressed in the instrument of conveyance, grants to the Association an easement of access and entry over, across, under, and through the Property, including without limitation, all Common Elements and the Owner's Unit and all Improvements thereon for the following purposes:

- (i) To perform inspections, construction, and/or maintenance that is permitted or required of the Association by the Documents or by Applicable Law.
- (ii) To perform any maintenance, repair or removal of Improvements that is permitted or required of the Owner by the Documents or by Applicable Law, if the Owner fails or refuses to perform such maintenance.
- (iii) To enforce the Documents.
- (iv) To exercise self-help remedies permitted by the Documents or by Applicable Law.
- (v) To respond to emergencies.
- (vi) To perform any and all functions or duties of the Association as permitted or required by the Documents or by Applicable Law, including the Association's obligations set forth in the Maintenance Agreement.

3.8. **Utility Easement.** The Declarant, until expiration or termination of the Development Period, and thereafter the Association, may grant permits, licenses, and easements over the Common Elements for utilities, and other purposes reasonably necessary for the proper operation of the Regime. In addition, the Declarant hereby reserves the right to grant easements over and across the Common Elements for utilities necessary or required, as determined by the Declarant, to serve property adjacent to the Regime or property otherwise owned by the Declarant. The easements granted hereunder by the Declarant or the Association, as applicable, will not unreasonably interfere with the use of any Unit for residential purposes. A company or entity, public or private, furnishing utility service to the Property, is granted an easement over the Property for ingress, egress, meter reading, installation, maintenance, repair, or replacement of utility lines and equipment, and to do anything else necessary to properly maintain and furnish utility service to the Property; provided, however, this easement may not be exercised without prior notice to the Board. Utilities may include, but are not limited to, water, sewer, trash removal, electricity, gas, telephone, master or cable television, and security.

**NOTICE**

PLEASE READ CAREFULLY THE FOLLOWING PROVISIONS ENTITLED "SECURITY" AND "INJURY TO PERSON OR PROPERTY". THE PROVISIONS LIMIT THE RESPONSIBILITY OF DECLARANT AND THE ASSOCIATION FOR CERTAIN CONDITIONS AND ACTIVITIES.

3.9. **Security.** THE ASSOCIATION MAY, BUT IS NOT OBLIGATED TO, MAINTAIN OR SUPPORT CERTAIN ACTIVITIES WITHIN THE PROPERTY DESIGNED, EITHER DIRECTLY OR INDIRECTLY, TO IMPROVE SAFETY IN OR ON THE PROPERTY. EACH OWNER AND OCCUPANT ACKNOWLEDGES AND AGREES, FOR HIMSELF AND HIS GUESTS, THAT THE DECLARANT, THE ASSOCIATION, AND THEIR RESPECTIVE PARTNERS, DIRECTORS, OFFICERS, COMMITTEES, AGENTS, AND EMPLOYEES ARE NOT PROVIDERS, INSURERS, OR GUARANTORS OF SECURITY WITHIN THE PROPERTY. EACH OWNER AND OCCUPANT ACKNOWLEDGES AND ACCEPTS HIS SOLE RESPONSIBILITY TO PROVIDE SECURITY FOR HIS OWN PERSON AND PROPERTY, AND ASSUMES ALL RISKS FOR LOSS OR DAMAGE TO SAME. EACH OWNER AND OCCUPANT FURTHER ACKNOWLEDGES THAT THE DECLARANT, THE ASSOCIATION, AND THEIR RESPECTIVE PARTNERS, DIRECTORS, OFFICERS, COMMITTEES, AGENTS, AND EMPLOYEES HAVE MADE NO REPRESENTATIONS OR WARRANTIES, NOR HAS THE OWNER OR OCCUPANT RELIED ON ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, RELATIVE TO ANY FIRE, BURGLARY, AND/OR INTRUSION SYSTEMS RECOMMENDED OR INSTALLED, OR ANY SECURITY MEASURES UNDERTAKEN WITHIN THE PROPERTY. EACH OWNER AND OCCUPANT ACKNOWLEDGES AND AGREES THAT THE DECLARANT, THE ASSOCIATION, AND THEIR RESPECTIVE PARTNERS, DIRECTORS, OFFICERS, COMMITTEES, AGENTS, AND EMPLOYEES MAY NOT BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY OR INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN.

3.10. **Injury to Person or Property.** NEITHER THE DECLARANT, NOR THE ASSOCIATION, OR THEIR RESPECTIVE PARTNERS, DIRECTORS, OFFICERS, COMMITTEES, AGENTS, AND EMPLOYEES HAVE A DUTY OR OBLIGATION TO ANY OWNER, OCCUPANT OR THEIR GUESTS: (A) TO SUPERVISE MINOR CHILDREN OR ANY OTHER PERSON; (B) TO FENCE OR OTHERWISE ENCLOSE ANY LIMITED COMMON ELEMENT, GENERAL COMMON ELEMENT, OR OTHER IMPROVEMENT; OR (C) TO PROVIDE SECURITY OR PROTECTION TO ANY OWNER, OCCUPANT, OR THEIR GUESTS, EMPLOYEES, CONTRACTORS, AND INVITEES FROM HARM OR LOSS. BY ACCEPTING TITLE TO A UNIT, EACH OWNER AGREES THAT THE LIMITATIONS SET FORTH IN THIS *SECTION 3.10* ARE REASONABLE AND

CONSTITUTE THE EXERCISE OF ORDINARY CARE BY THE DECLARANT AND THE ASSOCIATION. EACH OWNER AGREES TO INDEMNIFY AND HOLD HARMLESS THE DECLARANT AND THE ASSOCIATION, AND THEIR RESPECTIVE PARTNERS, DIRECTORS, OFFICERS, COMMITTEES, AGENTS, AND EMPLOYEES FROM ANY CLAIM OF DAMAGES, TO PERSON OR PROPERTY ARISING OUT OF AN ACCIDENT OR INJURY IN OR ABOUT THE REGIME TO THE EXTENT AND ONLY TO THE EXTENT CAUSED BY THE ACTS OR OMISSIONS OF SUCH OWNER, OCCUPANT, OR THEIR GUESTS, EMPLOYEES, CONTRACTORS, OR INVITEES TO THE EXTENT SUCH CLAIM IS NOT COVERED BY INSURANCE OBTAINED BY THE ASSOCIATION AT THE TIME OF SUCH ACCIDENT OR INJURY.

3.11. **Easement to Inspect and Right To Correct.** For a period of ten (10) years after the expiration of the Development Period, Declarant reserves for itself and for Declarant's architect, engineer, other design professionals, builder, and general contractor the right, but not the duty, to inspect, monitor, test, redesign, correct, and relocate any structure, Improvement, or condition that may exist on any portion of the Property, including the Buildings and Units, and a perpetual nonexclusive easement of access throughout the Property to the extent reasonably necessary to exercise this right. The party exercising such rights will promptly repair, at its sole expense, any damage resulting from the exercise of this right. By way of illustration but not limitation, relocation of mechanical or electrical facilities may be warranted by a change of circumstance, imprecise siting of the original facilities, or the desire or necessity to comply more fully with Applicable Law. This *Section 3.11* may not be construed to create a duty for Declarant, the Association, or any architect, engineer, other design professionals, builder or general contractor, and may not be amended without Declarant's advanced written consent. In support of this reservation, each Owner, by accepting an interest in or title to a Unit, hereby grants to Declarant an easement of access and entry over, across, under, and through the Property, including without limitation, all Common Elements and the Owner's Unit and all Improvements thereon for the purposes contained in this *Section 3.11*.

3.12. **Private Streets.** Any private streets located within the Property are General Common Elements and are administered and maintained by the Association. The Association, acting through the Board, has the express authority to adopt, amend, repeal, and enforce Rules for use of private streets, including but not limited to: (i) identification of vehicles used by Owners, Occupants and their guests; (ii) designation of parking or no-parking areas; (iii) limitations or prohibitions on parking; (iv) removal or prohibition of vehicles that violate applicable Rules; and (v) fines for violations of applicable Rules.

#### ARTICLE 4 **DISCLOSURES**

4.1. **Service Contracts.** Declarant may have contracted, on behalf of the Owner, for one or more services to be provided by vendors to the individual Owners on a contract basis, such as intrusion monitoring and cable television. In that event, whether or not an Owner

chooses to use the service, the Owner is required to pay the Unit's share of the contract for the contract period. The Association may serve as the conduit for the service fees and payments, which may be considered Regular Assessments or Individual Assessments. However, neither the Declarant nor the Association is the service provider and neither party shall have any responsibility or liability for the availability or quality of the service, or for the maintenance, repair, or replacement of the wires, conduits, equipment, or other fittings relating to the contract service.

4.2. **Adjacent Thoroughfares.** The Property is located adjacent to thoroughfares that may be affected by traffic and noise from time to time and may be improved and/or widened in the future.

4.3. **Use of Adjacent Property.** Declarant makes no representations of any kind regarding the current or future use, actual or permitted, of any land that is adjacent to or near the Property. Each Owner is advised that land that is adjacent to or near the Property may contain bright lights, loud music, noises, and cheering during use as recreational fields.

4.4. **Outside Conditions.** In every neighborhood there are conditions that different people may find objectionable. Accordingly, it is acknowledged that there may be conditions outside of the Property that an Owner or Occupant may find objectionable, and it shall be the sole responsibility of an Owner or Occupant to become acquainted with neighborhood conditions that could affect the Unit.

4.5. **Concrete and Asphalt.** Minor cracks in poured concrete and asphalt are inevitable as a result of the natural movement of soil (expansion and contraction) and shrinkage during curing and settling.

4.6. **Construction Activities.** Declarant or Homebuilders will be constructing portions of the Regime and engaging in other construction activities related to the construction of Units and Common Elements. Construction activities may also be conducted on land that is adjacent to or near the Property. Such construction activities may, from time to time, produce certain conditions within the Regime, including, without limitation: (i) noise or sound that is objectionable because of its volume, duration, frequency or shrillness; (ii) smoke; (iii) noxious, toxic or corrosive fumes or gases; (iv) obnoxious odors; (v) dust, dirt or flying ash; (vi) unusual fire or explosion hazards; (vii) temporary interruption of utilities; and/or (viii) other conditions that may threaten the security or safety of Persons on the Regime. Notwithstanding the foregoing, all Owners and Occupants agree that such conditions on the Regime resulting from construction activities shall not be deemed a nuisance and shall not cause Declarant, any Homebuilders, and their agents to be deemed in violation of any provision of this Declaration.

4.7. **Water Runoff.** The Property may be subject to erosion and/or flooding during unusually intense or prolonged periods of rain. Water may pond on various portions of the Property having impervious surfaces.

4.8. **Encroachments.** Improvements may have been constructed on adjoining lands that encroach onto the Property. Declarant gives no representations or warranties as to property rights, if any, created by any such encroachments.

4.9. **Budgets.** Budgets prepared in conjunction with operation and administration of the Association are based on estimated expenses only without consideration for the effects of inflation and may increase or decrease significantly when the actual expenses become known.

4.10. **Light and Views.** The natural light available to and views from a Unit can change over time due to among other things, additional development and the removal or addition of landscaping. **NATURAL LIGHT AND VIEWS ARE NOT PROTECTED.**

4.11. **Schools.** No representations are being made regarding which schools may now or in the future serve the Unit.

4.12. **Changes to Street Names and Addresses.** Declarant retains the right to change, in its sole discretion, the Regime's name and the street names and addresses in or within the Regime, including the street address of the Units before or after conveyance to any third-party.

4.13. **Plans.** Any advertising materials, brochures, renderings, drawings, and the like, furnished by Declarant to an Owner which purport to depict the Improvements to be constructed within the Property are merely approximations and may not reflect the actual as-built conditions of the same.

4.14. **Location of Utilities.** Declarant makes no representation as to the location of mailboxes, utility boxes, street lights, fire hydrants or storm drain inlets or basins.

4.15. **Streets, Driveways and Parking Areas.** Unless otherwise designated as Limited Common Elements assigned exclusively to a single Unit, or included within the boundary of a Unit, streets, driveway, and parking areas within the Property are maintained and administered by the Association. If a portion of a street, driveway, or parking area is designated as Limited Common Elements for the exclusive use of a single Unit, such street, driveway, or parking area is maintained and repaired by the Owner(s) to which such Limited Common Elements have been assigned. If a portion of a street, driveway, or parking area is included within the boundaries of a Unit, the Owner of the Unit is responsible for maintenance and repair. All other streets, driveways, and parking areas are maintained and repaired by the Association with the costs incurred by the Association discharged through Regular Assessments levied against Unit Owners in proportion to the Common Expense Liability assigned to each Unit in accordance with *Section 5.5* below. No street, driveway, or parking area within the Property will be maintained or repaired by Travis County.

4.16. **Marketing.** Declarant or Homebuilders' use of a sales center and/or model units or reference to other construction by Declarant or a Homebuilder is intended only to demonstrate the quality of finish detail, the basic floor plans and styles of the Units and

Improvements available for purchase. The Units and Improvements may not conform to a model unit in any respect, or contain any or all of the amenities within a model unit, such as furnishings and appliances. Declarant or Homebuilders may have shown prospective purchasers model homes, floorplans, sketches, drawings, and scale models of the project. Owner understands and agrees that these materials are subject to change, for display purposes only, and may not be incorporated into the Regime or any Unit. Declarant and any Homebuilders retain the right to obtain and use photography of the Property (including the Units and all Improvements) for publication and advertising purposes.

## ARTICLE 5

### UNITS, LIMITED COMMON ELEMENTS & ALLOCATIONS

5.1. **Initial Submitted Units and Maximum Number of Units.** The Regime presently includes five (5) Units. During the Development Period, Declarant, as permitted in Appendix "A", has reserved the right to create a maximum of sixty-eight (68) Units. To add Units or property to the Regime, Declarant during the Development Period may, from time to time, execute and Record an amendment to this Declaration. The amendment will: (i) describe the property being added to the Regime, if applicable, (ii) assign an identifying number to each new Unit; (iii) reallocate the Common Interest Allocation among all Units then existing within the Regime; (iv) describe any Limited Common Elements, if any, created or assigned to each new Unit; and (v) with respect to new Units, include the information required by Section 82.055 and Section 82.059(b) of the Act. The amendment will include a description of the Units added to the Regime if Declarant elects to create additional Units upon Recordation of the amendment OR, if Declarant elects to create additional Units subsequent to the Recordation of the amendment adding property to the Regime, the amendment will describe the property and include the information required by Section 82.055 and Section 82.059(b) of the Act, as applicable. No assurance is given as to the dispersion of new Units, total number of new Units, or size of such Units.

5.2. **Units.**

5.2.1. **Unit Boundaries.** The boundaries and identifying number of each Unit are shown on the Plat and Plans attached hereto as Attachment 1.

5.2.2. **What a Unit Includes.** Each Unit includes the spaces and Improvements within the boundaries defined in *Section 5.2.1* above, including without limitation any Building constructed thereon, the roof and foundation of any such Building, landscaping, driveways, sidewalks, fences, yards, utility lines and meters and all other Improvements located within the Unit. In addition to the Building(s) and the Improvements within the Unit, each Unit also includes Improvements, fixtures, and equipment serving each such Building or Unit exclusively, whether located within, outside, or below the Unit, whether or not attached to or contiguous with a Building, including but not limited to any below-grade foundation, piers, retaining walls, fence, or

other structural supports; plumbing, septic, and utility lines, pipes, drains, and conduits, including but not limited to the wastewater system tank, grinder pump and controls; landscape irrigation and subterranean components of plant material, including roots of trees on the Unit; and any other below-grade item that serves or supports the Building or Unit exclusively.

5.3. **Designation and Allocation of Limited Common Elements.** Portions of the Common Elements may be allocated as Limited Common Elements on the Plat and Plans, attached hereto as Attachment 1, by use of "LCE" and the identifying number of the Unit to which the Limited Common Element is appurtenant, or by use of a comparable method of designation. A Common Element not allocated by this Declaration or the Plat and Plans as a Limited Common Element may be so allocated only pursuant to the provisions of the Act and by the Declarant pursuant to Appendix "A" attached to this Declaration. Declarant has reserved the right as set forth in Appendix "A" of this Declaration, to create and assign Limited Common Elements within the Property.

5.4. **Common Interest Allocation.** The percentage of interest in the Common Elements (the "**Common Interest Allocation**") allocated to each Unit is set forth on Attachment 3 and is assigned in accordance with a ratio of 1 to the total number of Units. The same formula will be used in the event the Common Interest Allocation is reallocated as a result of any increase or decrease in the number of Units subject to this Declaration. In the event an amendment to this Declaration is filed which reallocates the Common Interest Allocation as a result of any increase or decrease in the number of Units the reallocation will be effective on the date such amendment is Recorded.

5.5. **Common Expense Liability.** The percentage of liability for Common Expenses (the "**Common Expense Liability**") allocated to each Unit and levied pursuant to *Article 6* is equivalent to the Common Interest Allocation assigned to the Unit.

5.6. **Association Votes.** One (1) vote is allocated to each Unit. The one vote appurtenant to each Unit is weighted equally for all votes, regardless of the other allocations appurtenant to the Unit. In other words, the one vote appurtenant to each Unit is uniform and equal to the vote appurtenant to every other Unit.

## ARTICLE 6 COVENANT FOR ASSESSMENTS

6.1. **Purpose of Assessments.** The Association will use Assessments for the general purposes of preserving and enhancing the Regime, and for the benefit of Owners and Occupants, including but not limited to maintenance of real and personal property, management, and operation of the Association, and any expense reasonably related to the purposes for which the Association was formed. If made in good faith, the Board's decision with respect to the use of Assessments is final.

