ARTICLE III.

Plan of Development and Scope of Declaration

The name by which this condominium project shall henceforth be known is SEAWIND. The Declarant has caused to be constructed upon the real property described in Exhibit "A" the multi-unit building, containing the 18 units of the building as well as the common areas and facilities of both the building and the real property, all as defined hereinabove and as shown upon the plans contained in Exhibit "C" attached hereto and made a part hereof by reference. The units of the building, together with their privileges and appurtenances, shall be offered for sale to the public by the Declarant as condominium units pursuant to the provisions of Chapter 47A of the General Statutes of the State of North Carolina, subject to the covenants, conditions, restrictions, and obligations stated in the Articles of this Declaration, the Articles of Incorporation of the Association, its duly adopted By-Laws and its Rules and Regulations.

The Declarant, by this Declaration, submits only the real property described in Exhibit "A", attached hereto, together with the improvements thereon, to the Act and hereinafter this submission shall be referred to as SEAWIND, PHASE ONE. Nevertheless, the Declarant hereby reserves to itself the exclusive right and option, but not the obligation, to add to or expand the property subject to this Declaration by the addition of all or any portion or portions of the real property described on Exhibit "B", attached hereto and made a part hereof by reference, in one or more additional phases of SEAWIND upon the following terms and in the following manner:

A. Any addition of real property subject to this Declaration, if any, shall occur only by the registration in the Office of the Register of Deeds of New Hanover County, North Carolina, of one or more supplements to this Declaration, which shall be executed only by the Declarant. The addition to or expansion of the real property subject to this Declaration shall be at the sole discretion of the Declarant without consultation with or consent of any unit owner. Every unit owner in SEAWIND, all phases, by accepting a deed for a unit therein, shall be deemed to have agreed for himself, his heirs, devisees, successors and assigns to such addition to or expansion of the property subject to this Declaration in accordance with the provisions of this Article; and

B. The right and option as described hereinabove shall terminate on the 15th day of December, 1986; and

C. In the event the Declarant adds to the real property subject to this Declaration all of the real property described in Exhibit "B" attached hereto, the Declarant covenants and agrees that no more than a total of eighty-two (82) units will be added to the twelve (12) units in SEAWIND, PHASE ONE; and

D. The Declarant covenants and agrees that all buildings containing units built upon the real property which may be subjected to this Declaration under this Article shall be not more than three (3) stories in height ground level situated upon finished grade level and which shall be constructed with materials like or substantially similar to those used in SEAWIND, PHASE ONE; and

E. It is understood and declared that the undivided fractional or percentage interest owned by each unit owner of units in SEAWIND, PHASE ONE, in the common areas and facilities of SEAWIND, PHASE ONE, is

1200 1966

as stated in Article IV hereunder. However, it is further declared that in the event the Declarant, pursuant to the provisions of this Article, adds to or expands the property, and therefore the number of units, unit owners, and common areas and facilities subject to this Declaration and the jurisdiction of the Association, then consequently the fractional or percentage interest owned by each unit owner of units in SEAWIND, all phases, in the expanded common areas and facilities of SEAWIND, all phases, shall necessarily have to change from that as established in Article IV hereunder. It is further understood that the Act provides that the fractional or percentage undivided interest of each unit owner in the common areas and facilities as expressed in any Declaration shall have a permanent character and shall not be altered except with the unanimous consent of all unit owners expressed in an amended Declaration duly recorded. Therefore, in the event the Declarant adds to or expands the property subject to this Declaration, pursuant to this Article, then every unit owner of units in SEAWIND, any phase, by the acceptance of the deed for his unit shall be deemed to have specifically agreed for himself, his heirs, devisees, successors and/or assigns that the Declarant shall have the exclusive right and power, as attorney-in-fact for every unit owner, to establish the undivided fractional or percentage interest of each such unit owner in the expanded common areas and facilities of SEAWIND, all phases, as well as the right and power to establish the undivided fractional or percentage interest in the expanded common areas and facilities of SEAWIND, all phases, to be appurtenant to additional units of SEAWIND, and, therefore, (a) the liability of each unit owner for common expenses, not specifically assessed, (b) the interest of each unit owner in any common surplus, and (c) the voting rights in the Association of each unit owner; which such undivided fractional or percentage interests shall be stated in any supplement to this Declaration required to be executed and recorded in the Office of the Register of Deeds of New Hanover County, North Carolina, in order to expand or add to the property subject to this Declaration as is provided for hereinabove. It is hereby declared and agreed that the Declarant shall establish said undivided interests without prior consultation with or consent of any unit owner of any unit in SEAWIND, any phase; and, that, the Declarant covenants and agrees to establish such undivided fractional or percentage interests for all units at such times as may be necessary pursuant to this Article in the proportions that the then fair market value of each unit, new and existing, as shall be determined solely by the Declarant, bears to the then aggregate fair market value of all units on the date of the supplemental declaration, or declarations. In determining such fair market value for any additional unit added to or made subject to this Declaration, Declarant may use the offering or purchase price of such unit or the fair market value as established by any independent appraiser. In determining the fair market value of units previously subjected to the Declaration, the Declarant may use the value as then established for tax purposes by the appropriate authorities or the value established by any independent appraiser.

