Each such assessment, together with interest, cost and reasonable attorneys' fees shall also be the personal obligation of the person or persons who own the Lot at the time the assessment fell due, but such personal obligation shall not pass to the successors in title of such person or persons unless expressly assumed by them. However, all future transferees of Lots shall have the obligation, prior to purchase, to verify with the Association and/or Declarant that such assessments have been paid to date and that the property to be acquired is free and clear of all assessed indebtedness.

### Section 3. "Fixing of and Maximum Annual Assessments"

(a) Until January 1, 2007, the maximum annual assessment shall be One Hundred Fifty Dollars (\$180.00) per Lot per year, payable in yearly installments. Declarant shall monitor the expenses actually incurred within the first six (6) months after the execution of this Declaration and set an amount necessary to meet actual expenses, but not exceed the amount set out hereinbefore.

(b) Commencing with January 1, 2007, and continuing thereafter, all assessments shall be fixed by the Association in advance and shall be due and payable on January 1<sup>st</sup> of each calendar year, after giving due consideration to the anticipated cost of all Common Areas Maintenance obligations, and other costs of operations for the Association. The Association shall have the right to collect such assessments in advance on either an annual, monthly or quarterly basis. If at any time the Association determines that the assessments for that fiscal year are insufficient to discharge all assessments to be incurred or payable during that assessment year by the Association, the Association may increase the assessments to cover such costs (incurred or to be incurred), and such increase shall become effective at the beginning of the next annual or quarterly assessment period. If required, assessments shall be prorated for the period from the commencement thereof to the end of the then current calendar year of the Association.

(c) From and after January 1, 2007, to December 31, 2007, the maximum annual assessment may be increased each year not more than twenty-five percent (25%) above

the maximum annual assessment for the previous year unless approved by a Majority Vote of the Board of Directors as defined in the Bylaws.

(d) The Association may fix the annual assessment at an amount not in excess of the maximum prescribed herein.

Section 4. **“Special Assessments for Capital Improvements and other Expenses”** In addition to the annual assessments authorized above, the Association may levy in any assessment year, a special assessment applicable to that year only for the purpose of defraying in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement (including, but not limited to lighting, streets, alleys, gates and/or utilities) on the Common Areas, including fixtures and personal property related thereto and any other necessary expenses. Any such assessment must be approved by a majority of the Board of Directors.

Section 5. **“Notice and quorum”** The number of votes present at a meeting that will constitute a quorum shall be as set forth in the Bylaws of the Association, as amended from time to time. Notice requirements for any and all actions to be taken by the members of the Association shall be as set forth herein or in the Bylaws, as the same may be amended from time to time. The Majority Vote of the Members entitled to vote on a matter, as defined in the Bylaws, shall be the act of the Members, except as otherwise expressly provided in this Declaration. Any Member who is not a Member in Good Standing shall not be entitled to cast a vote on any matter coming before the Association.

Section 6. **“Uniform Rate of Assessment”** Both annual and special assessments must be fixed at a uniform rate for all Lots.

Section 7. **“Commencement and Collection of Annual Assessment”** The annual assessments provided therein shall commence as to all Lots upon recording of the Subdivision plat. The first assessment shall be adjusted according to the number of months remaining in the calendar year. The Association shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of the due date thereof and shall fix the dates such amounts become due. Assessments may be made payable monthly, quarterly or annually. Notice of the annual assessments shall be sent to every Owner subject thereto. The Association shall, on demand and for a reasonable charge, furnish a certificate signed by an officer of the Association, setting forth whether the assessment against a specific Lot has been paid, and may, on or before February 15, of each year, cause to be recorded in the office of the County Clerk of Hidalgo County, a list of delinquent assessments as of that date.

**Declarant is hereby exempted from any and all annual and/or special assessments. No Lot owned by Declarant shall be assessed nor shall Declarant be liable for any assessment described herein.**

Section 8. **“Effect of Non-payment of Assessments, Remedies of the Association”** Any assessment not paid within thirty (30) days after the due date shall be deemed in default and shall bear interest at the maximum rate permitted by law from the due date until paid. An Owner in default shall be subject to a late fee as set by the Board of Directors. The Association may bring an action at law against the Owner personally obligated to pay the same, or may foreclose the lien against the property. The lien may be foreclosed through judicial or, to the extent allowed by law, non-judicial foreclosure proceedings in accordance Tex. Prop. Code Ann. Section 51.002, as it may be amended from time to time (the “Foreclosure Statute”), in like manner of any deed of trust on real property. In connection with the lien created herein, each Owner grants the Association, whether expressed in the deed or other conveyance to the Owner, a power of sale to be exercised in accordance with the Foreclosure Statute. At any foreclosure proceeding, any person, including but not limited to the Association and any Owner, shall have the right to bid for the Lot at the foreclosure sale and to acquire and hold, lease, mortgage and convey the same. During the period in which a tract is owned by the Association following foreclosure, no assessment shall be levied on it. Suit to recover a money

judgment for unpaid assessments and attorney's fees shall be maintainable without foreclosing or waiving the lien securing the same.