6.2. **Personal Obligation.** An Owner is obligated to pay Assessments levied by the Board against the Owner or the Owner's Unit. Payments are made to the Association at its principal office or at any other place the Board directs. Payments must be made in full regardless of whether an Owner has a dispute with the Association, another Owner, or any other Person or entity regarding any matter to which this Declaration pertains. No Owner may be exempt from Assessment liability by such Owner's non-use of the Common Elements or abandonment of a Unit. An Owner's obligation is not subject to offset by the Owner, nor is it contingent on the Association's performance of the Association's duties. Payment of Assessments is both a continuing affirmative covenant personal to the Owner and a continuing covenant running with the Unit.

6.3. **Types of Assessments.** There are four (4) types of Assessments: Regular Assessments, Special Assessments, Individual Assessments, and Deficiency Assessments.

6.4. **Regular Assessments.**

6.4.1. **Purpose of Regular Assessments.** Regular assessments are used for Common Expenses related to the recurring, periodic, and anticipated responsibilities of the Association, including but not limited to:

- (i) Maintenance, repair, and replacement, as necessary, of the General Common Elements, and Improvements, equipment, signage, and property owned by the Association.
- (ii) Maintenance examination and report, as required by *Section 9.2*.
- (iii) Utilities billed to the Association.
- (iv) Services obtained by the Association and available to all Units.
- (v) Taxes on property owned by the Association and the Association's income taxes.
- (vi) Management, legal, accounting, auditing, and professional fees for services to the Association.
- (vii) Costs of operating the Association, such as telephone, postage, office supplies, printing, meeting expenses, and educational opportunities of benefit to the Association.
- (viii) Insurance premiums and deductibles.
- (ix) Contributions to reserves.

- (x) Any other expense which the Association is required by Applicable Law or the Documents to pay, or which in the opinion of the Board is necessary or proper for the operation and maintenance of the Regime or for enforcement of the Documents.

6.4.2. Annual Budget-Regular. The Board will prepare and approve an annual budget with the estimated expenses to be incurred by the Association for each fiscal year. The budget will take into account the estimated income and Common Expenses for the year, contributions to reserve funds, and a projection for uncollected receivables. The Board will make the budget or a summary of the budget available to the Owner of each Unit, although failure to receive a budget or budget summary will not affect an Owner's liability for Assessments. The Board will provide copies of the budget to Owners who make written request and pay a reasonable copy charge.

6.4.3. Basis of Regular Assessments. Regular Assessments will be based on the annual budget. Each Unit will be liable for its allocated share of the annual budget equal to the Common Expense Liability assigned to the Owner's Unit. If the Board does not approve an annual budget or fails to determine new Regular Assessments for any year, or delays in doing so, Owners will continue to pay the Regular Assessment as last determined.

6.4.4. Supplemental Increases. If during the course of a year the Board determines that Regular Assessments are insufficient to cover the estimated Common Expenses for the remainder of the year, the Board may increase Regular Assessments for the remainder of the fiscal year in an amount that covers the estimated deficiency. Supplemental increases will be apportioned among the Units in the same manner as Regular Assessments.

6.5. Special Assessments. The Board may levy one or more Special Assessments against all Units for the purpose of defraying, in whole or in part, Common Expenses not anticipated by the annual budget or reserves. Special Assessments may be used for the same purposes as Regular Assessments. Special Assessments do not require the approval of the Owners, except that Special Assessments for the acquisition of real property by the Association must be approved by Owners representing at least a Majority of the votes in the Association. Special Assessments will be apportioned among the Units in the same manner as Regular Assessments.

6.6. Individual Assessments. In addition to Regular and Special the Board may levy an Individual Assessment against an Owner and the Owner's Unit. Individual Assessments may include, but are not limited to: interest, late charges, and collection costs on delinquent Assessments; reimbursement for costs incurred in bringing an Owner or the Owner's Unit into compliance with the Documents; fines for violations of the Documents; transfer-related fees and resale certificate fees; fees for estoppel letters and project documents; insurance deductibles;

reimbursement for damage or waste caused by willful or negligent acts of the Owner, the Owner's guests, invitees or Occupants of the Owner's Unit; Common Expenses that benefit fewer than all of the Units, which may be assessed according to benefit received; fees or charges levied against the Association on a per-Unit basis; and "pass through" expenses for services to Units provided through the Association and which are equitably paid by each Unit according to benefit received.

6.7. **Deficiency Assessments.** The Board may levy a Deficiency Assessment against the Units for the purpose of defraying, in whole or in part, the cost of repair or restoration for the Common Elements if insurance proceeds or condemnation awards prove insufficient. Deficiency assessments will be apportioned among the Units in the same manner as Regular Assessments.

6.8. **Working Capital Fund.** Upon the transfer of a Unit (including both transfers from Declarant to the initial Owner, and transfers from one Owner of a Unit to a subsequent Owner of the Unit), a working capital fee in an amount equal to two (2) months of Regular Assessments will be paid from the transferee of the Unit to the Association for the Association's working capital fund. Each working capital contribution will be collected from the transferee of a Unit upon the conveyance of the Unit from one Owner (including Declarant) to another (expressly including any re-conveyances of the Unit upon resale or transfer thereof). Notwithstanding the foregoing provision, the following transfers of a Unit will not be subject to the working capital contribution: (i) foreclosure of a deed of trust lien, tax lien, the Association's assessment lien; (ii) transfer to, from, or by the Association; (iii) voluntary transfer by an Owner to one or more co-owners, or to the Owner's spouse, child, or parent; (iv) any grantee who is the domestic partner or former spouse of the grantor; (v) any grantee that is a wholly-owned entity of the grantor; and (vi) any grantee to whom a Unit is conveyed by a will or through the law of intestacy. Additionally, a Homebuilder will not be subject to the working capital contribution; however, the working capital contribution will be payable by any Owner who acquires a Unit from a Homebuilder for residential living purposes or by any Owner who: (a) acquires a Unit and is not in the business of constructing single-family residences for resale to a third party; or (b) who acquires the Unit for any purpose other than constructing a single-family residence thereon for resale to a third party. In the event of any dispute regarding the application of the working capital contribution to a particular Owner, Declarant's determination regarding application of the exemption will be binding and conclusive without regard to any contrary interpretation of this *Section 6.8*. Contributions to the fund are not advance payments of Regular Assessments and are not refundable. Declarant may not use working capital fees collected hereunder to pay the operational expenses of the Association until the Declarant Control Period terminates. The Declarant during the Development Period, and thereafter the Board, will have the power to waive the payment of any working capital fund contribution attributable to a Unit (or all Units) by the Recordation of a waiver notice, which waiver may be temporary or permanent.

6.9. **Due Date.** Regular Assessments are due annually, with monthly installments of the total annual Regular Assessments to be paid on the first calendar day of each month or on such other date or frequency as the Board may designate in its sole and absolute discretion, and are delinquent if not received by the Association on or before such date. Utility, Special, Individual, and Deficiency Assessments are due on the date stated in the notice of Assessment or, if no date is stated, within ten (10) days after notice of the Utility, Special, Individual, or Deficiency Assessment is given.

6.10. **Reserve Funds.** The Association will establish, maintain, and accumulate reserves for operations and for replacement and repair. The Association will budget for reserves and may fund reserves out of Regular Assessments or Special Assessments.

6.10.1. **Reserve Funds.** The Association may maintain reserves at a level determined by the Board to be sufficient to cover the cost of operational or maintenance emergencies or contingencies, including deductibles on insurance policies maintained by the Association.

6.10.2. **Replacement & Repair Reserves – Common Elements.** The Association will maintain replacement and repair reserves at a level that anticipates the scheduled replacement or major repair of components of the General Common Elements.

6.11. **Declarant's Right to Inspect and Correct Accounts.** For a period of ten (10) years after termination or expiration of the Declarant Control Period, Declarant reserves for itself and for Declarant's accountants and attorneys, the right, but not the duty, to inspect, correct, and adjust the Association financial records and accounts from the formation of the Association until the termination of the Declarant Control Period. The Association may not refuse to accept an adjusting or correcting payment made by or for the benefit of Declarant. By way of illustration but not limitation, Declarant may find it necessary to recharacterize an expense or payment to conform to Declarant's obligations under the Documents or Applicable Law. This *Section 6.11* may not be construed to create a duty for Declarant or a right for the Association, and may not be amended without Declarant's advance written consent. In support of this reservation, each Owner, by accepting an interest in or title to a Unit, hereby grants to Declarant a right of access to the Association's books and records that is independent of Declarant's rights during the Declarant Control Period and Development Period.

6.12. **Association's Right to Borrow Money.** The Board is granted the right to borrow money on behalf of the Association, subject to the ability of the Association to repay the borrowed funds from Assessments. To assist its ability to borrow, the Board has the right to encumber, mortgage, or pledge any of its real or personal property, and the right to assign its right to future income, as security for money borrowed or debts incurred by the Association.

6.13. **Limitations of Interest.** The Association, and its officers, directors, managers, and attorneys, intend to conform strictly to the applicable usury laws of the State of Texas.

Notwithstanding anything to the contrary in the Documents or any other document or agreement executed or made in connection with the Association's collection of Assessments, the Association will not in any event be entitled to receive or collect, as interest, a sum greater than the maximum amount permitted by Applicable Law. If from any circumstances whatsoever, the Association ever receives, collects, or applies as interest a sum in excess of the maximum rate permitted by Applicable Law, the excess amount will be applied to the reduction of unpaid Assessments to which such excess interest was applied, or reimbursed to the Owner if those Assessments are paid in full.

6.14. **Audited Financial Statements.** The Association shall have an audited financial statement for the preceding full fiscal year of the Association prepared and made available within one hundred and eighty (180) days after the Association's fiscal year-end.

## ARTICLE 7 ASSESSMENT LIEN

7.1. **Assessment Lien.** Each Owner, by accepting an interest in or title to a Unit, whether or not it is so expressed in the instrument of conveyance, covenants and agrees to pay Assessments to the Association. Each Assessment is a charge on the Unit and is secured by a continuing lien on the Unit. Each Owner is placed on notice that title to the Unit may be subject to the continuing lien for Assessments attributable to a period prior to the date the Owner purchased the Unit. An express lien on each Unit is hereby granted and conveyed by Declarant to the Association to secure the payment of all Assessments.

7.2. **Superiority of Assessment Lien.** The Assessment lien is superior to all other liens and encumbrances on a Unit, except only for: (i) real property taxes and assessments levied by governmental and taxing authorities; (ii) a Recorded deed of trust lien securing a loan for construction or acquisition of the Unit; (iii) a deed of trust or vendor's lien Recorded before this Declaration; or (iv) a first or senior purchase money vendor's lien or deed of trust lien Recorded before the date on which the delinquent Assessment became due. The Assessment lien is also superior to any Recorded assignment of the right to insurance proceeds on the Unit, unless the assignment is part of a superior deed of trust lien.

7.3. **Effect of Mortgage's Foreclosure.** Foreclosure of a superior lien extinguishes the Association's claim against the Unit for unpaid Assessments that became due before the sale, but does not extinguish the Association's claim against the former Owner. The purchaser at the foreclosure sale of a superior lien is liable for Assessments coming due from and after the date of the sale.

7.4. **Notice and Release.** The Association's lien for Assessments is created by Recordation of this Declaration, which constitutes record notice and perfection of the lien. No other Recordation of a lien or notice of lien is required. However, the Board, at its option, may cause a notice of the lien to be Recorded. If the debt is cured after a notice has been Recorded,

the Association will Record a release of the notice at the expense of the curing Owner. The Association may require reimbursement of its costs of preparing and Recording the notice before granting the release.

7.5. **Power of Sale.** By accepting an interest in or title to a Unit, each Owner grants to the Association a private power of sale in connection with the Association's assessment lien. The Board may appoint, from time to time, any Person, including an officer, agent, trustee, substitute trustee, or attorney, to exercise the Association's lien rights on behalf of the Association, including the power of sale. The appointment must be in writing and may be in the form of a resolution recorded in the minutes of a Board meeting.

7.6. **Foreclosure of Lien.** The Assessment lien may be enforced by judicial or non-judicial foreclosure. A non-judicial foreclosure must be conducted in accordance with the provisions applicable to the exercise of powers of sale as set forth in Section 51.002 of the Texas Property Code, or in any manner permitted by Applicable Law. In any foreclosure, the Owner will be required to pay the Association's costs and expenses for the proceedings, including reasonable attorneys' fees. The Association has the power to bid on the Unit at foreclosure sale and to acquire, hold, lease, mortgage, and convey same.

## ARTICLE 8 EFFECT OF NONPAYMENT OF ASSESSMENTS

An Assessment is delinquent if the Association does not receive payment in full by the Assessment's due date. The Association, acting through the Board, is responsible for taking action to collect delinquent Assessments. From time to time, the Association may delegate some or all of the collection procedures and remedies, as the Board in its sole discretion deems appropriate, to the Association's manager, an attorney, or a debt collector. Neither the Board nor the Association, however, is liable to an Owner or other Person for its failure or inability to collect or attempt to collect an Assessment. The following remedies are in addition to and not in substitution for all other rights and remedies which the Association may have pursuant to the Documents or Applicable Law.

8.1. **Interest.** Delinquent Assessments are subject to interest from the due date until paid, at a rate to be determined by the Board from time to time, not to exceed the lesser of eighteen percent (18%) per annum or the maximum permitted by Applicable Law. If the Board fails to establish a rate, the rate is ten percent (10%) per annum.

8.2. **Late Fees.** Delinquent Assessments are subject to reasonable late fees, at a rate to be determined by the Board from time to time.

8.3. **Collection Expenses.** The Owner of a Unit against which Assessments are delinquent is liable to the Association for reimbursement of reasonable costs incurred by the Association to collect the delinquent Assessments, including attorneys' fees and processing fees charged by the manager.

8.4. **Acceleration.** If an Owner defaults in paying an Assessment that is payable in installments, the Association may accelerate the remaining installments on ten (10) days' written notice to the defaulting Owner. The entire unpaid balance of the Assessment becomes due on the date stated in the notice.

8.5. **Suspension of Vote.** Subject to the below-described limitations, if an Owner's account has been delinquent for at least thirty (30) days, the Association may suspend the right to vote appurtenant to the Unit during the period of delinquency. Suspension does not constitute a waiver or discharge of the Owner's obligation to pay Assessments. When the Association suspends an Owner's right to vote, the suspended Owner may nevertheless participate as a Member of the Association for the following activities: (i) be counted towards a quorum; (ii) attend meetings of the Association; (iii) participate in discussion at Association meetings; (iv) be counted as a petitioner for a special meeting of the Association; and (v) vote to remove a Director and for the replacement of the removed Director. If the number of suspended Members exceeds twenty (20%) percent of the total Members (co-owners of a Unit constituting one Member), all Members are eligible to vote. These limitations are imposed to prevent a Board from disenfranchising a large segment of the membership and to preserve the membership's right to remove and replace Directors.

8.6. **Money Judgment.** The Association may file suit seeking a money judgment against an Owner delinquent in the payment of Assessments, without foreclosing or waiving the Association lien for Assessments.

8.7. **Notice to Mortgagee.** The Association may notify and communicate with any holder of a lien against a Unit regarding the Owner's default in payment of Assessments.

8.8. **Application of Payments.** The Association may adopt and amend policies regarding the application of payments. After the Association notifies the Owner of a delinquency, any payment received by the Association may be applied in the following order: Individual Assessments, Deficiency Assessments, Special Assessments and (lastly) Regular Assessments. The Association may refuse to accept partial payment, i.e., less than the full amount due and payable. The Association may also refuse to accept payments to which the payer attaches conditions or directions contrary to the Association's policy for applying payments. The Association's policy may provide that endorsement and deposit of a payment does not constitute acceptance by the Association, and that acceptance occurs when the Association posts the payment to the Unit Owner's account.

## ARTICLE 9

### MAINTENANCE AND REPAIR OBLIGATIONS

9.1. **Association Maintains.** The Association's maintenance obligations will be discharged when and how the Board deems appropriate. Unless otherwise provided in this Declaration, the Association maintains, repairs and replaces, as a Common Expense, all General

Common Elements and any Limited Common Elements assigned to more than one (1) Unit. The Association also maintains, as a Common Expense, any component of a Unit delegated to the Association by this Declaration.

9.2. **Inspection Obligations.**

9.2.1. Contract for Services. In addition to the Association's maintenance obligations set forth in this Declaration, the Association shall, at all times, contract with or otherwise retain the services of independent, qualified, individuals or entities to provide the Association with inspection services relative to the maintenance, repair and physical condition of the Common Elements.

9.2.2. Schedule of Inspections. Inspections will take place in accordance with prudent business practices. A Guide to Association's Examination of Common Elements is attached to this Declaration as Attachment 4. The inspectors shall provide written reports of their inspections to the Association promptly following completion thereof. The written reports shall identify any items of maintenance or repair that either require current action by the Association or will need further review and analysis. The Board shall promptly cause all matters identified as requiring attention to be maintained, repaired, or otherwise pursued in accordance with prudent business practices and the recommendations of the inspectors.

9.2.3. Notice to Declarant. During the Development Period, the Association shall deliver to Declarant ten (10) days advance written notice of all such inspections (and an opportunity to be present during such inspection, personally or through an agent) and shall provide Declarant (or its designee) with a copy of all written reports prepared by the inspectors.

9.2.4. Limitation. The provisions of this *Section 9.2* shall not apply during the Declarant Control Period unless otherwise directed by the Declarant.

