All provisions of this **Section 3.06** also apply to all Association Committees and members thereof (current or former), including the Architectural Control Committee.

3.06.2: Security Services.

NEITHER THE ASSOCIATION, DECLARANT, NOR ANY SUCCESSOR DECLARANT SHALL IN ANY WAY BE CONSIDERED AN INSURER OR GUARANTOR OF SECURITY WITHIN THE PROPERTY. NEITHER SHALL THE ASSOCIATION, DECLARANT OR SUCCESSOR DECLARANT BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY OR INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN. ALL OWNERS AND OCCUPANTS OF ANY LOT, TENANTS, GUESTS AND INVITEES OF ANY OWNER, AS APPLICABLE, ACKNOWLEDGE THAT THE ASSOCIATION, ITS BOARD OF DIRECTORS, DECLARANT OR ANY SUCCESSOR DECLARANT DOES NOT REPRESENT OR WARRANT THAT ANY FIRE PROTECTION OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS WILL PREVENT LOSS BY FIRE, SMOKE, BURGLARY, THEFT, HOLD-UP OR OTHERWISE, NOR THAT FIRE PROTECTION OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS WILL IN ALL CASES PROVIDE THE DETECTION OR PROTECTION FOR WHICH THE SYSTEM IS DESIGNED OR INTENDED. EACH OWNER AND OCCUPANT OF ANY LOT AND EACH TENANT, GUEST AND INVITEE OF AN OWNER, AS APPLICABLE, ACKNOWLEDGES AND UNDERSTANDS THAT THE ASSOCIATION, ITS BOARD OF DIRECTORS, DECLARANT OR ANY SUCCESSOR DECLARANT ARE NOT INSURERS AND THAT EACH OWNER AND OCCUPANT OF ANY LOT AND EACH TENANT, GUEST AND INVITEE OF ANY OWNER ASSUMES ALL RISKS FOR LOSS OR DAMAGE TO PERSONS, TO LOTS AND TO THE CONTENTS OF LOTS AND FURTHER ACKNOWLEDGES THAT THE ASSOCIATION, ITS BOARD OF DIRECTORS, DECLARANT OR ANY SUCCESSOR DECLARANT HAVE MADE NO REPRESENTATIONS OR WARRANTIES NOR HAS ANY OWNER, OCCUPANT, TENANT, GUEST OR INVITEE RELIED UPON ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, RELATIVE TO ANY FIRE AND/OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS RECOMMENDED OR INSTALLED OR ANY SECURITY MEASURES UNDERTAKEN WITHIN THE PROPERTY.

3.06.3: Liability Arising From Conduct of Owners. Each Owner, their tenants, and their respective Related Parties must indemnify and keep indemnified, and hold harmless, Declarant, the Association and their Related Parties from and against all claims, damages, suits, judgments, court costs, attorney's fees, attachments and all other

legal actions caused through the willful or negligent act or omission of an Owner, the Owner's tenants, or their respective Related Parties.

3.06.4: Subsequent Statutory Authority. If the Texas Non-Profit Corporation Act, Texas Miscellaneous Corporation Laws Act, Chapter 84 of the Texas Civil Practice and Remedies Code or any other applicable statute, state or federal, is construed or amended to further eliminate or limit liability or authorizing further indemnification than as permitted or required by this **Section 3.06**, then liability will be eliminated or limited and right to indemnification will be expanded to the fullest extent permitted by such construction or amendment.

3.06.5: No Impairment. Any repeal, amendment or modification of this **Section 3.06** may not adversely affect any rights or protection existing at the time of the amendment.

ARTICLE IV. ARCHITECTURAL CONTROL COMMITTEE

SECTION 4.01: Organization; Compensation

4.01.1: General. There is hereby established an Architectural Control Committee (ACC). The Board of Directors shall act as the ACC unless an executive committee is appointed by the Board of Directors to act as the ACC as permitted by the next Section. The act of a majority of the members of the ACC constitutes an act of the ACC; provided, THE ACC MAY FROM TIME TO TIME DESIGNATE ANY ONE OF ITS MEMBERS TO ACT IN ITS STEAD.

4.01.2: ACC Executive Committee. If an executive committee is appointed by the Board of Directors to act as the ACC, then the provisions of this Section apply. Such executive committee must be composed of three or five persons. A majority of such persons must at all times also be Directors, but the remaining persons need not be Directors or Members. All such persons will serve at the discretion of the Board, and all of its decisions are subject to review and modification by the Board except as herein otherwise expressly provided. In the event of the death or resignation of any person serving on the ACC, the Board of Directors shall designate a successor or successors who will have all of the authority and power of his or their predecessor(s). Until such successor has been appointed, the remaining member or members have full authority to exercise all rights, duties and powers of the ACC.

4.01.3: Compensation. No person serving on the ACC is entitled to compensation for services performed; provided, the ACC may employ one or more architects, engineers, attorneys or other consultants, as approved by the Board of Directors, to assist the ACC in carrying out its duties, and the Association shall pay such consultants for services rendered to the ACC. Members of the ACC may also be reimbursed for reasonable expenses in such manner and amounts as may be approved by the Board of Directors.

4.02.1: Submission of Plans Required. No Modification may be commenced, constructed, erected, placed, maintained or made upon any Lot or within any part of the Subdivision unless and until complete plans and specifications covering all aspects of the Modification have been submitted to and approved in writing by the ACC as to compliance with applicable Architectural Review Criteria as set forth in **Section 4.03**. One complete set of plans and specifications must be submitted with each request for approval. Any plans and specifications to be submitted must specify, as applicable and in such detail and form as the ACC may reasonably require:

(a): the location upon the Lot or within the Subdivision where the Modification will occur or be placed;

(b): the dimensions, nature, kind, shape, height, and color scheme of and all materials to be used in connection with the Modification;

(c): appropriate information concerning structural, mechanical, electrical, plumbing, grading, paving, decking and landscaping details;

(d): intended uses; and

(e): such other information, plans or specifications as may from time to time be required by applicable Architectural Guidelines, or in specific instances as may be requested or required by the ACC, which in the sole opinion of the ACC is reasonably necessary to fairly and fully evaluate all aspects of the proposed Regulated Modification.

4.02.2: Architectural Guidelines. The ACC may, from time to time, adopt, modify and delete such reasonable Architectural Guidelines applicable to the Subdivision, including Lots and Community Properties, as it deems appropriate to maintain or reasonably enhance Prevailing Community Standards of the Subdivision at the time of adoption. Such authority includes, but is not limited to, the right to specify:

(a): specific procedural guidelines for submission of requests for, and plans, specifications and other information necessary to obtain, ACC approval, and procedural requirements for the conducting of all activities necessary to accomplish same;

(b): the amount and manner of payment of any fees or charges reasonably anticipated to cover administrative costs, fees for architectural, engineering, construction, legal or other expert advice or consultation, and all other costs and expenses in connection with review and evaluation of an application (such costs and expenses herein referred to as the " Architectural Review Fee");

(c): specific types of Modifications which may be commenced, constructed, erected or maintained upon any Lot or anywhere within the Subdivision, as well as specific types of Modifications which will not be permitted upon any Lot or within the Subdivision;

(d): a limited number of acceptable exterior materials and finishes that may be utilized in construction or repair of Modifications;

(e): minimum setbacks (except that minimum setbacks as shown on the Plat will control if in conflict with Architectural Guidelines);

(f): the location, height, and extent of fences, walls or other screening devices, walk, decks, patios or courtyards;

(g): the orientation of structures and landscaping with respect to streets, walks, driveways and structures on adjacent properties; and

(h): in general, all requirements reasonably deemed necessary to maximize compliance with Architectural Review Criteria as set forth in **Section 4.03**.

4.02.3: Manner and Effect of Adoption of Architectural Guidelines.

(a): No prior notice of any kind to any Owner or any other Person need be given as to adoption or amendment of Architectural Guidelines. The ACC shall provide applicable Architectural Guidelines to Owners upon request.

(b): Architectural Guidelines shall be of equal dignity with, and shall be enforceable in the same manner as, the provisions of this Declaration, provided: (a) such Architectural Guidelines shall not be deemed a waiver, modification, or repeal of any of the provisions of this Declaration; and (b) such Architectural Guidelines shall not be enacted retroactively except that all repairs, modifications or maintenance performed subsequent to adoption shall be performed in such manner as to bring the Regulated Modification, so far as practicable, in compliance with all then applicable Architectural Guidelines.

4.02.4: Variances. The Board, by vote of two-thirds (2/3rds) of all members of the Board, may grant specific variances to Architectural Guidelines and to the provisions set forth in this Declaration as herein provided. A variance may be granted only with respect to specific instances upon written request there for, and is not binding with respect to any other request for a variance whether or not similar in nature, and does not constitute a waiver, modification or repeal of any of the provisions of this Declaration or other Governing Documents except for the limited purpose of and to the extent of the specific variance expressly granted. A variance may be granted only upon specific

findings (a) that the variance is necessary due to unusual circumstances which are reasonably beyond the control of the applicant to mitigate or rectify, or in other circumstances, such as topography, natural obstructions, as to which the ACC determines a variance will result in a material enhancement to the applicant's Lot and to neighboring Lots and the Subdivision, and (b) that the granting of a specific variance will not materially and adversely affect the architectural, aesthetic or environmental integrity of the Subdivision or the scheme of development therein. The good faith determination of the ACC that the conditions for granting of a variance have or have not been met are final.

SECTION 4.03: Architectural Review Criteria

The ACC, or its designee(s), will evaluate all submitted applications for ACC approval on the individual merits of the particular application, and based on evaluation of the compatibility of the proposed Modification with Prevailing Community Standards as of the date of submission of an application. The ACC must also use reasonable efforts to achieve consistency in the approval or disapproval of specific types of Modifications.