No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Areas or abandonment of his lot.

Section 9. **"Subordination of Assessment Lien to Mortgage"** The assessment lien provided for herein shall be subordinate to the lien of any first mortgage. A sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to a mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the assessment lien as to payment which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. Where the beneficiary of a first lien deed of trust obtains title pursuant to judicial or non-judicial foreclosure, neither it nor its successors and assigns shall be liable for the Assessments chargeable to such Lot which became due prior to the acquisition of title to such Lot by such acquirer. Such unpaid share of Assessments shall be deemed to be common expenses collectible as a common expense from the remaining Members of the Association (including such acquirer, its successors and assigns).

#### **ARTICLE IV. PROPERTY RIGHTS**

Section 1. **"Owner's Easements of Enjoyment"** Every Owner of a Lot shall have a right and easement of enjoyment in and to the Common Areas which shall be appurtenant to and shall pass with the title to such Lot, subject to the following rights of the Association.

Section 5. **“Right of Entry”** The Association, through its duly authorized employees, contractors, and delegated agents, shall have the right after reasonable notice to the Owner thereof, to enter any Lot at any reasonable hour on the day to perform such maintenance as may be authorized herein, save and except in case of an emergency, which threatens either life or property, in which case advance notice shall not be required.

Section 6. **“No Partition”** There shall be no judicial partition of the Common Areas, nor shall Declarant, or any Owner or any other person acquiring any interest in the Subdivision or any part thereof, seek judicial partition thereof. However, nothing contained herein shall be construed to prevent judicial partition of any lot owned in co-tenancy.

Section 7. **“Future Subdivision Development”** Declarant, its successors or assigns, reserve the right to use all easements and streets in this Property in connection with future residential development adjacent to or near the Property. Owners shall not have a claim for damages injunctive relief, or any claim of whatsoever kind or nature based upon such use.

The Declarant by promulgating this section is not attempting to violate the Telecommunications act of 1996 (the “Act”), as same may be amended from time to time. This section shall be interpreted to be as restrictive as possible while not violating the Act.

Section 16. **“Garage”** All residences erected on these Subdivision Lots must have at least a two-car, rear-entry garage incorporated into the main structure. No carports are permitted.

Section 17. **“Residential Landscaping”** Front yards of all dwellings which are not composed of sidewalks or areas consisting of shrubs, hedges, ground covers and trees shall be covered by a grass such as coastal Bermuda or Saint Augustine or other commercially approved lawn grass. Front yards shall be landscaped in a professional manner, with shrubs, hedges and or ground covers and trees including but not limited to one tree of a minimum of three (3) inch diameter and a minimum of ten (10) five (5) gallon shrubs. **No Certificate of Occupancy shall be issued until these landscaping requirements are met.** Each Owner shall maintain grass, trees and shrubbery and keep them disease free and healthy, and if any such trees either die or become diseased or of unhealthy appearance they shall be removed and new trees shall be planted in their place. The Owner shall pay for the cost of all grass, trees and shrubbery.

No owner shall allow his Lot or Lots, whether vacant or not, to remain overgrown with grass or weedy vegetation or natural wild vegetation, and each Owner shall be responsible for the timely maintenance, care and removal of grass, weedy or natural vegetation, by mowing, shredding, cutting and removing the same. Additionally, the Committee or its agent(s) shall have the right at its option, to mow shred or cut said vegetation, and to charge the Owners a reasonable fee. In the event that said fee remain unpaid for a period of thirty (30) days, the Declarant, Committee or its agents shall have a valid and subsisting lien for said payment and said lien may be perfected by filing an affidavit establishing said lien in the real estate records of Hidalgo County, Texas, and may bring suit to enforce the payment of said fees or for foreclosure of its lien, or both, and shall be entitled to reasonable attorney’s fees and costs of suit for prevailing in such an action.

Section 18. **“Vehicle Maintenance”** No maintenance shall be allowed on any type of motorized vehicle on the street.

Section 19. **“Driveways”** Driveways must be constructed of concrete, brick, or other material receiving the approval of the Committee. All driveways must be ‘rear entry’ driveways. No driveways are allowed on the front of the Lots.

Section 20. **“Mailboxes”** All mailboxes shall be of the same design and material as the structure and placed in uniform locations.