9.3. **Owner Responsibility.** Every Owner has the following responsibilities and obligations for the maintenance, repair, and replacement of the Property:

- (i) To maintain, repair, and replace such Owner's Unit and all Improvements constructed therein or thereon, and any Limited Common Elements assigned exclusively to such Owner's Unit.
- (ii) To maintain, repair, and replace all portions of the Property for which the Owner is responsible under this Declaration or by agreement with the Association.
- (iii) To not do any work or to fail to do any work which, in the reasonable opinion of the Board, would materially jeopardize the soundness and

safety of the Property, reduce the value thereof, or impair any easement or real property right thereto.

- (iv) To be responsible for the Owner's willful or negligent acts and those of the Owner or Occupant's family, guests, agents, employees, or contractors when those acts necessitate maintenance, repair, or replacement of Common Elements, the property of another Owner, or any component of the Property for which the Association has maintenance or insurance responsibility.

9.4. **Disputes.** If a dispute arises regarding the allocation of maintenance responsibilities by this Declaration, the dispute will be resolved by delegating responsibility to the individual Owners. Unit maintenance responsibilities that are allocated to the Association are intended to be interpreted narrowly to limit and confine the scope of Association responsibility. It is the intent of this *Article 9* that all components and areas not expressly delegated to the Association are the responsibility of the individual Owners.

9.5. **Warranty Claims.** If the Owner is the beneficiary of a warranty against defects to the Common Elements, the Owner irrevocably appoints the Association, acting through the Board, as the Owner's attorney-in-fact to file, negotiate, receive, administer, and distribute the proceeds of any claim against the warranty that pertains to Common Elements.

9.6. **Owner's Default in Maintenance.** If the Board determines that an Owner has failed to properly discharge such Owner's obligation to maintain, repair, and replace items for which the Owner is responsible, the Board may give the Owner written notice of the Association's intent to provide the necessary maintenance at the Owner's expense. The notice must state, with reasonable particularity, the maintenance deemed necessary and a reasonable period of time in which to complete the work. If the Owner fails or refuses to timely perform the maintenance, the Association may do so at the Owner's expense, which is an Individual Assessment against the Owner and such Owner's Unit. In case of an emergency, however, the Board's responsibility to give the Owner written notice is waived and the Board may take any action it deems necessary to protect persons or property, the cost of such action being at the Owner's expense and being levied as an Individual Assessment.

## ARTICLE 10 ARCHITECTURAL COVENANTS AND CONTROL

10.1. **Purpose.** Because the Units are part of a single, unified community, the Architectural Reviewer has the right to regulate the appearance of all Improvements in order to preserve and enhance the Property's value and architectural harmony. The Architectural Reviewer has the right to regulate every aspect of proposed or existing Improvements on the Property, including replacements or modifications of original construction or installation. During the Development Period, the primary purpose of this Article is to reserve and preserve

Declarant's right of architectural control. Notwithstanding anything to the contrary stated herein, Improvements constructed on the Property and all architectural modifications made thereto that are made by the Declarant or its permittees shall not be subject to approval pursuant to this Article.

10.2. **Architectural Reviewer.** Until expiration or termination of the Development Period, the Architectural Reviewer shall mean Declarant or its designee. Upon expiration of the Development Period, the rights of the Architectural Reviewer will automatically be transferred to the Board.

10.3. **Architectural Control by Declarant.**

10.3.1. **Declarant as Architectural Reviewer.** During the Development Period, the Architectural Reviewer shall mean Declarant or its designee, and neither the Association or the Board, nor a committee appointed by the Association or the Board (no matter how the committee is named) may involve itself with the review and approval of any Improvements. Declarant may designate one or more Persons from time to time to act on its behalf as Architectural Reviewer in reviewing and responding to applications pursuant to this *Article 10*.

10.3.2. **Declarant's Rights Reserved.** Each Owner, by accepting an interest in or title to a Unit, whether or not it is so expressed in the instrument of conveyance, covenants and agrees that Declarant has a substantial interest in ensuring that the Improvements within the Property do not impair Declarant's ability to market Units in the Regime. Accordingly, each Owner agrees that during the Development Period, no Improvements will be started or progressed without the prior written approval of the Architectural Reviewer, which approval may be granted or withheld at the Architectural Reviewer's sole discretion. In reviewing and acting on an application for approval, the Architectural Reviewer may act solely in its self-interest and owes no duty to any other Person or any organization.

10.3.3. **Delegation by Declarant.** During the Development Period, Declarant may from time to time, but is not obligated to, delegate all or a portion of its rights as Architectural Reviewer to the Board or a committee appointed by the Board comprised of Persons who may or may not be members of the Association. Any such delegation must be in writing and must specify the scope of delegated responsibilities. Any such delegation is at all times subject to the unilateral right of Declarant to: (i) revoke such delegation at any time and reassume jurisdiction over the matters previously delegated; and (ii) veto any decision which Declarant, in its sole discretion, determines to be inappropriate or inadvisable for any reason.

10.4. **Architectural Control by Association.** Upon Declarant's delegation, in writing, of all or a portion of its reserved rights as Architectural Reviewer to the Board, or upon the

expiration or termination of the Development Period, the Association will assume jurisdiction over architectural control and will have the powers of the Architectural Reviewer hereunder and the Board, or a committee appointed by the Board, is the Architectural Reviewer and shall exercise all architectural control over the Property.

10.5. **Limits on Liability.** Neither the Declarant, the Board, nor their directors, officers, committee members, employees or agents will have any liability for decisions made as Architectural Reviewer in good faith. Neither the Declarant, the Board, nor their directors, officers, committee members, employees or agents are responsible for: (i) errors in or omissions from the plans and specifications submitted to the Architectural Reviewer; (ii) supervising construction for the Owner's compliance with approved plans and specifications; or (iii) the compliance of the Owner's plans and specifications with governmental codes and ordinances, state and federal laws. Approval of a modification or Improvement may not be deemed to constitute a waiver of the right to withhold approval of similar proposals, plans or specifications that are subsequently submitted.

10.6. **Prohibition of Construction, Alteration and Improvement.** Without the Architectural Reviewer's prior written approval, no Person may commence or continue any construction, alteration, addition, Improvement, installation, modification, redecoration, or reconstruction of or to the Property, or do anything that affects the appearance, use, or structural integrity of the Property. Notwithstanding the foregoing, each Owner will have the right to modify, alter, repair, decorate, redecorate, or improve the interior of an Improvement, provided that such action is not visible from any other portion of the Property.

**YOU CANNOT CHANGE THE EXTERIOR OF ANY  
IMPROVEMENTS WITHIN YOUR UNIT UNLESS YOU HAVE THE  
SIGNED CONSENT OF THE ARCHITECTURAL REVIEWER.**

10.7. **No Deemed or Verbal Approval.** Approval by the Architectural Reviewer may not be deemed, construed, or implied from an action, a lack of action, or a verbal statement by the Declarant, Declarant's representative or designee or the Association, an Association director or officer, a member or chair of the Declarant or Board-appointed committee, the Association's manager, or any other representative of the Association. To be valid, approval of the Architectural Reviewer must be: (i) in writing; (ii) on a form or letterhead issued by the Architectural Reviewer; (iii) signed and dated by a duly authorized representative of the Architectural Reviewer, designated for that purpose; (iv) specific to a Unit; and (v) accompanied by detailed plans and specifications showing the proposed change. If the Architectural Reviewer fails to respond in writing – negatively, affirmatively, or requesting information – within sixty (60) days after the Architectural Reviewer's actual receipt of the Owner's application, **the application is deemed denied. Under no circumstance may approval of the Architectural Reviewer be deemed, implied or presumed.** If the Architectural Reviewer approves a change, the Owner or the Architectural Reviewer may require that the architectural approval be Recorded, with the cost of Recordation borne by the Owner. Architectural

Reviewer approval of an architectural change automatically terminates if work on the approved Improvement has not started by the commencement date stated in the Architectural Reviewer's approval and thereafter diligently prosecuted to completion, or, if no commencement date is stated, within ninety (90) days after the date of Architectural Reviewer approval.

10.8. **Application.** To request Architectural Reviewer approval, an Owner must make written application and submit two (2) identical sets of plans and specifications showing the nature, kind, shape, color, size, materials, and locations of the work to be performed. The application must clearly identify any requirement of this Declaration for which a variance is sought. If the application is for work that requires a building permit from a municipality or other regulatory authority, the Owner must obtain such permit and provide a copy to the Architectural Reviewer in conjunction with the application. The Architectural Reviewer may return one set of plans and specifications to the applicant marked with the Architectural Reviewer's response, such as "Approved," "Denied," or "Submit Additional Information." The Architectural Reviewer has the right, but not the duty, to evaluate every aspect of construction and property use that may alter or adversely affect the general value of appearance of the Property.

10.9. **Owner's Duties.** If the Architectural Reviewer approves an Owner's application, the Owner may proceed with the Improvement, provided:

(i) The Owner must adhere strictly to the plans and specifications which accompanied the application.

(ii) The Owner must initiate, diligently prosecute, and complete the Improvement in a timely manner.

(iii) If the approved application is for work that requires a building permit from a municipality or other regulatory authority, the Owner must obtain the appropriate permit. The Architectural Reviewer's approval of plans and specifications does not mean that such plans and specifications comply with a municipality or other regulatory authority requirements. Alternatively, approval by a municipality or other regulatory authority does not ensure Architectural Reviewer approval.

## **ARTICLE 11**

### **CONSTRUCTION & USE RESTRICTIONS**

11.1. **Approval Required by the Architectural Reviewer.** PURSUANT TO THIS DECLARATION, ALL "IMPROVEMENTS", AS SUCH TERM IS DEFINED HEREIN, MUST BE APPROVED IN ADVANCE AND IN WRITING BY THE ARCHITECTURAL REVIEWER. SEE *ARTICLE 10* OF THIS DECLARATION FOR THE SPECIFIC REQUIREMENTS ASSOCIATED

WITH THE REVIEW AND APPROVAL OF ALL IMPROVEMENTS PROPOSED TO BE CONSTRUCTED WITHIN OR UPON THE PROPERTY.

11.2. **Association's Right to Promulgate Rules and Amend Community Manual.** The Association, acting through the Board, is granted the right to adopt, amend, repeal, and enforce reasonable Rules, and penalties for infractions thereof, regarding the occupancy, use, disposition, maintenance, appearance, and enjoyment of the Property. The Association, acting through a Majority of the Board, is further granted the right to amend, repeal, and enforce the Community Manual, setting forth therein such policies governing the Association as the Board determines. During the Development Period, any modification, amendment, or repeal to the Community Manual or the Rules, and each new policy or Rule, must be approved in advance and in writing by the Declarant.

11.3. **Rules and Regulations.** In addition to the restrictions contained in this *Article 11*, each Unit is owned and occupied subject to the right of the Board to establish Rules, and penalties for infractions thereof, governing:

- (i) Use of Common Elements.
- (ii) Hazardous, illegal, or annoying materials or activities on the Property.
- (iii) The use of Property-wide services provided through the Association.
- (iv) The consumption of utilities billed to the Association.
- (v) The use, maintenance, and appearance of anything visible from the street, Common Elements, or other Units.
- (vi) The occupancy and leasing of Units.
- (vii) Animals.
- (viii) Vehicles.
- (ix) Disposition of trash and control of vermin, termites, and pests.
- (x) Anything that interferes with maintenance of the Property, operation of the Association, administration of the Documents, or the quality of life for Occupants.

During the Development Period, all Rules must be must be approved in advance and in writing by the Declarant.

11.4. **Use of Common Elements.** There shall be no obstruction of the Common Elements, nor shall anything be kept on, parked on, stored on or removed from any part of the

Common Elements without the prior written consent of Declarant (during the Development Period) and the Board thereafter, except as specifically provided herein.

11.5. **Abandoned Personal Property.** Personal property shall not be kept, or allowed to remain for more than twelve (12) hours upon any portion of the Common Elements, without the prior written consent of the Board. If the Board determines that a violation exists, then, the Board may remove and either discard or store the personal property in a location which the Board may determine and shall have no obligation to return, replace or reimburse the owner of the property; provided, however, in such case, the Board shall give the property owner, if known, notice of the removal of the property and the disposition of the property within twenty-four (24) hours after the property is removed. Neither the Association nor any board member, officer or agent thereof shall be liable to any Person for any claim of damage resulting from the removal activity in accordance herewith. The Board may elect to impose fines or use other available remedies, rather than exercise its authority to remove property hereunder.

11.6. **Animals – Household Pets.** No animals, including pigs, hogs, swine, poultry, fowl, wild animals, horses, cattle, sheep, goats, or any other type of animal not considered to be a domestic household pet within the ordinary meaning and interpretation of such words may be kept, maintained, or cared for anywhere on the Property (as used in this paragraph, the term “domestic household pet” shall not mean or include non-traditional pets such pot-bellied pigs, miniature horses, snakes or lizards, ferrets, monkeys or other exotic animals). Customary domesticated household pets may be kept subject to the Rules. The Board may adopt, amend, and repeal Rules regulating the types, sizes, numbers, locations, and behavior of animals on the Property. If the Rules fail to establish animal occupancy quotas, an Owner or Occupant shall be allowed no more than three (3) household pets plus no more than two (2) birds in any Unit. Permission to maintain other types or additional numbers of household pets must be obtained in writing from the Board. The Board may require or effect the removal of any animal determined to be in violation of the Rules.

11.7. **Firearms and Fireworks.** The display or discharge of firearms or fireworks on the Common Elements is prohibited; provided, however, that the display of lawful firearms on the Common Elements is permitted by law enforcement officers and also is permitted for the limited purpose of transporting the firearms across the Common Elements to or from the Owner’s Unit. The term “firearms” includes “B-B” guns, pellet guns, and other firearms of all types, regardless of size, and shall also include, without limitation, sling shots, archery, and other projectile emitting devices.

11.8. **Drainage.** No person may interfere with the established drainage pattern over any part of the Property unless an adequate alternative provision for proper drainage has been approved by the Declarant during the Development Period, and thereafter the Board.

11.9. **Annoyance.** No Unit may be used in any way that: (i) may reasonably be considered annoying to Occupants; (ii) may be calculated to reduce the desirability of the

Property as a residential neighborhood; (iii) may endanger the health or safety of Occupants of other Units; (iv) may result in the cancellation of insurance on any portion of the Property; (v) violates any Applicable Law; or (vi) creates noise or odor pollution. The Board has the sole authority to determine what constitutes an annoyance.

11.10. **Appearance.** Both the exterior and the interior of the Improvements constructed within a Unit must be maintained in a manner so as not be unsightly when viewed from the street, Common Elements, or Units. The Board will be the arbitrator of acceptable appearance standards.

11.11. **Declarant Privileges.** In connection with the development and marketing of the Property, as provided in this Declaration and Appendix "A", attached hereto, Declarant has reserved a number of rights and privileges to use the Property in ways that are not available to other Owners and Occupants. Declarant's exercise of a right that appears to violate a Rule or a provision of this Declaration does not constitute waiver or abandonment of the Rule or provision of the Declaration.

11.12. **Driveways.** Sidewalks, driveways, and other passageways may not be used for any purpose that interferes with their ongoing use as routes of vehicular or pedestrian access.

11.13. **Garages.** The original garage area of any Building or Improvement constructed within a Unit may not be enclosed or used for any purpose that would prohibit the parking of operable vehicles therein.

11.14. **Landscaping.** No Person may perform landscaping, planting, or gardening anywhere within the General Common Elements without the prior written authorization of the Board and the Architectural Reviewer.

11.15. **Residential Use.** The use of a Unit is limited exclusively to single-family residential purposes and only one single-family residence may be constructed within each Unit. This residential restriction does not, however, prohibit an Occupant from using the Unit for personal business or professional pursuits provided that: (i) the uses are incidental to the use of the Unit as a residential dwelling; (ii) the uses conform to Applicable Law; (iii) there is no external evidence of the business or professional use; (iv) the business or professional use does not entail visits to the Unit by employees of the business or profession or the general public; and (v) the business or professional use does not interfere with Occupants' use and enjoyment of their Units. No portion of a garage serving a Unit may be occupied as residence at any time by any Person.

11.16. **Signs.** No sign of any kind, including signs (including signs advertising Units for sale, for rent or for lease), may be erected, placed, or permitted to remain on the Property unless written approval has been obtained in advance from the Architectural Reviewer. The Architectural Reviewer may adopt sign guidelines associated with the erection and display of certain signs which guidelines may govern the location, nature, dimensions, number, and time

period a sign may remain on the Property or a Unit. As used in this *Section 11.16*, “sign” includes, without limitation, lettering, images, symbols, pictures, shapes, lights, banners, and any other representation or medium that conveys a message. The Architectural Reviewer, acting through the Association, may effect the immediate removal of any sign or object which has not been approved in advance by the Architectural Reviewer.

Notwithstanding the foregoing, political signs may be erected provided the sign: (i) is erected no earlier than the 90<sup>th</sup> day before the date of the election to which the sign relates; (ii) is removed no later than the 10<sup>th</sup> day after the date of the election to which the sign relates; and (iii) is ground-mounted. Only one sign may be erected for each candidate or ballot item. In addition, signs which include any of the components or characteristics described in Section 259.002(d) of the Texas Election Code are prohibited.

11.17. **Antenna.** Except as expressly provided below, no exterior radio, television or communications antenna or aerial or satellite dish or disc, nor any solar energy system (collectively, an “**Antenna/Dish**”), shall be erected, maintained, or placed on a Unit without the prior written approval of the Architectural Reviewer.

11.17.1. Dishes Over One Meter Prohibited. Unless otherwise approved by the Architectural Reviewer, an Antenna/Dish which is over one meter in diameter is prohibited within the Regime.