SECTION 4.04: Submission and Response: Failure of ACC to Act: ACC Decisions

4.04.1: Submission and Response. Applications for ACC approval and requests for variances are deemed submitted to the ACC only upon actual receipt of a fully completed application by the ACC. Lessees shall file applications or requests for variance in the name of their lessors, and shall also join therein. Where more than one Owner applies for approval or a variance, the delivery or mailing of a response to any one of the Owners as aforesaid constitutes notice to all such Owners. All responses of the ACC are deemed given when delivered to the applicant or when deposited in the United States mail, with postage pre- paid and properly addressed to the applicant. If the ACC fails to respond to an application for approval within thirty days after receipt of a proper application, the application shall be deemed not approved. If the ACC fails to respond to a request for variance within thirty days after receipt of the request, then the request is automatically denied.

4.04.2: ACC Decisions. The ACC may fully approve any request for approval made pursuant to this Article IV, or the ACC may approve any such request subject to compliance with conditions stated in a conditional approval. A conditional approval is effective only upon full compliance with the stated condition(s). The ACC may disapprove any request for approval for any of the following reasons: (i) failure to comply with any applicable Architectural Review Criteria as set forth in **Section 4.03**; or (ii) lack of sufficient information, plans or specifications as reasonably determined by the ACC to enable the ACC to fairly and fully evaluate the proposed Modification or the uses thereof; or (iii) failure to include any information, plans or specifications required by applicable Governing Documents, or as may be reasonably requested by the ACC, or (iv) or any other reason as determined by the ACC in its sole discretion. The ACC shall notify the applicant of its decisions in writing. Except for compliance with this Article, no action or omission of the ACC shall otherwise constitute a waiver as to any other

provisions of this Declaration or preclude by estoppel or otherwise full enforcement thereof.

SECTION 4.05: Implied Conditions of Approval

4.05.1: Applicability. Unless expressly waived or modified by the ACC in writing and except as otherwise provided as to initial construction of a single family residence upon a Lot as set forth in **Section 8.04** hereof, each and every approval or conditional approval by the ACC of a Regulated Modification is subject to all provisions of this **Section 4.05** whether or not stated in the approval or conditional approval.

4.05.2: Commencement and Completion of Work. Work on any Modification after initial construction must commence within thirty days after ACC approval or conditional approval is given. Upon commencement, the work must be prosecuted diligently to obtain completion of all work as reasonably soon thereafter as possible, and in any event the work must be substantially completed within sixty days. The foregoing sixty-day period will be extended in the event of and only for the duration of delays due to strikes, war, acts of God or other good cause beyond the reasonable control of the Owner as determined in the sole discretion of the ACC. **Section 8.04.2** and not this **Section 4.05.2** applies to initial construction of a single family residence upon a Lot.

4.05.3: Equipment and Materials. No equipment, materials or other things or devices necessary for the completion of a Modification may be placed or stored upon a Lot or within the Subdivision any longer than necessary prior to, and in no event more than ten days prior to, commencement of the work on the Modification. All such equipment, materials, things and devices must be placed within the property lines of the affected Lot, and so far as practical must be stored in locations not visible from any street, or from any other Lot or the Community Properties. Upon completion of the work on the Modification, any such equipment, materials, things or devices not incorporated in the Modification must be promptly removed from the Lot, Subdivision and in any event within five business days. **Section 8.04.4** regarding storage of materials and not this **Section 4.05.3** applies to initial construction of a residence upon a Lot.

4.05.4: New Construction Material Required. Only new construction materials may be used in construction of any Modification except as otherwise approved by the ACC (such as the use of used brick).

4.05.5: Drainage. Each Owner is wholly and solely responsible for compliance with the provisions of **Section 8.04** regarding drainage, including the obligation to comply with all requests or requirements of the ACC as authorized by said Section, and is liable for all consequences of any failure to comply.

4.05.6: Compliance with Plans. All work on a Modification must proceed in strict compliance with the application and plans and specifications approved by the ACC, all conditions stated by the ACC, if any, and all applicable Governing Documents and governmental rules, regulations and ordinances.

4.05.7: Permit Requirement. Applicants shall be solely responsible for full compliance with all permitting requirements of the City and all other governmental agencies having jurisdiction, and shall apply for and diligently pursue obtaining of all required permits promptly after ACC approval or conditional approval is received. The ACC is expressly authorized to deny approval pending, or condition approval upon, prior compliance with applicable permitting requirements or upon receipt of certification satisfactory to the ACC that no such permitting requirements exist.

4.05.8: Compliance with Laws and Governing Documents. Each applicant is solely responsible for insuring that every Modification, as proposed and as completed, is in compliance with applicable governmental laws, ordinances and regulations (including building codes, and permit and licensing requirements), and with applicable requirements of the Governing Documents.

SECTION 4.06: Inspection Rights

Upon reasonable notice (oral or written), any member of the ACC or the Board of Directors or their designated representatives may enter upon a Lot without liability for trespass or otherwise for purposes of confirming compliance with any applicable provisions of the Governing Documents regarding a proposed Modification, the work in progress, and the completed Modification. Except for gross negligence, willful misconduct or knowing violation of the law, the Owner of any Lot so inspected by the ACC is not liable for any personal injuries, death or property damage of or to any person or entity performing such inspection.

SECTION 4.07: Records of Architectural Control Committee

The ACC is not required to maintain records of any of its meetings. The ACC must keep and maintain records evidencing the final decision(s) of the ACC regarding all requests for approval and requests for variance for not less than four years. The ACC must also maintain a record of all current Architectural Guidelines, and must provide copies to Owners upon written request and at the Owner's expense.

SECTION 4.08: Liability of Architectural Control Committee

Except as provided in **Section 3.06**, neither the Association nor the ACC, nor their respective Related Parties are liable to any Owner, the Owner's tenants, the Related Parties of either, or to any other Person for any actions or failure to act or in connection with any approval, conditional approval or disapproval of any application for approval or request for variance, including without limitation, mistakes in judgment, negligence, malfeasance, or nonfeasance. No approval or conditional approval of an application or related plans or specifications and no publication of Architectural Guidelines may ever be construed as representing or implying that, or as a covenant, representation, warranty or guaranty that, if followed, the Modification will comply with applicable legal requirements, or as to any matters relating to the health, safety workmanship or suitability for any purpose of the Modification. The provisions hereof are cumulative of the provisions of **Section 3.06**.

ARTICLE V. MAINTENANCE FUND

SECTION 5.01: Obligation for Payments to Maintenance Fund

5.01.1: Establishment of Maintenance Fund. There is hereby established a Maintenance Fund into which will be paid all assessments as provided for herein. The Board is responsible for the collection, management, control and expenditure of the Maintenance Fund which must be deposited in accounts specifically designated for the Association as from time to time designated by the Board.

5.01.2: Types and Obligation for Payment of Assessments. Each Owner of a Lot, by acquisition of any rights, title or interest therein or acceptance of an executory contract of conveyance, or a deed or other instrument of conveyance therefore, whether or not so expressed therein, covenants and agrees to pay to the Association regular or annual assessments, special assessments and specific assessments, all as herein set forth.

5.01.3: Purpose of Maintenance Fund. The Maintenance Fund may be used for the purpose of promoting the recreation, welfare, common benefit and enjoyment of the Owners and occupants of the Subdivision, including the maintenance of all Community Properties (including any maintenance required by the City or other governmental entity), the discharge of all obligations of the Association pursuant to this Declaration and other Governing Documents, and the doing of any other thing necessary or desirable in the opinion of the Board for accomplishment of any of the foregoing, including the establishment and maintenance of reserves for repairs, maintenance, taxes, insurance, and other charges, and the expenditure of funds for the benefit of other properties within the vicinity of the Subdivision if in the judgment of the Board the Subdivision will benefit thereby. The determination of the Board in establishing any assessments and in the collection, management and expenditure of the Maintenance Fund is final and conclusive.

5.01.4: Personal Obligation: Transferees. In addition to the assessment lien herein established, each assessment is the personal obligation of each Owner of the Lot charged therewith at the time liability for the assessment accrued notwithstanding any subsequent transfer of ownership. Except as provided in **Sections 5.01.5 and 5.07.3**, each Owner's transferee, whether by purchase, gift, devise or otherwise, and whether voluntary or by operation of law, is also jointly and severally liable for payment of all unpaid assessments owed to the Association at the time of transfer without prejudice to the rights of the transferee to recover from the transferor the amounts paid by said transferee.

5.01.5: Statement of Assessments. Any transferee (or prospective transferee upon presentment of an executed earnest money contract or other writing satisfactory to the Board) with written consent of an Owner shall be entitled to a statement from the Association setting forth all assessments due as of the date of the written request. The request must be in writing, must be addressed to the Association and must be delivered by registered or certified mail, return receipt requested, or by personal delivery with receipt acknowledged in writing. The Board may set a reasonable charge for providing a statement of indebtedness, the payment of which is a condition precedent to the

Association's obligation to provide same. Except for fraud or misrepresentation, if the Association fails to respond to a proper written request for a statement of indebtedness within ten business days after receipt of the request by the Association, and upon submission of a properly executed registered or certified mail return receipt or delivery receipt evidencing receipt of the request by the Association, upon transfer the transferee is not liable for, nor shall the Lot transferred be subject to a lien for, any unpaid assessments against the Lot accruing prior to the date of the written request.

SECTION 5.02: Administration of Maintenance Fund

5.02.1: Assessment of Regular Assessments. Regular assessments accrue (are assessed) on a monthly basis, but are payable as hereafter provided.

5.02.2: Uniform Rates for Regular and Special Assessments. Except as provided in the next subsection regarding Declarant and Builder rates, regular and special assessments on all Lots must be fixed at a uniform rate, and must be determined on a per Lot basis.

5.02.3: Declarant and Builder Rates.

(a): Until the first day of the month following expiration or termination of the Development Period, Declarant is obligated to pay assessments only as provided in **Section 11.08**. Thereafter Declarant will pay regular and special assessments at the rate of one-half of the full rate of assessment otherwise applicable as to any Lot then owned or thereafter owned by Declarant.

