The personal obligation for delinquent Assessments shall not pass to the Owner's successors in title unless expressly assumed by them.

SECTION 2. Purpose of Annual Assessments. The Annual Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the Owners and residents of the Property and Additional Property and for the improvement and maintenance of the Common Areas and any Limited Common Areas. Written notice of each Annual Assessment thereafter shall be sent to every Owner subject thereto. The due date shall be established by the Board of Directors and the Board of Directors shall have the authority to require the assessments to be paid in pro rata periodic installments, as the Board may in its discretion determine. The Association shall, upon demand, and for a reasonable charge furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

C. The Board of Directors may increase the amount of the Annual Assessment to \$900.00 per Lot notwithstanding the provisions of subparagraphs A and B above, and thereafter the limitations set forth in said subparagraphs shall apply to any annual increase.

SECTION 4. Special Assessments for Capital Improvements. In addition to the Annual Assessments authorized above, the Association may levy, in any assessment year, a Special Assessment applicable to the year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Areas and any Limited Common Areas, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of a majority of the Members who are voting in person or by proxy at a meeting duly called for this purpose.

SECTION 5. Insurance Assessment. All premiums on insurance policies purchased by the Board of Directors or its designee pursuant to Article III and any deductibles payable by the Association upon loss shall be a common expense, and the Association may in any assessment year levy against the Owners equally an "Insurance Assessment", in addition to the Annual Assessments provided for under Section 3 above, which shall be in an amount sufficient to pay the annual cost of all such deductibles and insurance premiums not included as a component of the Annual Assessment, Such assessment shall not be subject to the 10% limitation set out in Section 3. A. and B. of this Article IV.

SECTION 6. Ad Valorem Tax Assessments. All ad valorem taxes levied against the Common Areas, if any, shall be a common expense, and the Association may in any assessment year levy against the Owners equally an "Ad Valorem Tax Assessment", in addition to the Annual Assessments provided for under Section 3 above, which shall be in an amount sufficient to pay such ad valorem taxes in such year not included as a component of the Annual Assessment. Such assessment shall not be subject to the 10% limitation set out in Section 3. A. and B. of this Article IV.

SECTION 7. Working Capital Assessments. At the time title to a Lot is conveyed to an Owner by Declarant, the Owner shall pay to the Association as working capital an amount equal to two months' assessments. Such funds shall be used solely for initial operating and capital expenses of the Association such as prepaid insurance, supplies, and furnishings, fixtures and equipment for the Common Areas, etc. Amounts paid into the working capital fund are not to be considered as advance payment of the Annual or any other assessments. Any working capital funds remaining after the last Lot has been sold by Declarant shall be transferred to and become part of the general funds of the Association, in the discretion of the Board of Directors.

SECTION 8. Notice and Quorum For Any Action Authorized under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 and 4 shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast fifty percent (50%) of all votes of each class of Membership shall constitute a quorum. The required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

SECTION 9. Uniform Rate of Assessment. The Assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

SECTION 10. Commencement of Assessments. Assessments for each Lot shall commence upon the date of acceptance by an Owner of a deed from Declarant.

SECTION 11. Effect of Nonpayment of Assessments and Remedies of the Association. Any Assessment or installment thereof not paid within thirty (30) days after the due date shall bear interest from the due date at the highest rate allowable by law. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Owner's Lot in the same manner as a deed of trust under power of sale as allowed under North Carolina Law. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Common Area or abandonment of his Lot. All unpaid installment payments of Assessments shall become Immediately due and payable if an Owner fails to pay any installment within the time permitted.

SECTION 12. Subordination Of The Lien To Mortgage. The lien of the Assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the Assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such Assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof.

ARTICLE V  
RIGHTS OF DEVELOPER/DEVELOPER CONTROL

The Declarant shall have and there is hereby reserved to the Declarant, the following rights, powers and privileges which shall be in addition to any other rights, powers and privileges reserved to the Declarant herein:

SECTION 1. The Association/Period of Declaration Control. All the powers and duties of the Board of Directors of the Association may be exercised by the Declarant, and the Developer shall appoint all members of the Board of Directors, until such time as eighty percent (80%) of the Lots within the Development have been sold or conveyed by the Declarant to purchasers (the "Developer Control Period"). The Declarant hereby expressly reserves unto itself, its successors and assigns, the right to re-plate any one (1) or more Lots shown on the plat of any subdivision of the Property or Additional Property in order to create one or more modified Lots; to further subdivide tracts shown on any such subdivision plat into two or more Lots; to recombine one or more tracts or Lots or a tract and Lots to create a larger tract; to eliminate from this Declaration Lots that are not otherwise buildable or are needed for access or are needed for use as private roads or access areas, and to take such steps as are reasonably necessary to make such re-platted Lots or tracts suitable and fit as a building site or access area or roadway.

SECTION 4. Amendment of Declaration by the Declarant. This Declaration may be amended by the Declarant, or the Board of the Association, as the case may be, as follows:

- A. In any respect, prior to the sale of the first Lot.
- B. To the extent this Declaration as it applies to Additional Property.