11.17.2. Notification. An Owner or Occupant who wishes to install an Antenna/Dish one meter or less in diameter (a “**Permitted Antenna**”) must submit a written notice to the Architectural Reviewer, which notice must include the Owner or Occupant’s installation plans for the satellite dish.

11.17.3. One Dish Limitation. Unless otherwise approved by the Architectural Reviewer, only one Permitted Antenna per Unit is permitted. In the event an acceptable quality signal for video programming or wireless communications cannot be received from one satellite dish, the Owner must provide written notification to the Architectural Reviewer. Upon notification, the Owner will be permitted to install an additional Permitted Antenna if a single Permitted Antenna is not sufficient for the reception of an acceptable quality signal and the use of an additional Permitted Antenna results in the reception of an acceptable quality signal.

11.17.4. Permitted Installation Locations – Generally. An Owner or Occupant may erect a Permitted Antenna (after written notification has been provided to the Architectural Reviewer) **if** the Owner or Occupant has an exclusive use area in which to install the antenna. An “exclusive use area” is an area in which only the Owner or Occupant may enter and use to the exclusion of all other Owners and Occupants. Unless otherwise approved by the Architectural Reviewer, the Permitted Antenna must be entirely within the exclusive use area of the Owner’s Unit.

A Permitted Antenna or the use of a Permitted Antenna may not interfere with satellite or broadcast reception to other Units or the Common Elements, or otherwise be a nuisance to Occupants of other Units or to the Association. A Permitted Antenna exists at the sole risk of the Owner and/or Occupant of the Unit. The Association does not insure the Permitted Antenna and is not liable to the Owner or any other person for any loss or damage to the Permitted Antenna from any cause. The Owner will defend and indemnify the Architectural Reviewer and the Association, its directors, officers, and Members, individually and collectively, against losses due to any and all claims for damages or lawsuits, by anyone, arising from his Permitted Antenna. The Architectural Reviewer may, from time to time, modify, amend, or supplement the rules regarding installation and placement of a Permitted Antenna.

11.17.5. Preferred Installation Locations. A Permitted Antenna may be installed in a location within the Unit from which an acceptable quality signal can be obtained and where least visible from the street and the Regime, other than the Unit. In order of preference, the locations of a Permitted Antenna which will be considered least visible by the Architectural Reviewer are as follows:

- (i) Attached to the back of the residence constructed within the Unit, with no part of the Permitted Antenna any higher than the lowest point of the roofline and screened from view of adjacent Units and the street; then
- (ii) attached to the side of the residence constructed within the Unit, with no part of the Permitted Antenna any higher than the lowest point of the roofline and screened from view of adjacent Units and the street.

11.18. Vehicles; Guest Parking. All vehicles on the Property, whether owned or operated by the Occupants or their families and guests, are subject to this *Section 11.18* and any Rules regulating the types, sizes, numbers, conditions, uses, appearances, and locations of vehicles on the Property. The Board may prohibit any vehicle from which the Board deems to be a nuisance, unsightly, or inappropriate. The Board may prohibit sales, storage, washing, repairs, or restorations of vehicles on the Property. Vehicles that transport inflammatory or explosive cargo are prohibited from the Property at all times. No vehicle may obstruct the flow of traffic, constitute a nuisance, or otherwise create a safety hazard on the Property. The Association may affect the removal of any vehicle in violation of this *Section 11.18* or the Rules without liability to the owner or operator of the vehicle.

11.19. Wireless Internet Systems. A wireless Internet communication network (“WiFi System”) may be installed or otherwise used in a Unit provided precautions are taken to insure against interfering with, disturbing, or intercepting computer, communications, or other permitted electronic signals, networks, or systems installed in other portions of the Regime. The Board may establish reasonable requirements relating to the installation of WiFi Systems that must be complied with, including, without limitation, requiring assurance from the

installation of the system that proper precautions are being taken. Notwithstanding the foregoing, compliance with requirements relating to the installation of WiFi Systems is not a guarantee that any WiFi System installed or otherwise used in a Unit will not interfere with, disturb, or intercept other signals, networks, or systems within the Regime. The Association may require that any WiFi System found to cause such problems be terminated.

11.20. **Variance.** The Property is subject to the restrictions contained in this Article, and subject to the Rules. The Declarant may grant a variance or waiver of a restriction or Rule during the Development Period. The Board, with the Declarant's written consent during the Development Period, may grant a variance or waiver of a restriction or Rule on a case-by-case basis when unique circumstances dictate, and may limit or condition its grant. To be effective, a variance must be in writing and executed by the Declarant and/or a Majority of the Board, as applicable. The grant of a variance shall not constitute a waiver or estoppel of the right to deny a variance in other circumstances.

## ARTICLE 12 UNIT LEASING

12.1. **Lease Conditions.** The leasing of Units is subject to the following conditions: (i) no Unit may be rented for transient or hotel purposes or for a period less than six (6) months; (ii) unless otherwise approved in advance by the Board, not less than an entire Unit may be leased; (iii) all leases must be in writing and must be made subject to the Documents; (iv) an Owner is responsible for providing the Owner's tenant with copies of the Documents and notifying the tenant of changes thereto; and (v) each tenant is subject to and must comply with all provisions of the Documents, and Applicable Law. The Board may adopt additional Rules which further limit the leasing of Units, and shall have the express power and authority to adopt a leasing permit system which limits the number of Units which may be leased at any one time, provided, that the leasing rules and leasing permit system is not otherwise prohibited by the requirements and/or guidelines promulgated by an Underwriting Lender. Notwithstanding the foregoing provision, any additional leasing restrictions and any leasing permit system must be approved in advance and in writing by the Declarant until expiration or termination of the Development Period.

12.2. **Provisions Incorporated By Reference Into Lease.** Each Owner covenants and agrees that any lease of a Unit shall contain the following language and agrees that if such language is not expressly contained therein, then such language shall be incorporated into the lease by existence of this covenant, and the tenant, by occupancy of the Unit, agrees to the applicability of this covenant and incorporation of the following language into the lease:

12.2.1. **Compliance with Documents.** The tenant shall comply with all provisions of the Documents and shall control the conduct of all other Occupants and guests of the leased Unit, as applicable, in order to ensure such compliance. The Owner shall cause all Occupants of the Owner's Unit to comply with the Documents and shall

be responsible for all violations by such Occupants notwithstanding the fact that such Occupants of the Unit are fully liable and may be sanctioned for any such violation. If the tenant or Occupant violates the Documents or a Rule for which a fine is imposed, notice of the violation shall be given to the Owner and the tenant and Occupants, and such fine may be assessed against the Owner or the tenant and Occupant. Unpaid fines shall constitute a lien against the Unit.

12.2.2. Assignment of Rents. If the Owner fails to pay any Assessment or any other charge against the Unit for a period of more than thirty (30) days after it is due and payable, then the Owner hereby consents to the assignment of any rent received from the tenant during the period of delinquency, and, upon request by the Board, the tenant shall pay directly to the Association all unpaid Assessments and other charges payable during and prior to the term of the lease and any other period of occupancy by tenant. The tenant need not make such payments to the Association in excess of, or prior to the due dates for, monthly rental payments unpaid at the time of the Board's request. All such payments made by tenant shall reduce, by the same amount, tenant's obligation to make monthly rental payments to the Owner.

12.2.3. Violation Constitutes Default. Failure by the tenant or the tenant's guests to comply with the Documents, or Applicable Law is deemed to be a default under the lease. When the Association notifies an Owner of such violation, the Owner will promptly obtain compliance or exercise his rights as a landlord for tenant's breach of lease. If the tenant's violation continues or is repeated, and if the Owner is unable, unwilling, or unavailable to obtain his tenant's compliance, then the Association will have the power and right to pursue the remedies of a landlord under the lease or Applicable Law for the default, including eviction of the tenant.

12.2.4. Association as Attorney-in-Fact. Notwithstanding the absence of an express provision in the lease agreement for enforcement of the Documents by the Association, each Owner appoints the Association as the Owner's attorney-in-fact, with full authority to act in the Owner's place in all respects, for the purpose of enforcing the Documents against the Owner's tenants, including but not limited to the authority to institute forcible detainer proceedings, provided the Association gives the Owner at least ten (10) days' notice, by certified mail, of its intent to so enforce the Documents.

12.2.5. Association Not Liable for Damages. The Owner of a leased Unit is liable to the Association, as applicable, for any expenses incurred by either the Association in connection with enforcement of the Documents against the Owner's tenant. The Association will not be liable to the Owner for any damages, including lost rents, suffered by the Owner and related to such enforcement.

**ARTICLE 13**  
**ASSOCIATION OPERATIONS**

13.1. **Board.** Unless the Documents expressly reserve a right, action, or decision to the Owners, Declarant, or another party, the Board acts in all instances on behalf of the Association. Unless the context indicates otherwise, references in the Documents to the "Association" may be construed to mean "the Association acting through a Majority of the Board."

13.2. **The Association.** The duties and powers of the Association are those set forth in the Documents, together with the general and implied powers of a condominium association and a nonprofit corporation organized under the laws of the State of Texas. Generally, the Association may do any and all things that are lawful and necessary, proper, or desirable in operating for the peace, health, comfort, and general benefit of its Members and the Regime, subject only to the limitations on the exercise of such powers as stated in the Documents. The Association comes into existence on issuance of its corporate charter. The Association will continue to exist as long as the Declaration is effective against the Property, regardless of whether its corporate charter lapses from time to time.

13.3. **Name.** A name is not the defining feature of the Association. Although the initial name of the Association is Milky Way Condominium Community, Inc., the Association may operate under any name that is approved by the Board and: (i) filed with the Travis County Clerk as an assumed name; or (ii) filed with the Secretary of State of Texas as the name of the filing entity. Another legal entity with the same name as the Association, or with a name based on the name of the Property, is not the Association, which derives its authority from this Declaration.

13.4. **Duration.** The Association comes into existence on the earlier to occur of the following two events: (i) the date on which the Certificate is filed with the Secretary of State of Texas; or (ii) the date on which a Unit deed is Recorded, evidencing diversity of ownership in the Property (that the Property is not owned entirely by Declarant or its affiliates).

13.5. **Governance.** The Association will be governed by a Board elected by the Members. Unless the Bylaws or Certificate provide otherwise, the Board will consist of at least three (3) persons elected at the annual meeting of the Association, or at a special meeting called for such purpose. The Association will be administered in accordance with the Documents and Applicable Law. Unless the Documents provide otherwise, any action requiring approval of the Members may be approved in writing by Owners representing at least a Majority of the total number of votes in the Association, or at a meeting by Owners' representing at least a Majority of the total number of votes in the Association.

13.6. **Merger.** Merger or consolidation of the Association with another association must be evidenced by an amendment to this Declaration. The amendment must be approved by Owners of at least two-thirds (2/3) of the total number of votes in the Association. On

merger or consolidation of the Association with another association, the property, rights, and obligations of another association may, by operation of Applicable Law, be added to the properties, rights, and obligations of the Association as a surviving corporation pursuant to the merger. The surviving or consolidated association may administer the provisions of the Documents within the Property, together with the covenants and restrictions established on any other property under its jurisdiction. No merger or consolidation, however, will effect a revocation, change, or addition to the covenants established by this Declaration.

13.7. **Membership.** Each Owner is a Member of the Association, ownership of a Unit being the sole qualification for membership. Membership is appurtenant to and may not be separated from ownership of the Unit. The Board may require satisfactory evidence of transfer of ownership before a purported Owner is entitled to vote at a meeting of the Association. If a Unit is owned by more than one Person or entity, each co-owner is a Member of the Association and may exercise the membership rights appurtenant to the Unit.

13.8. **Manager.** The Board may delegate the performance of certain functions to one or more managers or managing agents of the Association. To assist the Board in determining whether to delegate a function, a Guide to Association's Major Management & Governance Functions is attached to this Declaration as Attachment 5. The Guide lists several of the major management and governance functions of a typical residential development with a mandatory owners association. The Guide, however, may not be construed to create legal duties for the Association and its board members, officers, employees, and agents. The Guide is intended as a tool or an initial checklist for the Board to use periodically when considering a delegation of its functions. As a list of functions that owners associations commonly delegate to a manager, the Guide should not be considered as a complete list of the Board's duties, responsibilities, or functions. Notwithstanding any delegation of its functions, the Board is ultimately responsible to the Members for governance of the Association.

13.9. **Books and Records.** The Association will maintain copies of the Documents and the Association's books, records, and financial statements. Books and records of the Association will be made available for inspection and copying pursuant to the requirements of Applicable Law.

13.10. **Indemnification.** The Association indemnifies every officer, director, and committee member (for purposes of this *Section 13.10, "Leaders"*) against expenses, including attorney's fees, reasonably incurred by or imposed on the Leader in connection with any threatened or pending action, suit, or proceeding to which the Leader is a party or respondent by reason of being or having been a Leader. A Leader is not liable for a mistake of judgment. A Leader is liable for his willful misfeasance, malfeasance, misconduct, or bad faith. This right to indemnification does not exclude any other rights to which present or former Leaders may be entitled. As a Common Expense, the Association may maintain general liability and directors and officers' liability insurance to fund this obligation.

13.11. **Obligations of Owners.** Without limiting the obligations of Owners under the Documents, each Owner has the following obligations:

13.11.1. **Information.** Within thirty (30) days after acquiring an interest in a Unit, within thirty (30) days after the Owner has notice of a change in any information required by this Subsection, and on request by the Association from time to time, an Owner will provide the Association with the following information: (i) a copy of the Recorded deed by which Owner has acquired title to the Unit; (ii) the Owner's address, email address, and phone number; (iii) any Mortgagee's name; (iv) the name and phone number and email address of any Occupant other than the Owner; and (v) the name, address, email address, and phone number of Owner's managing agent, if any.

13.11.2. **Pay Assessments.** Each Owner will pay Assessments properly levied by the Association against the Owner or such Owner's Unit and will pay Regular Assessments without demand by the Association.

13.11.3. **Compliance with Documents.** Each Owner will comply with the Documents as amended from time to time.

13.11.4. **Reimburse for Damages.** Each Owner will pay for damage to the Property caused by the negligence or willful misconduct of the Owner, an Occupant of the Owner's Unit, or the Owner or Occupant's family, guests, employees, contractors, agents, or invitees.

13.11.5. **Liability for Violations.** Each Owner is liable to the Association for violations of the Documents by the Owner, an Occupant of the Owner's Unit, or the Owner or Occupant's family, guests, employees, agents, or invitees, and for costs incurred by the Association to obtain compliance, including attorney's fees whether or not suit is filed.

13.12. **Unit Resales.** This *Section 13.12* applies to every sale or conveyance of a Unit or an interest in a Unit by an Owner other than Declarant:

13.12.1. **Resale Certificate.** An Owner intending to sell his Unit will notify the Association and will request a condominium resale certificate from the Association.

13.12.2. **No Right of First Refusal.** The Association does not have a right of first refusal and may not compel a selling Owner to convey the Owner's Unit to the Association.

13.12.3. **Other Transfer-Related Fees.** A number of independent fees may be charged in relation to the transfer of title to a Unit, including but not limited to, fees for resale certificates, estoppel certificates, copies of Documents, compliance inspections, ownership record changes, and priority processing, provided the fees are customary in

amount, kind and number for the local marketplace. Transfer-related fees are not refundable and may not be regarded as a prepayment of or credit against Regular or Special Assessments. Transfer-related fees may be charged by the Association or by the Association's managing agent, provided there is no duplication of fees. Transfer-related fees charged by or paid to a managing agent must have the prior written approval of the Association, are not subject to the Association's assessment lien, and are not payable by the Association. This *Section 13.12.3* does not obligate the Board or the manager to levy transfer-related fees.

13.12.4. **Exclusions.** The requirements of *Section 13.12* do not apply to the following transfers: (i) foreclosure of a mortgagee's deed of trust lien, a tax lien, or the Association's assessment lien; (ii) conveyance by a mortgagee who acquires title by foreclosure or deed in lieu of foreclosure; transfer to, from, or by the Association; (iii) voluntary transfer by an Owner to one or more Co-Owners, or to the Owner's spouse, child, or parent; a transfer by a fiduciary in the course of administering a decedent's estate, guardianship, conservatorship, or trust; a conveyance pursuant to a court's order, including a transfer by a bankruptcy trustee; or (iv) a disposition by a government or governmental agency. Additionally, the requirements of this *Section 13.12* do not apply to the initial conveyance from Declarant.

#### ARTICLE 14 ENFORCING THE DOCUMENTS

14.1. **Notice and Hearing.** Before levying a fine for violation of the Documents (other than nonpayment of Assessments), the Association will give the Owner written notice of the levy and an opportunity to be heard, to the extent required by Applicable Law. The Association's written notice must contain a description of the violation or property damage; the amount of the proposed fine or damage charge; a statement that not later than the thirtieth (30<sup>th</sup>) day after the date of the notice, the Owner may request a hearing before the Board to contest the fine or charge; and a stated date by which the Owner may cure the violation to avoid the fine, unless the Owner was given notice and a reasonable opportunity to cure a similar violation within the preceding twelve (12) months. The Association may also give a copy of the notice to the Occupant of the Unit. Pending the hearing, the Association may continue to exercise all rights and remedies for the violation, as if the declared violation were valid. The Owner's request for a hearing suspends only the levy of a fine or damage charge. The Owner may attend the hearing in person, or may be represented by another person or written communication. The Board may adopt additional or alternative procedures and requirements for notices and hearing, provided they are consistent with Applicable Law.

14.2. **Remedies.** The remedies provided in this *Article 14* for breach of the Documents are cumulative and not exclusive. In addition to other rights and remedies provided by the Documents and by Applicable Law, the Association has the following rights to enforce the Documents:

14.2.1. Nuisance. The result of every act or omission that violates any provision of the Documents is a nuisance, and any remedy allowed by Applicable Law against a nuisance, either public or private, is applicable against the violation.

