11. PARTITIONING. The common elements shall remain undivided, and no unit owner or any other person shall have the right to bring any action to partition any part thereof, unless the property has been removed from the provisions of the Act. Nothing herein contained, however, shall be deemed to prevent ownership of a dwelling unit by the entireties, jointly, or in common, or in any other form permitted by law.

12. ASSESSMENTS FOR COMMON EXPENSES.

A. The unit owners are bound to contribute pro rata in accordance with their allocated interests set forth in Exhibit "D" hereto attached, toward the expenses of administration and of maintenance and repair of the common elements, and toward any other expenses lawfully assessed by the Association.

B. Any common expense associated with the maintenance, repair, or replacement of a limited common element must be assessed against the units to which that limited common element is assigned, equally, or in any other proportion that the Declaration provides.

C. Any common expense or portions thereof benefiting fewer than all of the units must be assessed exclusively against the units benefited.

13. **COMMON PROFITS.** The common profits of the property, if any, after payment of all expenses of operation and maintenance of the property and the establishment of a sinking fund or other reserve funds or any other matters reasonable, necessary and appropriate for the maintenance of the property as determined by the Board of Directors in accordance with the Condominium Documents, shall be distributed among the unit owners according to the percentages for each unit set forth in Exhibit "D".

14. **TAXES.** Each condominium unit and its percentages of undivided interest in the common element set forth in Exhibit "D" hereto attached, shall be deemed to be a separate parcel and shall be separately assessed and taxed for all types of taxes authorized by law, including, but not limited to, special ad valorem levies and special assessments. Each unit holder shall be liable solely for the amount of taxes against his individual unit and shall not be affected by the consequence resulting from the tax delinquency of any other unit holders. Neither the building, the property, nor any of the common elements shall be deemed to be a separate parcel for purposes of taxation.

15. **LIENS.**

A. No liens of any nature may be created subsequent to the recording of this Declaration against the condominium property as a whole (as distinguished from an individual unit, together with its undivided common interest in the common elements) except as provided in the Act.

B. No labor performed or materials furnished to the common elements shall be the basis for a lien thereon unless authorized by the Condominium Documents or expressly authorized by the Board, in which event, same might be the basis for the filing of a lien against all condominium units in the proportions for which the owners thereof are liable for common expenses.

C. Unless otherwise provided by law, in the event a lien against one or more condominium units becomes effective, each owner thereof may relieve his condominium unit of the lien by paying the proportionate amount attributable to his condominium unit. Upon such payment, it shall be the duty of the lienor to release the lien of record for such condominium unit.

D. Assessments against the unit owners by the Association made pursuant to the By-Laws shall, if not paid when due, bear interest at such rate as is determined by the Board, not to exceed the maximum rate allowed by law, and shall create a lien to the extent of such assessment, together with interest thereon, in favor of the Association against the unit of the defaulting owner and shall be enforced all as provided by the Act. All assessments against unit owners shall be also the personal obligation of the owner at the time the assessment fell due. Such personal obligations shall not pass to successors in title unless assumed by them or required by law.

E. All liens provided for herein shall be subordinate, and are hereby subordinated, to the lien of any first mortgage given to any lender to secure a loan, the proceeds of which are used to finance the purchase of any unit or units, unless any such lien provided for herein shall have been recorded in the Office of the Clerk of Superior Court of New Hanover County prior to the recordation of said first lien mortgage in the Office of the Register of Deeds of New Hanover County, North Carolina. A lien for common expense assessments shall not be affected by any sale or transfer of a unit estate, except that a sale or transfer pursuant to a foreclosure of a first mortgage shall extinguish a subordinate lien for assessments which became payable prior to such sale or transfer. However, any such delinquent assessments which were extinguished pursuant to the foregoing provision may be reallocated and assessed to all units as a common expense. Any such sale or transfer pursuant to a foreclosure shall not relieve the purchaser or transferee of a unit from the lien of, any assessments made thereafter.

16. NATURE OF INTEREST IN UNIT.

A. Every unit together with its undivided common interest in the common elements, shall for all purposes be a separate parcel of real property, and the unit owner thereof shall be entitled to the exclusive ownership and possession of such unit subject only to the Condominium Documents and the covenants, restrictions, easements, regulations, resolutions and decisions adopted pursuant thereto.