(b): Each Builder is obligated to pay regular and special assessments at the Construction Period Rate until the first day of the month following termination of the Construction Period. The "Construction Period" begins on the first day of the month following the date of conveyance of the applicable Lot to a Builder and ends on the earlier to occur of **(i)** the date upon which initial construction of a single family residence is substantially completed and the residence is ready for occupancy as determined in the sole good faith opinion of Declarant during the Development Period or the ACC thereafter, or **(ii)** one year after the date of conveyance of the applicable Lot. The "Construction Period Rate" is one-half of the full rate of regular and/or special assessment rate otherwise applicable. Upon termination of the Construction Period, the Owner/Builder shall thereafter pay the full rate of assessments. If assessments have been paid in advance upon termination of the Construction Period, the Owner/Builder shall also then pay any additional assessments due by reason of application of the full rate of assessments prorated from the first day of the month following termination of the Construction Period. Once commenced the Construction Period continues to run to termination as aforesaid irrespective of any intervening conveyance to another Builder, but will terminate in the event of reacquisition by Declarant in which case the then applicable Declarant rate again applies and Declarant may restart the Construction Period by reconveyance thereafter to a Builder.

5.02.4: Application of Payments. All payments made by or on behalf of an Owner for assessments (regular, special or specific) are deemed made upon the date of receipt of the payment by the Association or its designated representative. All payments received, including payments received in consequence of judicial or non-judicial foreclosure, will be applied (i) costs of collection including but not limited to attorneys' fees; (ii) then to payment of all specific assessments owed to the Association with application to be made in inverse order of the specific assessments listed in **Section 5.06.1**, (iii) then to payment of all special assessments; and (iv) finally to payment of all regular assessments. Application within each category shall be on a first in, first out basis.

SECTION 5.03: Base Rate and Subsequent Computation of Regular Assessments

5.03.1: Initial Base Rate of Regular Assessments: Due Dates. The initial full base rate of the regular annual assessment for 2004 per Lot (and continuing during 2004 and thereafter unless and until modified as herein provided) is **FOUR HUNDRED NINETY FIVE and 00/100 DOLLARS (\$495.00)** per Lot per year. The Board shall have the right to require regular annual assessments be paid semi-annually, quarterly or monthly, in advance (instead of annually). If the Board does so, the semi-annual, quarterly or monthly installments of regular annual assessments, as the case may be, shall be rounded upward to the next dollar, and the regular annual assessment shall be automatically adjusted upward by the amount of such rounding. **UNLESS AND UNTIL OTHERWISE DETERMINED BY THE BOARD AS AFORESAID, THE FULL AMOUNT OF REGULAR ANNUAL ASSESSMENTS SHALL BE DUE AND PAYABLE ANNUALLY, IN ADVANCE, ON THE FIRST DAY OF JANUARY OF EACH CALENDAR YEAR.**

5.03.2: Subsequent Computation of Regular Assessment. The annual rate of regular assessment per Lot as specified by **Section 5.03.1** may be adjusted from time to time as follows:

(a): The Board shall adopt a budget at least annually to determine sums necessary and adequate to provide for the expenses of the Association for the succeeding twelve month period (including funding of capital, contingency and other reserves). The Board shall set the annual rate of regular assessments based on the budget, and determine whether same will be payable annually, semi-annually, quarterly or monthly. At least thirty days written notice of such determinations must be given to Owners of all Lots if any change is made as to the due dates or amount of the annual rate of regular assessment. **THE FOREGOING NOTICE REQUIREMENT DOES NOT APPLY DURING ALL PERIODS OF TIME DURING WHICH A DELINQUENT ASSESSMENT ACCOUNT HAS BEEN TURNED OVER TO AN ATTORNEY FOR PROCEEDINGS TO COLLECT SAME.**

(b): Any change in the amount of the annual rate of regular assessment may be disapproved at a special meeting of the Members to be called upon the written and signed petition of the Owners of not less than one-third of the Lots then contained in the Subdivision and the vote to disapprove of the Owners of at least two-thirds of the Lots then contained in the Subdivision voting in person or

by proxy at the special meeting. The petition to disapprove must be submitted to the Association not later than the thirtieth day after the date of the notice to Owners given as required by **Section 5.03.2(a)**. If a petition to disapprove is properly submitted, the Board shall call and conduct the special meeting within sixty days after the date of the notice. Notice of the results of the special meeting must be given to Owners of all Lots not later than the thirtieth day after the date of the special meeting. **NOTWITHSTANDING FILING OF A PETITION TO DISAPPROVE AS AFORESAID, ALL OWNERS MUST NONETHELESS PAY ASSESSMENTS IN ACCORDANCE WITH THE NOTICE GIVEN UNDER SECTION 5.03.2(a).**

(c): A petition to disapprove fails if either the Owners of two-thirds of the Lots then contained in the Subdivision do not approve the petition or a quorum is not obtained at the applicable special meeting in person. or by proxy. If a petition to disapprove is approved, the amount of the annual rate of regular assessment in effect immediately prior to giving of the notice required by **Section 5.03.2(a)** will continue in effect; and in such event the notice of results of the special meeting must advise as to any refund or charge, in accordance with the change in the amount of the annual rate of regular assessment disapproved by Owners. Any such refund or charge is due and payable, without interest, not later than the thirtieth day after the date of the notice setting forth same provided, in lieu of payment as aforesaid, any refund may be made by credit of same against any delinquent assessments then due or as an advance payment of future assessments.

SECTION 5.04: No Waiver or Release

Notwithstanding anything to the contrary herein, the omission or failure for any reason of the Board to determine an annual rate of regular assessment or to mail or deliver a notice of an annual rate of regular assessment or due date for payment thereof does not constitute a waiver, modification or release of an Owners obligation to pay assessments as otherwise herein provided. Failure to provide such written notice will result in Owners being obligated to pay the annual rate of the last notice delivered by the Board.

SECTION 5.05: Special Assessments. In addition to the other assessments authorized herein, including other special assessments authorized by the Declaration, the Board may levy special assessments at any time during each fiscal year for purposes of defraying, in whole or in part, any expenses not anticipated by the budget then in effect, or to replace part or all of any contingency, capital or other reserve fund. **SO LONG AS THE TOTAL AMOUNT OF SPECIAL ASSESSMENTS IN ANY ONE FISCAL YEAR ALLOCABLE TO EACH LOT DOES NOT EXCEED SIXTY PERCENT (60%) OF THE AMOUNT OF THE REGULAR ANNUAL ASSESSMENT THEN IN EFFECT, THE BOARD MAY IMPOSE THE SPECIAL ASSESSMENT WITHOUT VOTE OR APPROVAL OF ANY OWNER; PROVIDED, AT LEAST SIXTY DAYS WRITTEN NOTICE MUST BE GIVEN TO THE OWNERS OF ALL LOTS OF ANY SUCH SPECIAL ASSESSMENT, AND THE OWNERS MAY DISAPPROVE SAME IN THE MANNER PROVIDED IN SECTION 5.03.2 FOR DISAPPROVAL OF A CHANGE IN THE ANNUAL RATE OF REGULAR ASSESSMENT.** Special assessments

allocable to each Lot exceeding the foregoing limitation will be effective only if approved by the Owners of a majority of the Lots then contained within the Subdivision. The approval may be obtained in any manner as provided in **Section 12.02.3** for approval of an amendment of this Declaration. Special assessments are payable as determined by the Board, and the Board may permit special assessments to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

SECTION 5.06: Specific Assessments

5.06.1: Types. Specific assessments may be assessed against individual Lots and the Owner(s) thereafter at the time liability for same accrues as follows:

(a): **Utility Assessments.** Utility Assessments shall be separately and specifically assessed to each Lot to which water is provided through the Association, and to the Owner of each such Lot as hereafter provided.

(b): **Interest.** Interest compounded monthly from the due date at the rate of the lesser of eighteen percent (18%) per annum or the maximum legal rate will be charged on all delinquent assessments, regular, special or specific, which are not paid in full within thirty days after the due date.

(c): **Late Charges.** A late charge in the amount of **TWENTY-FIVE DOLLARS (\$25.00)**, or such other reasonable amount as from time to time determined by the Board, is hereby imposed as to any regular, special or specific assessment which is not paid in full within thirty days after payment of same is due.

(d): **Compliance Costs.** All expenses reasonably attributable to or incurred by reason of a breach or violation of or to obtain compliance with any provisions of this Declaration or other Governing Documents must be assessed against the Owner who occasioned the incurrence of such expenses, including reasonable attorney's fees whether incurred prior to, during the pendency of or after successful completion of any actions in a court of competent jurisdiction.

(e): **Foreclosure of Assessment Lien.** In the event of foreclosure of the Association's assessment lien as herein provided, the Owner is required to pay to the Association a reasonable rental as determined by the Board for the use of the Lot and improvements thereon during the period of foreclosure, and the Board at its election is entitled to a receiver to collect same. The "period of foreclosure" commences on the date of the foreclosure sale in the event of non-judicial foreclosure, or on the date of entry of judgment granting foreclosure in the event of judicial foreclosure. The "period of foreclosure" continues through the first day of the month following the date of acquisition of actual possession by the purchaser at the foreclosure sale.

(f): Other Obligations (Including Fines and Transfer and ACC Fees). All other monetary obligations established by or pursuant to this Declaration or other Governing Documents which are intended to apply to one or several but not all Lots must be assessed against the applicable Owner(s). Such charges may include without limitation reasonable charges for:

(i): providing a statement of assessments or indebtedness;

(ii): providing of a resale certificate;

(iii): transfer fees to reflect changes of ownership, tenancy or occupancy on the records of the Association;

(iv): fines for any violation of any provisions of this Declaration or other Governing Documents;

(v): charges for processing of applications for architectural approval, including as provided in **Section 4.02.2(b)**;

(vi): admission or usage fees applicable to Community Properties;
and

(vii): any other charges otherwise permitted or authorized by law, including without limitation as permitted or authorized by Chapter 204 of the Texas Property Code.