14.2.2. Fine. The Association may levy reasonable charges, as an Individual Assessment, against an Owner and the Owner's Unit if the Owner or Occupant, or the Owner or Occupant's family, guests, employees, agents, or contractors violate a provision of the Documents. Fines may be levied for each act of violation or for each day a violation continues, and does not constitute a waiver or discharge of the Owner's obligations under the Documents.

14.2.3. Suspension. The Association may suspend the right of Owners and Occupants to use Common Elements (provided that the rights of ingress and egress and utility services are not impaired) for any period during which the Owner or Occupant, or the Owner or Occupant's family, guests, employees, agents, or contractors violate the Documents. A suspension does not constitute a waiver or discharge of the Owner's obligations under the Documents.

14.2.4. Self-Help. The Association has the right to enter a Common Element or Unit to abate or remove, using force as may reasonably be necessary, any Improvement, thing, animal, person, vehicle, or condition that violates the Documents. In exercising this right, the Association is not trespassing and is not liable for damages related to the abatement. The Board may levy its costs of abatement against the Unit and Owner as an Individual Assessment. Unless an emergency situation exists in the good faith opinion of the Board, the Board will give the violating Owner fifteen (15) days' notice of its intent to exercise self-help. Notwithstanding the foregoing, the Association may not alter or demolish any Improvement within a Unit without judicial proceedings.

14.2.5. Suit. Failure to comply with the Documents will be grounds for an action to recover damages or for injunctive relief to cause any such violation to be remedied, or both. Prior to commencing any legal proceeding, the Association will give the defaulting party reasonable notice and an opportunity to cure the violation.

14.3. **Board Discretion**. The Board may use its sole discretion in determining whether to pursue a violation of the Documents, provided the Board does not act in an arbitrary or capricious manner. In evaluating a particular violation, the Board may determine that under the particular circumstances: (i) the Association's position is not sufficiently strong to justify taking any or further action; (ii) the provision being enforced is or may be construed as inconsistent with Applicable Law; (iii) although a technical violation may exist, it is not of such a material nature as to be objectionable to a reasonable Person or to justify expending the Association's resources; or (iv) that enforcement is not in the Association's best interests, based on hardship, expense, or other reasonable criteria.

14.4. **No Waiver.** The Association and every Owner has the right to enforce all restrictions, conditions, covenants, liens, and charges now or hereafter imposed by the Documents. Failure by the Association or by any Owner to enforce a provision of the Documents is not a waiver of the right to do so thereafter.

14.5. **Recovery of Costs.** The costs of curing or abating a violation are the expense of the Owner or other Person responsible for the violation. If legal assistance is obtained to enforce any provision of the Documents, or in any legal proceeding (whether or not suit is brought) for damages or for the enforcement of the Documents or the restraint of violations of the Documents, the prevailing party is entitled to recover from the non-prevailing party all reasonable and necessary costs incurred by it in such action, including reasonable attorneys' fees.

14.6. **Release.** Subject to the Association's obligations under this Declaration, except as otherwise provided by the Documents, each Owner hereby releases, acquits and forever discharges the Association, and its affiliates, parents, members, subsidiaries, officers, directors, agents, employees, predecessors, successors, contractors, consultants, insurers, sureties and assigns and agrees to hold such Persons harmless of and from any and all claims, damages, liabilities, costs and/or expenses (including reasonable attorneys' fees) relating to the construction of, repair or restoration of, or the sale to the Owners of the Units, or the Common Elements. This release shall release and forever discharge the Association and its affiliates, parents, members, subsidiaries, officers, directors, agents, employees, predecessors, successors, contractors, consultants, insurers, sureties and assigns, from all claims and causes of action, whether statutory or under the common law, known or unknown, now accrued, or that arise in the future.

14.7. **Right of Action by Association.** The Association shall not have the power to institute, defend, intervene in, settle or compromise litigation or administrative proceedings: (i) in the name of or on behalf of any Unit Owner (whether one or more); or (ii) pertaining to a Claim, as defined in *Section 20.1.1* below, relating to the design or construction of a Unit (whether one or more). The foregoing sentence is expressly intended to remove from the power of the Association the right, under Section 82.102 of the Act, to institute, defend, intervene in, settle, or compromise litigation or administrative proceedings on behalf of two (2) or more Unit Owners on matters affecting the Regime. This *Section 14.7* may not be amended or modified without Declarant's written and acknowledged consent, which must be part of the Recorded amendment instrument.

## **ARTICLE 15** **INSURANCE**

15.1. **General Provisions.** The broad purpose of this *Article 15* is to require that the Property be insured with the types and amounts of coverage that are customary for similar types of properties and that are acceptable to mortgage lenders, guarantors, or insurers that

finance the purchase or improvement of Units. Because the insurance requirements of mortgage underwriters are subject to change, as are State-promulgated insurance regulations and policies, this Article tries to balance the need for certain minimum insurance requirements with the desire to adapt to a periodically changing insurance environment. The Board will make every reasonable effort to comply with the requirements of this *Article 15*.

15.1.1. Unavailability. The Association, and its directors, officers, and managers, will not be liable for failure to obtain any coverage required by this *Article 15* or for any loss or damage resulting from such failure if the failure is due to the unavailability of a particular coverage from reputable insurance companies, or if the coverage is available only at demonstrably unreasonable cost.

15.1.2. No Coverage. Even if the Association and the Owner have adequate amounts of recommended and required coverages, the Property may experience a loss that is not covered by insurance. In that event, the Association is responsible for restoring the Common Elements as a Common Expense, and the Owner is responsible for restoring such Owner's Unit at Owner's sole expense. This provision does not apply to the deductible portion of a policy.

15.1.3. Requirements. The cost of insurance coverages and bonds maintained by the Association is a Common Expense. Insurance policies and bonds obtained and maintained by the Association must be issued by responsible insurance companies authorized to do business in the State of Texas. The Association must be the named insured on all policies obtained by the Association. The Association's policies should contain the standard mortgage clause naming either the Mortgagee or its servicer followed by "its successors and assigns." The loss payee clause should show the Association as trustee for each Owner and Mortgagee. Policies of property and general liability insurance maintained by the Association must provide that the insurer waives its rights to subrogation under the policy against an Owner. The Association's insurance policies will not be prejudiced by the act or omission of any Owner or Occupant who is not under the Association's control.

15.1.4. Association as Trustee. Each Owner irrevocably appoints the Association, acting through its Board, as the Owner's trustee to negotiate, receive, administer, and distribute the proceeds of any claim against an insurance policy maintained by the Association.

15.1.5. Notice of Cancellation or Modification. Each insurance policy maintained by the Association should contain a provision requiring the insurer to give prior written notice, as provided by the Act, to the Board before the policy may be canceled, terminated, materially modified, or allowed to expire, by either the insurer or the insured. The Board will give to Eligible Mortgagees, and the insurer will give

Mortgagees, prior notices of cancellation, termination, expiration, or material modification.

15.1.6. Deductibles. An insurance policy obtained by the Association may contain a reasonable deductible, and the amount thereof may not be subtracted from the face amount of the policy in determining whether the policy limits satisfy the coverage limits required by this Declaration or an Underwriting Lender. In the event of an insured loss, the deductible is treated as a Common Expense of the Association in the same manner as the insurance premium. However, if the Board reasonably determines that the loss is the result of the negligence or willful misconduct of an Owner or Occupant or their guest or invitee, then the Board may levy an Individual Assessment against the Owner and the Owner's Unit for the amount of the deductible that is attributable to the act or omission, provided the Owner is given notice and an opportunity to be heard in accordance with *Section 14.1* of this Declaration.

15.2. **Property Insurance**. The Association will obtain blanket all-risk insurance if reasonably available, for all Common Elements insurable by the Association. If blanket all-risk insurance is not reasonably available, then at a minimum the Association will obtain an insurance policy providing fire and extended coverage. This insurance must be in an amount sufficient to cover one hundred percent (100%) of the replacement cost of any repair or reconstruction in the event of damage or destruction from any insured hazard. All hazard and flood insurance policies which include any Units must also have the standard mortgagee clause.

15.2.1. Common Property Insured. If insurable, the Association will insure: (i) General Common Elements; (ii) Limited Common Elements assigned to more than one (1) Unit; and (iii) property owned by the Association including, if any, records, furniture, fixtures, equipment, and supplies.

15.2.2. Units Not Insured by Association. In no event will the Association maintain property insurance on the Units. Accordingly, each Owner of a Unit will be obligated to maintain property insurance on such Owner's Unit and any Limited Common Elements assigned exclusively to such Owner's Unit, including any betterments and Improvements constructed within or exclusively serving such Unit, in an amount sufficient to cover one hundred percent (100%) of the replacement cost of any repair or reconstruction in event of damage or destruction from any insured hazard. In addition, the Association does not insure an Owner or Occupant's personal property. THE ASSOCIATION STRONGLY RECOMMENDS THAT EACH OWNER AND OCCUPANT PURCHASE AND MAINTAIN INSURANCE ON THEIR PERSONAL BELONGINGS.

15.2.3. Endorsements. To the extent reasonably available, the Association will obtain endorsements to its property insurance policy if required by an Underwriting

Lender, such as Inflation Guard Endorsement, Building Ordinance or Law Endorsement, and a Special Condominium Endorsement.

15.3. **Liability Insurance.** The Association will maintain a commercial general liability insurance policy over the Common Elements – expressly excluding the liability of each Owner and Occupant within his Unit – for bodily injury and property damage resulting from the operation, maintenance, or use of the Common Elements. The amount of coverage should be at least that required by an Underwriting Lender, to the extent reasonably available. The purpose of this requirement is, in part, to assure mortgage companies that the Association maintains at least minimum levels of insurance coverage. If the policy does not contain a severability of interest provision, it should contain an endorsement to preclude the insurer’s denial of an Owner’s claim because of negligent acts of the Association or other Owners.

15.4. **Worker’s Compensation.** The Association may maintain worker’s compensation insurance if and to the extent necessary to meet the requirements of Applicable Law or if the Board so chooses.

15.5. **Fidelity Coverage.** The Association may maintain blanket fidelity coverage for any Person who handles or is responsible for funds held or administered by the Association, whether or not the Person is paid for his services. The policy should be for an amount that exceeds the greater of: (i) the estimated maximum funds, including reserve funds, that will be in the Association’s custody at any time the policy is in force; or (ii) an amount equal to three (3) months of Regular Assessments on all Units. A management agent that handles Association funds should be covered for its own fidelity insurance policy with the same coverages.

15.6. **Directors And Officers Liability.** The Association may maintain directors and officers liability insurance, errors and omissions insurance, indemnity bonds, or other insurance the Board deems advisable to insure the Association’s directors, officers, committee members, and managers against liability for an act or omission in carrying out their duties in those capacities.

15.7. **Other Policies.** The Association may maintain any insurance policies and bonds deemed by the Board to be necessary or desirable for the benefit of the Association.

## ARTICLE 16

### **RECONSTRUCTION OR REPAIR AFTER LOSS**

16.1. **Subject To Act.** The Association’s response to damage or destruction of the Property will be governed by Section 82.111(i) of the Act. The following provisions apply to the extent the Act is silent.

16.2. **Restoration Funds.** For purposes of this *Article 16*, “**Restoration Funds**” include insurance proceeds, condemnation awards, Deficiency Assessments, Individual Assessments, and other funds received on account of or arising out of injury or damage to the Common

Elements. All funds paid to the Association for purposes of repair or restoration will be deposited in a financial institution in which accounts are insured by a federal agency. Withdrawal of Restoration Funds requires the signatures of at least two (2) Board members.

16.2.1. Sufficient Proceeds. If Restoration Funds obtained from insurance proceeds or condemnation awards are sufficient to repair or restore the damaged or destroyed Common Elements, the Association, as trustee for the Owners, will promptly apply the funds to the repair or restoration.

16.2.2. Insufficient Proceeds. If Restoration Funds are not sufficient to pay the estimated or actual costs of restoration as determined by the Board, the Board may levy a Deficiency Assessment against the Owners to fund the difference.

16.2.3. Surplus Funds. If the Association has a surplus of Restoration Funds after payment of all costs of repair and restoration, the surplus will be applied as follows: if Deficiency Assessments were a source of Restoration Funds, the surplus will be paid to Owners in proportion to their contributions resulting from the Deficiency Assessment levied against them; provided that no Owner may receive a sum greater than that actually contributed by him, and further provided that any Delinquent Assessments owed by the Owner to the Association will first be deducted from the surplus. Any surplus remaining after the disbursement described in the foregoing paragraph will be common funds of the Association to be used as directed by the Board.

### 16.3. Costs And Plans.

16.3.1. Cost Estimates. Promptly after the loss, the Board will obtain reliable and detailed estimates of the cost of restoring the damaged Common Elements. Costs may include premiums for bonds and fees for the services of professionals, as the Board deems necessary, to assist in estimating and supervising the repair.

16.3.2. Plans and Specifications. Common Elements will be repaired and restored substantially as they existed immediately prior to the damage or destruction.

16.4. Owner's Duty to Repair. Within sixty (60) days after the date of damage, the Owner will begin repair or reconstruction of any portion of his Unit, subject to the right of the Association to supervise, approve, or disapprove repair or restoration during the course thereof. Unless otherwise approved by the Architectural Reviewer and the Board, the residence must be repaired and restored substantially in accordance with original construction plans and specifications.

16.5. Owner's Liability For Insurance Deductible. If repair or restoration of Common Elements is required as a result of an insured loss, the Board may levy an Individual Assessment, in the amount of the insurance deductible, against the Owner or Owners who would be responsible for the cost of the repair or reconstruction in the absence of insurance.

**ARTICLE 17**  
**TERMINATION AND CONDEMNATION**

17.1. **Association As Trustee.** Each Owner hereby irrevocably appoints the Association, acting through the Board, as trustee to deal with the Property in the event of damage, destruction, obsolescence, condemnation, or termination of all or any part of the Property. As trustee, the Association will have full and complete authority, right, and power to do all things reasonable and necessary to effect the provisions of this Declaration and the Act, including, without limitation, the right to receive, administer, and distribute funds, awards, and insurance proceeds; to effect the sale of the Property as permitted by this Declaration or by the Act; and to make, execute, and deliver any contract, deed, or other instrument with respect to the interest of an Owner.

17.2. **Termination.** Termination of the terms of this Declaration and the Regime will be governed by Section 82.068 of the Act and *Section 18.3* below.

17.3. **Condemnation.** The Association's response to condemnation of any part of the Regime will be governed by Section 82.007 of the Act. On behalf of Owners, but without their consent, the Board may execute an amendment of this Declaration to reallocate the Common Interest Allocation following condemnation and to describe the altered parameters of the Regime. If the Association replaces or restores Common Elements taken by condemnation by obtaining other land or constructing additional Improvements, the Board may, to the extent permitted by Applicable Law, execute an amendment without the prior consent of Owners to describe the altered parameters of the Regime and any corresponding change of facilities or Improvements.

**ARTICLE 18**  
**MORTGAGEE PROTECTION**

18.1. **Introduction.** This *Article 18* is supplemental to, not a substitution for, any other provision of the Documents. In case of conflict, this *Article 18* controls. Some sections of this *Article 18* apply to "Mortgagees," as defined in *Article 1*. Other sections apply to "Eligible Mortgagees," as defined below.

18.1.1. **Known Mortgagees.** An Owner who mortgages his Unit will notify the Association, giving the complete name and address of the Owner's Mortgagee and the loan number. The Association's obligations to Mortgagees under the Documents extend only to those Mortgagees known to the Association. All actions and approvals required by Mortgagees will be conclusively satisfied by the Mortgagees known to the Association, without regard to other holders of mortgages on Units. The Association may rely on the information provided by Owners and Mortgagees.

18.1.2. Eligible Mortgagees. “**Eligible Mortgagee**” means the holder, insurer, or guarantor of a first purchase money mortgage secured by a Recorded deed of trust lien against a Unit who has submitted to the Association a written notice containing its name and address, the loan number, and the identifying number and street address of the mortgaged Unit. A single notice per Unit will be valid so long as the Eligible Mortgagee holds a mortgage on the Unit. The Board will maintain this information. The Association will treat the notice as the Eligible Mortgagee’s request to be notified of any proposed action requiring the consent of Eligible Mortgagees. A provision of the Documents requiring the approval of a specified percentage of Eligible Mortgagees will be based on the number of Units subject to mortgages held by Eligible Mortgagees. For example, “51 percent of Eligible Mortgagees” means Eligible Mortgagees of fifty-one percent (51%) of the Units that are subject to mortgages held by Eligible Mortgagees.

18.2. Amendment. This *Article 18* establishes certain standards for the benefit of Underwriting Lenders, and is written to comply with their requirements and guidelines in effect at the time of drafting. If an Underwriting Lender subsequently changes its requirements, the Board, without approval of Owners or Mortgagees, may amend this *Article 18* and other provisions of the Documents, as necessary, to meet the requirements of the Underwriting Lender.

18.3. Termination. Termination of the terms of this Declaration and the condominium status of the Regime will be governed by Section 82.068 of the Act, subject to the following provisions. In the event of condemnation of the entire Regime, an amendment to terminate may be executed by the Board without a vote of Owners or Mortgagees. Any election to terminate this Declaration and the condominium status of the Regime under circumstances other than condemnation of the entire Regime shall require the consent of: (i) Owners representing at least eighty percent (80%) of the total votes in the Association; (ii) Declarant during the Development Period; and (iii) sixty-seven percent (67%) of Eligible Mortgagees.