F. Nothing herein shall be deemed to limit or alter the Declarant's right, hereby reserved, to vary the internal layout, size, configurations of any units hereafter constructed so long as the Declarant substantially conforms with the provisions of this Article.

ARTICLE IV.

The Nature and Incidents of Unit Ownership

A. Each unit shall be conveyed and treated as an individual real property capable of independent use and fee simple ownership, and the owner of each unit shall also own, as an appurtenance to the ownership of each said unit, an undivided interest in the common areas and facilities of SEAWIND, PHASE ONE, and future phases, if any. The undivided interest in the common areas and facilities of SEAWIND, PHASE ONE, appurtenant to each of the twelve (12) units of SEAWIND, PHASE ONE, is hereby established as 8.333% each.

The proportional interest in the common areas and facilities that is appurtenant to each unit has been determined in a manner consistent with the Act.

B. No unit may be divided or subdivided into a smaller unit or units than as shown on Exhibit "C" hereto, nor shall any unit or portion thereof be added to or incorporated into any other unit unless written approval is first obtained from the Board of Directors of the Association as provided in Article V, Section D hereof. The undivided interest in the common areas and facilities declared to be an appurtenance to each unit shall not be conveyed, devised, encumbered, or otherwise dealt with separately from said unit, and the undivided interest in common areas and facilities appurtenant to each unit shall be deemed conveyed, devised, encumbered, or otherwise included with the unit even though such undivided interest is not expressly mentioned or described in the instrument conveying, devising, encumbering, or otherwise dealing with such unit. Any conveyance, mortgage, or other instrument which purports to grant any right, interest, or lien in, to or upon a unit, shall be null, void and of no effect insofar as the same purports to affect any interest in a unit and its appurtenant undivided interest in common areas and facilities, unless the same purports to convey, devise, encumber, or otherwise trade or deal with the entire unit. Any instrument conveying, devising, encumbering, or otherwise dealing with any unit, which described said unit by the letter/numerical designation assigned thereto in Exhibit "C" without limitation or exception, shall be deemed and construed to affect the entire unit and its appurtenant undivided interest in the common areas and facilities. Nothing herein contained shall be construed as limiting or preventing ownership of any unit and its appurtenant undivided interest in the common areas and facilities by more than one person or entity as tenants in common, joint tenants, or as tenants by the entirety.

C. The common areas and facilities shall be, and the same are hereby declared to be subject to a perpetual nonexclusive easement in favor of all of the owners of units in SEAWIND, PHASE ONE, for their use and the use of their immediate families, guests or invitees, for all proper and normal purposes, and for the furnishing of services and facilities for which the same are reasonably intended, for the enjoyment of said owners of units. Notwithstanding anything above provided in this Article, the Association shall have the exclusive right to establish the rules and regulations pursuant to which the owner of any unit, his family, guests and invitees, may be entitled to use the common areas and facilities, including the right to make permanent and temporary assignments of parking spaces, and to establish regulations concerning the use thereof and to establish rules and regulations concerning the use of the swimming pool and any other recreation area.