Except for fines, the Board may from time to time contract with Managing Agents to provide any of the services and/or to perform any of the functions associated with any of the foregoing charges, and in connection therewith (but subject to authority of the Board to waive any specific assessment as herein provided) may by contract or resolution assign to such Managing Agent the right to set the amount of and to receive payment of the applicable charge. The right and authority to set the amount of and receive payment of charges for statements of assessments or indebtedness and transfer fees as aforesaid is deemed to be assigned by virtue of contracting with a Managing Agent to provide the associated functions and services for so long as the applicable contract remains in effect unless the applicable contract expressly provides otherwise, subject, however, to the continuing right of the Board to waive or set aside any such charge as the Board deems appropriate. All other permitted charges listed above may be adopted, set, imposed, amended and/or repealed by resolution duly adopted by the Board of Directors, regardless of whether such charges are incorporated in Rules and Regulations and without notice of any kind to any Owner or any other Person. Fines and admission or usage fees must be adopted by adoption of appropriate Rules and Regulations.

(g): As Approved by Owner. The Owners of a majority of the Lots may approve any other specific assessments in the same manner as provided in **Section 12.02.3** for approval of an amendment of this Declaration.

5.06.2: Utility Assessment.

(a): Water Utility Assessment. IN ADDITION TO ANY OTHER ASSESSMENTS DUE AND PAYABLE AS HEREIN PROVIDED, THE OWNER OF EACH LOT WHICH IS PROVIDED WATER THROUGH THE ASSOCIATION SHALL PAY AS A SPECIFIC ASSESSMENT A WATER UTILITY ASSESSMENT TO COVER COSTS AND EXPENSES INCURRED BY THE ASSOCIATION TO PROVIDE WATER TO EACH SUCH LOT. The water utility assessment rate shall be set by Declarant during the Development Period and thereafter by the Board of Directors. The water utility assessment shall be paid in advance, either annually, semi-annually, quarterly or monthly as Declarant or the Board shall determine, on or before the first day of the month of the applicable payment period. If paid other than annually, then the semi-annual, quarterly or monthly installments of assessments, as the case may be, shall be rounded upward to the next dollar, and the regular annual amount of the water utility assessment shall be automatically adjusted upward by the amount of such rounding. The water utility assessment rate shall be uniform as to all Lots; provided, the Board may establish a different rate structure to account for significant variances in water usage by adoption of applicable Rules and Regulations. The Owners of each Lot must at all times properly maintain all faucets, toilets, dishwashers, washing machines, water lines and similar fixtures and devices, and must otherwise do such acts and avoid such actions as would or could cause excessive water usage failing which all applicable provisions of **Sections 6.01, 6.02 and 6.03** regarding liability of Owners as to same shall apply. The water utility assessment rate will be based on an estimate of future costs and expenses. Accordingly, if paid less frequently than monthly, and if actual costs plus maintenance of a reasonable contingency reserve exceed the amount of water utility assessments then collected, an interim water utility assessment may be assessed. Regular and interim water utility assessments are due and payable within ten days after written notice of same is mailed to the Owners of each Lot, or such later date as may be expressly stated in the notice. UNLESS AND UNTIL OTHERWISE DETERMINED AS AFORESAID, WATER UTILITY ASSESSMENT RATE IS **SIX HUNDRED DOLLARS (\$600.00)** PER LOT PER YEAR AND IS DUE AND PAYABLE ANNUALLY, IN ADVANCE, ON THE FIRST DAY OF JANUARY OF EACH CALENDAR YEAR. Notwithstanding any amendment provision contained in the Declaration, this provision may not be terminated without one hundred percent (100%) approval of all Owners.

(b): Other Utility or Special Service Assessments. Additional utility or other special services assessments (such as, for example, for cable or satellite television services) may be approved by Declarant during the Development Period, and may be approved thereafter by the Owners by majority vote at any special meeting of members called for such purpose. NOTICE OF APPROVAL OF ANY SUCH ASSESSMENT MUST BE FILED IN THE OFFICIAL PUBLIC RECORDS OF REAL PROPERTY OF HARRIS COUNTY, TEXAS. If so approved, all Owners shall be bound by the terms of all contracts entered by the Association pursuant to such approval.

5.06.3: Payment: Waiver. Specific assessments are due and payable immediately upon the occurrence of the event giving rise to liability for payment of same. Failure of the Association to impose or collect any specific assessment is not grounds for any action against the Association, or any Director, officer, agent or employee thereof, and does not constitute a waiver of the Association's right to exercise its authority to collect any specific assessments in the future. For good cause shown as determined in the sole opinion of the Board, the Board may waive, wholly or partially, imposition of any specific assessment; provided, any such waiver is conditioned upon payment in full of all remaining monetary obligations then owed to the Association or receipt of written commitment that same will be paid within a specified period of time.

SECTION 5.07: Lien for Assessments

5.07.1: Establishment of Lien. All sums assessed against any Lot pursuant to this Declaration, whether by regular, special or specific assessment as provided herein, are secured by a continuing lien on such Lot in favor of the Association.

5.07.2: Perfection of Lien. The recordation of this Declaration constitutes record notice and perfection of the Association's continuing lien, effective from the date of recordation of, this Declaration. No further recordation of a claim of lien or other notice of any type or kind whatsoever is required to establish or perfect such lien. To further evidence such lien, the Association may, but is not required to, prepare and file in the Official Public Records of Real Property of Harris County, Texas, written notice of default in payment of assessments in such form as the Board may direct.

5.07.3: Priority of Lien. The Association's continuing lien is superior to all other liens or encumbrances on each Lot except:

(a): a lien for real property taxes and other governmental assessments or charges on a Lot (a "Tax Lien") to the extent so required by law but not otherwise (it being the intent hereof that the Association's continuing lien is superior to any Tax Lien if permitted by law, including Section 32.05 of the Texas Tax Code);

(b): a first lien securing payment of purchase money for a Lot, or a lien securing payment for work and materials used in constructing improvements on a Lot (a "First Lien") (i) as to and only as to assessments (regular, special or specific) the obligation for payment of which accrues from or after the applicable First Lien is duly recorded in the Official Public Records of Real Property of Harris County; Texas, and (ii) as to and only to the extent of unpaid sums secured by such First Lien;

(c): an extension of credit (commonly known as a home equity loan) made in accordance with and pursuant to Section 50(a)(6), Article XVI, of the Texas Constitution, as amended;

(d): a reverse mortgage made in accordance with and pursuant to Section 50(a)(7), Article XVI of the Texas Constitution, as amended; and

(e): such other mortgages, deeds of trust, liens or other encumbrances to which the Board may from time to time by written agreement specifically and expressly agree, subject to such terms and conditions as set forth in the applicable written agreement.

5.07.4: Other Liens. Except as provided in **Section 5.07.3** or as otherwise expressly provided herein, all other Persons acquiring liens or encumbrances on any Lot are deemed to consent that such liens or encumbrances are inferior to the Association's lien for assessments, as provided herein, whether or not consent is specifically set forth in, and notwithstanding any contrary provisions in, any instruments creating such liens or encumbrances.

SECTION 5.08: Effect of Nonpayment of Assessments

5.08.1: Delinquency Date. Any assessments, regular, special or specific, which are not paid by the due date are delinquent as of midnight of the due date.

5.08.2: Automatic Remedies. Except to the extent otherwise expressly agreed in writing by the Board, if any assessments are not paid by the due date, then:

(a): late charges, interest from the due date, and all compliance costs (including reasonable attorney's fees), all as set forth in **Section 5.06**, shall be added to and included in the amount of such assessment; and

(b): subject to notice and an opportunity to be heard as may be required by law, all voting rights of the Owner, and all rights to use of all recreational facilities, if any, by the Owner, their tenants and their respective Related Parties, will be automatically suspended until all assessments (including all specific assessments) are paid in full.

5.08.3: Elective Remedies After Notice. If any assessments are not paid within thirty days after the due date, then the Association may elect to exercise any or all of the remedies set out herein without prejudice to any other rights or remedies, provided that notice and opportunity to be heard is first given.

In addition to automatic suspension of rights to use of recreational facilities as above provided, subject to notice and an opportunity to be heard as may be required the Association may suspend until all assessments (including all specific assessments) are paid in full, all other rights of the delinquent Owner, the Owner's tenants, and the Related Parties of either, to the usage of any and all other Community Properties and/or Subdivision Facilities.

5.08.4: Action for Debt: Foreclosure.

(a): Each Owner, by acquisition of any Lot within the Subdivision or any right, title or interest therein, expressly grants to and vests in the Association (i)

the right and power to bring all actions against each Owner, personally for the collection of all delinquent assessments as a debt; (ii) the right and power to foreclose the Association's continuing lien for assessments by all methods available for the enforcement of a mortgage, deed of trust or any other contractual lien, *including foreclosure* by an action brought *in* the name of the Association either judicially or non-judicially by power of sale; and (iii) a continuing power of sale in connection with the non-judicial foreclosure of the Association's continuing lien for assessments as herein provided.

(b): The Board or the then President of the Association may appoint, in writing, from time to time, an officer, agent, trustee, or attorney of the Association (the "Trustee") to exercise the power of sale on behalf of and as the agent of the Association, including without limitation to deliver and file the notices required by Section 51.002 of the Texas Property Code (as amended), and to conduct the sale and to otherwise comply with said statute. The Board or the then President of the Association may from time to time, remove any such Trustee and appoint a Successor or substitute Trustee without further formality than an appointment and designation in writing and recorded in the Official Public Records of Real Property of Harris County, Texas. Except as otherwise provided by this Declaration, the Association will exercise its power of sale pursuant to Section 51.002 of the Texas Property Code (as amended). The Association has the right and power to bid on any Lot at any foreclosure sale, either judicial or non-judicial, and to acquire, hold, lease, mortgage, or convey the same.

(c): If directed by the Association to foreclose the Association's continuing lien Trustee will, either personally or by agent, give notice of the foreclosure sale as required by the Texas Property Code as then in effect, and sell and convey all or part of the applicable property "AS IS" to the highest bidder for cash, subject to prior liens and any other matters of record and without representation of warranty, express or implied, by Trustee. From the proceeds of the sale, Trustee shall pay in the following order, (i) expenses of foreclosure, including a reasonable commission to Trustee and attorneys fees, (ii) to the Association the full amount of assessments, interest, late charges, attorneys fees, and other amounts due to the Association pursuant to this Declaration or other Governing Documents; (iii) any amounts required by law to be paid before payment to Owner; and (iv) pay to Owner any balance. The Association shall indemnify Trustee and hold Trustee harmless from and against all costs, expenses, and liabilities incurred by Trustee for acting in the execution or enforcement of the Association's lien or otherwise pursuant to this Declaration or other Governing Documents, including all court and other costs, and attorneys fees incurred by Trustee in defense of any action or proceeding taken against Trustee in that capacity.