18.4. Implied Approval. The approval of an Eligible Mortgagee is implied when the Eligible Mortgagee fails to respond within sixty (60) days after receiving the Association’s written request for approval of a proposed amendment, provided the Association’s request was delivered by certified or registered mail, return receipt requested.

18.5. Other Mortgagee Rights.

18.5.1. Inspection of Books. The Association will maintain current copies of the Documents and the Association’s books, records, and financial statements. Mortgagees may inspect the Documents and records, by appointment, during normal business hours.

18.5.2. Financial Statements. If a Mortgagee submits a written request, the Association will give the Mortgagee an audited statement for the preceding fiscal year

within one hundred and twenty (120) days after the Association's fiscal year-end. A Mortgagee may have an audited statement prepared at its own expense.

18.5.3. Attendance at Meetings. A representative of an Eligible Mortgagee may attend and address any meeting which an Owner may attend.

18.5.4. Right of First Refusal. This Declaration does not establish a right of first refusal in favor of any party.

18.5.5. Management Contract. If professional management of the Association is required by this *Article 18*, the contract for professional management may not require more than ninety (90) days' notice to terminate the contract, nor payment of a termination penalty.

18.6. Notice of Actions. The Association will use its best efforts to send timely written notice to Eligible Mortgagees of the following actions:

- (i) Any condemnation or casualty loss that affects a material portion of the Regime or the mortgaged Unit.
- (ii) Any sixty (60) day delinquency in the payment of Assessments or charges owed by the Owner of the mortgaged Unit.
- (iii) A lapse, cancellation, or material modification of any insurance policy maintained by the Association.
- (iv) Any proposed action that requires the consent of a specified percentage of Eligible Mortgagees.
- (v) Any proposed amendment of a material nature, as provided in this *Article 18*.
- (vi) Any proposed termination of the condominium status of the Regime.

18.7. Amendments of a Material Nature. A Document amendment of a material nature must be approved by Owners representing at least sixty-seven percent (67%) of the total votes in the Association, and by at least fifty-one percent (51%) of Eligible Mortgagees. **THIS APPROVAL REQUIREMENT DOES NOT APPLY TO AMENDMENTS EFFECTED BY THE EXERCISE OF A DEVELOPMENT RIGHT PROVIDED IN APPENDIX "A" ATTACHED HERETO.** A change to any of the provisions governing the following would be considered material (hereafter a "**Material Amendment**"):

- (i) Voting rights.
- (ii) Assessment liens or the priority of assessment liens.

- (iii) Reductions in reserves for maintenance, repair, and replacement of Common Elements.
- (iv) Responsibility for maintenance and repairs.
- (v) Reallocation of interests in the General Common Elements or Limited Common Elements, or rights to their use; except that when Limited Common Elements are reallocated by Declarant pursuant to any rights reserved by Declarant pursuant to Appendix "A", or by agreement between Owners (only those Owners and only the Eligible Mortgagees holding mortgages against those Units need approve the action).
- (vi) Redefinitions of boundaries of Units, except pursuant to any rights reserved by Declarant pursuant to Appendix "A"
- (vii) Convertibility of Units into Common Elements or Common Elements into Units.
- (viii) Expansion or contraction of the Regime, or the addition, annexation, or withdrawal of property to or from the Regime.
- (ix) Property or fidelity insurance requirements.
- (x) Imposition of any restrictions on the leasing of Units.
- (xi) Imposition of any restrictions on Owners' right to sell or transfer their Units.
- (xii) Restoration or repair of the Regime, in a manner other than that specified in the Documents, after hazard damage or partial condemnation.
- (xiii) Any provision that expressly benefits mortgage holders, insurers, or guarantors.

## ARTICLE 19 AMENDMENTS

19.1. **Consents Required.** As permitted by the Act or by this Declaration, certain amendments to this Declaration may be executed by Declarant acting alone, or by certain Owners acting alone, or by the Board acting alone. Otherwise, amendments to this Declaration must be approved by Owners representing at least sixty-seven percent (67%) of the total votes in the Association. Notice of any amendment to the Declaration which must be approved by Owners, including but not limited to any amendment pursuant to this *Section 19.1*, shall be delivered to each Member in accordance with the Bylaws. In the event

the Regime is submitted and approved by the Secretary of Veterans Affairs and the Veteran Affairs has guaranteed any loans secured by Units in the Regime, all amendments, including any Material Amendment and any Extraordinary Action (as defined below) made to the Declaration, Bylaws or Certificate during the Development Period must be approved by the Secretary of Veterans Affairs or its authorized agent prior to Recording.

In addition, a change to any provision in the Declaration governing the following items (each an “**Extraordinary Action**”) must be approved by Owners representing at least sixty-seven percent (67%) of the votes in the Association:

- (i) Merging or consolidating the Association (other than with another non-profit entity formed for purposes similar to the Association).
- (ii) Determining not to require professional management if that management is required by the Declaration or the Association.
- (iii) The addition of land to the Declaration if the addition would increase the overall land area then subject to the Declaration by more than ten percent (10%).
- (iv) Abandoning, partitioning, encumbering, mortgaging, conveying selling or otherwise transferring or relocating the boundaries of Common Elements with the exception of: (i) granting easements over and across the Common Elements otherwise permitted by this Declaration or the Act; (ii) dedicating all or any portion of a Common Element to the extent required by any governing authority or regulatory authority; (iii) adjustments to the boundary line of Common Elements if made in accordance with the provisions of this Declaration; or (iv) transferring Common Elements pursuant to a merger or consolidation with another entity.
- (v) Using insurance proceeds for purposes other than construction or repair of the insured improvements.
- (vi) Any capital expenditure, other than for the maintenance, operation, repair or replacement of any existing Improvement, if the capital expenditure exceeds more than twenty percent (20%) of the annual operating budget during any period of twelve (12) consecutive months.

19.2. **Amendments Generally.** For amendments requiring the consent of Mortgagees, the Association will send each Mortgagee a detailed description, if not the exact wording, of any proposed amendment. Notwithstanding any provisions in this Declaration to the contrary, no amendment to this Declaration shall modify, alter, abridge or delete any: (i) provision of this Declaration that benefits the Declarant; (ii) rights, privileges, easements, protections, or defenses

of the Declarant; or (iii) rights of the Owners or the Association in relationship to the Declarant, without the written consent of the Declarant, attached to and Recorded with such amendment. In addition, no amendment to this Declaration shall modify, alter, abridge or delete any: (a) permissible use of a Unit absent the consent of the Owner(s) of the Unit affected by the change in permissible use; or (b) any license, easement or other contractual rights contained in this Declaration, including, without limitation, any easement, right and license benefiting or in favor of the Declarant.

19.3. **Effective.** To be effective, an amendment must be in the form of a Recorded written instrument: (i) referencing the name of the Regime, the name of the Association, and the Recording data of this Declaration and any amendments hereto; (ii) signed and acknowledged by an officer of the Association, certifying the requisite approval of Owners and, if required, Mortgagees; provided, however, this subsection (ii) will not apply for amendments that may be unilaterally prosecuted by Declarant pursuant to any rights reserved by Declarant under this Declaration or Appendix "A".

19.4. **Declarant Rights.** Declarant has an exclusive right to unilaterally amend this Declaration for the purposes stated in Appendix "A". An amendment that may be executed by Declarant alone is not required to name the Association or to be signed by an officer of the Association. No amendment may affect the Declarant's rights under this Declaration without Declarant's written and acknowledged consent, which must be part of the Recorded amendment instrument. Because Appendix "A" of this Declaration is destined to become obsolete, beginning seven (7) years after the date this Declaration is first Recorded, the Board may restate, rerecord, or publish this Declaration without Appendix "A". The automatic expiration and subsequent deletion of Appendix "A" does not constitute an amendment of this Declaration. This *Section 19.4* may not be amended without Declarant's advance written and acknowledged consent.

## ARTICLE 20 DISPUTE RESOLUTION

*This Article 20 is intended to encourage the resolution of disputes involving the Property. A dispute regarding the Units, Common Elements, and/or Improvements can create significant financial exposure for the Association and its Members, interfere with the resale and refinancing of Units, prevent or jeopardize approval of the Units by Underwriting Lenders, and increase strife and tension among the Owners, the Board and the Association's management. Since disputes may have a direct effect on each Owner's use and enjoyment of their Unit and the Common Elements, this Article 20 requires Owner transparency and participation in certain circumstances. Transparency means that the Owners are informed in advance about a dispute, the proposed arrangement between the Association and a law firm or attorney who will represent the Association in the dispute, the proposed arrangement between the Association and any inspection company who will prepare the Common Element Report (as defined below) or perform any other investigation or inspection of the Common Elements and/or*

*Improvements related to the dispute, and that each Owner will have an opportunity to participate in the decision-making process prior to initiating the dispute resolution process.*

*For the avoidance of doubt, nothing in this Article 20 is intended to limit the Association's right or obligation to obtain inspection services related to the maintenance, repair and physical condition of the Regime pursuant to Section 9.2 of this Declaration provided that such inspection services are not commissioned by the Association in conjunction with a Unit Construction Claim or a Common Element Construction Claim.*

20.1. **Introduction and Definitions.** The Association, the Owners, Declarant, all Persons subject to this Declaration, and each person not otherwise subject to this Declaration who agrees to submit to this *Article 20* by written instrument delivered to the Claimant, which may include, but is not limited to, a general contractor, sub-contractor, design professional, or other person who participated in the design or construction of Units, Common Elements or any Improvement within, serving, or forming a part of the Regime (individually a "**Party**" and collectively, the "**Parties**") agree to encourage the amicable resolution of disputes involving the Property and to avoid the emotional and financial costs of litigation and arbitration if at all possible. Accordingly, each Party hereby covenants and agrees that this *Article 20* applies to all Claims as hereafter defined.

This *Article 20* may only be amended with the prior written approval of the Declarant, the Association (acting through a Majority of the Board), and Owners holding one-hundred percent (100%) of the votes in the Association.

As used in this *Article 20* only, the following words, when capitalized, have the following specified meanings:

20.1.1. "**Claim**" means:

- (a) Claims relating to the rights and/or duties of Declarant or the Association under the Documents or the Act;
- (b) Claims relating to the acts or omissions of the Declarant or the Board during its control and administration of the Association and/or Regime, any claim asserted against the Architectural Reviewer, and any claims asserted against the Declarant, the Board or a Person serving as a Board member or officer of the Association, or the Architectural Reviewer;
- (c) Claims relating to the design or construction of the Units, Common Elements or any Improvement located within, serving, or forming a part of the Regime; and
- (d) Claims relating to any repair or alteration of the Units, Common Elements, or any Improvement located within, serving, or forming a part of the Regime,

including any Claims related to an alleged failure to perform repairs or for a breach of warranty.

20.1.2. **“Claimant”** means any Party having a Claim against any other Party.

20.1.3. **“Common Element Construction Claim”** means a Claim relating to: (i) the design or construction of the Common Elements or any Improvement located thereon; or (ii) any repair or alteration of the Common Elements, or any Improvement located thereon, including any Claims related to an alleged failure to perform repairs or for a breach of warranty.

20.1.4. **“Construction Claim”** means a Claim defined in *Section 20.1.1(c)* or *Section 20.1.1(d)*.

20.1.5. **“Respondent”** means any Party against which a Claim has been asserted by a Claimant.

20.1.6. **“Unit Construction Claim”** means a Claim relating to: (i) the design or construction of a Unit (whether one or more) or any Improvement located thereon; or (ii) any repair or alteration of a Unit (whether one or more), or any Improvement located thereon, including any Claims related to an alleged failure to perform repairs or for a breach of warranty.

20.2. **Mandatory Procedures: All Claims.** Claimant may not initiate any proceeding before any judge, jury, arbitrator or any other judicial or administrative tribunal seeking redress of resolution of its Claim until Claimant has complied with the mandatory procedures of this *Article 20*. As provided in *Section 20.9* below, a Claim must be resolved by binding arbitration.

20.3. **Mandatory Procedures: Construction Claims.** Failure of a Claimant to comply with the procedures of this *Article 20* for a Construction Claim may result in significant expenses incurred by the Respondent to respond to a Construction Claim that would not have been otherwise incurred had the Claimant followed the procedures and dispute resolution process set forth herein, including attorney fees, court costs and other administrative expenses (the **“Response Costs”**). Notwithstanding any provision contained herein to the contrary, failure by a Claimant to comply with any of the procedural or dispute resolution requirements for a Construction Claim set forth in this *Article 20* shall constitute a material breach of this Declaration and any warranty agreement, entitling the Respondent to recover, from the Claimant, all actual and reasonable Response Costs incurred by Respondent. Moreover, strict compliance with the procedural and dispute resolution requirements of this *Article 20* shall be a condition precedent to any recovery for a Construction Claim. In addition, any failure of the Board members, officers or committee members of the Association to comply with the procedures for a Construction Claim as set forth in this *Article 20* shall prohibit such Board members, officers or committee members of the Association from disclaiming liability for the Response Costs in accordance with Section 22.221(b) of the Texas Business Organizations Code.

Further, and notwithstanding any provision in *Section 13.10* to the contrary, no Board member, officer or committee member of the Association shall be indemnified against Response Costs pursuant to Section 8.051 of the Texas Business Organizations Code if such Board member, officer or committee member of the Association fails to comply with the procedures and dispute resolution process for a Construction Claim as set forth in this *Article 20*.

20.4. **Common Element Construction Claim by the Association.** In accordance with *Section 14.7* of this Declaration, the Association does not have the power or right to institute, defend, intervene in, settle, or compromise litigation, arbitration or other proceedings for: (i) a Construction Claim in the name of or on behalf of any Unit Owner (whether one or more); or (ii) a Unit Construction Claim. Additionally, no Unit Owner shall have the power or right to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings for a Common Element Construction Claim. Each Unit Owner, by accepting an interest in or title to a Unit, hereby grants to the Association the exclusive right to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings for a Common Element Construction Claim. In the event the Association asserts a Common Element Construction Claim, as a precondition to providing the Notice defined in *Section 20.6*, initiating the mandatory dispute resolution procedures set forth in this *Article 20*, or taking any other action to prosecute a Common Element Construction Claim, the Association must:

20.4.1. Obtain Owner Approval of Law Firm, Attorney and Inspection Company. The requirements related to Owner approval set forth in this *Section 20.4.1* are intended to ensure that the Association and the Owners approve and are fully informed of the financial arrangements between the Association and a law firm and/or attorney engaged by the Association to prosecute a Common Element Construction Claim, and any financial arrangements between the Association and the Inspection Company (defined below) or a law firm and/or attorney and the Inspection Company. The agreement between the Association, the law firm or attorney, and/or the Inspection Company may include requirements that the Association pay costs, fees, and expenses to the law firm, attorney, or the Inspection Company which will be paid through Assessments levied against Owners. The financial agreement between the Association, the law firm or attorney, and/or the Inspection Company may also include obligations related to payment, and the conditions and circumstances when the payment obligations arise, if the relationship between the Association, the law firm or attorney, and/or the Inspection Company is terminated, the Association elects not to engage the law firm or attorney or Inspection Company to prosecute or assist with the Common Element Construction Claim, or if the Association agrees to settle the Common Element Construction Claim. In addition, the financial arrangement between the Association, the law firm or attorney, and/or the Inspection Company may include additional costs, expenses, and interest charges. These financial obligations can be significant. The Board may not engage or execute an agreement with a law firm or attorney to investigate or prosecute a Common Element Construction Claim, or engage or execute an agreement between the Association and a law firm or attorney, for the purpose of

preparing a Common Element Report or performing any other investigation or inspection of the Common Elements related to a Common Element Construction Claim unless the law firm or attorney and the financial arrangements between the Association and the law firm or attorney are approved by the Owners in accordance with this *Section 20.4.1*. In addition, the Board may not execute an agreement with an Inspection Company to prepare the Common Element Report or perform any other investigation or inspection of the Common Elements related to a Common Element Construction Claim, unless the Inspection Company and the financial arrangements between the Association and the Inspection Company are approved by the Owners in accordance with this *Section 20.4.1*. For the purpose of the Owner approval required by this *Section 20.4.1*, an engagement, agreement or arrangement between a law firm or attorney and an Inspection Company, if such engagement, agreement or arrangement could result in any financial obligations to the Association, irrespective of whether the Association and law firm or attorney have entered into an engagement or other agreement to prosecute a Common Element Construction Claim, must also be approved by the Owners in accordance with this *Section 20.4.1*. An engagement or agreement described in this paragraph is referred to herein as a “**Claim Agreement**”.

Unless otherwise approved by Members holding sixty-seven percent (67%) of the votes in the Association, the Association, acting through its Board, shall in no event have the authority to enter into a Claim Agreement if the Claim Agreement includes any provision or requirement that would obligate the Association to pay any costs, expenses, fees, or other charges to the law firm or attorney and/or the Inspection Company, including but not limited to, costs, expenses, fees, or other charges payable by the Association: (i) if the Association terminates the Claim Agreement or engages another firm or third-party to assist with the Common Element Construction Claim; (ii) if the Association elects not to enter into a Claim Agreement; (iii) if the Association agrees to settle the Common Element Construction Claim for a cash payment or in exchange for repairs or remediation performed by the Respondent or any other third-party; (iv) if the Association agrees to pay interest on any costs or expenses incurred by the law firm or attorney or the Inspection Company; and/or (v) for consultants, expert witnesses, and/or general contractors hired by the law firm or attorney or the Inspection Company. For avoidance of doubt, it is intended that Members holding sixty-seven percent (67%) of the votes in the Association must approve the law firm and attorney who will prosecute a Common Element Construction Claim and the Inspection Company who will prepare the Common Element Report or perform any other investigation or inspection of the Common Elements related to a Common Element Construction Claim, and each Claim Agreement. All Claim Agreements must be in writing. The Board shall not have the authority to pay any costs, expenses, fees, or other charges to a law firm, attorney or the Inspection Company unless the Claim Agreement is in writing and approved by the Owners in accordance with this *Section 20.4.1*.