D. Recognizing that the proper use of a unit by an owner of owners is dependent upon the use and enjoyment of the common areas and facilities in common with the owners of all other units, and that it is in the interest of all owners that the ownership of the common areas and facilities be retained in common by the owners, it is hereby declared that the proportional undivided interest in the common areas and facilities appurtenant to each unit shall remain undivided and no unit owner shall bring or have any right to bring any action for partition or division.

ARTICLE V.

Use Restrictions

A. Each unit is hereby restricted to single-family residential use by the owner hereof, his immediate family, guests, invitees and lessees. No owner of any unit shall permit the use of his unit for transient hotel or commercial purposes.

B. No immoral, improper, offensive or unlawful use shall be made of any unit or of the common areas and facilities, nor any part thereof, and all laws, zoning ordinances and regulations of all governmental authorities having jurisdiction of the unit shall be observed. No owner of any unit shall permit or suffer anything to be done or kept in his unit, or on the common areas and facilities, which will increase the rate of insurance on the unit, or which will obstruct or interfere with the rights of other occupants of the other units or annoy them by unreasonable noises, nor shall any owner undertake any use or practice which shall create and constitute a nuisance to any other owner of a unit, or which interferes with the peaceful possession and proper use of any other unit or the common areas and facilities.

C. The use of common areas and facilities, by the owner or owners of all units, and all other parties authorized to use the same, shall be at all times subject to such reasonable rules and regulations as may be prescribed and established governing such use, or which may be hereafter prescribed and established by the Association.

D. No owner of a unit shall permit any structural modification or alteration to be made to such unit without first obtaining the written consent of the Association, which consent may be withheld in the event that a majority of the Board of Directors of the Association shall determine, in their sole discretion, that such structural modifications or alterations would adversely affect or in any manner endanger the condominium in part or in its entirety. No owner shall cause any improvements or changes to be made on the exterior of the condominium (including painting or other decoration, or the installation of electrical wiring, television or radio antennae or any other objects, machines or air conditioning units which may protrude through the walls or roof of the condominium) or in any manner alter the appearance of the exterior portion of any building without the written consent of the Association being first had and obtained. No unit owner shall cause any object to be fixed to the common areas and facilities (including the location or construction of fences and the planting or growing of flowers, trees, shrubs, or any other vegetation) or in any manner change the appearance of the common areas and facilities or limited common areas and facilities without the written consent of the Association being first had and obtained.

E. So long as the Declarant shall retain ownership of any units, it may utilize any such unit or units for sales offices, models or other usage for the purpose of selling units within said project. The Declarant may assign this limited commercial usage right to any other person or entities as it may choose; provided, however, that when all units have been sold, this right of commercial usage by the Declarant, its successors and assigns shall immediately cease.

F. The use of the condominium may be further restricted under the By-Laws of the Association, or its Rules and Regulations.

ARTICLE VI.

Easements

In addition to easements and rights established and/or reserved elsewhere in this Declaration, the following easements and rights are hereby established as covenants and burdens running with the real property and the improvements thereon:

A. In case of any emergency originating in or threatening any unit, regardless of whether the owner is present at the time of such emergency, the Board of Directors of the Association, or any other person authorized by it, or the managing agent, shall have the right to enter such unit for the purpose of remedying or abating the cause of such emergency, and such right of entry shall be immediate.

B. Each unit owner shall have an easement in common with the other owners of all units to use all pipes, wires, ducts, cables,

conduits, public utility lines and other common facilities located in any of the other units and serving his unit. Each unit shall be subject to an easement in favor of the owners of all other units to use the pipes, ducts, cables, wires, conduits, public utility lines and other common facilities serving such other units and located in such unit. The Board of Directors of the Association or their designee shall have the right of access to each unit to inspect the same, to remove violations therefrom and to maintain, repair, or replace the common facilities contained therein or elsewhere in the building.

C. The initial and subsequent Boards may grant or assume easements, leases, or licenses for utility purposes for the benefit of the condominium, including the right to install, lay, maintain, repair, and replace water lines, pipes, sewer lines, gas mains, telephone and television wires and equipment and electrical conduits and wires over, under, along and on any portion of the units and/or common areas and facilities and limited common areas and facilities; and, each unit owner hereby grants to the Board, or its designee, the irrevocable power of attorney to execute, acknowledge, and record for or in the name of the Association or each unit owner such instruments as may be necessary to effectuate the foregoing.