Section 21. **“Insurance”** Nothing shall be done or kept on a Lot or on the Common Areas which would increase the rate of insurance relating thereto without the prior written consent of the Association, and no Owner shall permit anything to be done or kept on his Lot or the Common Areas which would result in the cancellation of insurance of any residence or on any part of the Common Areas, or which would be in violation of any law.

Section 22. **“Declarant’s Special Rights”** Declarant or the transferees of Declarant shall undertake the work of developing all Lots included with the Subdivision. The completion of that work and the sale, rental, or other disposition of Lots is essential to the establishment and welfare of the Subdivision as an ongoing residential community. In order that such work may be completed and the Subdivision be established as a fully occupied residential community as soon as possible, nothing in this declaration shall be understood or construed to:

(a) Prevent Declarant, Declarant’s transferees, or the employees, contractors, or subcontractors of Declarant or Declarant’s transferees from doing on any part or parts of the Subdivision owned or controlled by Declarant or Declarant’s transferees or their representatives, whatever they determine may be reasonably necessary or advisable in connection with the completion of such work.

(b) Prevent Declarant, Declarant’s transferees, or the employees, contractors, or subcontractors of Declarant or Declarant’s transferees from constructing and maintaining on any part or part of the Subdivision property owned or controlled by Declarant, Declarant’s transferees, or their representatives, such structures as may be reasonably necessary for the completion of such work, the establishment of the Subdivision as a residential community, and the disposition of Lots by sale, lease or otherwise;

(c) Prevent Declarant, Declarant’s transferees, or the employee, contractors, or subcontractors of Declarant or Declarant’s transferees from conducting on any part or parts of the Subdivision property owned or controlled by Declarant or Declarant’s transferee or their representative, the business of completing such work, of establishing the Subdivision as a residential community, and of disposing of Lots by sale, lease or otherwise; or

(d) Prevent Declarant, Declarant’s transferees, or the employees, contractors, or subcontractors of Declarant or Declarant’s transferees from maintaining such sign or signs on any of the Lots owned or controlled by any of them as may be necessary in connection with the sale, lease, or otherwise of Subdivision Lots.

As used in this section, the words “its transferees” specifically exclude purchasers of Lots.

#### **ARTICLE VI OWNER’S OBLIGATION TO REPAIR**

Each Owner shall, at its sole cost and expense, repair its residence, keeping the same in a condition comparable to the condition of such residence at the time of its initial construction excepting only normal wear and tear.

#### **ARTICLE VII OWNER’S OBLIGATION TO REBUILD**

If all or any portion or a residence is damaged or destroyed by fire or other casualty, it shall be the duty of the Owner thereof, with all due diligence, to rebuild, repair, or reconstruct such residence in a manner which will substantially restore it to its appearance and condition immediately prior to the casualty. Reconstruction shall be undertaken within two (2) months after the damage occurs, and shall be completed within fourteen (14) months after the damage occurs, unless prevented by cause beyond the control of the Owner or Owners. All plans for rebuilding must be approved by the Committee.

#### **ARTICLE VIII ARCHITECTURAL CONTROL**

Section 1. **“Architectural Control Committee”** Declarant shall designate and appoint the initial Architectural Control Committee (“Committee”) consisting of three (3) adult persons (at the sole discretion of Declarant), which Committee shall serve until June

30, 2007. If any Member becomes unable or unwilling to continue to serve during such term, Declarant, its successor or assigns, shall appoint a successor to finish the respective term. A majority of the Committee may designate a representative to act for it. Neither the members of the Committee, nor its designated representative shall be entitled to any compensation for service performed pursuant to this covenant. After June 30, 2006, the duties, rights, powers and authority of the Committee shall automatically transfer, without any further formality, to the Association. Further, any or all of the duties, rights, powers and authority of the Committee may be assigned at any time, upon the unanimous decision of the Committee, to the Association. From and after the date of such assignment, the Association shall have full right, authority and power, and shall be obligated to perform the functions of the Committee as provided herein.

Section 2. **“Function”** No fence, dwelling, garage or building shall be erected, placed or altered on any Lot until the construction plans and specifications and a plat showing the exact location of the structure on the Lots has been approved in writing by the Committee as to quality of workmanship and material, harmony of external design with existing structures, conformity with the provisions of this Declaration, and as to location with respect to topography and finish grade elevation. Colors and types of brick, roof, trim, roofing materials, front doors, etc. will be reviewed by and must be approved by the Committee.