(d): The filing of suit to collect any sums due hereunder or to foreclose the Association's continuing lien for assessments may never be considered an election so as to preclude exercise of any other rights or remedies, including

without limitation foreclosure under power of sale before or after a final judgment. After foreclosure, either judicial or non-judicial, the former Owner and anyone claiming under the former Owner must immediately surrender possession to the purchaser. If not, the former Owner and anyone claiming under the former Owner will be mere tenants at sufferance of the purchaser, and the purchaser may obtain immediate possession either pursuant to a judgment for foreclosure or by forcible detainer or eviction to be maintainable by the purchaser.

(e): Each owner, by acquisition of any Lot within the Subdivision or right, title or interest therein, specifically covenants and stipulates as to each and every Trustee's foreclosure sale that the recitals in any appointment or designation of Trustee, any conveyance by the Trustee and any affidavit of the Trustee or the Association related thereto shall be full proof and evidence of the matters therein stated, all prerequisites of the foreclosure sale shall be presumed to have been performed, and the foreclosure sale made under the powers herein granted shall be a perpetual bar against the Owner(s) of the Lot(s) sold and their heirs, executors and administrators, successors and assigns, and any Persons whatsoever claiming or to claim thereunder.

5.08.5: Extinguishment of Inferior Liens. Foreclosure of the Association's continuing lien for assessments terminates, extinguishes and forever discharges all inferior or subordinate liens and encumbrances (being all liens and encumbrances except as provided by Section 5.07.3 as to the affected Lot. The foregoing applies to judicial and non-judicial foreclosure of the Association's continuing lien for assessments regardless of whether or not the holder of the inferior or subordinate lien or encumbrance is made a party to or given notice of any proceedings in connection therewith, including without limitation whether or not made a party to or given notice of any judicial foreclosure suit and any other proceedings in connection therewith.

SECTION 5.09: Foreclosure: Bankruptcy

5.09.1: Effect of Foreclosure or Bankruptcy. The effect of judicial or non-judicial foreclosure of a lien which is superior to the Association's continuing assessment lien under this Declaration and the effect of the discharge of an Owner in bankruptcy is determined as of the date of foreclosure, or the date of filing of the bankruptcy in which the Owner is discharged, as the case may be (the "Discharge Date"). Foreclosure as aforesaid does not relieve the former Owner from the personal obligation for payment of assessments due as of the Discharge Date, but does release the Association's continuing assessment lien as to and only as to assessments due prior to the Discharge Date. The purchaser at foreclosure and an Owner discharged in bankruptcy is also relieved from any obligation for payment of assessments due prior to the Discharge Date", but is obligated to pay all assessments assessed or assessable from and after the Discharge Date and the Association's continuing assessment lien fully secures payment of said assessments. For purposes of the foregoing "assessments assessed or assessable" means (i) prorated regular annual assessments based on the number of months remaining in the calendar year in which the Discharge Date occurs regardless of whether the applicable regular annual

assessment is payable in advance annually, semi-annually or quarterly, and (ii) any installments for special or specific assessments so payable which become due after the Discharge Date.

5.09.2: Revival of Assessment Lien: No Merger. The obligation secured by the Association's assessment lien is automatically revived as to any Owner who reacquires ownership of a Lot within two years after the Discharge Date (as defined in the immediately preceding Section) to the same effect as if none of the events causing the Discharge Date to occur had occurred. The Association's assessment lien is not, by merger or otherwise, extinguished or otherwise effected by acquisition of ownership of a Lot at any time and in any manner by the Association except as otherwise expressly agreed in writing by the Association.

SECTION 5.10: Assessments as Independent Covenant

The obligation to pay assessments is a separate and independent covenant and contractual obligation on the part of each Owner. No off-set, credit, waiver, diminution or abatement may be claimed by any Owner to avoid or diminish the obligation for payment of assessments for any reason, including, by way of illustration but not limitation (i) by nonuse of any Community Properties or abandonment of a Lot, (ii) by reason of any alleged actions or failure to act by the Association, or its officers, Directors, agents or employees, whether or not required under this Declaration or other Governing Documents, (iii) for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or (iv) by reason of any action taken by the Association, or its officers, Directors, agents or employees to comply with any law, ordinance, or any order or directive of any governmental authority, or pursuant to any judgment or order of a court of competent jurisdiction.

ARTICLE VI. MAINTENANCE, INSURANCE, CASUALTY LOSSES AND CONDEMNATION

SECTION 6.01: Association Maintenance Responsibilities

6.01.1: Community Properties: Governmental Agreements and Requirements.

(a): The Association will maintain, repair and replace the Community Properties, including all Subdivision Facilities, and keep same in good repair. This maintenance includes, without limitation, maintenance, repair, and replacement of all landscaping and improvements situated on the Community Properties.

(b): The Association may (but is not obligated to) maintain and operate a master sprinkler system for part or all of the Subdivision.

(c): The Association will mow, trim, edge, weed and otherwise generally maintain, repair and replace all lawn and landscape areas upon each Lot which is not located in an area which has been enclosed by fencing or otherwise. Such maintenance shall not include any "exotic landscaping" (which term is defined as

any landscaping not installed per the Prevailing Community Standard) installed by any Owner (whether or not approved), or any other maintenance substantially greater than as generally required throughout the Subdivision. At a special meeting where a quorum is present called for the purpose of discontinuing such Association maintenance, repair and replacement described in this Subsection (c); the Owners of two-thirds of the Lots present entitled to vote may decide to relieve the Association of the obligations set forth in this provision.

(d): The Association shall maintain, repair and replace such other properties, real or personal, and such other facilities, services and improvements as may be required by governmental authorities, including the City, municipal utility districts, and special tax and development districts or other similar entities, such maintenance to be in accordance with applicable contracts, agreements, ordinances, rules, regulations and decisions of such authorities. Declarant is specifically authorized to enter any such contracts or agreements on behalf of the Association, and to bind the Association thereto, at any time prior to termination of the Development Period, and Declarant may amend this Declaration at any time prior to or after termination of the Development Period to the extent it deems necessary by reason of any such contract or agreement.

(e): The Association may maintain, repair and replace such other lawn and landscape areas and facilities in such manner as from time to time approved by the Board.

(f): Nothing shall be done in any areas maintained by the Association which may or does increase the cost of maintenance without prior written approval of the Board. The Board may specifically assess any added costs of maintenance, repair or replacement to the responsible Owner(s).

6.01.2: Owner's Liability for Payment of Association Costs. Each Owner, their tenants, and their respective Related Parties are expressly prohibited from doing anything which (i) could or does increase the Association's costs of insurance or result in cancellation or diminution in insurance coverage, (ii) could or does cause damage to or increase costs of maintenance, repair, replacement, obligations regarding the Community Properties, or any other areas maintained by the Association, or (iii) could or does increase costs of management or operation of any Community Properties (including Subdivision Facilities) or discharge of any other obligations of the Association pursuant to this Declaration or other Governing Documents. Regardless of availability of insurance coverage, the Association may charge to each responsible Owner, as a specific assessment, all increased costs of insurance and all costs of maintenance, repair, replacement, management or operation and all other damages resulting, directly or indirectly, from the acts or omissions of an Owner, their tenants, or their respective Related Parties in violation of the foregoing provisions.

6.02.1: General: Interior Maintenance. All maintenance of each Lot and all improvements thereon are the sole responsibility of the Owner thereof. Each Owner must maintain their Lot and all improvements thereon at all times in such manner as to obtain and maintain Prevailing Community Standards on a continuing basis as may be more specifically determined by this Declaration and other Governing Documents, including as determined from time to time by duly adopted Architectural Guidelines and Rules and Regulations. Without limitation of the foregoing, each Owner must maintain, at each Owner's sole cost and expense, the interior of the Owner's residence and garage, including all fixtures, equipment, appliances, things and devices located therein. MAINTENANCE WHICH AFFECTS THE EXTERIOR APPEARANCE OF A RESIDENCE OR GARAGE IS SUBJECT TO APPLICABLE PROVISIONS OF ARTICLE IV REGARDING PRIOR ARCHITECTURAL CONTROL COMMITTEE APPROVAL.

6.02.2: Residences and Other Improvements. Each Owner shall maintain the exterior of each Owner's residence, garage, and all other buildings, structures, fences, walls, recreational equipment and improvements located upon each Owner's Lot, in an attractive, sound and well maintained condition, including proper maintenance and repair as needed of paint, bricks, siding, roofs, rain gutters, downspouts, exterior walls, driveways, parking areas and all other exterior portions of the Owner's residence and garage. Without limitation of the foregoing, each Owner shall provide proper repair and maintenance as and when needed as follows (the term "residence" includes garage, as applicable):

(a): The exterior paint on each Owner's residence must be maintained so that no portion thereof fades, peels, scales or cracks excessively, and all painted portions remain neat and free of mildew and discoloration. NO CHANGE IN THE EXTERIOR COLOR SCHEME OF A RESIDENCE AS ORIGINALLY CONSTRUCTED IS PERMITTED WITHOUT PRIOR WRITTEN APPROVAL FROM THE ACC.

(b): The windows must be maintained so that no caulking thereon is chipped or cracked and no window panes are cracked or broken.

(c): All exterior doors, including garage doors, must be maintained, repaired, replaced and or repainted as needed to prevent an unkempt or unsightly appearance and such as to maintain same in proper working condition, including replacement as needed of damaged or dented garage door panels and any cracked or broken glass in any door.

(d): The exterior woodwork on each Owner's residence, and all windowsills, door jams and thresholds, framing, hinges, latches and locks, must be maintained so that it remains whole, sound, neat and fully operational.