D. Ingress and egress is reserved for pedestrian traffic over, through and across sidewalks, paths, walks, and lanes as the same from time to time may exist upon the common areas and facilities; and, for vehicular traffic over, through and across such portions of the common areas and facilities as from time to time may be paved and intended for such purposes, for all unit owners of units in all phases of SEAWIND, their guests, families, invitees, lessees, the Association, the Declarant, its successors and assigns.

E. The Declarant hereby reserves unto itself the right to grant easements over any of the common areas and facilities of this phase of SEAWIND to be used for, by, or in connection with any other phases of SEAWIND, which may hereafter be erected on the property described in Exhibit "B", pursuant to this Declaration, as may become necessary for the purpose of the Declarant, its grantee, lessee, successor, or assigns, servicing such adjacent phases with utility services, drainage and easements for ingress and egress and regress.

F. In the event that any unit shall encroach upon any of the common areas and facilities, or any other unit or units, for any reason not caused by the purposeful or negligent act of the unit owner, or agents of such owner, then an easement appurtenant to such unit shall exist for the continuance of such encroachment upon the common areas and facilities or upon a unit for so long as such encroachment shall naturally exist; and, in the event that any portion of the common areas and facilities shall encroach upon any unit, then an easement shall exist for the continuance of such encroachment of the common areas and facilities upon any unit for so long as such encroachment shall naturally exist. If any unit or common areas and facilities shall be partially or totally destroyed as a result of fire or other casualty, or as a result of condemnation or eminent domain proceedings, and if upon reconstruction of such unit and/or common areas and facilities in accordance with this Declaration, there exist encroachments of portions of the common areas and facilities upon any unit, or of any unit upon any other unit or upon any portion of the common areas and facilities, then such encroachments shall be permitted and a valid easement for the maintenance thereof shall exist so long as such encroachments shall naturally remain.

(hereinafter the "Association"), has been organized, a true copy of its Articles of Incorporation having been recorded in Book 1200 at Page 1315 in the Office of the Register of Deeds of New Hanover County, North Carolina, and

1200 1990

the provisions thereof are incorporated herein by reference. The Association shall administer the operation and management of the condominium, SEAWIND, PHASE ONE, as well as future phases, if any, and shall undertake and perform all acts and duties incident thereto in accordance with the terms of its Articles of Incorporation and its duly adopted By-Laws. A true copy of the original By-Laws are attached hereto in Exhibit "D" and expressly made a part hereof by reference.

A. Declarant Control: Until December 31, 1982, or until such time as the first unit is deeded to a homeowner, whichever occurs first, the Board of Directors of the Association shall consist of those three (3) individuals appointed by the Declarant to the initial Board of Directors of the Association as stated in its Articles of Incorporation, or their successors or replacements, as provided for in the duly adopted By-Laws of the Association. Until said date, said Board shall exclusively be responsible for the total operation and management of the Association, exercising all powers, duties, and obligations thereof, free from interference or control by any and all unit owners; provided, however, that said Board shall manage and operate the Association in a manner consonant with the terms and conditions of this Declaration, any and all supplements or amendments hereto, the Association's Articles of Incorporation and its duly adopted By-Laws; provided, further, however, that the Declarant may by written notice to each unit owner at any time prior to the above-referenced date manifest its intention to cause the resignation of said Board of Directors at which time the initial meeting of the membership of the Association shall be called for the purpose of the election of a new Board of Directors of the Association from the membership thereof, who shall then become responsible for the operation and management of the Association.

B. Membership and Voting Rights: Membership and voting rights in the Association shall be as provided in Article VI of its Articles of Incorporation referred to and incorporated herein as stated hereinabove; membership being mandatory for all unit owners of all units in all phases of SEAWIND.

C. Powers: The Association shall have all powers granted to it as stated in Article V of said Articles of Incorporation.

D. Common Expenses: The common expenses of the Association shall be shared by the unit owners in the same proportions that the undivided interest in the common areas and facilities appurtenant to each owner's unit bears to the total of all undivided interests in the common areas and facilities appurtenant to all units, and as assessment against the unit owners and their units as provided for hereinbelow.