B. The owner shall be entitled to use the common elements in accordance with the purpose for which they are intended, but no such use shall hinder or encroach upon the lawful rights of the owners of other units.

17. INSURANCE.

A. **Amount and Scope of Insurance.** All insurance policies upon the Condominium (except personal property within a unit) shall be secured by the Board or by the Managing Agent if so designated by the Board, who shall have the authority to, and shall, obtain such insurance against (1) loss or damage by fire or other hazards normally insured against, and (2) such other risks, including public liability insurance, as from time to time shall be customarily required by private institutional Mortgage Investors for projects similar in construction, location and use as the property and the improvements thereon all under such terms and for such amounts as the responsible authority shall determine. However, such liability coverage shall be for at least \$1,000,000.00 for bodily injury, including deaths of persons and property damage arising out of a single occurrence. Coverage under this policy shall include, without limitation, legal liability of the insured's for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance or use of the common elements and legal liability arising out of law suits related to employment contracts of the Owners Association. The foregoing shall not preclude the Board from obtaining insurance coverage on all or a portion of the limited common elements. In obtaining such coverage, the responsible authority shall consider the reasonable requirements of holders of first liens on individual units. If the Board in its sole discretion shall determine that it is not possible or economically feasible to obtain a master policy it may obtain or require each unit owner to obtain individual policies on each of the units, providing the coverage obtained is at least equal to the coverage under a master policy.

B. **Insurance Provisions.** The Board of Directors shall make diligent efforts to ensure that said insurance policies provide for the following:

(1) A waiver of subrogation by the insurer as to any claims against the Association, any officer, director, agent or employee of the Association, the unit owners and their employees, agents, tenants and invitees.

(2) A waiver by the insurer of its right to repair and reconstruct instead of paying cash.

(3) Coverage may not be cancelled or substantially modified (including cancellation for nonpayment of premium) without at least thirty days' prior written notice to the named insured and all mortgagees.

(4) Coverage will not be prejudiced by act or neglect of the unit owners when said act or neglect is not within the control of the Association or by any failure of the Association to comply with any warranty or condition regarding any portion of the property over which the Association has no control.

(5) The master policy on the property cannot be cancelled, invalidated or suspended on account of the conduct of any one or more individual unit owners.

(6) The master policy on the property cannot be cancelled, invalidated or suspended on account of the conduct of any officer or employee of the Board of Directors without prior demand in writing that the Board of Directors cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, any unit owner or any mortgagee.

C. **Premiums.** All insurance policy premiums on the property and for the benefit of the Association purchased by the Board or the Managing Agent and any

deductibles payable by the Association upon loss shall be a common expense.

D. Proceeds. All insurance policies purchased pursuant to these provisions shall provide that all proceeds thereof shall be payable to the Board as insurance trustee or to such attorney-at-law or institution with trust powers as may be approved by the Board of Directors. The sole duty of the insurance trustee shall be to receive such proceeds as are paid and to hold the same in trust for the purposes elsewhere stated herein or stated in the By-Laws and for the benefit of the unit owners and their mortgagees in the following shares:

(1) Proceeds on account of damage to common elements shall be held in undivided shares for each unit owner and his mortgagee, if any, each unit owner's share to be the same as such unit owner's undivided interest in the common elements.

(2) Proceeds on account of damages to units shall be held in the following undivided shares:

(a) When the buildings are to be restored, for the owners of damaged units in proportion to the cost of repairing the damage suffered by each unit owner, which cost shall be determined by the Board of Directors.

(b) When the buildings are not to be restored, and undivided share for each unit owner, such share being the same as such unit owner's undivided interest in the common areas and facilities.

(c) In the event a mortgagee endorsement has been issued with respect to a unit, the share of the unit owner shall be held in trust for the mortgagee and the unit owner as their respective interests may appear.