(e): The roof on each Owner's residence must be maintained to prevent

sagging, to prevent leaks, so that all shingles are properly secured, curled or damaged shingles are replaced and no worn areas or holes are permitted to remain, and such that the structural integrity and exterior appearance of the roof is maintained. The appearance of the roof shall not be changed by any such maintenance without the express prior written approval of the ACC.

(f): The rain gutters and downspouts on each Owner's residence, if any, must be maintained so that all are properly painted or treated to prevent rust and corrosion, are properly secured to roof, eaves, gables or exterior walls (as the case may be), are maintained without holes, and are promptly repaired or replaced if dented or otherwise damaged.

(g): All concrete areas on each Owner's Lot, including sidewalks and driveway, must be maintained in a clean and attractive manner and so that all cracks are appropriately patched or surfaced as they appear, expansion joints are maintained, repaired or replaced, as needed, and all such areas kept free of weeds, grass or other vegetation.

(h): All fences or walls erected on each Owner's Lot must be maintained to prevent any listing or leaning, so that all broken or damaged members and all holes and cracks are repaired as they appear and so that no portion thereof is permitted to rot or decay. **PAINTING OR STAINING OF WOODEN FENCES IS PROHIBITED UNLESS APPROVED IN WRITING BY THE ACC.**

(i): Any swimming pool, which may be installed if and only if first approved by the Architectural Control Committee, must be properly maintained to prevent drainage or leakage of any kind, algae buildup, deterioration of surfaces and decking and any other unkempt or unsanitary condition, and in accordance with applicable laws, ordinances and codes.

(j): All recreational equipment, which may be installed if and only if first approved by the Architectural Control Committee, must be maintained to prevent any unsightly or unkempt condition, including for example but without limitation, proper maintenance of swing sets to prevent rust and corrosion, and proper maintenance of basketball goals to prevent rust and corrosion and by replacement as needed of torn or worn nets.

6.02.3: Utilities. The Owner of each Lot must maintain in proper working order, and on a continuing basis, all sanitary sewer lines and facilities, drainage or storm water lines and facilities, water pipelines, water sprinkler system, water meters and related water lines and facilities, electrical and gas lines, meters and facilities, telephone and any other telecommunication lines, devices or facilities, and all other facilities, utilities and services which service each Lot (the "Owner Utilities"), regardless of the location of the Owner Utilities, save and except to the extent maintenance of any Owner Utilities is provided and actually performed by any governmental entity or utility company. Utilities which service more than one Lot must be maintained, repaired and replaced by all of the

Owners of the multiple Lots served, pro rata, or in such other proportions as determined by the Board upon written request when the circumstances clearly demonstrate that a different manner of allocation is required.

6.02.4: Facilities Maintenance and Water Usage. All toilets, faucets (including outside faucets), sinks, dishwashers, washing machines and all other plumbing and other water related facilities which service a Lot and any improvements thereon must be regularly inspected and property maintained at all times to prevent water leakage, excess water usage and any other waste of water. Nothing shall be done and no condition shall be permitted which may or does cause water leakage, excess water usage or waste of water. If in the opinion of the Board any violation of this Section may or does exist, the Board may install, or require the Owner of the applicable Lot to install, such devices as may be reasonably required to monitor water usage, may require specific modifications, replacements and or repairs to specific water related facilities and may take such other action as the Board deems appropriate to prevent water leakage, excess water usage and/or any other waste of water, including without limitation as provided in Section 6.03. **REGARDLESS OF NEGLIGENCE, EACH OWNER IS OBLIGATED TO PAY, AS A SPECIFIC ASSESSMENT, ALL COSTS ATTRIBUTABLE TO THE OWNER'S LOT FOR INCREASE OF COSTS AND COSTS OF MODIFICATIONS, REPLACEMENTS AND REPAIRS RESULTING FROM ANY WATER LEAKAGE, EXCESS WATER USAGE OR WASTE OF WATER.**

6.02.5: Landscaping. All grass, shrubbery, trees, flower beds, vegetation and all other landscaping, either natural or artificial, on each Lot which is not maintained by the Association must be maintained at all times in accordance with the seasons as reasonably necessary to obtain and maintain on a consistent and continuing basis Prevailing Community Standards, including as reasonably necessary to maintain on a consistent and continuing basis a sanitary, healthful and attractive condition and appearance and to eliminate any condition which may create any unsanitary condition or become a harborage for rodents, vermin or other pests.

6.02.6: Disturbance of Community Properties. In the event the performance of any Owner's maintenance responsibilities requires that any portion of the Community Properties be modified, removed or disturbed, then such Owner must first obtain the written consent of the ACC as to same. All such work must be performed, at the option of the Association, either under the supervision of the Association in accordance with plans and specifications approved by the ACC, or by the Association at the reasonable expense of the Owner. If the Association performs the work at the expense of the Owner, the ACC may require a security deposit or advance payment of all of the estimated expenses which the Owner must pay upon demand. Such indebtedness will be added to and become a part of the specific assessment to which such Owner and the Owner's Lot are subject, and is secured by the continuing lien hereby established against such Owner's Lot.

6.02.7: Adjacent or Adjoining Owners: Common Fences. No Owner or their tenant will allow any condition to exist or fail or neglect to provide any maintenance which adversely affects any adjoining or adjacent Lot, any Community Properties, or any

improvements on any such Lot or the Community Properties. All maintenance, repair or replacement of Lot Line Fencing as may be approved in accordance with **Section 8.09** which separates adjoining Lots, or which is otherwise shared in common by two adjoining Lots, is the joint responsibility of, and the costs thereof shall be shared equally by, the adjoining Owners.

6.02.8: Dispute Resolution Among Owners.

(a): Any disputes among Owners regarding any rights or responsibilities pursuant to this Article may be submitted in writing to the Board. The Board also has full authority to direct submission of any dispute to the Board in writing. After notice and opportunity to be heard; the Board has full authority to resolve all such disputes, and its decisions as to same are final. The Board's authority includes without limitation (i) the right to direct the completion of any maintenance, repair or replacement and to allocate costs thereof among the disputing Owners, (ii) to authorize one of the disputing Owners or a third party to control the completion of the maintenance, repair or replacement, (iii) to order the disputing Owners to mediation or arbitration through a county dispute resolution center or similar organization or under the Rules of the American Arbitration Association, and (iv) to allocate among the disputing Owners all costs of the maintenance, repair or replacement and all costs (including attorney's fees) incurred in the dispute resolution process.

(b): Each disputing Owner must pay their allocated share of compliance costs (including attorney's fees) within thirty days after receipt of a statement for payment thereof. A final costs statement may be submitted by the Board or may be submitted by disputing Owners to the Board for resolution as above provided. If any Owner fails to pay their allocated costs as aforesaid, all such costs shall automatically be assessed as a specific assessment against the defaulting Owner as provided in **Section 5.06**. If one Owner has prepaid allocated costs of another and the prepaid sum is later collected by the Association, that sum (without interest if any) will be reimbursed to the Owner who prepaid same. All rights and remedies under this Section are cumulative.

SECTION 6.03: Right of Entry and Inspection: Owner's Default

In the event the Board or ACC determines that (i) an Owner may have or has failed or refused to discharge properly the Owner's maintenance obligations as provided in this Article, or (ii) the need for maintenance, repair, or replacement which is the responsibility of the Association hereunder may have or has been caused through the willful or negligent act or omission of an Owner, the Owner's tenants, or their respective Related Parties, then the Association may conduct inspections of any affected Building, the exterior of the residence and all other buildings thereon, and all other structures and improvements thereon (a "Compliance Inspection") and/or perform the repair, replacement or maintenance (the "Required Work") in accordance with the following:

6.03.1: If the Board or ACC determines that a violation of this Article may exist, the Board, ACC and their Related Parties may enter a Lot, to inspect same and any and all exterior portions of the single family residence, garage and any other buildings located on the Lot and to conduct a Compliance Inspection, including such investigative work as may be reasonably required to confirm that a violation does or does not exist. Except in the event of an Emergency, the Association must give written notice of the Association's intent to conduct a Compliance Inspection. The notice must state generally the nature of the suspected violations. The notice must also state the name, address and telephone number of a contact with whom to schedule a date and time for the inspection within ten days of the date of the notice (or such longer time as may be stated in the notice or as may be required by law), and must state if a date and time is not so scheduled the Compliance Inspection may be conducted at any time within a specified period of time thereafter (which period of time may not exceed a ten day period within thirty days after expiration of the scheduling period).

6.03.2: Except in the event of an Emergency, the Association must give written notice of the Association's intent to provide Required Work. The notice must set forth the Required Work with reasonable particularity. The Owner of the Lot to which the notice of Required Work pertains will have ten days within which to complete the Required Work as set forth in this notice, or, in the event the Required Work is not capable of completion within a ten-day period, to commence the Required Work within ten days and to complete same within a reasonable time not to exceed thirty days unless otherwise specifically approved in writing by the Board or ACC. The affected Owner must give written notice of the intent to commence the work and of the completion of Required Work stating in detail the Required Work intended to be commenced and the Required Work which has been completed. The Board or ACC, through their Related Parties, may also conduct a Compliance Inspection to confirm completion of all Required Work.

6.03.3: If any Owner fails to schedule an inspection pursuant to a Compliance Inspection notice, the Association has the right (but not the obligation), through its Related Parties, to enter a Lot and thereupon to conduct the inspection as provided in **Section 6.03.1**. If any Owner fails fully to comply with a notice as to Required Work, the Association has the right (but not the obligation), through its Related Parties, to enter upon the Lot and to do all things upon the Lot, to the exterior of the residence and all buildings, and as to any structures and other improvements located thereon to commence and complete the Required Work.

6.03.4: In case of Emergency the Association has the right (but not the obligation), through its Related Parties, to immediate entry upon a Lot, to immediately exercise all rights and remedies authorized by this Section as is reasonably necessary in the sole opinion of the Board or ACC to abate the Emergency, without prior notice. Upon abatement of the Emergency applicable provisions of this Section will then again apply.