E. Management and Maintenance:

1. The Association, as a common expense, shall be responsible for the maintenance, repair and replacement of all of the common areas and facilities, including those portions thereof which contribute to the support of the building or buildings, and all conduits, ducts, plumbing, wiring, and other facilities located in the common areas and facilities for the furnishing of utility and other services to the units and said common areas and facilities, and should any incidental damage be caused to any unit by virtue of any work which may be done or caused to be done by the Association in the maintenance, repair, or replacement of any common areas and facilities, the Association shall, at its expense, repair such incidental damage. Whenever the maintenance, repair, and replacement of any item for which the Association is obligated to maintain, replace or repair at its expense is occasioned by any act of a unit owner, his immediate family, guests, or invitees, and such loss or damage may be covered by any insurance maintained in force by the Association, the proceeds of the insurance received by the Association shall be used for the purpose of making such maintenance, repair, or

replacement, except that the unit owner who is responsible for the act causing the damage (whether done by himself or by his family, guests, or invitees) shall be required to pay such portion of the cost of such maintenance, repair, and replacement as shall, by reason of the applicability of any deductibility provision of such insurance, exceed the amount of the insurance proceeds applicable to such maintenance, repair, or replacement.

2. The Association shall have the right to make or cause to be made such alterations or improvements to the common areas and facilities which do not prejudice the rights of the owner of any unit in the use and enjoyment of his unit, provided the making of such alterations and improvements are approved by the Board of Directors of the Association, and the cost of such alterations or improvements shall be common expenses to be assessed and collected from all of the owners of units. However, where any alterations and improvements are exclusively or substantially for the benefit of the owner or owners of a certain unit or units requesting the same, then the cost of such alterations or improvements shall be assessed against and collected solely from the owner or owners of the unit or units exclusively or substantially benefited, the assessment to be levied in such proportion as may be determined by the Board of Directors of the Association.
3. The Association may enter into a contract with a management company or manager for the purposes of providing all elements of the operation, care, supervision, maintenance, and management of the property. All the powers and duties of the Association necessary or convenient for such maintenance and management may be delegated to and vested in the manager by the Board of Directors, except such as are specifically required by this Declaration, the By-Laws, or the Unit Ownership Act, to have the approval of the Board of Directors or the Association. The manager is hereby further authorized to recommend the annual budget, and, upon approval thereof by the Board of Directors, make assessments for common expenses, and collect such assessments as provided in this Declaration and the By-Laws, subject always to the supervision and right of approval of the Board of Directors.
4. Unit Owners Maintenance:

Every owner shall perform promptly all maintenance and repair work within his unit which, if omitted, would affect the condominium, either in its entirety or in a part belonging to other owners; every owner being expressly responsible for the damages and liability which his failure to do so may engender. The owner of each unit shall be liable and responsible for the maintenance, repair, and replacement, as the case may be, of all air conditioning and heating equipment, stoves, refrigerators, fans, or other appliances or equipment, including any fixtures and/or their connections required to provide water, light, power, telephone, sewage and sanitary service to his unit. Such owner shall further be responsible and liable for the maintenance, repair, and replacement of the surfaces of any and all walls, ceilings, and floors which are a part of his unit, including painting, decorating, and furnishings, and all other accessories which such owner may desire to place or maintain in his unit. Whenever the maintenance, repair, and

replacement of any item for which the owner of a unit is obligated to maintain, replace, or repair at his own expense is occasioned by any loss or damage which may be covered by any insurance maintained in force by the Association, the proceeds of the insurance received by the Association shall be used for the purpose of making such maintenance, repair, or replacement except that the owner of such unit shall be, in said instance, required to pay such portion of the costs of such maintenance, repair, and replacement as shall, by reason of the applicability of any deductibility provision of such insurance, exceed the amount of the insurance proceeds applicable to such maintenance, repair, or replacement. All glass doors, windowframes, panes and screens are a part of the respective units and shall be maintained by the respective unit owners.

