COMMUNITY RULES CONTINUED

- Political Signs: To facilitate efficient weekly lawn care, we ask that signs only be placed in a home's interior window or outside in the ground in a mulched garden area. Signs shall not be placed in common areas or the entrance to Trappers Ridge without prior written board approval. Signs must be professionally made and can be no larger than 18" x 24". To maintain community aesthetics, political signs may be displayed no earlier than 10 days before any primary, general, or special election or balloting proposition, and must be removed one day after the voting period ends. These rules governing political signs are meant to ensure that Trappers Ridge remains a harmonious and attractive place to live.

Thank you for your cooperation!