- D. To qualify the Association or the Property and Additional Property, or any portion thereof, for tax exempt status.

A letter from an official of any such corporation or agency, including, without limitation, the Veterans Administration, U. S. Department of Housing and Urban Development, the Federal Home Loan Mortgage Corporation, Government National Mortgage Corporation, or the Federal National Mortgage Association, requesting or suggesting an amendment necessary to comply with the requirements of such corporation or agency shall be sufficient evidence of the approval of such corporation or agency, provided that the changes made substantially conform to such request or suggestion. Notwithstanding anything else herein to the contrary, only the Declarant, during the Developer Control Period, shall be entitled to amend this Declaration pursuant to this Section 4, F.

ARTICLE VI.  
USE RESTRICTIONS AND ARCHITECTURAL CONTROL

SECTION 1. Building and Site Improvement. No dwelling, wall or other structure, including fences, shall be commenced, erected, or maintained upon any Lot, nor shall any exterior addition to or change in or alteration therein (including painting or repainting of exterior surfaces) be made until the plans and specifications showing the nature, kind, shape, heights, materials, colors and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Declarant, or its designee, or, after the sale of all Lots by Declarant, by the Board of Directors of the Association, or by an Architectural Control Committee composed of three (3) or more representatives appointed by the Board. In the event the Declarant, or its designee, or, if applicable, the Board, or the Architectural Control Committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with. Refusal or approval of any such plans, location or specification may be based upon any ground, including purely aesthetic and environmental considerations, that in the sole and uncontrolled discretion of the Declarant, the Board, or Architectural Control Committee shall be deemed sufficient. One copy of all plans and related data shall be furnished to the Declarant, the Board, or Architectural Control Committee, as the case may be, for its records. Neither the Declarant, the Board, nor the Architectural Control Committee shall be responsible for any structural or other defects in plans and specifications submitted to it or any structure erected according to such plans and specifications.

SECTION 2. Approval of Plans. No house plans will be approved unless the proposed house shall have a minimum of 2000 square feet of enclosed, heated dwelling area. The term "enclosed, heated dwelling area" as used in the minimum requirements shall be the total enclosed area within a dwelling which is heated by a common heating system; provided, however, that such term does not include garages, terraces, decks, open porches, and like areas.

B. Since the establishment of inflexible building setback lines for location of houses on lots tends to force construction of houses directly to the side of other homes with detrimental effects on privacy, view, preservation of important trees and other vegetation, ecological and related considerations, no specific setback lines shall be established by this Declaration. In order to assure, however, that the foregoing considerations are given maximum effect, the site and location of any house or dwelling or other structure upon any lot shall be controlled by and must be approved absolutely by the Declarant, the Board, or the Architectural Control Committee, as the case may be.

C. The exterior of all houses and other structures must be completed within twelve (12) months after the construction of same shall have commenced, except where such completion is impossible or would result in great hardship to the Owner or builder, due to strikes, fires, national emergency or natural calamities.

D. No structure shall be erected, altered, placed or permitted to remain on any Lot, except one single family dwelling not to exceed two and one-half stories in height. No garage apartments are allowed.

E. All service utilities, fuel tanks, and wood piles are to be enclosed within a wall or plant screen of a type and size approved by the Declarant, the Board or the Architectural Control Committee, so as to preclude the same from causing an unsightly view from any highway, street or way within the subdivision, or from any other residence within the subdivision. All mail and newspaper boxes shall be uniform in design. Design for mail and newspaper boxes shall be furnished by Declarant. Fences shall be permitted on any Lot; provided, however, that the design and materials of any fence are approved by the Declarant, the Board, or the Architectural Control Committee, as the case may be, and provided further, that no fence shall be over six feet in height or forward of a point located fifteen feet to the rear of the front elevation of the dwelling on the Lot. Clothes lines are not permitted on any Lot.

F. Off street parking for not less than two (2) passenger automobiles must be provided on each Lot prior to the occupancy of any dwelling constructed on said Lot which parking areas and the driveways thereto shall be constructed of concrete, brick, asphalt, or turf stone, or any other material approved by Declarant, the Board or Architectural Control Committee.

G. Formal landscaping and sodding shall be approved by the Architectural Control Committee.

SECTION 3. Land Use and Building Type. No Lot shall be used for any purpose except for residential purposes. All numbered Lots are restricted for construction of single family dwellings only. Different and amended land use restrictions and architectural control guidelines may be established for Additional Property added to the Development by Declarant; provided, however, that no Lot may be used

for other than single family dwellings except pursuant to approval of the Members in accordance with this Declaration.

SECTION 4. Nuisances. No noxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood. There shall not be maintained any plants or animals, nor device or thing of any sort whose normal activities or existence are in any way noxious, dangerous, unsightly, unpleasant or other nature as may diminish or destroy the enjoyment of other Lots by the Owners thereof. It shall be the responsibility of each Owner to prevent the development of any unclean, unsightly or unkept condition of buildings or grounds on the Owner's Lot which would tend to substantially decrease the beauty of the neighborhood as a whole or the specific area.