6.03.5: The good faith determination by the Board or ACC as to the need for a Compliance Inspection and as to all aspects of Required Work is final and conclusive, and extends to any thing or condition as to such Lot or which adversely affects any other

Lot or Community Properties. Neither the Association nor any of its Related Parties may be held liable for trespass or any other tort or claim for damages in connection with any actions or failure to act pursuant to this Section. The provisions hereof are cumulative of the provisions of **Section 3.06**.

6.03.6: All reasonable costs and expenses as to conducting of a Compliance Inspection if a violation is confirmed and in all events as to all aspects of Required Work which is performed by the Association pursuant to this Section, as determined in the sole opinion of the Board or ACC, will be added to and become a part of the specific assessment to which such Owner and the Owner's Lot is subject, and is secured by the continuing lien hereby established against such Owner's Lot.

6.03.7: The provisions of this Section also apply to any other violations of the Governing Documents as provided in **Section 10.02**.

SECTION 6.04: Casualty Losses - Association Responsibilities

Except as hereafter provided, in the event of damage by fire or other casualty to the Community Properties or regarding any other matters as to which the Association has an obligation to maintain pursuant to this Declaration or other Governing Documents, or if any governmental authority requires any repair, reconstruction or replacement as to same, the Association must perform all repairs, reconstruction or replacement necessitated thereby (the "Casualty Work"). The Casualty Work must be such as will substantially restore the Community Properties to its condition prior to the casualty or as required by the governmental authority. Any insurance proceeds payable as to the Casualty Work must be paid to the Association. Except for Casualty Work which is required by any governmental authority, the Owners may agree not to perform any Casualty Work. Any decision not to perform Casualty Work must be submitted to the Owners at a special meeting of Members called for that purpose, and must be approved by affirmative vote of the Owners of not less than a majority of all Lots then contained in the Subdivision.

SECTION 6.05: Casualty Losses - Owner Responsibilities

6.05.1: Required Repair or Replacement. Whether or not insured, and unless completely razed or removed as permitted by the next subsection, all damage or destruction by fire or other casualty to all or any portion of any improvements on a Lot, including the residence and/or any appurtenant garage as originally constructed on a Lot, must be repaired or replaced by the Owner thereof within seventy-five days after such damage or destruction; or, where repairs or replacements cannot be completed within seventy-five days, they must be commenced within such period and completed within a reasonable time thereafter as determined by the ACC. For good cause shown, the ACC may extend in writing the foregoing periods.

6.05.2: Other Casualty Losses. Whether or not insured, any building, structure, improvement and any other type of Modification which is damaged or destroyed and which is not repaired or replaced as provided by the above subsection must either be razed or removed in its entirety from the affected Lot and the Subdivision within sixty

days after such damage or destruction. This includes removal of any foundation as to any razed or removed building, structure or other improvement and such other restoration required such that after razing or removal Prevailing Community Standards are maintained. For good cause shown, the ACC may extend in writing the foregoing periods.

6.05.3: ACC Approval Required. The provisions of Article IV apply to all work and any other activities pursuant to the requirements of this Section.

SECTION 6.06: Owner Insurance

6.06.1: General. It is suggested that the Owner of each Lot maintain personal liability insurance and all-risk property and casualty insurance as required by this Section and such other insurance in amounts, types and deductibles as the Owner deems necessary or desirable.

SECTION 6.07: Association Insurance

6.07.1: Coverage. To the extent reasonably available the Association shall maintain the following insurance coverage:

(a): property insurance on all insurable Community Properties insuring against all risks of direct physical loss commonly insured against, including fire and extended coverage, in a total amount of at least eighty percent of the replacement cost or actual cash value of the insured property as of the effective date and at each renewal date of the policy (exclusive of land, foundations or slabs, excavations and such other items usually excluded from insurance coverage);

(b): comprehensive liability insurance, in amounts determined by the Board and covering all occurrences commonly insured against for death, bodily injury, and property damage;

(c): worker's compensation to the extent required by law; and

(d): such other insurance as the Board deems appropriate.

6.07.2: Administration of Claims. Fire and casualty policies shall be purchased in the name of the Association. A claim for any loss covered by any policy must be submitted by the Association and adjusted with the Association. The insurance proceeds for that loss shall be payable to an insurance trustee designated by the Board for that purpose if the designation of an insurance trustee is considered by the Board to be necessary or desirable, or otherwise to the Association, and not to any Owner or lien holder. The insurance trustee or the Association shall hold insurance proceeds in trust for the Owners and lien holders as their interests may appear. All repairs, replacements or reconstruction will be substantially similar to original construction.

6.07.3: Deductibles: Claims. The Board shall determine appropriate deductibles for all insurance policies. The Board may in its sole discretion determine whether or not any particular claim is to be made taking into account (without limitation) such factors as adverse effects of claims made as to future coverage or costs thereof Each Owner shall as a condition to the validity of any claim provide all information and documentation which is reasonably necessary to fully evaluate each claim. Each Owner shall be fully responsible for payment in full of each claim which does not exceed the then applicable deductible. Determinations by the Board as to the validity of any claim as to amount or otherwise, and as to any other matters pertaining to this Section are final and conclusive.

6.07.4: Unavailable Coverage; Additional Rules and Regulation. Neither the Association nor its Related Parties are liable for failure to obtain any insurance coverage or to otherwise comply with any other provisions of the Article VI regarding same if such failure is due to unavailability or to excessive costs as determined in the sole good faith opinion of the Board, or for any other reason beyond the reasonable control of the Board. The Board is specifically authorized from time to time to adopt and amend policies, procedures and any other Rules and Regulations to more fully effectuate the purposes and intent of the provisions of this Section 6.07.

SECTION 6.08: Condemnation

If at any time all or any part of the Community Properties is taken (or conveyed in lieu of and under threat of condemnation by the Association acting on the approval of the Owners or a majority of Lots then contained within the Subdivision) by any authority having the power of condemnation or eminent domain, any award compensation or damages must be paid to the Association as trustee for all Owners. The board has the exclusive right to act on behalf of the Association with respect to the negotiation and litigation of the taking or condemnation issues affecting such Community Properties. The Association shall give timely notice of the existence of such proceedings to all Owners and their mortgagees, if any. The expense of participation in such proceedings shall be common expenses payable from the Maintenance Fund. The Owners may, by vote of the Owners of seventy-five per cent (75%) or more of all Lots, agree to distribute the proceeds of any condemnation or taking by eminent domain, to each Owner and their mortgagee, if any, as their interest may appear. In the event the Owners do not so agree, such proceeds must be added to the funds of the Association, and the Association shall decide on whether or not to replace or restore, as far as possible, the Community Properties so taken or damaged. If condemnation proceeds are insufficient to replace or restore any loss or damage, the Association may levy a special assessment as provided for in **Section 5.05** of this Declaration.

ARTICLE VII. USE RESTRICTIONS

SECTION 7.01: Residential Use: Group in Homes: Treatment Facilities

7.01.1: General. Each and every Lot is hereby restricted to single family residential use only. No residence may be occupied by more than one single family.

7.01.2: No Business, Professional, Commercial or Manufacturing Use. No business, professional, commercial or manufacturing use may be made of any Lot or any

improvement located thereon, even though such business, professional, commercial or manufacturing use be subordinate or incident to use of the premises as a residence, and regardless of whether or not done for profit or remuneration. Notwithstanding the foregoing, a single family residence may be used for maintenance of a personal professional library, keeping of personal or professional records or accounts, or handling personal business or professional telephone calls, or for maintenance of one home office, but if and only if such business activity (i) does not involve use of any part of the applicable Lot, or residence or other building or improvement thereon, by any Person other than the Owner or the Owner's tenant (but not both), no on-site employees are otherwise permitted, and the public is not invited, permitted or allowed to enter the Lot to conduct any business thereon, (ii) is not detectable by sight, sound or smell from outside the residence, and there is no other external evidence thereof (including signs, advertising, or contacts in person at the residence with clients or customers), (iii) does not involve the storage of any equipment, materials or devices other than as consistent with operation of a small home office, and in all events which are not hazardous and do not constitute any type of threat to health or safety or other nuisance, (iv) complies with all applicable City ordinances (including City ordinances), and with any other governmental laws, rules, regulations and permitting or licensing requirements applicable to same, (v) is consistent with the residential character of the Subdivision, and (vi) does not cause any annoyance or unreasonable inconvenience to Owners or occupants of area Lots or any Community Properties.

7.01.3: Residential Use Only. Without limitation of the foregoing, as used in this Declaration the term "residential use" shall be construed to prohibit the use of any Lot or the residence thereon for apartment houses or other type of dwelling designed for multi-family dwelling, or use, for or operation of a boarding or rooming house or residence for transients, or the use of any permitted outbuilding as an apartment or residential living quarters.

7.01.4: Single Family Defined. As used in this Declaration the term "single family" means either: (i) husband and wife, their dependent children and their dependent parents, grandparents, grandchildren, brothers and sisters who are maintaining a common household and who are members of a single family related by blood, marriage or adoption; or (ii) one or more natural persons not so related but who are maintaining a common household in a single family residence on a nonprofit, noncommercial basis with a common kitchen and dining area; and (iii) the bona fide domestic servants of either. "Dependent children" and "dependent parents, grandparents, grandchildren, brothers and sisters" means such relatives who do not maintain a separate residence and are not able to maintain a separate residence.

7.01.5: Maximum Occupancy. In addition to the limitations above set forth, in no event may a single family residence be occupied by more persons than the product of the total number of bona fide bedrooms contained in the single family residence multiplied by two plus one. The number of bona fide bedrooms is based on the single family residence as originally constructed, plus any additional bedroom(s) which may thereafter be added which have been specifically approved by the ACC for such use, if

any.