The approval of the Members required under this *Section 20.4.1* must be obtained at a meeting of Members called in accordance with the Bylaws. The notice of Member meeting will be provided pursuant to the Bylaws but the notice must also include: (a) the name of the law firm and attorney and/or the Inspection Company; (b) a copy of each Claim Agreement; (c) a narrative summary of the types of costs, expenses, fees, or other charges that may be required to be paid by the Association under any Claim Agreement; (d) the conditions upon which such types of costs, expenses, fees, or other charges are required to be paid by the Association under any Claim Agreement; (e) an estimate of the costs, expenses, fees, or other charges that may be required to be paid by the Association if the conditions for payment under the Claim Agreement occur, which estimate shall be expressed as a range for each type of cost, expense, fee, or other charge; and (f) a description of the process the law firm, attorney and/or the Inspection Company will use to evaluate the Common Element Construction Claim and whether destructive testing will be required (i.e., the removal of all or portions of the Common Elements, Units, or Improvements). If destructive testing will be required or is likely to occur, the notice shall include a description of the destructive testing, likely locations of the destructive testing, whether the Owner's use of their Units or the Common Elements will be affected by such testing, and if the destructive testing occurs the means or method the Association will use to repair the Common Elements, Units, or Improvements affected by such testing, the estimated costs thereof, and an estimate of Assessments that may be levied against the Owners for such repairs. The notice required by this paragraph must be prepared and signed by a person other than the law firm or attorney who is a party to the proposed Claim Agreement being approved by the Members. In the event Members holding sixty-seven percent (67%) of the votes in the Association approve the law firm and/or attorney who will prosecute the Common Element Construction Claim, and the Inspection Company who will prepare the Common Element Report or perform any other investigation or inspection of the Common Elements related to a Common Element Construction Claim, and the Claim Agreement(s), the Board shall have the authority to engage the law firm and/or attorney, and the Inspection Company, and enter into the Claim Agreement approved by the Members.

20.4.2. Provide Notice of the Investigation or Inspection. As provided in *Section 20.4.3* below, a Common Element Report is required which is a written inspection report issued by the Inspection Company. Before conducting an investigation or inspection that is required to be memorialized by the Common Element Report, the Association must have provided at least ten (10) days prior written notice of the date on which the investigation or inspection will occur to each Respondent which notice shall identify the Inspection Company preparing the Common Element Report, the specific Common Elements to be investigated or inspected, and the date and time the investigation or inspection will occur. Each Respondent may attend the investigation or inspection, personally or through an agent.

20.4.3. Obtain a Common Element Report. The requirements related to the Common Element Report set forth in this *Section 20.4.3* are intended to provide

assurance to the Claimant, Respondent, and the Owners that the substance and conclusions of the Common Element Report and recommendations are not affected by influences that may compromise the professional judgement of the party preparing the Common Element Report, and to avoid circumstances which would create the appearance that the professional judgment of the party preparing the Common Element Report is compromised.

Obtain a written independent third-party report for the Common Elements (the “**Common Element Report**”) from a professional engineer licensed by the Texas Board of Professional Engineers with an office located in Travis County, Texas (the “**Inspection Company**”). The Common Element Report must include: (i) a description with photographs of the Common Elements subject to the Common Element Construction Claim; (ii) a description of the present physical condition of the Common Elements subject to the Common Element Construction Claim; (iii) a detailed description of any modifications, maintenance, or repairs to the Common Elements performed by the Association or a third-party, including any Respondent; and (iv) specific and detailed recommendations regarding remediation and/or repair of the Common Elements subject to the Common Element Construction Claim. For the purpose of subsection (iv) of the previous sentence, the specific and detailed recommendations must also include the specific process, procedure, materials, and/or improvements necessary and required to remediate and/or repair the deficient or defective condition identified in the Common Element Report and the estimated costs necessary to effect such remediation and/or repairs. The estimate of costs required by the previous sentence shall be obtained from third-party contractors with an office located in Travis County, Texas, and each such contractor providing the estimate must hold all necessary or required licenses from the Texas Department of Licensing and Regulation or otherwise required by Applicable Law for the work to which the cost estimate relates.

The Common Element Report must be obtained by the Association. The Common Element Report will not satisfy the requirements of this Section and is not an “independent” report if: (a) the Inspection Company has an arrangement or other agreement to provide consulting and/or engineering services with the law firm or attorney that presently represents the Association or proposes to represent the Association; (b) the costs and expenses for preparation of the Common Element Report are not required to be paid directly by the Association to the Inspection Company at the time the Common Element Report is finalized and delivered to the Association; or (c) the law firm or attorney that presently represents the Association or proposes to represent the Association has agreed to reimburse (whether unconditional or conditional and based on the satisfaction of requirements set forth in the Association’s agreement with the law firm or attorney) the Association for the costs and expenses for preparation of the Common Element Report. For avoidance of doubt, an “independent” report means that the Association has independently contracted with the Inspection Company on an arms-length basis based on customary terms for the preparation of engineering reports and that the Association will directly pay for the report at the time the Common Element Report is finalized and delivered to the Association.

20.4.4. Provide a Copy of Common Element Report to all Respondents and Owners. Upon completion of the Common Element Report, and in any event no later than three (3) days after the Association has been provided a copy of the Common Element Report, the Association will provide a full and complete copy of the Common Element Report to each Respondent and to each Owner. The Association shall maintain a written record of each Respondent and Owner who was provided a copy of the Common Element Report which will include the date the report was provided. The Common Element Report shall be delivered to each Respondent by hand-delivery and to each Owner by mail.

20.4.5. Provide a Right to Cure Defects and/or Deficiencies Noted on Common Element Report. Commencing on the date the Common Element Report has been completed and continuing for a period of ninety (90) days thereafter, each Respondent shall have the right to: (i) inspect any condition identified in the Common Element Report; (ii) contact the Inspection Company for additional information necessary and required to clarify any information in the Common Element Report; and (iii) correct any condition identified in the Common Element Report. As provided in *Section 4.11* above, the Declarant has an easement throughout the Property for itself, and its successors, assigns, architects, engineers, other design professionals, builders, and general contractors that may be utilized during such ninety (90) day period and any additional period needed thereafter to correct a condition identified in the Common Element Report.

20.4.6. Hold Owner Meeting and Obtain Approval. In addition to obtaining approval from Members for the terms of any Claim Agreement, the Association must obtain approval from Members holding sixty-seven percent (67%) of the votes in the Association to provide the Notice described in *Section 20.6*, initiate the mandatory dispute resolution procedures set forth in this *Article 20*, or take any other action to prosecute a Common Element Construction Claim, which approval from Members must be obtained at a meeting of Members called in accordance with the Bylaws. The notice of meeting required hereunder will be provided pursuant to the Bylaws but the notice must also include: (i) the nature of the Common Element Construction Claim, the relief sought, the anticipated duration of prosecuting the Common Element Construction Claim, and the likelihood of success; (ii) a copy of the Common Element Report; (iii) a copy of any Claim Agreement between the Association and the law firm and/or attorney selected by the Association to assert or provide assistance with the Common Element Construction Claim; (iv) a description of the attorney fees, consultant fees, expert witness fees, and court costs, whether incurred by the Association directly or for which the Association may be liable as a result of prosecuting the Common Element Construction Claim; (v) a summary of the steps previously taken by the Association to resolve the Common Element Construction Claim; (vi) a statement that initiating the lawsuit or arbitration proceeding to resolve the Common Element Construction Claim may affect the market value, marketability, or refinancing of a Unit while the Common

Element Construction Claim is prosecuted; and (vii) a description of the manner in which the Association proposes to fund the cost of prosecuting the Common Element Construction Claim. The notice required by this paragraph must be prepared and signed by a person who is not (a) the attorney who represents or will represent the Association in the Common Element Construction Claim; (b) a member of the law firm of the attorney who represents or will represent the Association in the Common Element Construction Claim; or (c) employed by or otherwise affiliated with the law firm of the attorney who represents or will represent the Association in the Common Element Construction Claim. In the event Members approve providing the Notice described in *Section 20.6*, or taking any other action to prosecute a Common Element Construction Claim, the Members holding a Majority of the votes in the Association, at a special meeting called in accordance with the Bylaws, may elect to discontinue prosecution or pursuit of the Common Element Construction Claim.

**20.5. Unit Construction Claim by Owners.** Class action proceedings are prohibited, and no Unit Owner shall be entitled to prosecute, participate, initiate, or join any litigation, arbitration or other proceedings as a class member or class representative in any such proceedings under this Declaration. In the event an Owner asserts a Unit Construction Claim, as a precondition to providing the Notice defined in *Section 20.6*, initiating the mandatory dispute resolution procedures set forth in this *Article 20*, or taking any other action to prosecute a Unit Construction Claim, the Owner must:

**20.5.1. Provide Notice of the Investigation or Inspection.** As provided in *Section 20.4.2* below, a Unit Report is required which is a written inspection report issued by the Inspection Company. Before conducting an investigation or inspection that is required to be memorialized by the Unit Report, the Owner must have provided at least ten (10) days prior written notice of the date on which the investigation or inspection will occur to each Respondent which notice shall identify the Inspection Company preparing the Unit Report, the Unit and areas of the Unit to be investigated or inspected, and the date and time the investigation or inspection will occur. Each Respondent may attend the investigation or inspection, personally or through an agent.

**20.5.2. Obtain a Unit Report.** *The requirements related to the Unit Report set forth in this Section 20.4.2 are intended to provide assurance to the Claimant and Respondent that the substance and conclusions of the Unit Report and recommendations are not affected by influences that may compromise the professional judgement of the party preparing the Unit Report, and to avoid circumstances which would create the appearance that the professional judgment of the party preparing the Unit Report is compromised.*

Obtain a written independent third-party report for the Unit (the “Unit Report”) from an Inspection Company. The Unit Report must include: (i) a description with photographs of the Unit and portions of the Unit subject to the Unit Construction Claim; (ii)

a description of the present physical condition of the Unit; (iii) a detailed description of any modifications, maintenance, or repairs to the Unit performed by the Owner or a third-party, including any Respondent; (iv) specific and detailed recommendations regarding remediation and/or repair of the Unit. For the purpose of subsection (iv) of the previous sentence, the specific and detailed recommendations must also include the specific process, procedure, materials, and/or improvements necessary and required to remediate and/or repair the deficient or defective condition identified in the Unit Report and the estimated costs necessary to effect such remediation and/or repairs. The estimate of costs required by the previous sentence shall be obtained from third-party contractors with an office located in Travis County, Texas, and each such contractor providing the estimate must hold all necessary or required licenses from the Texas Department of Licensing and Regulation or otherwise required by Applicable Law for the work to which the cost estimate relates.

The Unit Report must be obtained by the Owner. The Unit Report will not satisfy the requirements of this Section and is not an "independent" report if: (a) the Inspection Company has an arrangement or other agreement to provide consulting and/or engineering services with the law firm or attorney that presently represents the Owner or proposes to represent the Owner; (b) the costs and expenses for preparation of the Unit Report are not directly paid by the Owner to the Inspection Company no later than the date the Unit Report is finalized and delivered to the Owner; or (c) the law firm or attorney that presently represents the Owner or proposes to represent the Owner has agreed to reimburse (whether unconditional or conditional and based on the satisfaction of requirements set forth in the Owner's agreement with the law firm or attorney) the Owner for the costs and expenses for preparation of the Unit Report. For avoidance of doubt, an "independent" report means that the Owner has independently contracted with the Inspection Company on an arms-length basis based on customary terms for the preparation of engineering reports and that the Owner will directly pay for the report no later than the date the Unit Report is finalized and delivered to the Owner.

20.5.3. Provide a Copy of Unit Report to all Respondents. Upon completion of the Unit Report, and in any event no later than three (3) days after the Owner has been provided a copy of the Unit Report, the Owner will provide a full and complete copy of the Unit Report to each Respondent. The Owner shall maintain a written record of each Respondent who was provided a copy of the Unit Report which will include the date the report was provided. The Unit Report shall be delivered to each Respondent by hand-delivery and to each Owner by mail.

20.5.4. Right to Cure Defects and/or Deficiencies Noted on Unit Report. Commencing on the date the Unit Report has been completed and continuing for a period of ninety (90) days thereafter, each Respondent shall have the right to: (i) inspect any condition identified in the Unit Report; (ii) contact the Inspection Company for additional information necessary and required to clarify any information in the Unit Report; and (iii) correct any condition identified in the Unit Report. As provided in

*Section 3.11* above, the Declarant has an easement throughout the Property for itself, and its successors, assigns, architects, engineers, other design professionals, builders, and general contractors that may be utilized during such ninety (90) day period and any additional period needed thereafter to correct a condition identified in the Unit Report.

**20.5.5. Common Element Construction Claim.** Pursuant to *Section 20.4* above, a Unit Owner does not have the power or right to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings for a Common Element Construction Claim. In the event that a court of competent jurisdiction determines that a Unit Owner does have the power or right to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings for a Common Element Construction Claim, such Unit Owner shall be required, since a Common Element Construction Claim could affect all Owners, as a precondition to providing the Notice defined in *Section 20.6*, initiating the mandatory dispute resolution procedures set forth in this *Article 20*, or taking any other action to prosecute a Common Element Construction Claim, to comply with the requirements imposed by the Association in accordance with *Section 20.4.2* (Provide Notice of Inspection), *Section 20.4.3* (Obtain a Common Element Report), *Section 20.4.4* (Provide a Copy of Common Element Report to all Respondents and Owners), *Section 20.4.5* (Provide Right to Cure Defects and/or Deficiencies Noted on Common Element Report), *Section 20.4.6* (Owner Meeting and Approval), and *Section 20.6* (Notice).

**20.6. Notice.** Claimant must notify Respondent in writing of the Claim (the “**Notice**”), stating plainly and concisely: (i) the nature of the Claim, including date, time, location, persons involved, and Respondent’s role in the Claim; (ii) the basis of the Claim (*i.e.*, the provision of the Documents or other authority out of which the Claim arises); (iii) what Claimant wants Respondent to do or not do to resolve the Claim; and (iv) that the Notice is given pursuant to this *Section 20.6*. For Construction Claims governed by Chapter 27 of the Texas Property Code, the time period for negotiation in *Section 20.7* below, is equivalent to the sixty (60) day period under Section 27.004 of the Texas Property Code. If a Construction Claim is subject to Chapter 27 of the Texas Property Code, the Claimant and Respondent are advised, in addition to compliance with *Section 20.7*, to comply with the terms and provisions of Section 27.004 during such sixty (60) day period. *Section 20.7* does not modify or extend the time period set forth in Section 27.004 of the Texas Property Code. Failure to comply with the time periods or actions specified in Section 27.004 could affect a Construction Claim. The one hundred and twenty (120) day period for mediation set forth in *Section 20.8* below, is intended to provide the Claimant and Respondent with sufficient time to resolve the Claim in the event resolution is not accomplished during negotiation. If the Claim is not resolved during negotiation, mediation pursuant to *Section 20.8* is required without regard to the monetary amount of the Claim.

If the Claimant is the Association and for a Common Element Construction Claim, the Notice will also include: (a) a true and correct copy of the Common Element Report, and any

and all other reports, studies, analyses, and recommendations obtained by the Association related to the Common Elements; (b) a copy of any Claim Agreement; (c) reasonable and credible evidence confirming that Members holding sixty-seven percent (67%) of the votes in the Association approved the law firm and attorney and the written agreement between the Association and the law firm and/or attorney in accordance with *Section 20.4.1*; (d) a true and correct copy of the special meeting notice provided to Members in accordance with *Section 20.4.6* above; and I reasonable and credible evidence confirming that Members holding sixty-seven percent (67%) of the votes in the Association approved providing the Notice. If the Claimant is not the Association and the Claim is a Unit Construction Claim, the Notice will also include a true and correct copy of the Unit Report.

20.7. **Negotiation.** Claimant and Respondent will make every reasonable effort to meet in person to resolve the Claim by good faith negotiation. Within sixty (60) days after Respondent's receipt of the Notice, Respondent and Claimant will meet at a mutually-acceptable place and time to discuss the Claim. If the Claim involves all or any portion of the Property, then at such meeting or at some other mutually-agreeable time, Respondent and Respondent's representatives will have full access to the Property that is subject to the Claim for the purposes of inspecting the Property.

20.8. **Mediation.** If the parties negotiate but do not resolve the Claim through negotiation within one hundred twenty (120) days from the date of the Notice (or within such other period as may be agreed on by the parties), Claimant will have thirty (30) additional days within which to submit the Claim to mediation under the auspices of a mediation center or individual mediator on which the parties mutually agree. The mediator must have at least five (5) years of experience serving as a mediator and must have technical knowledge or expertise appropriate to the subject matter of the Claim. If Claimant does not submit the Claim to mediation within the thirty (30) day period, Respondent will submit the Claim to mediation in accordance with this *Section 20.8*. If the Parties do not settle the Claim within thirty (30) days after submission to mediation, Respondent or Claimant may initiate arbitration proceedings in accordance with *Section 20.9*.

20.9. **Binding Arbitration – Claims.** All Claims must be settled by binding arbitration. Claimant or Respondent may, by summary proceedings (e.g., a plea in abatement or motion to stay further proceedings), bring an action in court to compel arbitration of any Claim not referred to arbitration as required by this *Section 20.9*.