Section 3. **“Powers”** The Committee shall have and exercise such powers and rights provided for in and consistent with the provisions of this Declaration. Each Committee member shall have one (1) vote. Except in those instances in this Declaration where the unanimous action shall be taken or any decisions made by the Committee except with the concurrence of not less than two (2) Committee members, however, a designated representative approved unanimously by all three (3) Committee members shall have the sole power to act on behalf of the Committee. The designated representative's power may be revoked by a written communication to all Lot Owners. Each Committee member shall be entitled to receive (but may waive) not less than five (5) days written notice of each meeting of the Committee and of each action proposed to be taken and decision proposed to be made by the Committee (whether or not at a meeting).

Section 4. **“Approval of Plans and Specification”** No building, fence, wall, road, driveway or other structure shall be commenced, erected, altered or maintained upon the Lots, nor shall any exterior addition to, or change or alteration therein, be made, except as set forth below, until samples of the masonry, exterior paint and roofing materials, and the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to, and approved in writing by, the Committee as to quality of workmanship and material, the harmony of external design with existing structures, conformity with the provisions of this Declaration, and location of such improvements in relation to the surrounding structures and topography. The Committee must be provided with a full size set of plans and specifications along with an 8 ½ X 11 set. The full size set of plans will be returned to Owner upon approval of the Committee and stamped as such so that Owner may obtain a building permit from the City of McAllen.

Section 5. **“Failure of Committee to Act”** In the event that any plans and specifications are submitted to the Committee as provided herein, and a written receipt of delivery is obtained, and such Committee shall fail either to approve or reject such plans and specifications for a period of thirty (30) days following such submission, approval by the Committee shall not be required, and full compliance with this Article shall be deemed to have been had.

Section 6. **“Failure to Comply”** Failure to comply with Section 4 herein shall submit the respective Lot Owner to injunctive relief and/or damages, pursuant to Article II, Section 3. The defendant Lot Owner shall pay all costs of court and attorney's fees borne by the Association or other entity bringing such action should the Association or other entity, as the case may be, prevail.

**ARTICLE IX**  
**GENERAL PROVISIONS**

Section 1. **“Enforcement”** Declarant, the Association, or any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, easements, reservations, liens and charges now or hereafter imposed by the provisions of this declaration. Failure by Declarant, the Association, or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. **“Severability”** Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section 3. **“Amendments”**

(a) **Declarant.** So long as the Class B membership exists, the Declarant (or its assignee) may unilaterally amend this Declaration for any purpose. Thereafter, the Declarant may unilaterally amend this Declaration at any time and from time to time as otherwise specifically authorized by this Declaration, or if such amendment is (i) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation or judicial determination which is in conflict therewith, (ii) necessary to enable any reputable title insurance company to issue title insurance coverage with respect to any portion of the Property, or (iii) required by an institutional or governmental lender, purchaser, insure or guarantor of mortgage loans to enable it to make, purchase, insure or guarantee mortgage loans on any portion of the Property. Further, so long as it still owns any portion of the Property for development, the Declarant may unilaterally amend for other purposes, provided the amendment has no material adverse effect upon any right of any Owner.

(b) **Owners.** Except as otherwise specifically provided above, or elsewhere in this Declaration, this Declaration may be amended only by a majority vote of Class A Members, together with the Class B Member’s vote, for so long as the Class B Membership shall exist. However, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed number of affirmative votes required for action to be taken under the clause. No amendment may remove, revoke, or modify any right or privilege of Declarant without the consent of Declarant (or its assignee of such right or privilege).

(c) **Validity and Effective Date of Amendments.** Amendments to this Declaration shall become effective upon recordation in the real property records of Hidalgo County, Texas, unless a later effective date is specified therein. Any procedural challenge to an amendment must be made within six (6) months of its recordation or such amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate as a waiver or amendment of any provision of this Declaration.

Section 4. **“Subordination”** No breach of any of the conditions herein contained or re-entry by reason of such breach shall defeat or render invalid the lien of any mortgage made in good faith and for value as to the Subdivision or any Lot therein; provided, however, that such conditions shall be binding on any owner whose title is acquired by foreclosure, trustee’s sale or otherwise.

Section 5. **“Duration”** The covenants and restrictions of this declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Declarant, Association, or any member thereof for a period of thirty (30) years from the date hereof, and thereafter shall continue automatically in effect for additional periods of ten (10) years, unless otherwise agreed in writing by the then owner of at least seventy five percent (75%) of the Subdivision Lots.

Section 6. **“Compliance with Laws”** At all times, each Owner shall comply with applicable, federal, state, county, and municipal laws, ordinances, rules and

regulations with respect to the use, occupancy, and condition of their Lot and any improvements thereon. If any provision contained in this Declaration or amendment is found to violate any law, then the provision shall be interpreted to be as restrictive as possible to preserve as much of the original provision as allowed by law.