7.01.6: Group Homes: Day Care Center: Treatment Facilities. To the fullest extent allowed by law, no Lot or any part of the single family residence thereon may be used for the operation of a group home, half-way house, day-care center, rehabilitation center, treatment facility, or residence of unrelated individuals who are engaging in, undertaking, or participating in any group living, rehabilitation; treatment, therapy, or training with respect to previous or continuing criminal activities or convictions, alleged criminal activities, alcohol or drug dependency, physical or mental handicaps or illness, or other similar matters. The foregoing does not include a "community home" established and maintained pursuant to and in strict compliance with Chapter 123 of the Texas Health and Safety Code, and all applicable governmental licensing requirements, rules and regulations. It is not the intent of this provision to exclude from a Lot any individual who is authorized to so remain by any state or federal law. If it is found that this definition is in violation of any law, then this provision shall be interpreted to be as restrictive as possible to preserve as much of the original provision as allowed by law.

SECTION 7.02: Pets, Animals and Livestock

7.02.1: Permitted Pets: Leashing Required. No animals, hogs, horses, livestock or poultry of any kind may be raised, bred, kept or maintained on any Lot at any time except "Permitted Pets" which are dogs, cats or other usual household pets. Subject to **Section 7.04**, the foregoing limitation on the number of Permitted Pets does not apply to hamsters, small birds, fish or other constantly caged animals which are continuously kept completely within a residence, nor shall it apply to require the removal of any litter born to a Permitted Pet prior to the time that the animals in such litter are three months old. All Permitted Pets must be kept on a leash or otherwise maintained under the control of their owner when not maintained in an enclosed yard from which the Permitted Pet cannot escape. otherwise raised, bred, kept or maintained in violation of this Declaration or applicable Rules and Regulations, the Board may cause any such animal, livestock or Permitted Pet to be removed from the Subdivision and may prohibit the return of any such Permitted Pet to the Subdivision. The provisions hereof do not prejudice the right of the Association to otherwise establish a violation. The foregoing provisions do not apply to any vehicle completely stored within a garage. The Board may grant reasonable exceptions in writing to the foregoing upon receipt of written request from an Owner or their tenant.

7.03.7: Towing. Upon commencement of construction of a single family residence, the work thereon must be prosecuted diligently to the end that the same will not remain in a partly finished condition any longer than reasonably necessary for completion thereof. In any event construction must be substantially completed within six months after pouring of the slab for a single family residence. Declarant hereby reserves for itself and authorized builders a blanket easement upon, over, under and across the Subdivision, including each Lot, for purposes of establishment, construction and maintenance of Drainage Devices as aforesaid; provided, such easement may not be exercised and no Drainage Device may be established, constructed or maintained in any manner as to encroach upon the foundation or any other part of any single family residence or its appurtenant garage. Declarant may designate any Drainage Devices as part of the Subdivision Facilities in which case same shall be maintained by the Association. Otherwise, all Drainage Devices shall be maintained by the Owners as hereafter provided. **THE FOREGOING SHALL NOT BE CONSTRUED TO OBLIGATE DECLARANT OR ANY AUTHORIZED BUILDER TO ESTABLISH, CONSTRUCT OR MAINTAIN ANY DRAINAGE DEVICES OF ANY TYPE OR KIND WHATSOEVER, AND ANY REPRESENTATION, WARRANTY OR IMPLICATION AS TO SAME IS HEREBY SPECIFICALLY DISCLAIMED.**

Without limitation of the foregoing, no Owner may place or permit placement of any flower bed or other landscaping, or any other structure or thing along or near any Lot line which

would obstruct, alter, divert, impede, or impair drainage along any Lot line within any swale or otherwise within drainage patterns as established by Declarant during the Development Period or by the ACC thereafter. To obtain and maintain proper drainage, including as required by this Section, and/or as changing circumstances may require, the Architectural Control Committee is hereby specifically authorized to require any Owner to construct, install and maintain such gutters and/or downspouts, drains, drainage lines and any other Drainage Devices as the ACC determines, and/or to remove any obstruction, thing or device or cease any activity, either upon initial construction of any residence or other improvement, or at any time thereafter that circumstances reasonably require.

All easements, dedications, limitations, restrictions and reservations shown on any Plat and all validly existing grants and dedications of easements and related rights heretofore made or hereafter established as herein provided affecting the Subdivision or any Lots and filed in the Official Public Records of Real Property of Harris County, Texas, are incorporated herein by reference and made a part of this Declaration for all purposes as if fully set forth herein, and shall be construed as being adopted in each and every contract, deed or conveyance executed or to be executed by any Person covering any portion of the Subdivision, including any Lot. In the event of any conflict between any of the foregoing filed after the date of filing of this Declaration and any provisions of this Declaration, the provisions of this Declaration control. The foregoing shall not be construed as in any manner giving effect to any instrument of record other than in accordance with the instrument and applicable law.

SECTION 9.02: Owner's Easements for Use and Enjoyment

Every Owner of a Lot has a right and easement of ingress and egress, use and enjoyment in and to the Community Properties which is appurtenant to and passes with the title to the Lot, subject to the following provisions:

9.02.1: Usage Control. The Board has a continuing right, but not the obligation, to: (i) establish, install, maintain, operate and regulate a gate or gates and, devices, and procedures as it may determine; (ii) issue, charge for, and require as a condition of entry to the Subdivision and/or Community Properties such identification cards, passes, keys, or similar devices as the Board may from time to time determine; (iii) limit the number of guests of Lot Owners and their tenants who may use the Community Properties; (iv) provide for the exclusive use and enjoyment of specific portions of the Community Properties at certain designated times by an Owner, his family, and the Owner's tenant, and the guests or invitees of either; and (v) charge reasonable admission and other fees for the use of any portion of the Community Properties, including any Subdivision Facilities.

9.02.2: Suspension of Usage Rights. The Board has a continuing right, upon notice and opportunity to be heard, to suspend the right of an Owner, and the Owner's tenant, and the Related Parties of either, to use all or any part of the Community Properties and/or Subdivision Facilities for any breach, violation or infraction of this Declaration or other Governing Documents until all such breaches, violations and infractions are cured. The provisions of this Section may not be construed to permit any limitation of ingress or egress to or from any Lot.

SECTION 9.03: Easements for Encroachment and Overhang

In the event of encroachment by any building, structure or other improvement, including without limitation, any portion of any roadway, walkway, parking area, driveway, water line, sewer line, utility line, sprinkler system, building steps, fences, fireplaces, chimneys, bay windows and similar architectural details, paving, driveway approaches and in turns, decking, footings, piers, piles, grade beams and similar improvements, which encroachment originates during original construction or results at any time from settling or shifting, on or into any adjoining Lot or on or into the Community Properties, not more than thirty inches (30") from any point on the common lot line ("Encroachment"), it shall be deemed that the Owner of the Lot encroached upon (or into) or the Association (as the case may be) has granted a perpetual easement for continuing maintenance and use of such encroaching improvements, and for maintenance, repair or replacement thereof if performed in substantial compliance with the original construction, over, above, under, and upon the adjoining, encroached upon Lot (or Community Property) for a distance co-existent with the Encroachment. An "Encroachment" as aforesaid includes, without limitation, overhead encroachments and overhangs of walls, roofs or other part of any building or structure, and encroachments which are completely underground. In addition, any such Encroachment is permitted to extend over any otherwise applicable setback line up to thirty inches (30") when the Encroachment originates during original construction or results at any time from settling or shifting as aforesaid. The term "original construction" as used

in this Section means construction, placement or modification of improvements which occurs through "completion of the initial sale" of a Lot as that phrase is defined in **Section 11.03**.

SECTION 9.04: Owners' Access Easement

9.04.1: Defined. Each Lot and the Community Properties are subject to a non-exclusive access easement for the construction, maintenance, repair and replacement of improvements located upon any adjacent Lot (the "Accessing Lot") for usage by an Accessing Lot Owner or occupant, or their agents or employees. The Lot or Community Properties being accessed is herein referred to as the "Easement Lot". This access easement area on the Easement Lot (the "Access Area") consists of a strip of land abutting the nearest boundary line of the Accessing Lot of not less than three feet nor more than six feet, as may be reasonably required, and to such additional area as may be approved in writing by the Board upon written request stating a reasonable necessity for same. THIS ACCESS EASEMENT AREA MAYBE UTILIZED ONLY WHEN AND TO THE EXTENT SAID CONSTRUCTION. MAINTENANCE, REPAIR OR REPLACEMENT CANNOT BE REASONABLY CONDUCTED WITHIN THE BOUNDARIES OF THE ACCESSING LOT. Except in the case of an Emergency, in no event will such easement extend to any part of the single family residence garage, or other building located on the Easement Lot.

9.04.2: Notice: Duration. Prior to use of the Access Area, the Owner or occupant of the Accessing Lot must give written notice of intent to utilize the Access Area stating therein the nature of intended use and the duration of such usage. Such notice must be delivered to the Owner or occupant of the Easement Lot by regular or certified mail or personal delivery, or by attaching same to the front door of the residence located upon the Easement Lot. If by mail, such notice must be given at least ten business days prior to use of the Access Area; and if by personal delivery or affixing to the front door, such notice must be given at least five business days prior to use of the Access Area. In case of Emergency the Accessing Lot Owner or occupant may commence and continue usage of the Access Area without giving the foregoing notice for so long as is reasonably necessary to control the Emergency and complete work necessitated thereby, but must proceed with giving of the required notice as soon as practical after commencement of usage. If made by an Owner or occupant, the determination that an Emergency exists is the sole responsibility of such Owner or occupant who is solely liable as to same.

9.04.3: Usage. Usage of the Access Area is limited to the minimum reasonable amount of time and area required to complete necessary work to preserve, protect, construct, maintain, repair, and replace the residence or other structures and improvements located on the Accessing Lot. Work during the usage period must be conducted in such manner as to minimize so far as reasonably possible inconveniences and disruptions to the Easement Lot and its occupants. Except in case of emergency or unless otherwise authorized by the Owner or occupant of the Easement Lot, work during the usage period may not be conducted during legal holidays or any Sunday and must otherwise be confined to the hours of 7:00 a.m. to 7:00 p.m., Monday through Friday and 9:00 a.m. to 6:00 p.m. on Saturdays.

9.04.4: ACC Approval of Access Area Improvements. No structure or improvements other than grass, and customary, non-exotic flower and shrubbery beds, may be placed within the Access Area at any time without the prior written approval of the ACC.