20.9.1. **Governing Rules.** If a Claim has not been resolved by mediation in accordance with *Section 20.8*, the Claim will be resolved by binding arbitration in accordance with the terms of this *Section 20.9* and the American Arbitration Association (the "AAA") Construction Industry Arbitration Rules and Mediation Procedures and, if applicable, the rules contained in the AAA Supplementary Procedures for Consumer Related Disputes, as each are supplemented or modified by AAA (collectively, the Construction Industry Arbitration Rules and Mediation Procedures and AAA

Supplementary Procedures for Consumer Related Disputes are referred to herein as the “AAA Rules”). In the event of any inconsistency between the AAA Rules and this *Section 20.9*, this *Section 20.9* will control. Judgment upon the award rendered by the arbitrator shall be binding and not subject to appeal, but may be reduced to judgment in any court having jurisdiction. Notwithstanding any provision to the contrary or any applicable rules for arbitration, any arbitration with respect to Claims arising hereunder shall be conducted by a panel of three (3) arbitrators, to be chosen as follows: (i) one (1) arbitrator shall be selected by the Respondent, in its sole and absolute discretion; (ii) one (1) arbitrator shall be selected by the Claimant, in its sole and absolute discretion; and (iii) one (1) arbitrator shall be selected by mutual agreement of the arbitrators having been selected by Respondent and the Claimant, in their sole and absolute discretion.

20.9.2. Exceptions to Arbitration; Preservation of Remedies. No provision of, nor the exercise of any rights under, this *Section 20.9* will limit the right of Claimant or Respondent, and Claimant and Respondent will have the right during any Claim, to seek, use, and employ ancillary or preliminary remedies, judicial or otherwise, for the purposes of realizing upon, preserving, or protecting upon any property, real or personal, that is involved in a Claim, including, without limitation, rights and remedies relating to: (i) exercising self-help remedies (including set-off rights); or (ii) obtaining provisions or ancillary remedies such as injunctive relief, sequestration, attachment, garnishment, or the appointment of a receiver from a court having jurisdiction before, during, or after the pendency of any arbitration. The institution and maintenance of an action for judicial relief or pursuit of provisional or ancillary remedies or exercise of self-help remedies shall not constitute a waiver of the right of any party, to submit the Claim to arbitration nor render inapplicable the compulsory arbitration provisions hereof.

20.9.3. Statute of Limitations. All statutes of limitations that would otherwise be applicable shall apply to any arbitration proceeding under this *Section 20.9*.

20.9.4. Scope of Award; Modification or Vacation of Award. The arbitrator shall resolve all Claims in accordance with the Applicable Law. The arbitrator may grant any remedy or relief that the arbitrator deems just and equitable and within the scope of this *Section 20.9* and subject to *Section 20.10*; provided, however, attorney’s fees and costs may not be awarded by the arbitrator to either Claimant or Respondent. In addition, for a Construction Claim, or any portion of a Construction Claim governed by Chapter 27 of the Texas Property Code, or any successor statute, in no event shall the arbitrator award damages which exceed the damages a Claimant would be entitled to under Chapter 27 of the Texas Property Code, except that the arbitrator may not award attorney’s fees and/or costs to either Claimant or Respondent. In all arbitration proceedings, the arbitrator shall make specific, written findings of fact and conclusions of law. In all arbitration proceedings the parties shall have the right to seek vacation or

modification of any award that is based in whole, or in part, on: (i) factual findings that have no legally or factually sufficient evidence, as those terms are defined in Texas law; (ii) conclusions of law that are erroneous; (iii) an error of Applicable Law; or (iv) a cause of action or remedy not expressly provided under Applicable Law. In no event may an arbitrator award speculative, special, exemplary, treble or punitive damages for any Claim.

20.9.5. Other Matters. To the maximum extent practicable, an arbitration proceeding hereunder shall be concluded within one hundred and eighty (180) days of the filing of the Claim for arbitration. Arbitration proceedings hereunder shall be conducted in Travis County, Texas. Unless otherwise provided by this *Section 20.9*, the arbitrator shall be empowered to impose sanctions and to take such other actions as the arbitrator deems necessary to the same extent a judge could pursuant to the Federal Rules of Civil Procedure, the Texas Rules of Civil Procedure and Applicable Law. Claimant and Respondent agree to keep all Claims and arbitration proceedings strictly confidential, except for disclosures of information required in the ordinary course of business of the parties or by Applicable Law. In no event shall Claimant or Respondent discuss with the news media or grant any interviews with the news media regarding a Claim or issue any press release regarding any Claim without the written consent of the other parties to the Claim.

20.10. Allocation of Costs. Notwithstanding any provision in this Declaration to the contrary, each Party bears all of its own costs incurred prior to and during the proceedings described in the Notice, Negotiation, Mediation, and Arbitration sections above, including its attorney's fees. Respondent and Claimant will equally divide all expenses and fees charged by the mediator and arbitrator.

20.11. General Provisions. A release or discharge of Respondent from liability to Claimant on account of the Claim does not release Respondent from liability to persons who are not party to Claimant's Claim.

20.12. Period of Limitation.

20.12.1. For Actions by an Owner or Occupant of a Unit. The exclusive period of limitation for any of the Parties to bring any Claim shall be the earliest of: (i) for a Construction Claim, two (2) years and one (1) day from the date that the Owner or Occupant discovered or reasonably should have discovered evidence of the Construction Claim; (ii) for Claims other than Construction Claims, four (4) years and one (1) day from the date that the Owner or Occupant discovered or reasonably should have discovered evidence of the Claim; or (iii) the applicable statute of limitations for such Claim. In the event that a court of competent jurisdiction determines that a Unit Owner does have the power or right to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings for a Common Element

Construction Claim, the exclusive period of limitation for such Common Element Construction Claim, shall be the earliest of: (a) two (2) years and one (1) day from the date that the Owner or the Association discovered or reasonably should have discovered evidence of the Common Element Construction Claim; or (b) the applicable statute of limitations for the Common Element Construction Claim. In no event shall this *Section 20.12.1* be interpreted to extend any period of limitations.

20.12.2. For Actions by the Association. The exclusive period of limitation for the Association to bring any Claim shall be the earliest of: (i) for a Common Element Construction Claim, two (2) years and one (1) day from the date that the Association or its manager, board members, officers, or agents discovered or reasonably should have discovered evidence of the Common Element Construction Claim; (ii) for Claims other than a Common Element Construction Claim, four (4) years and one (1) day from the date that the Association or its manager, board members, officers, or agents discovered or reasonably should have discovered evidence of the Claim; or (iii) the applicable statute of limitations for such Claim. In no event shall this *Section 20.12.2* be interpreted to extend any period of limitations.

20.13. Funding the Resolution of Claims. The Association must levy a Special Assessment to fund estimated costs to resolve a Construction Claim pursuant to this *Article 20*. The Association may not use its annual operating income or reserve funds to fund the costs to resolve a Construction Claim unless the Association has previously established and funded a dispute resolution fund.

### GUIDE TO THE ASSOCIATION'S EXAMINATION OF COMMON ELEMENTS

This Guide provides information to assist the Board in conducting an annual examination of the Common Elements for the purpose maintaining replacement and repair reserves at a level that anticipates the scheduled replacement or major repair of components of the General Common Elements maintained by the Association. The annual examination is required by *Section 9.2* of the Declaration and is a necessary prerequisite to establishing sufficient reserves as required by *Section 6.10* of the Declaration. Additional information on conducting the examination may be obtained from the Community Associations Institute and their publication, *The National Reserve Study Standards of the Community Associations Institute*. See [www.caionline.org](http://www.caionline.org). In addition, the Community Associations Institute provides certification for qualified preparers of reserve studies, known as a "Reserve Professionals Designation" (R.S.). Neither this Declaration or current law requires that the Board engage an individual holding a Reserve Professional Designation for the purpose of conducting the annual examination of the Common Elements. Because laws and practices change over time, the Board should not use this Guide without taking into account applicable changes in law and practice.

#### **Developing a Plan**

In developing a plan, the age and condition of Common Elements maintained by the Association must be considered. The possibility that new types of material, equipment, or maintenance processes associated with the repair and/or maintenance of Common Elements should also be taken into account. The individual or company who prepares the examination calculates a suggested annual funding amount and, in doing so, may consider such factors as which components are included, estimated replacement costs of the components, useful lives of the components, inflation, and interest on reserve account balances or other earnings rates. Annual contributions to the replacement fund from annual assessments are based on this examination or reserve study. A reserve study generally includes the following:

- Identification and analysis of each major component of Common Elements maintained by the Association
- Estimates of the remaining useful lives of the components
- Estimates of the costs of replacements or repairs
- A cash flow projection showing anticipated changes in expenditures and contributions over a time period generally ranging between 20 and 30 years
- The "Funding Goal" which is generally one of the following:
  - Component Full Funding: Attaining, over a period of time, and maintaining, once the initial goal is achieved, a cumulative reserve account cash balance necessary to discharge anticipated expenditures at or near 100 percent; or

- Threshold Funding: Maintaining the reserve account cash balance above a specified dollar or percent funded amount.

Note that Threshold Funding will increase the likelihood that special assessments will be required to fund major repairs and replacements. For example, one study has shown that a Threshold Funding goal of 40 to 50% results in a 11.2% chance that the Association will be unable to fund repairs and replacement projects in the next funding year. See "Measuring the Adequacy of Reserves", *Common Ground*, July/August 1997. The same study found that Component Full Funding reduces this likelihood to between .09 and 1.4%.

### **Finding Common Element Component Replacement Information**

Common Element component replacement information may be obtained from contractors, suppliers, technical specialists, "Reserve Study" specialist or from using tables in technical manuals on useful lives of various components. The specific components of Common Elements include, but are not limited to roads, recreational facilities, and furniture and equipment owned or maintained by the Association. Components covered by maintenance contracts may be excluded if the contracts include maintenance and replacement of the components. The Board must also include within their overall budget a deferred maintenance account for those components requiring periodic maintenance which does not occur annually.

ATTACHMENT 5GUIDE TO ASSOCIATION'S MAJOR MANAGEMENT & GOVERNANCE FUNCTIONS

This Guide lists several of the major management and governance functions of a typical residential development with a mandatory owners association. The Board may, from time to time, use this Guide to consider what functions, if any, to delegate to one or more managers, managing agents, employees, or volunteers. Because laws and practices change over time, the Board should not use this Guide without taking account of applicable changes in law and practices.

APPENDIX "A"

## DECLARANT RESERVATIONS

**A.1. General Provisions.**

A.1.1. Introduction. Declarant intends the Declaration to be perpetual and understands that provisions pertaining to the initial development, construction, marketing, and control of the Property will become obsolete when Declarant's role is complete. As a courtesy to future users of the Declaration, who may be frustrated by then-obsolete terms, Declarant is compiling Declarant-related provisions in this Appendix.

A.1.2. General Reservation and Construction. Notwithstanding other provisions of the Documents to the contrary, nothing contained therein may be construed to, nor may any Mortgagee, other Owner, or the Association, prevent or interfere with the rights contained in this Appendix which Declarant hereby reserves exclusively unto itself and its successors and assigns. In case of a conflict between this Appendix "A" and any other Document, this Appendix "A" controls. This Appendix may not be amended without the prior written consent of Declarant. The terms and provisions of this Appendix must be construed liberally to give effect to Declarant's intent to protect Declarant's interests in the Property.

A.1.3. Purpose of Development and Declarant Control Periods. This Appendix gives Declarant certain rights during the Development Period and Declarant Control Period to ensure a complete and orderly sellout of the Property, which is ultimately for the benefit and protection of Owners and Mortgagees. The "**Development Period**", as specifically defined in *Section 1.16* of the Declaration, means the seven (7) year period beginning on the date this Declaration is Recorded, unless such period is earlier terminated by Declarant's Recordation of a notice of termination. The Declarant Control Period is defined in *Section 1.14* of the Declaration.

A.1.4. Assignment of Declarant's Rights. Notwithstanding any provision in this Declaration to the contrary, Declarant may, by Recorded written instrument, assign, in whole or in part, exclusively or nonexclusively, any of its privileges, exemptions, rights, reservations and duties under this Declaration to any person or entity. Declarant may also, by Recorded instrument, permit any other person or entity to participate in whole, in part, exclusively, or non-exclusively, in any of Declarant's privileges, exemptions, rights, and duties hereunder.

**A.2. Declarant Control Period Reservations.** For the benefit and protection of Owners and Mortgagees, and for the purpose of ensuring a complete and orderly build-out and sellout of the Property, Declarant will retain control of the Association, subject to the following:

A.2.1. Appointment of Board and Officers. Declarant may appoint, remove, and replace each officer or director of the Association, none of whom need be Members or Owners, and each of whom is indemnified by the Association as a "Leader," subject to the following limitations: (i) within one hundred and twenty (120) days after fifty percent (50%) of the total number of Units that may be created have been conveyed to Owners other than Declarant, at least one-third of the Board members must be elected by the Owners other than Declarant; and (ii) within one hundred and twenty (120) days after seventy-five percent (75%) of the total number of Units that may be created have been conveyed to Owners other than Declarant, all Board members must be elected by all Owners, including the Declarant. Notwithstanding the foregoing, the Declarant Control Period expires no later than seven (7) years after the Declaration is Recorded.

A.2.2. Obligation for Assessments. For each Unit owned by Declarant, Declarant is liable for Special Assessments, Individual Assessments, and Deficiency Assessments in the same manner as any Owner. Regarding Regular Assessments, Declarant at Declarant's option may support the Association's budget by either of the following methods: (i) Declarant will pay Regular Assessments on each Declarant owned Unit in the same manner as any Owner; or (ii) Declarant will assume responsibility for the difference between the Association's actual operational expenses as they are paid and the Regular Assessments received from Owners other than Declarant. **On the earlier to occur of three (3) years after the first conveyance of a Unit by the Declarant or termination of the Declarant Control Period, Declarant must begin paying Assessments on each Declarant owned Unit.**

A.2.3. Obligation for Reserves. During the Declarant Control Period, neither the Association nor Declarant may use the Association working capital or reserve funds to pay operational expenses of the Association.

A.2.4. Common Elements. At or prior to termination of the Declarant Control Period, if title or ownership to any Common Element is capable of being transferred, Declarant will convey title or ownership to the Association. At the time of conveyance, the Common Element will be free of encumbrance except for the property taxes, if any, accruing for the year of conveyance. Declarant's conveyance of title or ownership is a ministerial task that does not require and is not subject to acceptance by the Association or the Owners.

**A.3. Development Period Rights.** Declarant has the following rights during the Development Period:

A.3.1. Annexation. The Property is subject to expansion by phasing for up to seven (7) years from the date this Declaration is Recorded. During the Development Period, Declarant may annex additional property into the Regime, and subject such property to this Declaration and the jurisdiction of the Association by Recording an

amendment or supplement of this Declaration, executed by Declarant, in the Official Public Records of Travis County, Texas.

A.3.2. Changes in Development Plan. During the Development Period, Declarant may modify the initial development plan to respond to perceived or actual changes and opportunities in the marketplace. Modifications may include, without limitation, the subdivision or combination of Units, changes in the sizes, styles, configurations, materials, and appearances of Units, and Common Elements.

A.3.3. Creation of Units. When created, the Property contains five (5) Units; however, Declarant reserves the right to create up to and including sixty-eight (68) Units upon full buildout of all phases of the project which may include land added by the Declarant in accordance with *Section 5.1* of the Declaration. Declarant's right to create Units is for a term of years and does not require that Declarant own a Unit within the Property at the time or times Declarant exercises its right of creation. The instrument creating additional units must include a revised schedule of allocated interests.

A.3.4. Transfer Fees. During the Development Period, Declarant will not pay transfer-related and resale certificate fees.

A.3.5. Fines and Penalties. During the Development Period, neither Declarant nor Units owned by Declarant are liable to the Association for late fees, fines, administrative charges, or any other charge that may be considered a penalty.

A.3.6. Statutory Development Rights. As permitted by the Act, Declarant reserves the following Development Rights which may be exercised during the Development Period: (i) to add real property to the Property; (ii) to create and modify Units, General Common Elements, and Limited Common Elements within the Property; (iii) to subdivide Units or convert Units into Common Elements; and (iv) to withdraw from the Property any portion of the real property marked on the Plat and Plans as "Development Rights Reserved" or "Subject to Development Rights," provided that no Unit in the portion to be withdrawn has been conveyed to an Owner other than Declarant.

A.3.7. Development Rights Reserved. Regarding portions of the real property shown on the Plat and Plans as "Development Rights Reserved" or "Subject to Development Rights," if any, Declarant makes no assurances as to whether Declarant will exercise its Development Rights, the order in which portions will be developed, or whether all portions will be developed. The exercise of Development Rights as to some portions will not obligate Declarant to exercise them as to other portions.

A.3.8. Amendment. During the Development Period, Declarant may amend this Declaration and the other Documents, without consent of other Owners or any Mortgagee, for the following limited purposes:

- (i) To meet the requirements, standards, or recommended guidelines of an Underwriting Lender to enable an institutional or governmental lender to make or purchase mortgage loans on the Units.

- (vii) To resolve conflicts, clarify ambiguities, and to correct misstatements, errors, or omissions in the Documents.
- (viii) To change the name or entity of Declarant.

**A.4. Special Declarant Rights.** As permitted by the Act, Declarant reserves the below described Special Declarant Rights, to the maximum extent permitted by Applicable Law, which may be exercised, where applicable, anywhere within the Property during the Development Period. Unless terminated earlier by an amendment to this Declaration executed by Declarant, any Special Declarant Right, except the right to appoint and remove Board members and officers of the Association, may be exercised by Declarant until expiration or termination of the Development Period.
