If at any time the Association determines that the assessments for that fiscal year are insufficient to discharge all assessments to be incurred or payable during that assessment year by the Association, the Association may increase the assessments to cover such costs (incurred or to be incurred), and such increase shall become effective at the beginning of the next annual or quarterly assessment period. If required, assessments shall be prorated for the period from the commencement thereof to the end of the then current calendar year of the Association.

Any such assessment must be approved by a majority of each class of members.

Section 5. "Notice and quorum for action authorized under Sections 3 and 4" Written notice of any meeting called for the purpose of taking any action authorized by Sections 3 or 4 shall be sent to all members not less than three (3) nor more than ten (10) days in advance of such meeting. Section 6. "Uniform rate of assessment" Both annual and special assessments must be fixed at a uniform rate for all lots, except where additional real estate is added to the initial lot and in such case, that specific assessment shall be increased proportionately to the additional amount of land annexed.

Section 7. "Commencement and collection of annual assessments" The annual assessments provided for herein shall commence as to all lots on recording of the Subdivision plat. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the common area or abandonment of his lot.

Section 9. "Subordination of assessment lien to mortgages" The assessment lien provided for herein shall be subordinate to the lien of any first mortgage. A sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to a mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the assessment lien as to payment which become due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof. Section 14. "Auto Draft of Dues and Assessments" The Association shall set up an ACH payment system to facilitate the quarterly payment of annual dues and assessments and penalties. In the event that the Owner's account is insufficient to cover the ACH payment, there shall be a \$50 penalty.

Section 1. "Architectural Control Committee" Declarant shall designate and appoint the initial Architectural Control Committee ("Committee") consisting of three (3) adult persons, those being EDUARDO GAMBA AND FERNANDO PACHECO, which Committee shall serve until December 31, 2026. If any member becomes unable or unwilling to continue to serve during such term, Declarant, its successor or assigns, shall appoint a successor to finish the respective term. A majority of the Committee may designate a representative to act for it. Neither the members of the Committee, nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. After December 31, 2026, the duties, rights, powers and authority of the Committee shall automatically transfer, without any further formality, to the Association. Further, any or all of the duties, rights, powers and authority of the Committee may be assigned at any time, upon the unanimous decision of the Committee, to the Association. From and after the date of such assignment, the Association shall have full right, authority and power, and shall be obligated to perform the, functions of the committee as provided herein.

Section 2. "Function" The Committee shall perform the functions provided for and consistent with the provisions of this Declaration.

Section 3. "Powers" The Committee shall have and exercise the powers and rights provided for in and consistent with the provisions of this Declaration. Each Committee Member shall have one (1) vote. The designated representative's power may be revoked by a written communication to all lot owners. Each Committee Member shall be entitled to receive (but may waive) not less than five (5) days written notice of each meeting of the Committee and of each action proposed to be taken and decision proposed to be made by the Committee (whether or not at a meeting). The Committee may adopt such Bylaws to govern the performance of its functions under this Declaration as the Committee Members may deem appropriate, provided that no provision of such Bylaws shall be contrary to any provision of this Declaration.

Section 4. "Approval of General Contractor, Plans and Specifications" No building, fence, wall, road, driveway, landscaping or other structure shall be commenced, erected, altered or maintained upon the Properties, nor shall any exterior addition to, or change or alteration therein, be made, except as set forth below, until samples of the brick or exterior paint (if brick is not to be used) and roofing materials, and the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to, and approved in writing by, the Committee as to the harmony of external design and location of such improvements in relation the surrounding structures and topography. In addition, the proposed General Contractor shall be submitted to the Committee for approval at its sole and absolute discretion.

Section 5. "Failure of Committee to Act" In the event that any plans and specifications are submitted to the Committee as provided herein, and a written receipt of delivery is obtained, and such Committee shall fail either to approve or reject such plans and specifications for a period of twenty (20) days following such submission, approval by the Committee shall not be required, and full compliance with this Article shall be deemed to have been had.

Section 6. "Failure to Comply" Failure to comply with Section 4 herein shall submit the respective lot Owner to injunctive relief and/or damages, pursuant to Article II, Section 4. The defendant lot owner shall pay all costs of court and attorney's fees borne by the Association or other entity bringing such action should the Association or other entity, as the case may be, prevail. Failure to comply will result in a fine being imposed by the Association of not less than \$50.00 per day until the violation is cured.

Additional residential property and common area may be annexed to the subdivision with the consent of one-third (1/3rd) of each class of members.

ARTICLE X. RECIPROCAL EASEMENT AND OPERATING AGREEMENT

Declarant and/or Association shall have the authority, but not the obligation, to enter into a written agreement with any adjacent property's Owners' Association, who represents any owners of Lots and/or Units within any Lot adjacent to the Subdivision, including their common elements, to share expenses of the upkeep of the streets, alleys, private drives, perimeter fences and any and all other assets lying in the common area/areas of the subdivision if they deem it to be in the best interest of their Association/Associations. Their action shall be binding on all property owners and members. Such agreement may provide for the suspension of use of any and/or all common areas for the default of the payment of obligatory dues for maintenance and/or failure to perform contracted obligations within their own areas as agreed.

ARTICLE XI. GENERAL PROVISIONS

Section 1. "Enforcement" Declarant, the Association, or any owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, easements, reservations, liens and charges now

Section 2. "Severability" Invalidation of anyone of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section 3. "Amendments" Covenants and restrictions of this declaration may be amended by duly recording an instrument executed and acknowledged by not less than three-quarters (3/4) of each class of members. Any amendment of the declaration that will be materially adverse to the Owners or to the mortgagees of the Owners must be consented to in writing by at least fifty-one percent (51%) of such mortgagees.

Section 4. "Subordination" No breach of any of the conditions herein contained or re-entry by reason of such breach shall defeat or render invalid the lien of any mortgage made in good faith and for value as to the subdivision or any lot therein; provided, however, that such conditions shall be binding on any owner whose title is acquired by foreclosure, trustee's sale or otherwise.

"Duration" The covenants and restrictions of this declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Declarant, Association, or any member thereof for a period of thirty (30) years from the date hereof, and thereafter shall continue automatically in effect for additional periods of ten (10) years, unless otherwise agreed to in writing by the then owners of at least three-quarters (3/4) of the subdivision lots.