E. Policies. All insurance policies shall be written for the benefit of the Board of Directors and the unit owners and their mortgagees as their respective interests may appear, and shall provide that all proceeds thereof shall be payable to the Board of Directors as insurance trustee. The originals of all such policies and the endorsements thereto shall be deposited with the Board of Directors and duplicates of said policies and endorsements and all renewals thereof, or certificates thereof, together with proof of payment of premiums, shall be delivered to the unit owners at least ten days prior to the expiration date with respect to the then current policies. Duplicates shall also be obtained and issued by the Association to each mortgagee, if any, upon request of such mortgagee at any time.

18. DISTRIBUTION OF INSURANCE PROCEEDS. Proceeds of insurance policies shall be distributed to or for the benefit of the beneficial owners in the following manner:

A. Expense of Trust. All reasonable expenses of the insurance trustee shall be first paid or provision made therefor.

B. Reconstruction or Repair. If the damage for which the proceeds are paid is to be repaired or reconstructed, in accordance with the Act, the remaining proceeds shall be paid to defray the cost thereof as provided in Paragraph 18 hereof. Any proceeds remaining after defraying such cost shall be distributed to the beneficial owners, including lienholders of record, or retained by the Association for such common expenses or purposes as the Board shall determine.

C. Failure to Reconstruct or Repair. If it is determined, as herein provided, that the damage for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be distributed to the beneficial owners, including lienholders of record.

19. DAMAGE AND DESTRUCTION. Except as hereinafter provided, damage to or destruction of the common elements, and to the extent insurance proceeds are available, limited common elements, shall be promptly repaired and restored by the Board using the proceeds of any insurance available for those purposes, and the unit owners of all units shall be liable for assessment of any deficiency, in accordance with their undivided interests in the common elements. **PROVIDED, HOWEVER,** if more than two thirds of the units be destroyed by fire or other casualty and the owners of 80% of the units including 100% of the units not to be rebuilt or 100% of the owners assigned to limited common elements not to be rebuilt resolve not to proceed with reconstruction or

restoration, then in that event, the property shall be subject to the provisions of Section 47C-2-118 of the Act as the same exists at the date hereof or as amended hereafter. Any reconstruction or repair shall be substantially in accordance with the plans and specifications of the original building and improvements, unless other plans and specifications are approved by the Board and by eligible holders holding mortgages on units which have at least 51% of the votes of units subject to eligible holder mortgages.

In the event of a taking by eminent domain (or condemnation or a conveyance in lieu of condemnation) of part or all common elements, the award for such taking shall be payable to the Association, which shall represent the owners named in the proceedings. Said award shall be utilized to the extent possible for the repair restoration, replacement or improvement of the remaining common elements, if only part are taken. If all or more than two thirds of all the general common elements are taken, it shall be deemed a destruction of more than two thirds of all of the common elements and the condominium shall be terminated as provided for in this Declaration. Any funds not utilized (in the case of a partial taking or condemnation) shall be applied in payment of common expenses otherwise assessable. In the event of a taking of all or part of a unit, the award shall be made payable to the owner of such unit and his mortgagee, if any, as their respective interest may appear.

20. RIGHTS OF ELIGIBLE MORTGAGE HOLDERS. To the extent permitted by law, an eligible mortgage holder upon written request to the Association, identifying the name and the address of the holder, will be entitled to timely written notice of:

A. Any condemnation, loss or casualty loss which affects a material portion of the project or any units on which there is a first mortgage held by such eligible mortgage holder.

B. Any delinquency in payment of assessments or charges owed by an owner of the unit subject to a first mortgage held, by such eligible holder, which remains uncured for a period of sixty days.

C. Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Owners Association.

D. Any proposed action which would require the consent of a specified percentage of eligible mortgage holders.

E. In addition to the foregoing rights, the eligible mortgage holders shall be afforded the following rights subject to the extent permitted by law and as allowed by the Act as it now exists, or as may be amended from time to time.

(1) Any election to terminate the legal status of the project after substantial destruction or a substantial taking in condemnation of the project property must require the approval of at least 51% of the votes of the units subject to eligible mortgage holders.

(2) Unless otherwise provided in the Declaration or By-Laws, no reallocation of interest in the common elements resulting from a partial condemnation or partial destruction of the project may be effected without the prior approval of eligible holders holding mortgages on all remaining units whether existing whole or in part, and which have at least 51% of the votes of such remaining units subject to eligible holders of mortgages.