All parts of a unit shall be kept in good condition and repair by and at the expense of the owner. The unit shall be maintained by the owner in a clean and safe condition, free of nuisance. Each unit owner will promptly comply with any requirements of the insurance underwriters of the insurance for the common areas and facilities when so requested in writing by the Board or its designated agent. Any failure of an owner to repair, maintain, or replace as may be required pursuant to this Declaration, or a determination by the Board or its designated agent that such failure will endanger or impair the value of the common areas and facilities or any unit may be, upon written notice to the owner of the nature of the required repair, maintenance, or replacement, repaired or replaced by the Association at the expense of the unit owner, to be collected by special assessment as provided herein and in the By-Laws. Such assessment may include the cost to the Association incurred in the abatement of any nuisance maintained by the unit owner therein.

5. Limitation of Liability: Notwithstanding the duty of the Association to maintain and repair parts of the condominium property, the Association shall not be liable to unit owners for injury or damage caused by any latent condition of the property to be maintained and repaired by the Association, or caused by the elements or other owners or persons.

F. Insurance:

1. Acquisition: Insurance policies upon the condominium (other than title insurance) shall be purchased by the Association in the name of the Board of Directors of the Association, as Trustee for the unit owners and their respective mortgagees as their interests may appear, and shall provide for the issuance of certificates or mortgage endorsements to the holders of first mortgages on the units or any of them, and if the companies writing such policies will agree, the policies shall provide that the insurer waives its rights of subrogation as to any claims against unit owners, the Association and their respective servants, agents, and guests. Each unit owner may obtain insurance, at his own expense, affording coverage upon his unit, his personal property and for his personal liability and as may be permitted or required by law, but all such insurance shall contain the same waiver of subrogation as that referred to above if the same is available.

1200 1993

2. Coverage: All buildings and improvements upon the land and all personal property included in the common areas and facilities shall be insured in an amount equal to the maximum insurable replacement value, excluding foundation and excavation costs, or by ninety percent co-insurance coverage or by such other form of policy as the Board of Directors annually determines will most reasonably provide the funds necessary to repair or reconstruct the insured improvements. Such coverage shall afford protection against (a) loss or damage by fire and other hazards covered by a standard extended coverage endorsement, and (b) such other risks as from time to time shall be customarily covered with respect to buildings similar in construction, location and use as the buildings on the real property, including, but not limited to, vandalism and malicious mischief.
3. Public Liability Insurance: Public liability insurance shall be secured by the Association in such amount and with such coverage as shall be deemed necessary by the Board of Directors, including, but not limited to, an endorsement to cover liability of the unit owners as a group or to a single unit owner. There shall also be obtained such other insurance coverage as the Board of Directors or manager shall determine from time to time to be desirable or necessary.
4. Premiums: Premiums upon insurance policies purchased by the Association shall be paid by the Association and chargeable to the Association as a common expense.
5. Proceeds: All insurance policies purchased by the Association shall be for the benefit of the Association and the unit owners and their mortgagees as their interests may appear, and shall provide that all proceeds thereof shall be payable to the Association as insurance trustee under this Declaration. The Board of Directors of the Association is hereby irrevocably appointed agent for each unit owner and his mortgagee as their interests may appear for the purpose of compromising and settling claims arising under insurance policies purchased by the Board of Directors for the benefit of the Association and the unit owners; said Board of Directors or its designee is hereby further empowered to execute and deliver releases to the insurance carrier upon the payment of claims. The Board of Directors' duty or its designee's duty upon receipt of such proceeds shall be to hold the same in trust for the purposes elsewhere stated herein or in the By-Laws for the benefit of the Association and the unit owners and their mortgagees, as their interests may appear.
6. Distribution of Insurance Proceeds: Proceeds of insurance policies shall be payable to the Board of Directors of SEAWIND HOMEOWNERS ASSOCIATION, INC., as insurance trustee and shall be distributed to or for the benefit of the beneficial owners in the following manner:
 - (a) Expense of the Trust: All expenses of the insurance trustee shall be first paid or provision made therefor, if any;
 - (b) Reconstruction or Repair: If the damage for which the proceeds are paid is to be repaired or reconstructed, the remaining proceeds shall be paid to defray the cost thereof as determined in Paragraph F(7) hereof. Any proceeds remaining