SECTION 5. Lot Maintenance. Each Lot Owner shall keep his Lot free from unsightly growth or objects. In the event the Owner fails to do so, then, after thirty days notice from the Architectural Control Committee, the Association or its designee may enter upon the Lot and remove the same at the expense of the Owner, and such entry shall not be deemed a trespass, and in such event a lien shall arise and be created in favor of the Association for the full amount of the cost thereof chargeable to such Lot, including collection costs and such amounts shall be due and payable within thirty (30) days after the Owner is billed therefor. Such lien shall be enforceable by Court proceedings as provided by law for enforcement of liens.

SECTION 6. Temporary Structures. No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any Lot any time as a residence either temporarily or permanently without the written consent of the Association or its designee; provided, however, that this shall not prevent the Declarant, its designees or assigns from maintaining a construction trailer or office on any part of the Development until the construction of dwellings on all Lots is completed.

SECTION 7. Vehicles/Boats. No boat, motor boat, camper, trailer, motor or mobile homes, tractor/trailer, or similar type vehicle, shall be permitted to remain on any Lot or on any street at any time, without the written consent of the Association or its designee. No inoperable vehicle or vehicle without current registration and insurance, will be permitted on any Lot, street or Common Area. The Association shall have the right to have all such vehicles towed away at the owner's expense. No repairs to any vehicle may be made on streets or in driveways but only in garages or other areas and not visible from the street.

SECTION 8. Animals. No animals, livestock or poultry of any kind shall be kept or maintained on any Lot or in any dwelling except that dogs, cats or other household pets may be kept or maintained provided that they are not kept or maintained for commercial purposes and provided further that they are not allowed to run free, are at all times kept properly leashed or under the rule of their owner and do not become a nuisance to the neighborhood.

SECTION 9. Statuary, Television Satellite Dishes and Antennas. No yard statuary or TV satellite signal receiving dishes are permitted on any Lot and no outside radio or television antennas shall be erected on any Lot or dwelling unit unless and until permission for the same has been granted by the Board of Directors of the Association or its Architectural Control Committee.

SECTION 10. Exterior Lights. All light bulbs or other lights installed in any fixture located on the exterior of any building or any Lot for the purpose of illumination shall be clear, white or non-frost lights or bulbs.

SECTION 11. Landscaping. The Declarant, the Board or the Architectural Control Committee, as the case may be, may on account of adverse weather conditions or for other good cause shown permit such landscaping to be done within a period of six months after initial occupancy of the residence.

All Landscaping plans are to be approved in writing by the Board of Directors or the Architectural Control Committee

SECTION 12. Signs. No signs shall be permitted on any Lot or in the Common Areas without permission of the Board of Directors, except that a sign conforming to any applicable governmental sign ordinance may be displayed by the owner of any Lot for the purpose of advertising that said Lot is for sale, provided the sign shall not be larger than 2X3 feet.

SECTION 13. Alterations. No person shall undertake, cause, or allow any alteration or construction in or upon any portion of the Common Areas except with the express written consent of the Association.

SECTION 15. Subdividing. Subject to the provisions of Article V hereof, no Lot shall be subdivided, or its boundary lines changed except with the prior written consent of the Declarant during the

period of Declarant control of the Association and thereafter by the Board of Directors of the Association.

ARTICLE VII.  
GENERAL PROVISIONS

SECTION 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by an Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

SECTION 2. Enforcement of Storm Water Runoff Regulations. The following covenants are intended to ensure ongoing compliance with state stormwater management permit number SW8 050313, as issued by the Division of Water Quality. These covenants may not be changed or deleted without the consent of the State of North Carolina.

2.1 No more than 1,800 square feet of any lot shall be covered by structures or impervious materials. This allotted amount includes any built-upon area constructed within the lot property boundaries, and that portion of the right-of-way between the front lot line and the edge of the pavement. Impervious materials include, asphalt, gravel, concrete, brick, stone, slate or similar material, but do not include wood decking or the interior surface of swimming pools.

2.3 Built-upon area in excess of the permitted amount requires state stormwater management permit modification prior to construction.

2.4 All permitted runoff from out parcels or future development shall be directed into the permitted stormwater control system. These connections to the stormwater control system shall perform in a manner that maintains the integrity and performance of the system as permitted.

2.5 The State of North Carolina is made a beneficiary of these covenants to the extent necessary to maintain compliance with the stormwater management permit.

2.6 These covenants are to run with the land and be binding on all persons and parties claiming under them.

2.7 Alteration of the drainage as shown on the approved plan may not take place without the concurrence of the Division of Water Quality.

2.8 Each lot will maintain a 30' wide vegetated buffer between all impervious areas and surface waters.

2.9 All roof drains shall terminate at least 30' from the mean high water mark of surface waters.