(3) If a professional management is ever used to govern the condominium, any decisions to establish self-management by the Association shall require the prior consent of owners of units to which at least 67% of the votes of the Association are allocated and except as otherwise provided elsewhere the approval of eligible holders holding mortgages on units which have at least 51% of the votes of units subject to eligible holder mortgages.

21. FIDELITY BONDS.

A. **General.** The Association shall maintain blanket fidelity bonds for all officers, directors, employees and all other persons handling or responsible for funds of the Association. If the Association shall delegate some or all the responsibility for the handling of its funds to a management agent, such fidelity bonds shall be maintained by such management agent for its officers, employees and agents handling or responsible for

funds of or administered on behalf of the Association.

B. **Amount of Coverage.** The total amount of fidelity bond coverage required shall be based upon best business judgment and shall not be less than the estimated maximum of funds, including reserve funds, in the custody of the Association or the management agent, as the case may be, at any given time during the term of each bond. However, in no event may the aggregate amount of such bonds be less than a sum equal to three months' aggregate assessments on all units plus reserve funds.

C. **Other Requirements.** Fidelity bonds required herein must meet the following requirements:

- (1) Fidelity bonds shall name the Association as an obligee.
- (2) The bonds shall contain waivers by the issuers of the bonds of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees", or similar terms or expressions.
- (3) The premiums on all bonds required herein for the Association (except for premiums on fidelity bonds maintained by a management agent for its officers, employees and agents) shall be paid by the Association as a common expense.
- (4) The bonds shall provide that they may not be cancelled or substantially modified (including cancellation for nonpayment of premium) without at least ten days' prior written notice to the Association if a condominium project, to any insurance trustee and each eligible mortgage holder.

22. **RECOMMENDATION OF RENTAL AGENTS.** At the annual meeting of the Association, or such other meeting of the Association as is designated by the Board, the Board may, upon notice to the owners, recommend for the approval of the Association one or more agents for the rental of units during the forthcoming year. Prior to recommending agents for the approval of the Association, the Board shall have authority to require any agent desiring to qualify as an approved agent to submit a copy of the proposed rental agreement to be used by such agent, together with such other information as the Board may reasonably require. The Board may require, as a condition of approval, that all rental agreements incorporate such standard procedures as may be required to minimize problems of security, maintenance, quality and operation of the common elements of the property. Neither the Association nor the Board shall have, or attempt to impose as a condition of approval, any control over the commission schedule or fees charged by any approved rental agent, or the permissible period of rental, all of which shall be for the sole determination of the approved rental agent and any owner selecting such agent. Each owner shall have the absolute right to enter into any direct rental, lease or sales arrangement with renters, lessors and purchasers which shall be consistent with the Declaration, By-Laws of the Association and such other regulations as may from time to time be promulgated by the Association and/or Board. Nothing herein shall be construed as creating or authorizing any rental pooling or as requiring the rental of a unit by an owner or as restricting the owner's use of his unit. If any court of law, governmental regulatory body having appropriate jurisdiction or approved legal counsel to the Association determines that any portion of this provision is unlawful or would require registration of the offering of any unit as a security, then such portion of this provision shall be invalid until such requirement is eliminated.

23. **MANAGEMENT AND CONTROL.** Management of the affairs of the Association shall be the right and responsibility of its Board of Directors in accordance with this Declaration and the By-Laws hereto attached as Exhibit "F"; **PROVIDED, HOWEVER,** specifically that all of those special rights of Declarant control to appoint and remove Officers and Directors are hereby reserved by Declarant until the earlier of (i) one hundred twenty (120) days after conveyance of seventy five percent (75%) of the units to unit owners other than the Declarant; (ii) two (2) years after Declarant has ceased to offer units for sale in the ordinary course of business; or (iii) the date upon which Declarant voluntarily surrenders control of the Condominium.

24. **MANAGEMENT AGENT.**

A. **Interim Management Agent and Assessments.** From the date of the first conveyance of title by the Declarant to a unit owner until the date of the first annual meeting of the Association, Declarant or its designee shall serve as the interim Management Agent with responsibility for coordinating all normal management services

of the Association.
